Or the ability to view your pictures in direct sunlight through a bright 1.8" Indoor/Outdoor LCD display. With the DX4530, you get it all. And you can share it all with one-touch-simple e-mailing, printing, and picture transfers, thanks to our on-camera Share button. Want even more? The Kodak EasyShare DX4530 zoom digital camera features easy-to-access scene modes, multi-zone auto-focus, and continuous video capture – giving you the power to make your great shots even better.

Kodak EasyShare
system

Shoot. Touch. Share. With the Kodak EasyShare system, sharing is simple. Just place your Kodak EasyShare digital camera into the dock, touch the button, and your pictures are automatically sent to your computer. Now you're ready to e-mail pictures and share great-looking prints with the world.

Just press **share**™

The Kodak EasyShare camera dock II makes it simple to transfer pictures from camera to computer in one touch. It even recharges your Kodak camera's battery pack – in less than three hours. Want more? The optional Kodak EasyShare printer dock 4000 does everything the Kodak EasyShare camera dock II does, plus it provides the simplest way to print real borderless 4" x 6" Kodak photos – with or without a computer.
