

eSATA/USB 2-in-1 Cards

PCI Express Card
ExpressCard34
3Gb/s

**Add More Ports to
Your Computer**

High Performance

By using one or two LaCie eSATA/USB 2-in-1 Cards, you can combine up to two hard disks together with your computer to create a versatile solution. Their unique and exclusive eSATA/USB 2-in-1 form factor allows you to connect eSATA, USB 2.0 or new eSATA/USB devices like our new LaCie Rugged eSATA/USB Hard Disk. Using the LaCie Rugged eSATA/USB Hard Disk with our eSATA/USB 2-in-1 cards, you can combine SATA II performance with the bus-power capability of USB through a single eSATA/USB 2-in-1 cable.

Get Connected Faster

Add new LaCie eSATA/USB 2-in-1 Cards (PCI Express Card or ExpressCard34) for instant connectivity and amazing performance with your eSATA, USB or eSATA/USB 2-in-1 peripherals. LaCie eSATA/USB 2-in-1 Cards feature up to two external eSATA/USB connectors, and can run at speeds of up to 3Gbps/s, making them the best interface choice for professionals and consumers who demand high speeds. Plug in up to two external hard disks and easily configure them with Mac® OS X and Windows®.

eSATA/USB Connectors

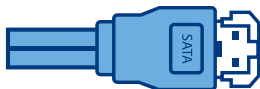

Our LaCie eSATA/USB 2-in-1 Cards are not just high performance eSATA cards—they also offer new eSATA/USB 2-in-1 ports. These ports are compatible with eSATA devices, USB devices, and eSATA/USB devices without the need to use adaptors. The LaCie eSATA/USB 2-in-1 Cards combine the best of each technology: the speed of eSATA and the bus-power mode of USB. These cards are a great choice for users who need speed, reliability, and convenience.

Two Options

With two options for expanding your laptop or desktop computer, the LaCie eSATA/USB 2-in-1 Cards help you get faster speeds and more reliability, no matter what computer you need them to work with. Their sophisticated, sturdy design means that you'll be using them for years to come.

USB A Male
