

# Helen Borchers Flowering Peach

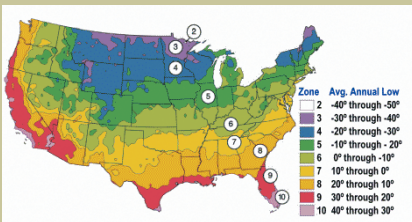

*Prunus persica 'Helen Borchers'*

Spectacular, large double pink flowers with darker pink centers. Holds blooms up to 3 weeks. Late blooming avoids many frosts and makes it widely adaptable and a good choice for frost prone areas. Does well also in mild winter areas such as Southern California.

One of the showiest of all flowering peaches. Prune after bloom each year.

Grows to a height of 20 feet and spread of 20 feet.

Cold Hardy to U.S.D.A.  
Zone 6.
