**PART 2
ADMINISTRATION**

DIVISION 1—GENERAL ADMINISTRATIVE POWERS

Constitution of Minister as a corporation sole

6. (1) The Minister is a corporation sole.

(2) The Minister is, in that corporate capacity, capable of acquiring, holding and disposing of real and personal property and of performing any other acts that lie within the capacity of a person of full age and capacity.

(3) In any legal proceedings a document apparently bearing the signature or the common seal of the Minister will, in the absence of evidence to the contrary, be taken to have been duly executed by the Minister.

* * * * *

* * * * *

Power of acquisition

9. (1) The Minister may, subject to and in accordance with the *Land Acquisition Act 1969*, acquire land for the purposes of this Act.

(2) Where a notice of intention to acquire land has been served, a person who wilfully damages the land or destroys or harms wildlife on the land is guilty of an offence.

Penalty: \$5 000 or imprisonment for 12 months.

(3) Where the Minister has reasonable cause to suspect that a person may act in contravention of subsection (2), the Minister may authorise a warden to enter upon the land and to exercise such force as may be necessary or expedient to prevent the commission of an offence under that subsection.

(4) A warden authorised under subsection (3) may enter upon the land and use such force as may be necessary or expedient to prevent the commission of an offence under this section.

Research and investigations

10. (1) The Minister may—

- (a) cause research to be carried out into problems relating to the conservation of wildlife; or
- (b) collaborate with any other person, body or authority in the conduct of any such research; or
- (c) cause an investigation to be made into the possibility of establishing further reserves or adding to existing reserves.

(2) The Minister may make available to the public the results of any research or investigation conducted under this section.

Wildlife Conservation Fund

11. (1) The *Wildlife Conservation Fund* is established.

- (2) The fund consists of—
- (a) money derived by the Minister from any donation or grant made for the purposes of the fund; and
 - (b) money provided by Parliament for the purposes of the fund; and
 - (c) money arising from any sale that the Minister is authorised to make in pursuance of powers conferred by this Act; and
 - (d) fees paid for permits under Part 5A; and
 - (e) fees and royalties to be paid into the fund under any other provision of this Act.
- (3) Subject to this Act, the Minister may apply any portion of the fund towards—
- (a) the conservation of wildlife, and land constituting the natural environment or habitat of wildlife, in such manner as the Minister may, upon the recommendation of the South Australian National Parks and Wildlife Council, determine; and
 - (b) the promotion of research into problems relating to the conservation of wildlife; and
 - (c) any other purpose for which the fund may be applied under this Act.

Delegation

12. (1) The Minister may delegate to the Chief Executive Officer, the Director, the Council, an advisory committee or to any other person any of the Minister's powers under this Act.

(2) The Chief Executive Officer may, with the Minister's consent, delegate to the Director, the Council, an advisory committee or to any other person any of the powers delegated to the Chief Executive Officer.

(3) The Director may, with the consent of the person who has delegated powers to the Director under this section, delegate any of those powers to the Council, an advisory committee or to any other person.

(4) A delegation under this section may be expressed as a delegation to the person from time to time holding, or performing the duties of, a specified position in the Public Service of the State.

(5) A delegation under this section may be revoked at will by the delegator and does not prevent the exercise of any power by the delegator.

Assessment of schedules to be included in the report

13. In every second year the report prepared for the purposes of section 8 of the *Government Management and Employment Act 1985* by the Department must include an assessment of the desirability of amending schedules 7, 8, 9 or 10.

Minister of Mines and Energy not to administer this Act

14. The Minister responsible for the administration of the *Mining Act 1971*, the *Petroleum Act 1940* or the *Petroleum (Submerged Lands) Act 1982* must not assume responsibility for the administration of this Act.

National Parks and Wildlife Act 1972

**DIVISION 2—THE SOUTH AUSTRALIAN NATIONAL PARKS
AND WILDLIFE COUNCIL**

Establishment and membership of the Council

- 15.** (1) The *South Australian National Parks and Wildlife Council* is established.
- (2) The Council consists of eight members seven of whom will be appointed by the Governor on the recommendation of the Minister.
- (3) The other member of the Council is the Director.
- (4) Of the appointed members—
- (a) one must have qualifications or experience in the conservation of animals, plants and ecosystems;
 - (b) another must be a person selected by the Minister from a panel of two men and two women nominated by the Conservation Council of South Australia Incorporated;
 - (c) another must have qualifications or experience in the management of natural resources;
 - (d) another must have qualifications or experience in organising community involvement in the conservation of animals, plants or other natural resources;
 - (e) another must have qualifications or experience in a field of science that is relevant to the conservation of ecosystems and to the relationship of wildlife with its environment;
 - (f) each of the remaining two must have qualifications or experience in at least one of the following:
 - (i) ecologically based tourism; or
 - (ii) business management; or
 - (iii) financial management; or
 - (iv) marketing,being an area in which the other does not have qualifications or experience.
- (5) Each of the appointed members of the Council must be a person who, in the opinion of the Minister, has a commitment to the conservation of animals, plants and other natural resources.
- (6) At least two of the members of the Council must be men and two must be women.
- (7) One of the appointed members of the Council will be appointed by the Governor, on the recommendation of the Minister, to be the presiding member of the Council.

Conditions of membership

- 16.** (1) A member appointed by the Governor will be appointed for a term, not exceeding three years, specified in the instrument of appointment and will, at the expiration of a term of appointment, be eligible for reappointment.

(2) The Governor may remove an appointed member from office—

(a) for misconduct; or

(b) for failure or incapacity to carry out the duties of his or her office satisfactorily.

(3) The office of an appointed member becomes vacant if the member—

(a) dies; or

(b) completes a term of office and is not reappointed; or

(c) resigns by written notice to the Minister; or

(d) is removed from office under subsection (2).

(4) If the office of an appointed member of the Council becomes vacant a person must be appointed by the Governor in accordance with section 15 to the vacant office.

Vacancies or defects in appointment of members

17. An act of the Council is not invalid by reason only of a vacancy in its membership or a defect in the appointment of a member.

Direction and control of the Minister

18. The Council is subject to the direction and control of the Minister.

Proceedings of the Council

19. (1) Five of the members of the Council appointed by the Governor constitute a quorum of the Council and no business may be conducted by the Council unless a quorum is present.

(2) The presiding member will preside at each meeting of the Council at which he or she is present.

(3) If the presiding member is absent, an appointed member chosen by the appointed members present will preside at the meeting.

(4) A decision carried by a majority of the votes cast by appointed members at a meeting is a decision of the Council.

(5) Each appointed member present at a meeting of the Council has one vote on any question arising for decision and, if the votes are equal, the member presiding at the meeting may exercise a casting vote.

(6) The Director is not entitled to vote at a meeting of the Council.

(7) A conference by telephone or other electronic means between members will, for the purposes of this section, be taken to be a meeting of the Council at which the participating members are present if—

(a) notice of the conference is given to all members in the manner determined by the Council for that purpose; and

(b) each participating member is capable of communicating with every other participating member during the conference.

National Parks and Wildlife Act 1972

(8) A proposed resolution of the Council becomes a valid decision of the Council despite the fact that it is not voted on at a meeting of the Council if—

- (a) notice of the proposed resolution is given to all members in accordance with procedures determined by the Council; and
- (b) a majority of the appointed members express their concurrence in the proposed resolution by letter, telex, facsimile transmission or other written communication setting out the terms of the resolution.

(9) The Council must cause accurate minutes to be kept of its proceedings.

(10) Subject to this Act, the Council may determine its own procedures.

Conflict of interest

19A. (1) A member of the Council who has a direct or indirect pecuniary or personal interest in a matter decided or under consideration by the Council—

- (a) must disclose the nature of the interest to the Council; and
- (b) must not take part in any deliberations or decisions of the Council on the matter.

Maximum penalty: \$4 000.

(2) It is a defence to a charge of an offence against subsection (1) to prove that the defendant was not, at the time of the alleged offence, aware of his or her interest in the matter.

(3) A disclosure under this section must be recorded in the minutes of the Council.

Allowances and expenses

19B. The appointed members of the Council are entitled to such allowances and expenses as may be determined by the Minister.

Functions of the Council

19C. (1) The functions of the Council are—

- (a) to provide advice to the Minister at the Minister's request or on its own initiative on any matter relating to the administration of this Act; and
- (b) such other functions as are set out in this Act.

(2) Without limiting subsection (1)(a), the Council may advise the Minister on the following matters relating to the administration of this Act:

- (a) planning in relation to the management of reserves;
- (b) the conservation of wildlife;
- (c) funding (including matters relating to sponsorship) and the development and marketing of commercial activities;
- (d) community participation in the management of reserves and the conservation of wildlife;
- (e) the development of policy;

- (f) existing or proposed national or international agreements relating to the conservation of animals, plants and ecosystems;
- (g) the promotion (including public education) of the conservation of wildlife and other natural resources;
- (h) the Council's assessment of the performance of the Department in administering this Act;
- (i) any other matter referred to the Council by the Minister or on which the Council believes it should advise the Minister.

Annual Report

19D. (1) The Council must, on or before 30 September in each year, prepare and deliver to the Minister a report on its operations during the preceding financial year.

(2) The Minister must, within six sitting days after receiving a report, cause copies of the report to be laid before both Houses of Parliament.

DIVISION 2A—ADVISORY COMMITTEES

Establishment of advisory committees

19E. (1) The Minister may establish one or more advisory committees to advise the Minister on any matter relating to the administration of this Act.

(2) The Minister may, at the request of the Council, establish one or more advisory committees to advise the Council on any matter relating to the performance by the Council of its functions.

(3) An advisory committee may, but need not, consist of, or include, members of the Council.

(4) Without limiting the matters on which an advisory committee may advise the Minister or the Council, a committee may provide advice as to—

- (a) the classification of species of animals or plants on the basis of the species' risk of extinction;
- (b) the management of wildlife including—
 - (i) the harvesting and farming of wildlife;
 - (ii) population control of wildlife;
 - (iii) the reintroduction of particular species of wildlife to parts of the State in which those species once lived or grew;
 - (iv) the declaration of open seasons in relation to particular species of protected animals;
 - (v) the issuing of permits under this Act;
 - (vi) the management of endangered, vulnerable and rare species;
- (c) the plan of management for a particular reserve or plans of management generally;
- (d) the involvement of Aboriginal people in the management of land and wildlife;

National Parks and Wildlife Act 1972

- (e) private sector sponsorship for the management of reserves and wildlife.

Members of advisory committees

19F. (1) Members of committees will be appointed by the Minister for a term, not exceeding three years, specified in the instrument of appointment and will, at the expiration of a term of appointment, be eligible for reappointment.

(2) The Minister may remove a member of a committee from office—

(a) for misconduct; or

(b) for failure or incapacity to carry out the duties of his or her office satisfactorily.

(3) The office of a member becomes vacant if the member—

(a) dies; or

(b) completes a term of office and is not reappointed; or

(c) resigns by written notice to the Minister or to the Council; or

(d) is removed from office under subsection (2).

Quorum

19G. The quorum for the transaction of business at a meeting of an advisory committee is determined by dividing the number of members of the committee by two, disregarding any fraction and adding one.

Proceedings of advisory committees

19H. (1) Meetings of advisory committees must be held in accordance with procedures prescribed by regulation.

(2) To the extent that procedures are not prescribed by regulation, meetings must be held in accordance with directions of the Minister.

(3) Subject to procedures prescribed by regulation or directed by the Minister, an advisory committee may determine its own procedures.

Direction and control of advisory committees

19I. (1) Subject to subsection (2), advisory committees are under the direction and control of the Minister.

(2) An advisory committee established by the Minister at the request of the Council is under the direction and control of the Council.

Conflict of interest

19J. (1) A member of a committee who has a direct or indirect pecuniary or personal interest in a matter decided or under consideration by the committee must disclose the nature of the interest to the committee.

Maximum penalty: \$4 000.

(2) It is a defence to a charge of an offence against subsection (1) to prove that the defendant was not, at the time of the alleged offence, aware of his or her interest in the matter.

(3) A disclosure under this section must be recorded in the minutes of the committee.

Allowances and expenses

19K. The members of a committee are entitled to such allowances and expenses as may be determined by the Minister.

Annual Report

19L. (1) A committee must, on or before 30 September in each year, prepare and deliver to the Minister a report on its operations during the preceding financial year.

(2) The Minister must, within six sitting days after receiving a report, cause copies of the report to be laid before both Houses of Parliament.

(3) Subsection (1) does not apply to a committee that is established on or after 1 July in a financial year and is dissolved before 30 June in the same year.

DIVISION 2B—CONSULTATIVE COMMITTEES

Establishment of consultative committees

19M. (1) The Minister may establish consultative committees to represent the community interest in the management of reserves and the conservation of animals, plants and ecosystems in a particular part of the State.

(2) The members of a consultative committee must be persons who, in the opinion of the Minister, have local knowledge that is relevant to, or who are interested in, the management of reserves or the conservation of animals, plants and ecosystems in the part of the State in relation to which the consultative committee is established.

(3) Members of consultative committees hold office at the pleasure of the Minister.

Quorum

19N. The quorum for the transaction of business at a meeting of a consultative committee is determined by dividing the number of members of the committee by two, disregarding any fraction and adding one.

Proceedings of consultative committees

19O. (1) Meetings of consultative committees must be held in accordance with procedures prescribed by regulation.

(2) To the extent that procedures are not prescribed by regulation meetings must be held in accordance with directions of the Minister.

(3) Subject to procedures prescribed by regulation or directed by the Minister, a consultative committee may determine its own procedures.

Conflict of interest

19P. (1) A member of a consultative committee who has a direct or indirect pecuniary or personal interest in a matter decided or under consideration by the committee must disclose the nature of the interest to the committee.

Maximum penalty: \$4 000.

(2) It is a defence to a charge of an offence against subsection (1) to prove that the defendant was not, at the time of the alleged offence, aware of his or her interest in the matter.

National Parks and Wildlife Act 1972

(3) A disclosure under this section must be recorded in the minutes of the committee.

DIVISION 3—APPOINTMENT AND POWERS OF WARDENS

Appointment of wardens

20. (1) The Minister may, by instrument in writing, appoint any person who has prescribed qualifications to be a warden under this Act.

(2) A warden will be appointed for a term specified in the instrument of appointment.

(3) The Minister may, in the instrument of appointment, authorise the warden to exercise his or her powers in respect of the whole, or any specified portion, of the State.

(4) Where the authority of a warden is limited by the instrument of appointment to any specified portion of the State, the powers conferred on the warden under this Act are exercisable only within that portion of the State.

(5) Every member of the police force is, while holding office as such, a warden competent to exercise powers as such in any part of the State.

(6) A warden must, while acting as such, carry an identity card issued by the Minister or, if the warden is a member of the police force, the member's warrant card, and the warden must produce the card for inspection by the person against whom the warden proposes to exercise any of the powers conferred by this Act.

Assistance to warden

21. (1) A warden may request any suitable person to assist the warden in the exercise of powers under this Act.

(2) A person, while assisting a warden in response to a request for assistance by the warden, has the powers of a warden.

Powers of wardens

22. (1) If a warden suspects on reasonable grounds that an offence against this Act is being, or has been committed, the warden may—

- (a) enter and search any premises or vehicle connected with the suspected offence;
- (b) in order to exercise his or her powers under this section or under any other provision of this Act, give directions to a person in, or in charge of, a vehicle to stop the vehicle or to move it to a particular place;
- (ba) give directions to a person in, or in charge of, a vehicle in order to facilitate a search of the vehicle;
- (c) require the person suspected of having committed the offence to state his or her full name and usual place of residence;
- (d) if the suspect is on a reserve—order him or her off the reserve for a stated period (not exceeding 24 hours).

(2) If a warden suspects on reasonable grounds that a person is about to commit an offence against this Act the warden may require the person to state his or her full name and usual place of residence.

(3) If a warden suspects on reasonable grounds that the name or place of residence stated pursuant to this section is false, the warden may require the person to produce evidence of his or her full name or usual place of residence.

(4) A warden may—

(a) enter and inspect premises—

(i) on which a protected animal is kept; or

(ii) on which some other activity is carried on in pursuance of a permit under this Act;

(b) examine a protected animal kept on such premises;

(c) require any person carrying on an activity for which a permit is required under this Act to produce the permit for the warden's inspection.

(5) For the purpose of entering and searching premises or a vehicle, a warden may break into the premises or vehicle, or anything on the premises or in the vehicle, using so much force as is necessary for that purpose—

(a) if authorised by warrant under subsection (6); or

(b) if the warden has reason to believe that urgent action is necessary in the circumstances of the particular case.

(6) A justice may, if satisfied on the application of a warden that there is proper ground for the issue of a warrant, issue a warrant authorising the warden to break into and search premises or a vehicle or anything on premises or in a vehicle.

(7) A person who contravenes, or fails to comply with, a direction, requirement or order of a warden under this section is guilty of an offence.

Penalty: \$1 000.

Forfeiture

23. (1) An object is liable to confiscation under this section if—

(a) it has been used in the commission, or is likely to be used in the commission, of an offence against this Act; or

(b) it furnishes evidence of the commission of an offence against this Act; or

(c) where the object is an animal, carcass, egg or plant—

(i) it has been taken in contravention of this Act; or

(ii) it is, or has been, in the possession of a person in contravention of this Act.

(2) A vehicle is liable to confiscation under subsection (1) only in relation to an offence that is punishable by imprisonment.

(3) If a warden suspects on reasonable grounds that an object is liable to confiscation under this section, the warden may seize the object.

National Parks and Wildlife Act 1972

- (4) Where an object is seized under subsection (3), the following provisions apply:
- (a) if proceedings for an offence against this Act in relation to the object seized are not commenced within three months of the date of seizure, the object must be returned to the owner;
 - (b) if such proceedings are commenced against the owner of the object within three months of the date of seizure and the owner is, in the course of those proceedings, convicted of such an offence—
 - (i) the court may order that the object be forfeited to the Crown; and
 - (ii) where the object is an animal, carcass, egg or plant and the prosecutor applies for its forfeiture—the court must order that the object be forfeited to the Crown;
 - (c) the object must be returned to the owner of the object if—
 - (i) in the circumstances referred to in paragraph (b), the owner is not convicted or the court does not make an order for forfeiture; or
 - (ii) in any other circumstances, the object is no longer required to furnish evidence of the commission of an offence;
 - (d) an object forfeited to the Crown may be sold or disposed of as the Minister thinks fit and, if sold, the proceeds of sale must be paid into the Wildlife Conservation Fund.

(5) Notwithstanding subsection (4)—

- (a) where a living animal is seized under this section, a warden may release it from captivity;
- (b) if the Minister is unable, after reasonable inquiry, to ascertain the whereabouts of a person to whom an object is to be returned under subsection (4), the object may be sold or disposed of as the Minister thinks fit and, if sold, the proceeds of sale must be paid into the Wildlife Conservation Fund.

(5a) Notwithstanding subsection (4) where, in the opinion of the Minister, an animal, carcass, egg or plant confiscated under subsection (1)(c) will suffer a substantial loss in its value before the question of its forfeiture under this section can be determined, the Minister may sell the object (unless it is required for evidentiary purposes) and the proceeds of the sale will be dealt with under this section as if they were the object.

(6) In this section—

"convicted" includes found guilty without a conviction being recorded;

"object" includes—

- (a) an animal, carcass or egg;
- (b) a plant;
- (c) a vehicle;
- (d) a cage or container;

- (e) a firearm or device;
- (f) a poison or other substance;
- (g) a document or record;

"owner" in relation to an object seized under this section means either or both of the following persons:

- (a) a person who has legal title to the object;
- (b) a person who was, immediately before seizure of the object, legally in possession or control of the object.

Hindering of wardens, etc.

24. (1) A person must not hinder a warden, or a person assisting a warden, in the exercise of powers or functions under this Act.

Penalty: \$2 500.

(2) A person must not use abusive, threatening or insulting language to a warden, or a person assisting a warden, in the exercise of powers or functions under this Act.

Penalty: \$2 500.

(3) A person must not assault a warden, or a person assisting a warden, in the exercise of powers or functions under this Act.

Penalty: \$5 000 or imprisonment for 2 years.

Power of arrest

25. (1) A warden may, without warrant, arrest a person—

- (a) who fails to comply with a direction, requirement or order of a warden under this Act; or
- (b) who hinders a warden in the exercise of powers or functions under this Act.

(2) Where a warden arrests a person under this section, the warden must, as soon as possible, take the person, or have the person taken, to the nearest police station at which facilities are continuously available for the care and custody of the person arrested.

False representation

26. A person must not, by words or conduct, falsely represent that he or she is a warden.

Penalty: \$2 000 or imprisonment for 3 months.

Immunity from personal liability

26A. (1) No personal liability attaches to a warden, or a person assisting a warden, for an act or omission in good faith and in the exercise or discharge, or purported exercise or discharge, of the powers or functions of a warden under this Act.

(2) A liability that would, but for subsection (1), lie against a warden or other person lies instead against the Crown.

National Parks and Wildlife Act 1972

Constitution of conservation parks by proclamation

30. (1) The Governor may, by proclamation—

- (a) constitute as a conservation park any specified Crown land that should, in the Governor's opinion, be protected or preserved for the purpose of conserving any wildlife or the natural or historic features of that land; and
- (b) assign a name to a conservation park so constituted.

(2) The Governor may, by subsequent proclamation—

- (a) abolish a conservation park constituted under this section; or
- (b) alter the boundaries of a conservation park constituted under this section; or
- (c) alter the name of a conservation park constituted under this section.

(3) A proclamation must not be made under subsection (2)(a) or (b) by virtue of which any land ceases to be, or to be included in, a conservation park, except in pursuance of a resolution passed by both Houses of Parliament.

(4) Notice of a motion for a resolution under subsection (3) must be given at least 14 sitting days before the motion is passed.

DIVISION 3—GAME RESERVES

Constitution of game reserves by statute

31. (1) The areas declared in schedule 5 to be game reserves are constituted game reserves.

(2) The names assigned in schedule 5 to the game reserves constituted under subsection (1) are, subject to this Division, the names of those game reserves.

(3) The Governor may, by proclamation—

- (a) abolish a game reserve constituted under this section; or
- (b) alter the boundaries of a game reserve constituted under this section; or

National Parks and Wildlife Act 1972

(c) alter the name of a game reserve constituted under this section.

(4) A proclamation must not be made under subsection (3)(a) or (b) by virtue of which any land ceases to be, or to be included in, a game reserve, except in pursuance of a resolution passed by both Houses of Parliament.

(5) Notice of motion for a resolution under subsection (4) must be given at least 14 sitting days before the motion is passed.

Constitution of game reserves by proclamation

32. (1) The Governor may, by proclamation—

(a) constitute as a game reserve any Crown land that should in the Governor's opinion be preserved for the conservation of wildlife and management of game; and

(b) assign a name to a game reserve so constituted.

(2) The Governor may, by subsequent proclamation—

(a) abolish a game reserve constituted under this section; or

(b) alter the boundaries of a game reserve constituted under this section; or

(c) alter the name assigned to a game reserve under this section.

DIVISION 4—RECREATION PARKS

Constitution of recreation parks by statute

33. (1) The areas declared in schedule 6 to be recreation parks are constituted recreation parks.

(2) The names assigned in schedule 6 to the recreation parks constituted under subsection (1) are, subject to this Division, the names of those recreation parks.

(3) The Governor may, by proclamation—

(a) abolish a recreation park constituted under this section; or

(b) alter the boundaries of a recreation park constituted under this section; or

(c) alter the name assigned to a recreation park under this section.

(4) A proclamation must not be made under subsection (3)(a) or (b) by virtue of which any land ceases to be, or to be included in, the Belair Recreation Park, or the Para Wirra Recreation Park except in pursuance of a resolution passed by both Houses of Parliament.

(5) Notice of a motion for a resolution under subsection (4) must be given at least 14 sitting days before the motion is passed.

Constitution of recreation parks by proclamation

34. (1) The Governor may, by proclamation—

(a) constitute as a recreation park any specified Crown land that should in the Governor's opinion be conserved and managed for public recreation and enjoyment; and

(b) assign a name to a recreation park so constituted.

- (2) The Governor may, by subsequent proclamation—
 - (a) abolish a recreation park constituted under this section; or
 - (b) alter the boundaries of a recreation park constituted under this section; or
 - (c) alter the name assigned to a recreation park constituted under this section.

DIVISION 4A—REGIONAL RESERVES

Constitution of regional reserves by proclamation

34A. (1) The Governor may, by proclamation—

- (a) constitute as a regional reserve any specified Crown land for the purpose of conserving any wildlife or the natural or historic features of that land while, at the same time, permitting the utilisation of the natural resources of that land; and
- (b) assign a name to a regional reserve so constituted.

(2) The Governor may, by subsequent proclamation—

- (a) abolish a regional reserve constituted under this section; or
- (b) alter the boundaries of a regional reserve constituted under this section; or
- (c) alter the name of a regional reserve constituted under this section.

(3) A proclamation must not be made under subsection (2)(a) or (b) by virtue of which any land ceases to be, or to be included in, a regional reserve except in pursuance of a resolution passed by both Houses of Parliament.

(4) Notice of a motion for a resolution under subsection (3) must be given at least 14 sitting days before the motion is passed.

(5) The Minister must, in relation to each regional reserve constituted under this Act, at intervals of not more than ten years—

- (a) prepare a report—
 - (i) assessing the impact of the utilisation of natural resources on the conservation of the wildlife and the natural and historic features of the reserve; and
 - (ii) assessing the impact, or the potential impact, of the utilisation of the natural resources of the reserve on the economy of the State; and
 - (iii) making recommendations as to the future status under this Act of the land constituting the reserve; and
- (b) cause a copy of the report to be laid before each House of Parliament.

DIVISION 4B—NATIVE TITLE

Native title in relation to reserves

34B. (1) The constitution of a reserve by proclamation under this Part on or after 1 January 1994 is subject to native title existing when the proclamation was made.

National Parks and Wildlife Act 1972

(2) The addition of land to a reserve by proclamation under this Part on or after 1 January 1994 is subject to native title existing when the proclamation was made.

DIVISION 5—CONTROL AND MANAGEMENT OF RESERVES

Control and administration of reserves

35. (1) Subject to Part 3A, the Minister has the control and administration of all reserves constituted under this Act.

(2) All such reserves are vested in the Crown.

(3) The Minister may grant on appropriate terms and conditions a lease or licence entitling a person to rights of entry, use or occupation in respect of a reserve.

(4) Any lease or licence granted in respect of land constituted as a reserve under this Act, and in force immediately before the land is so constituted continues, subject to its terms and conditions, in force for the remainder of the term for which it was granted as if it had been granted by the Minister under this section.

Management of reserves

36. (1) Subject to subsection (2), and to Part 3A, all reserves are under the management of the Director.

(2) The Director must observe any direction of the Minister or the Chief Executive Officer relating to the management of reserves generally or any particular reserve.

Objectives of management

37. The Minister, the Chief Executive Officer and the Director must have regard to the following objectives in managing reserves:

- (a) the preservation and management of wildlife; and
- (b) the preservation of historic sites, objects and structures of historic or scientific interest within reserves; and
- (c) the preservation of features of geographical, natural or scenic interest; and
- (d) the destruction of dangerous weeds and the eradication or control of noxious weeds and exotic plants; and
- (e) the control of vermin and exotic animals; and
- (f) the control and eradication of disease of animals and vegetation; and
- (g) the prevention and suppression of bush fires and other hazards; and
- (h) the encouragement of public use and enjoyment of reserves and education in, and a proper understanding and recognition of, their purpose and significance; and
- (i) generally the promotion of the public interest; and
- (j) in relation to managing a regional reserve—to permit the utilisation of natural resources while conserving wildlife and the natural or historic features of the land.

Management Plans

38. (1) As soon as practicable after the constitution of a reserve, the Minister must propose a plan of management in relation to the reserve.

(2) The Minister may, at any time, prepare an amendment to a plan of management, or prepare a plan of management to be substituted for a previous plan.

(2a) The Minister must, in the preparation of a plan of management, or of an amendment of a plan of management, under this section—

(a) consult with the Development Policy Advisory Committee under the *Development Act 1993*; and

(b) have regard to—

(i) the principles and policies of the Planning Strategy under the *Development Act 1993*; and

(ii) the provisions of any relevant Development Plan under that Act.

(3) Where the Minister has prepared a plan of management in respect of a reserve (whether the plan is the original plan of management or in substitution for a previous plan of management) or any amendment to a plan of management the Minister must cause notice that the plan of management, or the amendment, has been prepared to be published in the *Gazette* and in a newspaper circulating generally throughout the State.

(4) The plan of management must—

(a) set forth proposals of the Minister in relation to the management and improvement of the reserve; and

(b) set forth any other proposals by which the Minister proposes to accomplish the objectives of this Act in relation to the reserve.

(5) The notice must—

(a) specify an address at which copies of the plan of management may be inspected; and

(b) specify an address to which representations in connection with the plan of management may be forwarded.

(6) Any person may within three months after publication of the notice, or such longer period as may be specified in the notice, make representations to the Minister in connection with the plan of management.

(7) At the expiration of the period during which representations may be made, the Minister must refer the plan of management together with any representations to the South Australian National Parks and Wildlife Council for its consideration and advice.

(8) After consideration by the Council, the plan of management must be forwarded to the Minister together with any comments or suggestions of the Council.

National Parks and Wildlife Act 1972

(9) The Minister may—

(a) adopt a management plan—

(i) without alteration; or

(ii) with such alterations as the Minister thinks reasonable in view of the representations that were made; or

(b) may refer the management plan back to the Council for further consideration.

(10) When the Minister adopts a plan of management, notice of that fact must be published in the *Gazette*.

(10a) A plan of management must not provide for the culling of protected animals from the reserve unless—

(a) the Minister is of the opinion that the culling of those animals is the only practicable option for controlling an overpopulation of animals of that species in the reserve; and

(b) the plan sets out the Minister's reasons for that opinion.

(11) The Director must, upon the application of any member of the public and payment of the prescribed fee, furnish that person with a copy of a plan of management adopted under this section.

Creation of zones within a reserve

39. (1) A management plan may provide for the division of a reserve into zones.

(2) Where a zone is created within a reserve the land within that zone must be kept and maintained in accordance with the conditions, declared by the plan of management to be appropriate to that zone.

Implementation of management plan

40. (1) Subject to subsection (2), where the Minister has adopted a plan of management in relation to a reserve—

(a) the provisions of the plan must be carried out in relation to that reserve; and

(b) operations must not be undertaken in relation to that reserve unless those operations are in accordance with the plan of management.

(2) Where a mining tenement has been granted in relation to land that is, or has become, a regional reserve, the management of the reserve is subject to the exercise by the holder of the tenement of rights under the tenement.

Agreement as to conditions

40A. (1) The Minister administering this Act and the Minister of Mines and Energy may enter into an agreement with the holder of a mining tenement granted in relation to land that is, or has become, a regional reserve imposing conditions limiting or restricting the exercise of rights under the tenement by the holder of the tenement and by his or her successors in title.

(2) If a person contravenes, or fails to comply with, a condition imposed by agreement under subsection (1) in relation to a mining tenement, the Minister of Mines and Energy must, at the request of the Minister administering this Act, serve notice on the holder of the tenement requiring the holder to rectify the contravention or failure in the manner and within the period (which must not exceed three months) set out in the notice.

(3) If the holder of a tenement on whom a notice has been served under subsection (2) fails to comply with the notice, the Minister of Mines and Energy may cancel the tenement.

DIVISION 6—PROVISIONS GENERALLY APPLICABLE TO RESERVES

Approval of proposal for constitution of reserve

41. (1) The Minister must—

- (a) submit any proposal to constitute, or alter the boundaries of, a reserve to the Minister of Lands for approval;
- (b) submit any such proposal to the Minister of Mines and Energy and consider the views of that Minister in relation to the proposal.

(2) Any proposal to constitute, or to alter the boundaries of, a reserve where the reserve includes, or is to include, land under the jurisdiction of the Minister of Marine must be submitted to, and approved by, the Minister of Marine.

(3) A proclamation for the purpose of constituting, or altering the boundaries of, a reserve must not be made without the approval or approvals required by this section.

Alteration of boundaries of reserves

41A. (1) The Governor may, by proclamation made on the recommendation of the Minister, alter the boundaries of a reserve for the purpose of making, or allowing for the making of, minor alterations or additions to a public road that intersects, or is adjacent to, the reserve.

(2) At least two months before making a recommendation to the Governor, the Minister must cause to be published in the *Gazette* and in a newspaper circulating generally throughout the State an advertisement—

- (a) giving notice of the place or places at which a plan showing the proposed alterations is available for inspection; and
- (b) inviting interested persons to make written submissions to the Minister in relation to the proposal.

(3) The Minister must give consideration to any submissions made in response to an advertisement under subsection (2).

(4) The Minister must not make a recommendation if the Minister is satisfied that the proposed alteration would—

- (a) significantly prejudice the fulfilment of the management objectives contained in section 37 as they relate to that reserve; or
- (b) be contrary to the plan of management prepared in accordance with section 38 in relation to that reserve.

(5) No parliamentary resolution is required in relation to a proclamation under this section.

National Parks and Wildlife Act 1972

(6) The Minister must, as soon as practicable after a proclamation has been made under subsection (1), cause a copy of the proclamation to be laid before each House of Parliament.

Prohibited areas

42. (1) Where the Minister is satisfied that it is expedient for the purpose of protecting human life or conserving native plants or animals the Minister may, by notice published in the *Gazette*, declare any portion of the reserve to be a prohibited area.

(2) Any notice published under subsection (1) must state the grounds upon which the declaration is made.

(3) A person must not be within a prohibited area unless authorised to enter the area by a permit issued by the Minister under this section.

Penalty: \$1 000.

(4) The Minister may, on appropriate terms and conditions, issue to any person a permit to be within a prohibited area.

Rights of prospecting and mining

43. (1) Subject to subsection (2), rights of entry, prospecting, exploration, or mining cannot be acquired or exercised pursuant to the *Mining Act 1971*, the *Petroleum Act 1940* or the *Petroleum (Submerged Lands) Act 1982* in respect of land constituting a reserve.

(1a) Subsection (1) does not apply to a regional reserve.

(2) The Governor may, by proclamation, declare that subject to any conditions specified in the proclamation rights of entry, prospecting, exploration, or mining may be acquired and exercised in respect of land constituting a reserve or portion of a reserve, to which subsection (1) applies.

(2a) A person must not contravene or fail to comply with a condition of a proclamation under this section.

Penalty: \$10 000 or imprisonment for 2 years, or both.

(3) A proclamation under subsection (2) has effect in accordance with its terms.

(4) The Governor may, by proclamation, vary or revoke a proclamation under subsection (2).

(5) A proclamation under this section in respect of land constituting a national park, a conservation park, the Belair Recreation Park, the Para Wirra Recreation Park, the Katarapko Game Reserve or the Coorong Game Reserve (except a proclamation revoking a previous proclamation) must not be made unless—

(a) the proclamation is made for the purpose of continuing rights of entry, prospecting, exploration or mining vested in any person immediately before the commencement of this Act in respect of that land; or

(b) the proclamation is made simultaneously with the proclamation constituting that land a national park or a conservation park; or

(c) the proclamation is made in pursuance of a resolution passed by both Houses of Parliament.

(6) Notice of a motion for a resolution under subsection (5)(c) must be given at least 14 sitting days before the resolution is passed.

Prospecting and mining in regional reserves

43A. (1) The Minister of Mines and Energy must not grant an application for a mining tenement in relation to a regional reserve without first submitting the application to the Minister administering this Act.

(2) In the case of an application for a mining production tenement in relation to a regional reserve, the Minister of Mines and Energy must not grant the application without the approval of the Minister administering this Act.

(3) In the case of an application for any other kind of mining tenement in relation to a regional reserve the Minister of Mines and Energy must not grant the application without considering the views of the Minister administering this Act.

(4) If the Minister administering this Act refuses to give the approval required by subsection (2) the Minister of Mines and Energy may refer the matter to the Governor and may, with the Governor's approval, grant the application.

(5) The holder of a precious stones prospecting permit under the *Mining Act 1971* cannot peg out a precious stones claim on a regional reserve without the approval of the Minister administering this Act, or if the Minister refuses to give approval, without the approval of the Governor.

(6) Subsection (2) does not apply to a petroleum production licence that the Minister of Mines and Energy is authorised to grant by section 9 of the *Cooper Basin (Ratification) Act 1975*.

Entry onto reserves for purpose of investigation and survey

43B. (1) The Minister of Mines and Energy or a person authorised by that Minister may enter onto any reserve for the purpose of a geological, geophysical or geochemical investigation or survey without the approval of the Minister administering this Act if the investigation or survey will not result in disturbance of the land.

(2) A person who wishes to enter onto a reserve pursuant to subsection (1) must, before doing so, consult the Minister administering this Act.

Entrance fees, etc., for reserves

43C. Fees for entrance to reserves, fees for camping in reserves and fees for the use of facilities and services provided in reserves may be fixed by the Director with the approval of the Minister.

DIVISION 7—SANCTUARIES

Establishment of sanctuaries

44. (1) If the Minister is of the opinion that it is desirable to conserve the animals or plants for which any land is a natural habitat or environment and—

- (a) where the land is reserved for or dedicated to, a public purpose, the person to whom the care, control and management of that land has been committed has consented to a declaration under this section; or
- (b) where the land is private land, the owner and occupier of the land have consented to a declaration under this section,

the Minister may, by notice in the *Gazette*, declare the land to be a sanctuary.

National Parks and Wildlife Act 1972

(1a) The declaration of land as a sanctuary under subsection (1) on or after 1 January 1994 is subject to native title existing when the declaration was made.

(2) The Minister—

(a) may revoke any declaration under this section; and

(b) where private land constitutes a sanctuary, and the owner of that land, by instrument in writing, requests that the land should cease to be a sanctuary, must revoke the declaration under which that land is constituted a sanctuary.

(3) In this section—

"owner" in relation to private land means the holder of an estate in fee simple in the land.

Protection of animals and plants in sanctuary

45. (1) A person must not take an animal, or the eggs of an animal, or a native plant within a sanctuary except in pursuance of this section.

Penalty: In the case of an animal, or the eggs of an animal, or a native plant of an endangered species, \$10 000 or imprisonment for 2 years.

In the case of an animal, or the eggs of an animal, or a native plant of a vulnerable species, \$7 500 or imprisonment for 18 months.

In the case of an animal, or the eggs of an animal, or a native plant of a rare species, \$5 000 or imprisonment for 12 months.

In any other case, \$2 500 or imprisonment for 6 months.

(2) The Minister may, if satisfied that it is in the interests of conserving wildlife to do so, grant a permit authorising the holder of the permit to take animals, or the eggs of animals, or native plants within a sanctuary in accordance with the terms of the permit.

(3) The owner of land constituting a sanctuary, or a person authorised by the owner, may take an animal, or the eggs of an animal that is not a protected animal in the sanctuary without a permit under subsection (2).

National Parks and Wildlife Act 1972

**PART 3A
DEVELOPMENT TRUSTS**

Interpretation

45A. In this Part—

"**reserve**" includes part of a reserve, or any two or more reserves;

"**Trust**" means a development trust established under section 45B.

Development Trusts

45B. (1) The Governor may, by proclamation, establish a Development Trust in respect of a reserve.

(2) A proclamation under subsection (1) must—

- (a) designate the reserve in relation to which the Development Trust is to be created;
- (b) designate the Trust by a distinctive name;
- (c) fix the number of members of the Trust and the method by which they are appointed or elected;
- (d) fix the quorum for meetings of the Trust;
- (e) fix the terms and conditions upon which members of the Trust will hold office;
- (f) provide for the removal of members of the Trust from office and for the filling of vacant offices.

(3) The Governor may, by further proclamation, vary any proclamation made under subsection (1).

Trust to be body corporate

45C. (1) A Trust is a body corporate with perpetual succession and a common seal, and—

- (a) is capable of suing and being sued; and
- (b) is capable of holding, acquiring, dealing with and disposing of real and personal property; and
- (c) is capable of acquiring or incurring any other rights and liabilities; and
- (d) has the powers, rights, duties and functions conferred, imposed or prescribed by or under this Act or any other Act; and
- (e) holds its property on behalf of the Crown.

(2) Where an apparently genuine document purports to bear the common seal of a Trust, it will be presumed in any legal proceedings, in the absence of proof to the contrary, that the common seal of that Trust has been duly affixed to that document.

Appointment of members to a Trust

45D. (1) Upon the establishment of a Trust under this Act the members of the Trust must be appointed or elected, as the case may require, in accordance with the proclamation.

(2) A member of a Trust is entitled to payment from the funds of the Trust of such remuneration, allowances and expenses as the Governor may determine.

(3) An act or proceeding of a Trust is not invalid by reason of a vacancy in its membership or any defect in the appointment or election of a member.

(4) No liability attaches to a member of a Trust for an act or omission by the member or the Trust in good faith and in the exercise or purported exercise of functions under this Act.

(5) A member of a Trust who is an officer or employee of the Trust will not by reason of that fact be taken to have a financial or material interest in any matter or thing relating to rates or remuneration or other terms and conditions of employment of officers or employees of the Trust.

Chairman and meetings of a Trust

45E. (1) The members of a Trust must elect one of their number to be chairman of the Trust for such period as the Trust may determine.

(2) The Chairman, if present at a meeting of the Trust, must preside at that meeting.

(3) In the absence of the chairman, the members present at a meeting must elect one of their number to preside at that meeting.

(4) A decision carried by a majority of the votes cast by the members present at a meeting is a decision of the Trust.

(5) The person presiding at a meeting of a Trust has, in the event of an equality of votes, a casting vote in addition to a deliberative vote.

(6) Subject to this Act, a Trust may conduct its business in such manner as it thinks fit.

Functions of a Trust

45F. (1) The functions of a Trust are, subject to this Act, to perform such duties in relation to the development or management of the reserve in relation to which it was established as are from time to time assigned to it by the Minister by notice in writing.

(2) A Trust has and may exercise all such powers as are necessary for or incidental to the performance of its functions.

(2a) Without limiting subsection (2), a Trust may charge and recover such amounts as it thinks fit in respect of facilities and services provided to the public by the Trust.

(3) In the exercise of its powers and the performance of its functions a Trust is, except where it is required to make a report to the Minister, subject to the general control and direction of the Minister.

Trust may delegate

45G. (1) A Trust may delegate any of its powers, functions or duties to any committee appointed by the Trust, or to any member of the Trust or officer or employee of the Trust.

(2) A delegation of powers, functions or duties by a Trust does not derogate from the power of the Trust to act itself in any matter and is revocable by the Trust at will.

National Parks and Wildlife Act 1972

Staff of a Trust

45H. (1) A Trust may appoint, upon terms and conditions approved by the Minister, such officers and employees as it thinks necessary or desirable for the proper carrying out of the functions and duties of the Trust.

(2) A Trust is a public authority within the meaning of the *Superannuation Act 1988* and—

(a) any person who was, immediately before becoming an officer or employee of a Trust, a contributor to the South Australian Superannuation Fund remains, subject to that Act, a contributor to that Fund; and

(b) any other full-time officer or employee of a Trust may, subject to that Act, become a contributor to that Fund.

(3) Where a person becomes an officer or employee of a Trust, that person's existing and accruing rights in respect of recreation leave, sick leave and long service leave will, where employment by the trust follows immediately upon—

(a) employment in the Public Service of the State; or

(b) employment by another Trust; or

(c) any other prescribed employment,

continue in full force and effect as if that previous employment were employment with the Trust.

Acquisition of land

45I. A Trust may with the approval of the Minister and subject to and in accordance with the *Land Acquisition Act 1969*, acquire land for the purposes of a reserve or to enlarge or extend an existing reserve.

Financial provisions

45J. (1) A Trust may, with the approval of the Treasurer, borrow money for the purpose of enabling it to perform and discharge its functions and duties under this or any other Act.

(2) The Treasurer may, at his or her discretion, guarantee the discharge by a Trust of any liability incurred by it in respect of any loan under subsection (1).

(3) The Treasurer may, without any authority other than this section, pay out of the General Revenue of the State any money required for the purpose of discharging obligations arising by virtue of a guarantee given under this section.

(4) A Trust may, with the approval of the Treasurer, invest any of the money of the Trust that is not for the time being required for the purposes of the Trust, in such investments as may be approved by the Treasurer.

Accounts and audit

45K. (1) A Trust must cause proper accounts to be kept of its financial affairs.

(2) The Auditor-General may at any time, and must at least once in every year, audit the accounts of a Trust.

* * * * *

Dissolution of a Trust

45L. (1) The Governor may, by proclamation, dissolve a Trust.

(2) Upon the dissolution of a Trust pursuant to subsection (1), the assets of the Trust will be disposed of and the liabilities of the Trust will be discharged in accordance with the directions of the Governor.

National Parks and Wildlife Act 1972

**PART 4
CONSERVATION OF NATIVE PLANTS**

Application of this Part

46. (1) Subject to this section, this Part applies throughout the State.

(2) The Governor may, by proclamation, declare that this Part, or any provisions of this Part specified in the proclamation, will not apply at any time or during periods specified in the proclamation—

- (a) within a part of the State specified in the proclamation; or
- (b) to a specified species of native plant; or
- (c) to a specified species of native plant in a specified part of the State,

and the operation of this Part will be modified accordingly.

(3) The Governor may, by proclamation, revoke or vary a proclamation under this section.

Unlawful taking of native plants

47. (1) Subject to this Part, a person must not take a native plant—

- (a) on any reserve, wilderness protection area or wilderness protection zone; or
- (b) on any other Crown land; or
- (c) on any land reserved for or dedicated to public purposes; or
- (d) on any forest reserve.

(2) A person must not take a native plant of a prescribed species on private land.

(3) A person who contravenes subsection (1) or (2) is guilty of an offence.

Penalty: In the case of a native plant of an endangered species, \$10 000 or imprisonment for 2 years.

In the case of a native plant of a vulnerable species, \$7 500 or imprisonment for 18 months.

In the case of a native plant of a rare species, \$5 000 or imprisonment for 12 months.

In any other case, \$2 500 or imprisonment for 6 months.

(4) A person must not take a native plant on private land without the consent of the owner of the land.

Penalty: \$1 000.

Expiation fee: Division 8 fee.

(5) If in proceedings for an offence against this section it is proved that the defendant was found in possession of a native plant, it will be presumed, in the absence of proof to the contrary, that the defendant took the plant in contravention of this Act.

(6) It is a defence to a charge of an offence against this section to prove that the act alleged against the defendant—

- (a) was neither intentional nor negligent; or
- (b) was done in pursuance of some statutory authority.

Unlawful disposal of native plants

48. (1) A person must not sell or give away a native plant of a prescribed species.

Penalty: In the case of a native plant of an endangered species, \$10 000 or imprisonment for 2 years.

In the case of a native plant of a vulnerable species, \$7 500 or imprisonment for 18 months.

In the case of a native plant of a rare species, \$5 000 or imprisonment for 12 months.

In any other case, \$2 500 or imprisonment for 6 months.

(2) It is a defence to a charge of an offence against this section to prove that the native plant was taken pursuant to a licence under the *Forestry Act 1950*.

Illegal possession of native plants

48A. (1) A person must not have in his or her possession or control a native plant that has been illegally taken or acquired.

Penalty: In the case of a native plant of an endangered species, \$10 000 or imprisonment for 2 years.

In the case of a native plant of a vulnerable species, \$7 500 or imprisonment for 18 months.

In the case of a native plant of a rare species, \$5 000 or imprisonment for 12 months.

In any other case, \$2 500 or imprisonment for 6 months.

(2) For the purposes of this section, a native plant is illegally taken or acquired if taken or acquired contrary to this Act or any other Act or law of the State, or contrary to the law of another State or Territory of the Commonwealth.

(3) In proceedings for an offence against this section the onus lies on the defendant to prove that the native plant was not taken or acquired illegally.

Permits

49. (1) The Minister may grant a permit authorising—

- (a) the taking of native plants; or
- (b) the sale or gift of native plants,

subject to the conditions of the permit.

(2) No offence is committed by reason of the taking, or the sale, of native plants in accordance with a permit under this section.

National Parks and Wildlife Act 1972

Permits for commercial purposes

49A. (1) The Minister may, by notice published in the *Gazette* and in a newspaper circulating generally throughout the State—

- (a) declare that this section applies to, and in relation to, a species of plant; and
- (b) vary or revoke a declaration referred to in paragraph (a).

(2) Where this section applies to, and in relation to, a species of plant, the Minister must prepare draft recommendations in relation to the following matters:

- (a) the effect of taking individual plants for commercial purposes on the species and on the ecosystem of which the plants taken formed part; and
- (b) the need for research in relation to that species; and
- (c) the identification of plants and plant products; and
- (d) any other matters that should, in the opinion of the Minister be addressed,

and must make the recommendations available to the public for at least three months for comment before adoption by the Minister.

(3) Before adopting the draft recommendation, the Minister must have regard to comments (if any) made by members of the public and may, if the Minister thinks fit, vary the recommendations to take account of those comments.

(4) Recommendations adopted by the Minister must be published in the *Gazette* and in a newspaper circulating generally throughout the State and may be revoked or varied by further recommendations prepared by the Minister in accordance with this section.

(5) The taking and sale of plants of a species to which this section applies for commercial purposes pursuant to a permit under section 49 is subject to restrictions or conditions imposed from time to time by regulation or by the Minister when granting the permit.

(6) Restrictions and conditions imposed by regulation must implement recommendations adopted by the Minister under this section in relation to the commercial taking and sale of plants of the species concerned.

(7) Where a permit granted for commercial purposes relates to plants of a species to which this section applies and a royalty is payable under this Act in respect of the taking of plants of that species, the Minister may require the applicant to pay in advance an amount equal to the total amount of royalty that would be payable if all the plants that could be taken pursuant to the permit were taken.

National Parks and Wildlife Act 1972

PART 5
CONSERVATION OF NATIVE ANIMALS

DIVISION 1—APPLICATION OF THIS PART

Application of this Part

50. (1) Subject to this section, this Part applies throughout the State.

(2) The Governor may, by proclamation, declare that this Part or any provisions of this Part specified in the proclamation do not apply—

- (a) within a part of the State defined or referred to in the proclamation; or
- (b) to a specified species of animal; or
- (c) to a specified species of animal in a specified part of the State.

(3) The Governor may, by proclamation, revoke or vary any proclamation under this Part.

DIVISION 2—RESTRICTIONS UPON THE TAKING OF PROTECTED ANIMALS

Taking of protected animals, etc.

51. (1) Subject to this Part, a person must not take a protected animal or the eggs of a protected animal.

Penalty: In the case of a marine mammal—\$30 000 or imprisonment for 2 years.

In the case of an animal (not being a marine mammal), or the eggs of an animal, of an endangered species—\$10 000 or imprisonment for 2 years.

In the case of an animal (not being a marine mammal), or the eggs of an animal, of a vulnerable species—\$7 500 or imprisonment for 18 months.

In the case of an animal (not being a marine mammal), or the eggs of an animal, of a rare species—\$5 000 or imprisonment for 12 months.

In any other case—\$2 500 or imprisonment for 6 months.

* * * * *

(2) In any prosecution under this section, it is a defence that the defendant did not wilfully or negligently commit the act subject to the charge.

Killing of certain protected animals

51A. (1) Where, in the opinion of the Minister, protected animals (other than animals of an endangered, vulnerable or rare species) are causing, or likely to cause, damage to crops or other property, he or she may, by notice published in the *Gazette* and in a newspaper circulating generally throughout the State, declare that protected animals of that species may be killed under this section.

(2) The Minister must not make a declaration under subsection (1) unless he or she has first sought and considered advice from the Council in relation to the proposed declaration.

(3) A notice under this section does not apply in relation to animals within a reserve.

- (4) A notice under this section—
 - (a) must state—
 - (i) the part or parts of the State in which animals may be killed; and
 - (ii) the class or classes of persons who may kill animals; and
 - (iii) the circumstances in which and the methods by which animals may be killed; and
 - (iv) any other restriction or conditions subject to which animals may be killed; and
 - (v) the period for which the notice will remain in force; and
 - (b) may be varied or revoked by the Minister by subsequent notice published in the *Gazette* and in a newspaper circulating generally throughout the State.
- (5) A notice under this section must not remain in force for more than 12 months.
- (6) It is lawful to kill a protected animal in accordance with a notice under this section.
- (7) This section expires on the fourth anniversary of its commencement.

Open season

52. (1) The Minister may, by notice published in a newspaper circulating generally throughout the State, declare an open season for the taking of protected animals of a specified species.

- (2) A notice under this section—
 - (a) must not relate to animals of an endangered species; and
 - (b) does not apply in relation to animals within—
 - (i) a reserve, other than a game reserve; or
 - (ii) a wilderness protection area or wilderness protection zone; and
 - (c) does not apply in relation to animals within a game reserve unless the notice expressly provides that the open season applies in relation to that reserve.
- (3) A notice under this section—
 - (a) must state—
 - (i) the period of the open season (including, if the Minister thinks fit, the hours of the day during which animals may be taken); and
 - (ii) the parts of the State to which the open season applies; and
 - (iii) whether eggs may be taken; and
 - (b) may prescribe restrictions or conditions applicable to the open season; and
 - (c) may be varied or revoked by the Minister by a subsequent notice published in a newspaper circulating generally throughout the State.

National Parks and Wildlife Act 1972

(4) It is lawful to take a protected animal in accordance with a notice under this section.

Permits to take protected animals

53. (1) The Minister may grant to any person a permit to take protected animals or the eggs of protected animals, if satisfied that it is desirable to grant the permit—

- (a) to facilitate scientific research; or
- (b) to enable the person to place bands, marks or tags upon such animals and then to release them; or
- (c) to permit the destruction or removal of animals that are causing, or are likely to cause, damage to the environment or to crops, stock or other property; or
- (d) for any other purpose (other than for sale) that the Minister considers proper and not inconsistent with the objectives of this Act.

(2) A permit under this section remains in force for such term, not exceeding 12 months, as is specified in the permit.

(3) The Minister may at any time revoke a permit granted under this section.

(4) A person to whom a permit to take protected animals has been granted must, within 14 days after the expiration or revocation of the permit, deliver to the Minister a report in the prescribed form stating the number of animals of each species taken in pursuance of the permit and the number of eggs of any protected animal taken in pursuance of the permit.

Penalty: \$1 000.

Expiation fee: Division 8 fee.

(5) Without limiting the conditions subject to which a permit may be granted under this section those conditions may—

- (a) limit the areas in which protected animals or the eggs of protected animals may be taken; and
- (b) limit the number of animals or eggs that may be taken in pursuance of the permit.

(6) Where a permit relates to animals in respect of which a royalty is payable under this Act, the Minister may require the applicant to pay in advance an amount equal to the amount of royalty that would be payable in respect of all the animals in respect of which the permit is granted.

Dangerous magpies and poisonous reptiles

54. (1) It is lawful for any person without any permit or other authority under this Act, to kill any Australian magpie that has attacked or is attacking any person.

(2) It is lawful for any person without any permit or other authority under this Act, to kill any poisonous reptile that—

- (a) has attacked, is attacking or is likely to attack, any person; or
- (b) is in dangerous proximity to any person; or
- (c) is, or has been, in such proximity to a person as to cause reasonable anxiety to that person.

DIVISION 3—RELEASE OF PROTECTED ANIMALS

Restriction on release of protected animals

55. A person must not release a protected animal or an animal of a species listed in schedule 10 from captivity unless that person is authorised to do so by a permit granted by the Minister.

Penalty: \$2 500.

Expiation fee: Division 7 fee.

DIVISION 4—PROHIBITIONS AND RESTRICTIONS UPON THE KEEPING OF PROTECTED ANIMALS AND CERTAIN DEALINGS IN PROTECTED ANIMALS

Keeping and sale of protected animals

58. (1) Subject to this section, a person must not—

- (a) keep more than one animal that is a protected animal of a prescribed species; or
- (b) keep a protected animal of any other species,

unless authorised to do so by permit granted by the Minister.

Penalty: \$2 500.

(2) Subject to this section, a person must not—

- (a) have possession or control of more than five eggs that are the eggs of a protected animal of a prescribed species; or
- (b) have possession or control of the eggs of a protected animal of any other species,

unless authorised to do so by permit granted by the Minister.

Penalty: \$2 500.

(3) Subject to this section, a person must not sell or give away a protected animal or the carcass or eggs of a protected animal unless authorised to do so by permit granted by the Minister.

Penalty: \$2 500.

(4) Subsections (1), (2) and (3) do not apply in relation to an animal, or the carcass or eggs of an animal, of a species that is excluded from the operation of those subsections by proclamation.

(5) The Governor may, by proclamation, vary or revoke a proclamation referred to in subsection (4).

(6) A permit granted by the Minister under this section does not apply in relation to an animal, or the carcass or eggs of an animal, taken illegally or brought into this State illegally.

(7) The holder of a permit under this section must provide the Minister with such information as is required by regulation.

(8) A person who keeps an animal, or has possession or control of the eggs of an animal, taken in pursuance of a permit granted by the Minister to take protected animals, or the eggs of protected animals, for scientific research does not contravene subsection (1).

National Parks and Wildlife Act 1972

* * * * *

Restriction on keeping protected animals in certain areas

58A. A person must not keep a protected animal in an area declared by regulation to be a prohibited area in relation to animals of that species unless that person is authorised to do so by a permit granted by the Minister.

Penalty: \$2 500.

Export and import of protected animals and native plants

59. (1) A person must not—

(a) export—

(i) a protected animal or the carcass or egg of a protected animal; or

(ii) a native plant of a species prescribed by regulation,

from a place within the State to a place outside the State except in pursuance of a permit granted under this section; or

(b) import into the State—

(i) a protected animal or the carcass or egg of a protected animal; or

(ii) a native plant of a species prescribed by regulation,

from a place outside the State except in pursuance of a permit granted under this section.

Maximum penalty: \$2 000.

Expiation fee: \$200.

(2) The Minister may grant to any person a permit to export from the State or import into the State a protected animal, or the carcass or eggs of a protected animal, of a species specified in the permit or a native plant of a species specified in the permit.

(3) In this section—

"to export" in relation to an animal, carcass, egg or plant includes to remove the animal, carcass, egg or plant from the State for any reason;

"to import" in relation to an animal, carcass, egg or plant includes to bring the animal, carcass, egg or plant into the State for any reason.

Illegal possession of animals, etc.

60. (1) A person must not have in his or her possession or control—

(a) an animal; or

(b) the carcass of an animal; or

(c) an egg,

that has been illegally taken or acquired.

Penalty: In the case of a marine mammal or the carcass of a marine mammal—\$30 000 or imprisonment for 2 years.

In the case of an animal, (not being a marine mammal), or the carcass or eggs of an animal, of an endangered species—\$10 000 or imprisonment for 2 years.

In the case of an animal (not being a marine mammal), or the carcass or eggs of an animal, of a vulnerable species—\$7 500 or imprisonment for 18 months.

In the case of an animal (not being a marine mammal), or the carcass or eggs of an animal, of a rare species—\$5 000 or imprisonment for 12 months.

In any other case—\$2 500 or imprisonment for 6 months.

(2) For the purposes of this section an animal, carcass or egg is illegally taken or acquired if taken or acquired contrary to this Act or any other Act or law of the State, or contrary to the law of another State or Territory of the Commonwealth.

(3) In proceedings for an offence against this section the onus lies on the defendant to prove that the animal, carcass or egg was not taken or acquired illegally.

DIVISION 4A—FARMING OF PROTECTED ANIMALS

* * * * *

Interpretation

60B. In this Division, unless the contrary intention appears—

"**animal**" means—

- (a) a protected animal of a species named in schedule 11; or
- (b) a protected animal of a species that is the subject of a declaration under section 60BA that is in force;

"**the business of farming animals**" means the business of farming animals for one or both of the following purposes:

- (a) to produce carcasses, skins and other products upon slaughter of the animals;
- (b) to sell live animals or eggs to another person who carries on the business of farming animals of the same species;

"**commercial farming of protected animals**" means the business of farming protected animals of a species named in schedule 11;

"**trial farming of protected animals**" means the business of farming protected animals of a species that is not named in schedule 11 but that is the subject of a declaration under section 60BA that is in force.

Declaration of species for trial farming

60BA. (1) The Governor may by regulation declare that a species of protected animal is a species for the purpose of trial farming under this Division.

National Parks and Wildlife Act 1972

(2) The Minister must, by notice published in the *Gazette*, set out conditions to which a permit granted under this Division in relation to animals of the species referred to in a regulation under subsection (1) will be subject.

(3) The notice must be published in the same issue of the *Gazette* as the regulation.

(4) Subsection (2) does not limit the imposition of other conditions under section 60C(6).

(5) A regulation under subsection (1) expires on the fourth anniversary of its commencement and cannot be remade in relation to the same species of animal.

Permit for farming protected animals

60C. (1) The Minister may grant to a person a permit—

(a) to take an animal or the eggs of an animal from the wild or to slaughter or destroy in any other manner an animal in captivity; or

(b) to keep an animal or to have possession or control of the eggs of an animal; or

(c) to sell an animal or the carcass or eggs of an animal,

in the course of carrying on the business of farming animals of that species.

(2) A person is not entitled to carry on the commercial farming of protected animals pursuant to a permit granted under any other provision of this Act after the expiration of 12 months following the inclusion in schedule 11 of the species to which the animals belong.

(3) The Minister must not grant a permit under subsection (1) for the commercial farming of protected animals—

(a) if a code of management has not been adopted by the Minister under this Division in respect of the species of animal to which the permit will relate; or

(b) if the permit would, in the Minister's opinion, be seriously at variance with the code of management referred to in paragraph (a).

(4) A permit for the trial farming of protected animals of a particular species expires at the expiration of the term for which it was granted or when the declaration under section 60BA in relation to that species expires whichever occurs first.

(5) The Minister must not grant a permit under subsection (1) to take an animal or the eggs of an animal from the wild unless he or she is satisfied that the removal of animals or eggs pursuant to the permit is desirable in order to reduce or control a population of animals that is causing, or is likely to cause, damage to the environment or to crops, stock or other property.

(6) A permit granted under subsection (1) is subject to such limitations, restrictions or conditions as are imposed by this section or by the Minister under section 69 or by a notice under section 60BA or are prescribed from time to time by regulation.

(7) An animal taken from the wild or an animal raised from an egg taken from the wild cannot be slaughtered or destroyed in any other manner pursuant to a permit granted under subsection (1) except—

(a) as a last resort to terminate the animal's suffering; or

(b) to prevent the spread of a disease with which the animal is infected.

(8) A permit that enables the holder to take an animal or the eggs of an animal from the wild is subject to a condition requiring the holder within 14 days after taking animals or eggs pursuant to the permit to deliver to the Minister a report in the prescribed form stating the number of animals and eggs taken.

(9) A permit granted under subsection (1) authorises—

(a) the sale of eggs of the species to which the permit relates to a person who carries on the business of farming animals of that species; and

(b) the sale of eggs of that species to any other person subject to the written approval of the Minister.

(10) It is lawful to—

(a) take a protected animal or the eggs of a protected animal from the wild or to slaughter or destroy in any other manner an animal in captivity; or

(b) keep a protected animal or to have possession or control of the eggs of a protected animal; or

(c) sell a protected animal or the carcass or eggs of a protected animal,

pursuant to a permit granted under subsection (1).

Code of management

60D. (1) The Minister must prepare a draft code of management in respect of each species of animal named in schedule 11.

(1a) The Minister may prepare a draft code of management in respect of a species of animal that has been declared to be a species for the purpose of trial farming under this Division.

(2) A draft code must address the following matters:

(a) the effect of taking individual animals or eggs from the wild on the species concerned and on the ecosystem of which they formed part; and

(b) the welfare of the animals in captivity; and

(c) the need for research in relation to farming the species concerned; and

(d) the identification of animals and animal products; and

(e) any other matters that should, in the opinion of the Minister, be addressed.

(3) A draft code may incorporate the whole or part of the Australian Model Code of Practice for the time being applicable to the welfare of the species to which the draft code relates by reference to the model code or to the relevant parts of it.

(4) The Minister must provide the Minister of Primary Industries with a copy of the draft code of management for comment.

National Parks and Wildlife Act 1972

(5) The Minister must, by notice published in the *Gazette* and in a newspaper circulating generally throughout the State—

- (a) state the place or places at which copies of the draft code can be inspected or purchased; and
- (b) invite interested persons to provide the Minister with written comments in relation to the draft code.

(5a) A draft code must be made available for public comment for at least three months before adoption by the Minister.

(6) Before adopting a draft code of management the Minister must have regard to comments (if any) made by the Minister of Primary Industries or by members of the public and may, if the Minister thinks fit, vary the draft code to take account of those comments.

(7) A code of management adopted by the Minister must be published in the *Gazette* and a notice stating the place or places at which copies of the code may be inspected or purchased must be published in a newspaper circulating generally throughout the State.

(8) A code of management may be replaced or varied by a further code prepared and adopted by the Minister in accordance with this section.

(9) If a draft code of management has been prepared under subsection (1a) and made available to the public for comment within 12 months before the species to which the code relates is named in schedule 11, the draft code will be taken to have been drafted and made available to the public after the species was named in schedule 11.

Royalty

60E. (1) Where royalty is payable under this Act in respect of a species to which a permit granted under this Division applies, royalty is payable—

- (a) in respect of an animal or the eggs of an animal of that species taken from the wild pursuant to the permit; and
- (b) in respect of an animal of that species slaughtered in captivity pursuant to the permit.

(2) Where a permit relates to animals in respect of which a royalty is payable under this Act, the Minister may require the applicant to pay (when the permit is granted or at any later time) an amount equal to the total amount of royalty that would be payable if all the animals that could be taken or slaughtered, and all the eggs that could be taken, pursuant to the permit were taken or slaughtered.

Application of fees and royalty

60F. (1) Fees paid in respect of permits granted under this Division and royalty paid under this Act in respect of animals or eggs to which those permits relate must be paid into the Wildlife Conservation Fund and must be applied from the Fund—

- (a) in payment of the costs of administering this Division; and
- (b) for the benefit of the industry of farming the species of animal to which the permits relate; and
- (c) for research into the impact upon the species of animal to which the permits relate of the taking of animals and eggs from the wild pursuant to those permits.

(2) The fees fixed by regulation in respect of permits granted under this Division may exceed the Minister's costs in granting the permits and administering this Division in relation to the permits.

DIVISION 4B—HARVESTING OF PROTECTED ANIMALS

Application of Division

60G. (1) The Minister may, by notice published in the *Gazette*, declare that this Division applies to, and in relation to, animals of one or more of the following species:

- (a) red kangaroo—*macropus rufus*;
- (b) western grey kangaroo—*macropus fuliginosus melanops*;
- (c) euro (wallaroo) (hill kangaroo)—*macropus robustus*.

(2) The Minister may, by subsequent notice published in the *Gazette*, vary or revoke a notice under subsection (1).

(3) The Governor may, by regulation made on the recommendation of the Minister, declare that this Division applies to, and in relation to, protected animals of a species (not being a species referred to in subsection (1)) named in the regulation.

(4) The Minister must not make a recommendation under subsection (3) unless he or she is satisfied that there is sufficient scientific knowledge available in relation to the species concerned to enable the matters referred to in section 60I(2)(a), (b), (c) and (d) to be addressed adequately.

Interpretation

60H. In this Division, unless the contrary intention appears—

"**harvesting**" of a protected animal means—

- (a) to kill the protected animal in the wild; or
- (b) to capture the protected animal from the wild and then kill it,

in order to sell the carcass of the animal or to use it for any other purpose.

Plan of Management

60I. (1) The Minister must prepare a draft plan of management in relation to the harvesting of each species of protected animal to which this Division applies.

(2) The draft plan must—

- (a) assess the likely impact of harvesting animals of that species—
 - (i) on the species concerned; and
 - (ii) on the ecosystems which animals of that species form part; and
 - (iii) on the diversity of the species of animals and plants comprising those ecosystems; and
 - (iv) on the ability of the species to maintain natural genetic diversity throughout its population; and

National Parks and Wildlife Act 1972

- (b) identify factors that are likely to reduce or increase the number of animals of the species to be harvested; and
- (c) identify any other factors that will affect the species as a renewable resource for the purposes of harvesting in the future; and
- (d) assess whether there is a need to reduce the number of animals of the species to protect the environment, crops, stock or other property; and
- (e) specify humane methods and procedures for the killing, capturing and killing and treatment after capture of animals pursuant to a permit under this Division; and
- (f) address any other matters that should, in the opinion of the Minister, be addressed.

(3) The Minister must provide the Minister for Primary Industries with a copy of the draft plan of management for comment.

(4) The Minister must, by notice published in the *Gazette* and in a newspaper circulating generally throughout the State—

- (a) state the place or places at which copies of the draft plan can be inspected or purchased; and
- (b) invite interested persons to provide the Minister with written comments in relation to the draft plan.

(5) A draft plan must be made available for public comment for at least three months before adoption by the Minister.

(6) Before adopting a draft plan the Minister must have regard to comments (if any) made by the Minister for Primary Industries or by members of the public and may, if the Minister thinks fit, vary the draft plan to take account of those comments.

(7) A plan of management adopted by the Minister must be published in the *Gazette* and a notice stating the place or places at which copies of the plan may be inspected or purchased must be published in a newspaper circulating generally throughout the State.

(8) A plan of management may be replaced or varied by a further plan prepared and adopted by the Minister in accordance with this section.

Permit for harvesting protected animals

60J. (1) If a plan of management has been adopted by the Minister under this Division in relation to a species of protected animal, the Minister may grant a permit to a person to harvest animals of that species and to sell or use the carcasses of the animals that have been harvested.

(2) The Minister must not grant a permit under subsection (1) to take animals on a reserve except animals of the following species—

- (a) red kangaroo—*macropus rufus*;
- (b) western grey kangaroo—*macropus fuliginosus melanops*;
- (c) euro (wallaroo) (hill kangaroo)—*macropus robustus*,

and then only if—

- (d) the Minister has adopted a plan of management under section 38 in relation to the reserve; and
- (e) the plan of management provides for the culling of animals of the species to which the permit relates in order to preserve animal or plant habitats or wildlife; and
- (f) the permit only authorises the harvesting of animals that would otherwise be culled from the reserve pursuant to the plan of management.

(3) The Minister must not grant a permit under subsection (1) unless he or she is satisfied that the taking of animals of the species concerned pursuant to the permit and all other permits granted under this section or under some other section of this Act—

- (a) will not adversely affect the ecosystems which animals of that species form part or the diversity of the species of animals and plants comprising those ecosystems; and
- (b) will not adversely affect the species as a renewable resource for harvesting in the future.

(4) A permit granted under subsection (1) is subject to such limitations, restrictions or conditions as are imposed by this section or by the Minister under section 69 or are prescribed from time to time by regulation.

(5) A permit granted under subsection (1) is subject to a condition requiring the holder of the permit to use the methods and observe the procedures set out in the management plan for the killing, the capture and killing and the treatment after capture, of animals of the species to which the permit relates.

(6) It is lawful to—

- (a) harvest protected animals; and
- (b) sell, use or give away the carcass of a protected animal,

pursuant to a permit granted under subsection (1).

Royalty

60K. Where a permit under this Division relates to animals in respect of which a royalty is payable under this Act, the Minister may require the applicant to pay (when the permit is granted or at any later time) an amount equal to the total amount of royalty that would be payable if all the animals that could be harvested pursuant to the permit were harvested.

Application of fees and royalty

60L. (1) Fees paid in respect of permits granted under this Division and royalty paid under this Act in respect of animals to which those permits relate must be paid into the Wildlife Conservation Fund and must be applied from the Fund—

- (a) in payment of the costs of administering this Division; and
- (b) for research into the impact on the species of animals to which the permits relate of the harvesting of animals pursuant to those permits.

(2) The fees fixed by regulation in respect of permits granted under this Division may exceed the Minister's costs in granting the permits and administering this Division in relation to the permits.

National Parks and Wildlife Act 1972

DIVISION 5—ROYALTY

Royalty

61. (1) The Governor may, by proclamation, declare that royalty is payable to the Wildlife Conservation Fund—

- (a) upon any animal of a specified species; or
- (b) upon the carcass or skin of an animal of a specified species; or
- (c) upon any egg of an animal of a specified species; or
- (d) upon a native plant of a specified species,

by any person by whom any such animal, carcass, skin, egg or plant is taken.

(2) The amount of royalty will be fixed in the proclamation and may vary according to the size, age, quality, standard or condition of the animal, carcass, skin, egg or plant in respect of which it is payable.

(3) A proclamation under this section may provide that it applies only in respect of an animal, or the carcass, skin or egg of an animal, taken in a game reserve.

(4) A proclamation under this section has effect according to its terms.

(5) The Governor may, by proclamation, vary or revoke a proclamation under this section.

Demand for royalty

62. (1) The Director or a warden may demand orally or in writing that any person pay to the Director all royalty for which that person is liable under this Act.

(2) A person who fails to comply with a demand under subsection (1) within 48 hours of the demand is guilty of an offence.

Penalty: \$1 000.

(3) In any proceedings under this section the court may order the defendant to pay to the Director any amount fixed by the court by way of royalty under this Act.

(4) Where a person fails to comply with a demand under subsection (1), the Director or a warden may seize any animals, carcasses, skins, eggs or plants upon which royalty is unpaid.

(5) The Minister may sell any animals, carcasses, skins, eggs or plants seized under this section and must apply any proceeds of the sale in payment of the unpaid royalty and any amount remaining to the owner of the animals, carcasses, skins, eggs or plants.

Recovery of royalty by civil action

63. (1) The Minister may, by action in any court of competent jurisdiction, recover, as a debt, from any person an amount of royalty for which that person is liable under this Act.

(2) This section does not derogate from any other remedy available to the Minister for the recovery of royalty.

DIVISION 6—GENERAL PROVISIONS

Unlawful entry on land

64. (1) A person must not be on any land for the purpose of taking a protected animal, or the eggs of a protected animal, unless the owner of that land has given that person, not more than six months beforehand, permission in writing to be on the land for that purpose.

Penalty: \$1 000.

Expiation fee: Division 8 fee.

(2) If the owner or occupier of any land, or the servant or agent of the owner of the land, suspects that a person trespassing on the land is committing, has committed, or is about to commit an offence against this Act, he or she may request the trespasser—

- (a) to state the trespasser's full name and usual place of residence; and
- (b) to leave the land.

(3) A person of whom a request is made under subsection (2) must comply with it forthwith.

Penalty: \$1 000.

Expiation fee: Division 8 fee.

(4) A person who has been requested to leave land under this section must not re-enter the land without the permission of the owner.

Penalty: \$1 000.

Expiation fee: Division 8 fee.

(5) In proceedings for an offence against this section, proof that a person has possession or control of a dog, firearm or device capable of being used for taking a protected animal is evidence that that person was on the land for the purpose of taking a protected animal.

(6) In this section—

"owner" means—

- (a) in relation to private land, the owner of the land; and
- (b) in relation to land held by a Minister, agent or instrumentality of the Crown, that Minister, agent or instrumentality or a person authorised by the Minister, agent or instrumentality; and
- (c) in relation to unalienated land of the Crown, the Minister of Lands or a person authorised by the Minister of Lands.

Use of poison

65. (1) A person who, without a permit granted by the Minister, uses poison for the purpose of taking a protected animal is guilty of an offence.

Penalty: \$2 000.

National Parks and Wildlife Act 1972

(2) If a protected animal is taken as a result of the use of poison by a person without a permit granted by the Minister, that person is guilty of an offence.

Penalty: \$2 000.

(3) It is a defence to a charge under subsection (2) that the defendant—

(a) used the poison in good faith for the purpose of destroying vermin in pursuance of the *Animal and Plant Control (Agricultural and Other Purposes) Act 1986*; and

(b) exercised such precautions as the defendant might reasonably be expected to have exercised in the circumstances to avoid endangering protected animals by the use of poison.

(4) In this section—

"poison" means any substance that might endanger the life or health of a protected animal.

Restriction on use of certain devices

66. (1) The Governor may, by proclamation, restrict or prohibit the use of firearms or devices of a specified class for the taking of particular species of animals or for the taking of animals generally.

(2) A person who contravenes a restriction or prohibition imposed under subsection (1) is guilty of an offence.

Penalty: \$1 000.

Expiation fee: Division 8 fee.

Devices for the illegal taking of animals

67. (1) A warden may dismantle and remove any device by which animals have been taken illegally or by which animals are in the warden's opinion likely to be taken illegally.

(2) Any device removed by a warden pursuant to this section is forfeited to the Crown and may be sold or otherwise disposed of by the Director.

Molestation, etc., of protected animals

68. (1) A person must not—

(a) injure or molest, or cause or permit the injury or molestation of, a protected animal; or

(b) undertake or continue an act or activity that is, or is likely to be, detrimental to the welfare of a protected animal after being directed by a warden not to undertake, or to stop, that act or activity; or

(c) undertake or continue an act or activity in relation to a protected animal that is contrary to regulations promulgated under this section,

unless he or she acts in pursuance of this Act or a permit granted by the Minister under this section or another provision of this Act or in pursuance of some other Act or statutory instrument.

Penalty: In the case of a marine mammal—\$30 000 or imprisonment for 2 years.

In the case of an animal (not being a marine mammal) of an endangered species—\$10 000 or imprisonment for 2 years.

In the case of an animal (not being a marine mammal) of a vulnerable species—\$7 500 or imprisonment for 18 months.

In the case of an animal (not being a marine mammal) of a rare species—\$5 000 or imprisonment for 12 months.

In any other case—\$2 500 or imprisonment for 6 months.

(2) The Minister may grant a permit to a person to undertake an act or activity that would otherwise contravene paragraph (a), (b) or (c) of subsection (1).

National Parks and Wildlife Act 1972

**PART 5A
HUNTING**

DIVISION 1—HUNTING GENERALLY

Hunting permits

68A. (1) Except as provided in subsection (5), a person must not hunt, or have possession of any firearm or device for the purpose of hunting, unless that person holds a permit under this section.

Penalty: \$1 000.

Expiation fee: Division 8 fee.

(2) The Minister may grant to any person a permit under this section.

(3) A permit will, subject to this Act, be in force for a term, not exceeding 12 months, specified in the permit.

(4) Where it is proved, in any proceedings for an offence against this section, that the defendant had possession of any firearm or device capable of being used for the purpose of hunting in circumstances that lead to a reasonable suspicion that the defendant had the firearm or device for that purpose, it will be presumed, in the absence of proof to the contrary, that the defendant had possession of that firearm or device for the purpose of hunting.

(5) No permit is required under this section for the purpose of—

(a) the destruction of animals that are endangering human life; or

(b) the destruction of animals (other than protected animals) by the owner of any land, a member of his or her household, or an employee or agent of the owner, that are causing damage to crops, stock or other property on the land; or

(c) the taking of an animal in pursuance of any other permit under this Act.

Unlawful entry on land

68B. (1) A person must not be on land for the purpose of hunting unless the owner of the land has given that person, within the preceding six months, permission in writing to be on the land for that purpose.

Penalty: \$1 000.

Expiation fee: Division 8 fee.

(2) If the owner of land reasonably suspects that a person has committed or is about to commit an offence against this Act on the land, the owner may request the person—

(a) to state his or her full name and usual place of residence; and

(b) to leave the land.

(3) A person of whom a request is made under subsection (2) must comply with it forthwith.

Penalty: \$1 000.

Expiation fee: Division 8 fee.

(4) A person who has been requested to leave land under this section must not re-enter the land without the permission of the owner.

Penalty: \$1 000.

Expiation fee: Division 8 fee.

(5) Where it is proved, in proceedings for an offence against subsection (1), that, while on the land, the defendant had possession or control of an animal, firearm, device, poison or bait capable of being used for hunting it will be presumed, in the absence of proof to the contrary, that the person was on the land for the purpose of hunting.

(6) In this section—

"owner" means—

- (a) in relation to private land, the owner of the land; and
- (b) in relation to land held by a Minister, agent or instrumentality of the Crown, that Minister, agent or instrumentality or a person authorised by the Minister, agent or instrumentality; and
- (c) in relation to unalienated land of the Crown, the Minister of Lands or a person authorised by the Minister of Lands.

DIVISION 2—HUNTING AND FOOD GATHERING BY ABORIGINES

Interpretation

68C. (1) In this Division, unless the contrary intention appears—

"Aboriginal" means of, or pertaining to, the Aboriginal people;

"Aboriginal people" means the people who inhabited Australia before European colonisation;

"Aborigine" means a person of Aboriginal descent who is accepted as a member by a group in the community who claim descent from the Aboriginal people.

(2) This Division does not apply to the taking of—

- (a) an animal, or the eggs of an animal, of a prescribed species or a plant of a prescribed species; or
- (b) an animal, egg or plant by a prescribed means or in prescribed circumstances.

Hunting and food gathering by Aborigines

68D. (1) It is not illegal by virtue of section 47(1) or (2) for an Aborigine to take a native plant in pursuance of this Division from land that is not a reserve or a wilderness protection area or wilderness protection zone.

(2) It is not illegal by virtue of section 51 for an Aborigine to take a protected animal, or the eggs of a protected animal, in pursuance of this Division from land that is not a reserve or a wilderness protection area or wilderness protection zone.

National Parks and Wildlife Act 1972

(3) It is not illegal by virtue of section 47(1) for an Aborigine to take a native plant from a reserve or from a wilderness protection area or a wilderness protection zone in pursuance of this Division if the native plant is taken in accordance with a proclamation permitting the taking of the plant from the reserve or wilderness protection area or wilderness protection zone.

(4) It is not illegal by virtue of section 51 for an Aborigine to take a protected animal, or the eggs of a protected animal, from a reserve or from a wilderness protection area or a wilderness protection zone in pursuance of this Division if the animal or eggs are taken in accordance with a proclamation permitting the taking of the animal or eggs from the reserve or wilderness protection area or wilderness protection zone.

(5) The Governor may, by proclamation, vary or revoke a proclamation referred to in subsection (3) or (4).

(6) An animal, egg or plant is taken in pursuance of this Division if it is taken—

(a) for food for the person who takes it or for his or her dependants; or

(b) solely for cultural purposes of Aboriginal origin.

Exemption from requirement to hold hunting permit

68E. An Aborigine is not required to hold a permit under section 68A in relation to hunting if the animal hunted will be used—

(a) as food for the hunter or for his or her dependants; or

(b) solely for cultural purposes of Aboriginal origin.

National Parks and Wildlife Act 1972

PART 6
MISCELLANEOUS PROVISIONS

Permits

69. (1) An applicant for a permit under this Act—

- (a) must make the application in a manner and form determined by the Minister; and
- (b) must, subject to subsection (2), pay to the Minister the appropriate fee fixed by regulation in respect of the permit at the time of the application.

(2) The Minister may, if satisfied that there are special reasons for doing so, remit the whole or any portion of any fee payable in respect of the grant of a permit under this Act.

(2a) The Minister may refuse to grant a permit under any provision of this Act if, in the Minister's opinion—

- (a) the applicant is not a fit and proper person to hold the permit; or
- (b) to grant the permit would be prejudicial to the interests of conservation; or
- (c) the applicant should fulfil certain requirements specified by the Minister before the permit is granted and the applicant has not fulfilled those requirements.

(3) A permit—

- (a) is subject to such limitations, restrictions and conditions as the Minister thinks fit and includes in the permit; and
- (b) may, if the holder of the permit has in the opinion of the Minister contravened or failed to comply with any limitation, restriction or condition of the permit, be revoked by the Minister by instrument in writing served personally or by post upon that person; and
- (c) may be revoked by the Minister by instrument in writing served personally or by post upon the holder of the permit if, in the opinion of the Minister, it is in the interests of conservation to do so.

(4) Without limiting the conditions upon which a permit relating to animals may be granted under this Act, those conditions may—

- (a) provide for marking, or otherwise identifying, animals to which the permit relates; and
- (b) require the holder of the permit to report the escape, illness or death of any animal to which the permit relates; and
- (c) require the holder of the permit to report to the Minister the birth of any progeny to the animals to which the permit relates.

(5) A permit—

- (a) comes into operation on the day fixed in the permit for its commencement or, if no such day is fixed, on the day on which it is granted; and
- (b) expires on the day fixed in the permit for its expiry or, if no such day is fixed, on the expiration of 12 months from the day on which it came into operation.

Obligation to produce permit

70. A person required by this Act to hold a permit, or to have written permission, must if requested by a warden, produce the permit or written permission for inspection by the warden.

Penalty: \$1 000.

Expiation fee: Division 8 fee.

Duplicate

71. (1) If the Minister is satisfied—

(a) that any permit or other document issued to any person under this Act has been lost, destroyed or defaced; and

(b) that no improper use has been made of that permit or document,

the Minister may on the application of that person, and on payment of the prescribed fee, issue a duplicate of the permit or other document.

(2) A duplicate issued under this section has the same force and effect as the original of which it is a duplicate.

False or misleading statement

72. (1) A person must not make, or cause to be made, a false or misleading statement in any application, return, or other document under this Act.

Penalty: \$2 000.

(2) It is a defence to a charge for an offence under subsection (1) that the defendant believed on reasonable grounds that the statement was true.

Offences against provisions of proclamations and notices

73. (1) A person must not contravene, or fail to comply with, any provision or condition of a proclamation or notice under this Act.

Penalty: \$1 000.

Expiation fee: Division 8 fee.

(2) Where the holder of a permit, or a person acting in the employment or the authority of the holder of a permit, contravenes or fails to comply with a provision or condition of the permit, the holder of the permit is guilty of an offence.

Penalty: \$1 000.

Expiation fee: Division 8 fee.

Additional penalty

74. (1) Where a person is convicted of an offence involving any unlawful act in relation to animals and the court is satisfied that more than one animal was involved in the offence, it must, in addition to imposing a penalty authorised by the provisions of this Act under which the offence arises, impose an additional fine based on the number of animals involved in the commission of the offence.

(2) The amount of the additional fine is—

(a) not more than \$1 000 for each animal of an endangered species involved in the commission of the offence; and

National Parks and Wildlife Act 1972

- (b) not more than \$750 for each animal of a vulnerable species involved in the commission of the offence; and
- (c) not more than \$500 for each animal of a rare species involved in the commission of the offence; and
- (d) not more than \$250 for each animal (not being an animal referred to in paragraph (a), (b) or (c)) involved in the commission of the offence.

Maximum penalties in relation to wilderness protection areas and zones

74A. The maximum penalties prescribed by sections 47(3) and 51 are increased by one half of those penalties in respect of the taking of a native plant or a protected animal or the eggs of a protected animal in a wilderness protection area or wilderness protection zone.

Evidentiary provisions

75. (1) In any proceedings for an offence against this Act, an apparently genuine document purporting to be signed by the Director, and to state that at any specified time or during any specified period a person was or was not the holder of a permit under this Act is proof of the matter so stated in the absence of proof to the contrary.

(2) In any proceedings for an offence against this Act, an allegation in a complaint that a place referred to in the complaint is, or was at a time specified in the complaint, a reserve or sanctuary under this Act or a wilderness protection area or wilderness protection zone or is situated within a reserve, sanctuary, wilderness protection area or zone, will be accepted as proved in the absence of proof to the contrary.

(3) Where in any proceedings for an offence against this Act, any question arises as to whether the defendant was duly authorised pursuant to this Act to perform the action subject to the charge, the onus of proving that authorisation lies upon the defendant.

(4) In any proceedings for an offence against this Act, an allegation in the complaint that a person named in the complaint is, or was at a time specified in the complaint, a warden will be accepted as proved in the absence of proof to the contrary.

(5) In proceedings for an offence against this Act, an allegation in the complaint that an animal referred to in the complaint was a protected animal, or that a carcass or egg referred to in the complaint was the carcass or egg of a protected animal, will be accepted as proved in the absence of proof to the contrary.

(6) In any proceedings for an offence against this Act, an allegation in the complaint that an animal referred to in the complaint was of a specified species, or that a carcass or egg referred to in the complaint was the carcass or egg of an animal of a specified species, will be accepted as proved in the absence of proof to the contrary.

Defence

75A. It is a defence to a charge of an offence against this Act to prove that the defendant—

- (a) acted in a manner authorised by or under the *Native Vegetation Management Act 1985*; or
- (b) acted in compliance with a requirement of the *Animal and Plant Control (Agricultural Protection and Other Purposes) Act 1986*; or
- (c) acted in compliance with a requirement of any other Act.

Summary procedure

76. (1) An offence against this Act is a summary offence.

(2) A complaint for an offence against this Act, may be laid within 12 months after the offence was committed by the defendant.

Powers of court

77. Upon convicting any person for an offence against this Act, the court may, in addition to imposing any other penalty, order—

- (a) that any permit of the convicted person be cancelled; and
- (b) that the convicted person be disqualified for such period as the court may specify from holding and obtaining a permit under this Act.

Financial provision

78. (1) Subject to this Act, the money required for the purposes of this Act will be paid out of money provided by Parliament for those purposes.

(2) Any money received or recovered by the Minister, the Chief Executive Officer or the Director under this Act must, except as otherwise provided by this Act, be paid into the General Revenue of the State.

Wilful damage to reserve or property of Minister

79. (1) A person who, intentionally and without lawful authority, destroys or damages any part of a reserve or any property of the Minister on a reserve is guilty of an offence.

Penalty: \$2 000 or imprisonment for 6 months.

(2) Upon convicting a person for an offence against this section, the court may order the convicted person to pay to the Minister such sum as the court thinks just by way of compensation.

Lessees and licensees to make certain contributions

79A. (1) Where a person holds a lease or licence granted by the Minister in relation to a reserve or part of a reserve, the Minister may from time to time, by notice in writing served personally or by post, require that person to pay a contribution of an amount determined by the Minister towards the cost of maintaining and improving the reserve.

(2) The holder of a lease or licence must pay the contribution to the Minister within three months of service of the notice.

(3) If the holder of a lease or licence fails to pay a contribution in accordance with this section, the Minister may recover the amount, together with interest at ten per cent per annum, as a debt.

(4) The Minister may remit a liability under this section wholly or in part.

(5) The Minister will pay the contribution into a fund entitled the "Reserves Services Fund".

(6) The Minister may pay from the fund such amounts as the Minister thinks fit towards the cost of maintaining and improving reserves or carrying out management plans in relation to reserves.

National Parks and Wildlife Act 1972

Regulations

80. (1) The Governor may make such regulations as are contemplated by this Act, or as are necessary or expedient for the purposes or objects of this Act.

(2) Without limiting the generality of subsection (1), the regulations may—

- (a) confer powers, authorities, duties and the obligations upon the Minister, the Chief Executive Officer, or the Director, or any officers appointed under this Act, that may be necessary or expedient for the enforcement of this Act; and
- (b) regulate the use and enjoyment of reserves; and
- (c) provide for the safety of persons in reserves; and
- (d) establish standards of conduct to which those who may resort to a reserve must conform while on the reserve; and
- (e) provide for the removal of trespassers from reserves; and
- (f) restrict or prohibit access to reserves or any portions of reserves; and
- (g) provide for the preservation and protection of natural features of reserves; and
- (h) provide for the protection, conservation and management of animals and plants in reserves; and
- (i) regulate, restrict or prohibit the taking of animals and plants into reserves or the removal of animals and plants from reserves; and
- (ia) regulate, restrict or prohibit the removal of wood, mulch or other dead vegetation from reserves; and
- (j) provide for the impounding, removal, destruction, or disposal of animals found straying upon reserves; and
- (k) regulate, restrict or prohibit the taking of firearms or other devices into, or the use of firearms or other devices in, a reserve or sanctuary; and
- (l) provide for the collection of scientific specimens and the pursuit of research in reserves; and
- (m) reserve the whole or any portion of a reserve for a separate or exclusive use prescribed by the regulations; and
- (n) restrict or prohibit access to a reserve or any portion of a reserve by any person or class of persons; and
- (o) regulate, restrict or prohibit the use of roads or tracks in reserves; and
- (p) regulate, restrict or prohibit the use of motor vehicles or other vehicles in reserves; and
- (pa) empower the Director to fix one or more speed limits for vehicles driven within a reserve or any part of a reserve; and

- (q) provide for the impounding, removal or disposal of any vehicle or property found in a reserve in contravention of a regulation; and
 - (r) prescribe, and provide for the collection or recovery of, charges or entrance fees to be made of persons entering or desiring to enter a reserve or desiring to use facilities provided on a reserve; and
 - (s) regulate, restrict or prohibit the parking of vehicles in a reserve; and
 - (t) regulate, restrict or prohibit camping within a reserve; and
 - (u) regulate, restrict or prohibit the erection of buildings, signs or other structures in reserves; and
 - (v) provide for the protection and preservation of buildings, structures, signs and other improvements in reserves; and
 - (w) exempt, conditionally or unconditionally, Aboriginal persons generally, or Aboriginal persons of a specified class, from all or any of the provisions of this Act in such portions of the State as may be specified in the regulations; and
 - (x) make any other provision that may in the opinion of the Governor conduce to the preservation or conservation of wildlife; and
 - (y) prescribe penalties, recoverable summarily, for breach of, or non-compliance with, any regulation; and
 - (z) provide that all or any of the offences arising under the regulations may be expiated by the payment of a fee, stipulated in the regulations, to the Minister within a period specified in the regulations, and that if an offence is so expiated, proceedings cannot be brought in any court for the recovery of a penalty in respect of that offence.
- (2a) The Governor may, by regulation, amend schedule 7, 8, 9 or 10 by deleting species of animals or plants from, or including species of animals or plants in, the schedule.
- (3) Any fees prescribed under this Act may be differential, varying according to any factor stated in the regulation.
