#### Schedule 1—Amendments to Adopted Rules

**163.** Delete the words “For leading Victorian or Interstate team finals are included. Wagers will be settled with the team advancing the furthest in the finals as deemed to be the winner. Should two teams be eliminated at the same stage, the winner will be the team that finished highest on the AFL ladder at the conclusion of the regular season.”

Insert the words “For leading Victorian or Interstate team finals are not included. Wagers will be settled at the completion of the Home and Away Season only. Should two or more teams be on equal points at the completion of the Home and Away Season, team percentage as shown on the AFL Ladder will decide the winner.”

Delete **273**

Delete **278**

Rule 274 to 277 decreases by 1 number

Add the additional wording at the commencement to rule 273 (was 274)

**273** “Unless otherwise stated in these Rules,”

Rule 277 (was 279)

**277.** Delete the words “If a game is postponed and rescheduled to occur again within 48 hours of the original start time, all wagers stand. If the rescheduled time is more than 48 hours after the original start time, all single wagers are void and wagers refunded, while affected multiples are recalculated excluding that leg.”

Insert the following—

##### Postponed or Abandoned Matches

- (a) With the exception of situations in clauses 277(b), (c) and (d), an unplayed, postponed or abandoned match that is played on a different day to that originally scheduled will be made void for settling purposes. The only exception to this will be if the game is subsequently played within two days (local time) of the originally scheduled kick off time. For example, if the game was postponed at 20:00 on Tuesday bets will stand provided the match starts prior to midnight on Thursday (local time). If void matches reduce an accumulator, the bet will be settled on the remaining selections. Under no circumstances will the judgement of any ‘Pools Panel’ be accepted as a result.
- (b) Should a match be abandoned prior to the completion of 90 minutes of play, all markets will be void, unless a winning market has already been established prior to the abandonment eg. first goalscorer, time of first goal, half time result etc.
- (c) If a match is suspended or abandoned after the start and the remaining minutes are played at a later time on the same day or at a later time on either of the following two days (local time), settlement will be based on the score at full time, once the remaining minutes have been completed, otherwise bets will be void.
- (d) A match that is moved to accommodate TV schedules will not be treated as a postponed match for the purposes of this rule and all bets will stand.

**(c) Corners Handicap**
