LSI INDUSTRIES LTD.

Committed To Quality

From The Board of Directors of LSI GROUP

LSI Started its venture in Bangladesh in 1994 with a (9 sq. meter) liaison office. At the outset, The Board of Directors of LSI Group wish to place on record its deep sense of gratitude to this great country, Bangladesh, and the people, the apparel business community in particular, for the opportunity and arena that they have given to LSI which helped them grow dramatically during the last nearly two decades.

Mr Chin-Li. Chen, the Founding Chairman of LSI Group, a visionary, philanthropist and a person with his strong habits for caring for the people of Bangladesh in particular, was in great hardship and suffered with sickness in his youth days He has, therefore, given himself one extra responsibility to help more children who are living in remote areas to educate themselves from school In order to fulfill this holy responsibility, since 2003, LSI has started CSR programs in various districts of Bangladesh such as Noakhali, Laksham, Sirajgonj, etc. So far it could cover about 600 000 needy pupils in the past, and from 2013, we have donated 3 small school buildings in Kurigram District for the children facilitate receive education, with comfort and pleasure

In 2011, LSI Group has registered "Caring and Sharing LSI Fu-Tien Foundation in Bangladesh- our Corporate Social Responsibility will be non-stop in Bangladesh We wish to invite foreign and local investors to join hands with this Foundation, and help the needy people in Bangladesh.

The Short-Term Goal:

Disaster relief, construction of school building, scholarship, sponsor of stationery and text books, etc

The Mid-Term Goal:

Initiate income generating ways for economically weaker families by supporting them with baby goats/ducks/cows, etc for steady economical improvement

The Long-Term Goal:

Set up free vocational technical training centers

Life-Long Goal:

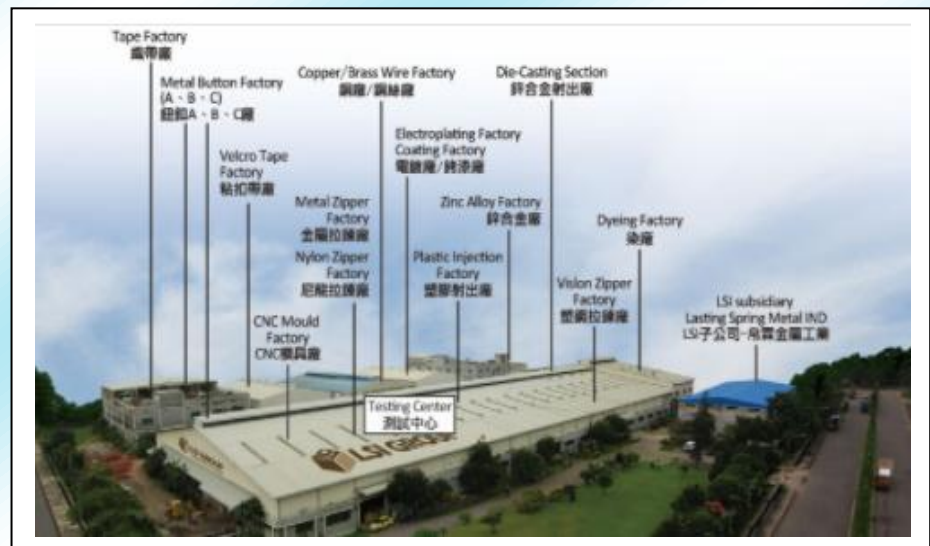

From 2015 onwards we wish to donate elementary and middle school buildings in remote areas every year

We look forward to your active participation, cooperation and help to together help the needy and deserving people in Bangladesh

LSI INDUSTRIES LTD.

Committed To Quality

Certification:

LSI actively established a quality management system and workflow, Striving to fulfill customers' expectation through production of quality products and services. LSI places great emphasis on performance management and works hard to increase business competitiveness.

In 2007, LSI received quality certification from the most prestigious international green textile label, **OEKO-Tex Standard 100**. Appendix-6 for baby articles and Annex XVII of REASH which is requirement of AZO Colorants, Nickel release. Our environmental-friendly products offer a choice for global green product brands.

Designated Supplier for International Brands

Providing assurance of high quality production, LSI has become a designated supplier for world-famous apparel brands such as H&M, C&A, REGATTA, TEMA, etc. We have the highest diversity in production technology and the most stringent production management system. We are dedicated to seeking better quality for our customers. LSI is now actively conducting the internal improvement project and, in May 2009, a team of industrial management and technological specialists from Taiwan have been recruited.
