USB Laser Barcode Scanner

Increase data accuracy and employee productivity with HP's high-performance hand held barcode scanner. A user friendly design with dependable reliability.

Exceptional value

The affordable HP USB Laser Barcode Scanner provides easy to use, accurate scanning in an ergonomic, lightweight form. With excellent scan performance, it is capable of reading barcodes within a large working range—from near-contact to 17 inches. The HP Laser Barcode Scanner is ideal for retail, hospitality or even back of store warehouse settings.

Rugged and reliable

It's scratch resistant tempered glass exit window is designed for continuous use and ultimately extends the barcode scanner's useful life. The HP USB Laser Barcode Scanner's durable, single board construction meets the 5 foot drop test requirements. It's built to survive the rigorous tests and challenges of your environment.

Easy to use, and versatile

The HP Laser Barcode Scanner takes less time to set up. Easy to install with a single USB cable, you'll be up and running quickly. The accurate, first-time capture of 1D barcodes means store associates can capture item information quickly, leaving time to focus on customer service. The scanner's lightweight design and sleek, balanced form combine for maximum user comfort and productivity.

Flexible for your environment

For maximum flexibility, each scanner comes with a hands-free stand. Store associates can easily switch between handheld mode or presentation scanning mode without stalling the transaction.

Combining industry leading performance with affordability, the HP USB Laser Barcode Scanner is a reliable barcode scanner solution you can count on to do the job accurately. An ideal solution for:

Retail:
Specialty Retail/Mass Merchandise
Department/Discount Stores
Convenience Stores
Grocery & Drug Stores

Hospitality:
Hotels and Gift Shops
Entertainment Establishments

Industry Leading Warranty & Support

The HP USB Laser Barcode Scanner is backed by a 3-year limited warranty including Advanced Exchange[1]. You can also select from a range of HP Care Pack Services to extend your protection beyond the standard warranties[2].
