Power Pack

Power Pack "USB-C, Power Delivery (PD), 5-20V", 26800 mAh

Component	USB-Type-C-Cable
-----------	------------------

- The integrated IC automatically detects connected devices for efficient and optimized charging
- Optimized charging process saves the battery thus extending its service life
- Ideal for quickly charging several devices via USB at the same time
- Elegant and robust aluminium housing
- The power pack provides an energy boost on the go

Universal USB-C Car Notebook Power Supp. Unit, Power Delivery (PD), 5-20V/70W

Max. Output Current	3 A
Output Voltage	5 V - 20 V

- The integrated IC automatically detects connected devices for efficient and optimized charging
- Optimized charging process saves the battery thus extending its service life
- Easy and quick connection thanks to the USB-C plug that can be used on both sides
- Vehicle adapter 12/24 V for power supply in cars, lorries, and camper vans
- Hook and loop cable tie enables good cable management without tangled cables
- USB power socket supplies additional USB devices with power
- Ideal for all devices that are charged via USB, e.g. notebook, tablet, smartphone, power pack, console
- Also for Apple MacBook, Samsung Galaxy S10, Nintendo Switch
- USB Power Delivery is also known as "USB PD"
- Compatible with Thunderbolt 3/4 (lightning symbol)

Car Converter

hama

"Power" Car DC/AC Inverter, 150 W + USB

Max. Output Performance	300 W
Output Frequency	50 Hz
Output Voltage	230 V
Permanent Output Performance	150 W

- Device is suitable for plugs with earth contacts
- USB power socket supplies additional USB devices with power
- Suitable for most notebook power supply units, multimedia, audio and video equipment
- Ideal for long car journeys when the battery of the notebook, tablet and console is drained
- Connect the power supply unit on the device to be charged to the inverter and charge via the cigarette lighter socket
- The inverter operates regardless of the device and can be used with most socket-based power supply units, which means that no device-specific car chargers are needed
- Leakage current protection circuit, ensuring maximum safety for users
- Suitable for devices with Euro and earthed plugs
- Operation via the cigarette lighter socket in the car
- Output voltage AC: 230V/50Hz (modified sinus)
- Peak output power 300 W
- Permanent output power: 150 W

"Comfort" Mouse Pad, black

Width x Depth x Height	31 x 0.5 x 21 cm
Especially Suited for	Optical Mice

- Freedom of movement: DIN A4 format for comfortable working with wide mouse movements
- Resilient: the stitched edge reinforces the perimeter so that the mouse pad doesn't fray
- Special rubberised underside prevents the mouse pad from slipping
- Pleasant fabric surface for optimised mouse gliding properties

Black	00054754
12 BK	

hama

Gel Mouse Pad, black

Width x Depth x Height	22.9 x 2.2 x 21.8 cm
------------------------	----------------------

- The comfortable gel filling is easy on the joints and allows you to take an ergonomic position thus preventing pain in the wrist
- Thanks to the integrated pen holder, pens, pencils and so on are always within easy reach
- Mouse pad with ergonomic wrist rest ensures comfort and stability
- Padding reduces pressure points and therefore prevents pain in the wrist

Black	00054782
20 BK	

Wrist Rest

hama

"Mouse" Ball of the Thumb Cushion

Width x Depth x Height	134 x 9 x 96 mm
------------------------	-----------------

- Massage effect: plastic bead filling for ergonomic handling
- Ideal adjustment to any wrist
- Can also be used for finger exercises or for stress relief
- Resilient fabric surface

Black	00050218
20 BK	

hama

"Ergonomic" Keyboard Wrist Rest, black

Width x Depth x Height	493 x 70 x 22 mm
------------------------	------------------

- Memory foam adapts to fit the shape of your wrist during use perfectly to prevent wrist pain
- Padding reduces pressure points and therefore prevents pain in the wrist
- Optimum moulding and spring-back properties
- Resilient fabric surface
- Non-slip, rubber-coated underside

Black					00054775
		30	BK		

hama

"Bow" Wrist Rest

Width x Depth x Height	19.2 x 11.2 x 2.2 mm
------------------------	----------------------

- Memory foam adapts perfectly to the wrist and elbow during use
- Padding reduces pressure points and therefore prevents pain in the wrist and elbow
- Ideal for ergonomic working with the mouse and keyboard
- Optimum moulding and spring-back properties
- Pleasant padding
- Non-slip, rubber-coated underside

Black					00054720
		10	BK		

hama

Mini Wrist Rest "Pro", anthracite

Width x Depth x Height	105 x 75 x 25 mm
------------------------	------------------

- Memory foam adapts perfectly to the wrist during use
- Padding reduces pressure points and therefore prevents pain in the wrist
- Ergonomically formed wrist rest
- Wrist rest with foam content, which adjusts to your wrist during the use
- Optimal formability and resilience
- Comfortable cushion features
- Non-skid rubber coated base

Anthracite					00052263
		10	BK		

hama

"Profile" Keyboard Wrist Rest, black

Width x Depth x Height	440 x 20 x 70 mm
------------------------	------------------

- Memory foam adapts to fit the shape of your wrist during use perfectly to prevent wrist pain
- Padding reduces pressure points and therefore prevents pain in the wrist
- Profiled wrist rest creates a massage effect
- For more comfortable working at the workstation
- Optimum moulding and spring-back properties
- Resilient fabric surface
- Non-slip, rubber-coated underside

Black					00054774
		48	SC		

Gel Wrist Rest, black

Width x Depth x Height	461 x 84 x 18 mm
------------------------	------------------

- The comfortable gel filling is easy on the joints and allows you to take an ergonomic position thus preventing pain in the wrist
- Padding reduces pressure points and therefore prevents pain in the wrist
- Durable surface that adapts to the movements of the gel
- Non-slip, rubber-coated underside

DVI Cable

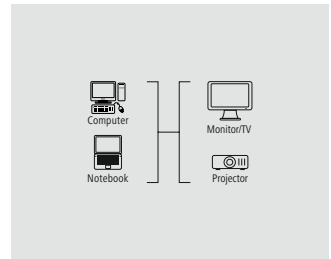

hama

**DVI Cable
"Dual Link, ferrite core,
double shielded", Grey**

Quality	3 Stars
Model	Dual Link

- Double shielding for optimal reduction of electromagnetic interference
- Ferrite core for decimating remaining interference and for good signal transmission
- The inner conductor is made of copper which ensures best transmission properties
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- Recommended for a standard resolution of 1600 x 1200 pixels and more
- DVI Dual Link (24 digital pins, 1 analogue pin)

1.8 m				00045077
	6	BK		

hama

**DVI Cable „Single Link,
ferrite core, double
shielded", 1.8 m", Grey**

Quality	1 Star
Model	Single Link

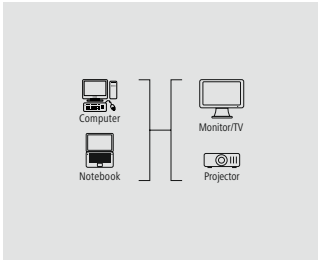

- Double shielding for optimal reduction of electromagnetic interference
- Ferrite core for decimating remaining interference and for good signal transmission
- The inner conductor is made of copper which ensures best transmission properties
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- Recommended up to a standard resolution of 1600 x 1200 pixels
- DVI Single Link (18 digital pins, 1 analogue pin)

Antenna Cable

Antenna Cable „Coaxial cable for cable router, network, F-connector, 75 Ω, 100 dB“, White

Quality	High Quality
Screening Rate	100 dB
Type of Shielding	Triple Shielded

- Ethernet data transmission of up to 1000 Mbit/s
- Gold-plated plug with low contact resistance for secure signal transmission
- Triple shielding for very good reduction of electromagnetic interference
- Ferrite core for decimating remaining interference and for good signal transmission
- The inner conductor is made of copper which ensures best transmission properties
- Suitable for the current EuroDOCIS 3.1/3.0/2.0/1.1/1.0 cable connection transmission standard
- Recommended for the new high-speed Internet
- Can also be used as a satellite cable for receivers / TVs
- 75 Ohm impedance

5 m				00040688
		6	BK	
3 m				00040687
		6	BK	

Network Adapter

Network Adapter "CAT-5e STP, Metal"

Quality	3 Stars
Model	CAT 5e

- Full-metal plug for the best shielding against external interference
- Additional shielding for good reduction of electromagnetic interference
- CAT5e adapter, 8p8c (RJ45) modular socket - 8p8c (RJ45) modular socket
- DIN EN 50173-1 tested

Silver				00046777
		6	BK	

Network Adapter „CAT-6, 2x Modular 8p8c (RJ45) coupling, metal body"

Quality	3 Stars
Model	CAT 6

- Ethernet data transmission of up to 1000 Mbit/s
- Full-metal plug for the best shielding against external interference
- Additional shielding for good reduction of electromagnetic interference
- Recommended for the new VDSL high-speed Internet
- DIN EN 50173-1 tested

Silver				00053775

hama

USB Cable "A Plug - A Socket, Active Extension Cable", Black

Connection	USB A Socket, USB-A Plug
USB Standard	USB 2.0

- Active USB 2.0 extension cable
- High-speed data transfer rates of up to 480 Mbps
- Signal amplification for interference-free data transfer
- Gold-plated plug with low contact resistance for secure signal transmission
- Double shielding for optimal reduction of electromagnetic interference
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- Suitable and tested for USB 2.0, backward compatible with USB 1.1
- Twisted data lines (twisted pairs)
- Cascadable (up to 3 active extension cables can be used)

5 m				00078482

hama

USB Cable „Elite for Apple iPhone/iPad with Lightning Connector“, Anthracite

Connection	Lightning connector, USB-A Plug
USB Standard	USB 2.0

- High-speed data transfer of up to 480 Mbps
- Gold-plated plug with low contact resistance for secure signal transmission
- Stylish look and feel: looks good, feels good
- Elegant metal sheathing for increased stability and longer life
- Light and space-saving due to the ultra thin, flexible cable and the extra small plugs
- Slim design especially suited for portable devices like smartphones, tablets and cameras
- No bothersome trying out: the plug can be inserted without having to be turned
- Nibble-resistant sheath protects the cable from pets
- The inner conductor is made of copper which ensures best transmission properties
- Sturdy plugs and moulded strain reliefs, high mechanical resistance
- For charging, data transfer and synchronization of an iPod/iPhone/iPad
- Authorized for "Made for iPod", "Made for iPhone" and "Made for iPad"
- USB cable on Apple Lightning connector

supply unit"**

Connection Cable	Removeable
USB Standard	USB 2.0
Model	With Power Supply

- Additional power supply unit for power supply
- Additional USB cable for connecting to a PC/laptop
- Suitable and tested for USB 2.0, downward compatible with USB 1.1
- Operating system: Windows 10/8/7/ Vista/XP and Mac OS 10.x

Black				00078472
		6	BK	

hama

**USB Hub
"Type-C 1:3 "Pocket", 1x
USB-A 3.1, 2x USB-A 2.0"**

Connection	USB-C-plug
Model	Bus Powered

- Super speed data transfer rates of up to 5 Gbps
- Great distance between sockets makes it easier to plug in wider USB plugs/dongles
- No bothersome trying out: the plug can be inserted without having to be turned
- Especially compact, therefore easy to transport with the notebook / tablet

Combo USB Hub/Card Reader

hama

**USB 3.1 Type-C Hub 1:3
"Aluminium", 2 x USB-A,
USB-C, Card Reader**

Number of USB Ports	3
---------------------	---

- Super speed data transfer rates of up to 5 Gbps
- Elegant, robust aluminium surface
- Great distance between sockets makes it easier to plug in wider USB plugs/dongles
- Bus-powered, i.e. voltage supply comes from the USB socket on the device
- Integrated USB cable for connection to the PC / notebook / tablet
- Suitable and tested for USB 3.1 Gen 1, but also works with USB 3.0 and USB 2.0 devices
- USB 3.1 Gen 1 is up to 10x faster than USB 2.0
- SuperSpeed USB (USB 3.1 Gen 1)

Card Reader:

- SD/SDHC/SDXC
- MicroSD/microSDHC/microSDXC
- Operating system: Windows 10/8/7 and Mac OS 10.8 upwards

USB hard disk housing for 2.5" SSD and HDD hard disks

Material	Plastic Material
Model	SATA connection, USB 3.0
Size	2.5"
Power Supply	USB Connection

- Super speed data transfer rates of up to 5 Gbps
- LED function indicator gives information about the device status
- Detachable USB cable for connection to a PC / notebook
- Flexible materials guarantee optimum kink protection and prevent cable breakage
- High-quality materials and workmanship guarantee excellent transmission quality
- Suitable and tested for SATA (SERIAL-ATA) interfaces with SATA III (3.0), SATA II (2.0) and SATA I (1.0)
- Plug & Play, no manual software / driver installation required
- Compatible with Thunderbolt 3/4 (lightning symbol)
- Power supply via USB
- 2 in 1: USB-A plug + USB-C adapter
- Operating system: Windows 10/8/7 and Mac OS 10.8 upwards

Cooling Paste

hama

Cooling Paste "MX-2, Arctic Cooling"

Density	3.96 g/cm ³
Temperature Range	50°C to 170°C
Viscosity	850 P

- High thermal conductivity
- Low thermal resistance
- No electrical conductivity
- No static charge
- Non-curing
- Does not dry up
- Non-evaporating and non-exuding
- Convenient packaging: in a syringe
- Contents: 4g (sufficient for about 20 applications)

4 g	00078420
6 BK	

hama

ARCTIC MX-2 High-Performance Heat-Conducting Paste

Density	3.96 g/cm ³
Temperature Range	50°C to 170°C
Viscosity	850 P

- The heat-conducting paste made of carbon micro-particles guarantees extremely high thermal conductivity
- Metal-free and non-electrically-conductive paste, protecting against corrosion and short circuits
- Extremely long-lasting, works for several years without drying out or dissipating

4 g	00200758

Screwdriver Kit

hama

Universal Screwdriver Kit

- Indispensable for fine mechanical works
- In an elegant silver case
- Can easily fit in your trouser pocket
- Pentalobe driver bits for opening/repairing Apple devices, e.g. for iPhone
- Kit comprising:
 - Solid full metal handle with corrugated non-slip surface
 - 2 "slotted" driver bits
 - 2 "recessed" driver bits

	00053052
8 BK	

hama

Mini Screwdriver Kit

- Indispensable for fine mechanical works, e.g. on electronic devices
- In an elegant pouch made from faux leather
- Can easily fit in your trouser pocket
- Kit consisting of:
 - Solid full metal handle with corrugated non-slip surface
 - 3 driver bits "slotted"
 - 3 driver bits "recessed"
 - 6 driver bits "torque"

	00039694

COMPUTER ASSEMBLY

hama

24-in-1 Mini Screwdriver Set

- Essential for precision mechanical work, e.g. on electronic devices
- The bits are made from high-quality, resilient steel
- Handy and stylish leather-look case
- Fits in any trouser pocket or drawer
- Set consisting of:
 - 1 stable aluminium handle with slip-resistant, ribbed surface
 - 9 "Torque" interchangeable bits
 - 4 "Hex socket" interchangeable bits
 - 3 "Cross-head" interchangeable bits

Black	00200762
6 BK	

hama

7in1 Mini Screwdriver Kit, 30 pieces in a display box

- Indispensable for fine mechanical works
- Can easily fit in your trouser pocket
- Kit comprising:
 - 7 torque driver bits supplied with the black 7in1 mini screwdriver: T4, T6, T7, T8, T9, T10, T15
 - 7 slotted and recessed driver bits supplied with the red 7in1 mini screwdriver: SL 2.0, 2.4, 3.0 and PH#00, #0, #1, #2

Mounting Frame

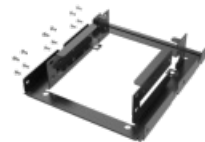

hama

Mounting Frame, 2.5" on 3.5", for SSD hard drives

Hard Disk Size	2.5 "
Shade of colour	Black

- Includes 8 screws which allow the frame to be instantly installed in a PC
- Easy and quick to mount

	00039830
6 BK	

hama

Mounting Frame for 2 x 2.5" SSD and HDD Hard Disks in a 3.5" Bay

Hard Disk Size	2.5 "
Shade of colour	Black

- High-quality and sturdy metal frame for better heat conduction from the hard disks
- Pre-drilled holes in the frame for optional attachment of an 80 mm fan
- Incl. 12 screws for immediate mounting / installation in the PC
- Suitable and tested for two 2.5" hard disks
- Simple and quick to install

CONNECTIVITY

USB Devices | Network Device

WLAN USB Stick

AC600 Nano-WLAN-USB Stick, 2.4/5 GHz

USB Standard	USB 2.0
WLAN Encryption	WPA, WPA2
Frequency Range	2.4, 5 GHz
Max. Data Transfer Rate	600 Mbps

- WiFi protected setup helps set up encrypted connections automatically
- Also supports connections to other WLAN devices without routers or access points (ad hoc)
- Compatible with IEEE802.11n (300 Mbps), IEEE802.11g (54 Mbps), IEEE802.11a (54 Mbps), IEEE802.11b (11 Mbps) and WiFi
- Dual-band support at 2.4 or 5 GHz
- A high range in combination with high power (150 MBit/s / 433 MBit/s)
- Ideal for online gaming and HD video transmission
- Allows radio encryption via WPA/WPA2 and 128/64-bit WEP
- WPS: supports the automatic setup of encrypted connections (WiFi protected setup)
- Automatic adjustment to the maximum possible speed according to the reception conditions and remote station
- Operating system: Windows 10/8.1

00053305

10 BK

N150 Nano WLAN USB Stick, 2.4 GHz

USB Standard	USB 2.0
WLAN Encryption	128 bit WEP, 64 bit WEP, WPA, WPA/WPA2 and 128/64 Bit WEP, WPA2, WPS
Frequency Range	2.4 GHz
Max. Data Transfer Rate	150 Mbps

- WiFi protected setup helps set up encrypted connections automatically
- Also enables the connection to other WLAN devices without router or access point (Ad-Hoc)
- Compatible with IEEE802.11n (150 Mbps), IEEE802.11g (54 Mbps), IEEE802.11b (11 Mbps) and WiFi
- Enables radio encryption via WPA/WPA2 as well as 128/64 bits WEP
- Data rate of up to 150 Mbps, automatic adjustment to maximum possible speed according to the reception conditions and the remote station
- The high data rate enables e.g. video/audio streaming, network gaming and Internet telephony
- Operating system: Windows 10/8

00053302

10 BK

Bluetooth USB Adapter

Bluetooth® USB Adapter, version 4.0 C1 + EDR

Data Transfer Rate	3 Mbit/s
Max. Range	100 m
USB Standard	USB 2.0
Bluetooth Version	4.0

- Extra low energy consumption
- 128 bit AES encryption for secure connection between the devices

00053188

10 BK

Bluetooth® USB Adapter, version 4.0 C2 + EDR

Data Transfer Rate	3 Mbit/s
Max. Range	10 m
USB Standard	USB 2.0
Bluetooth Version	4.0

- 128 bit AES encryption for secure connection between the devices
- Extra low energy consumption

00049218

10 BK

Powerline Network

"Socket" Powerline 600 Mbps Set

WLAN Standard	Not Available
Max. Data Transfer Rate	600 Mbit/s
WLAN Frequency Range	Not Available
Encryption	128 Bit AES

- Additional network cable for connecting to other network devices
- 128 bit AES encryption for secure connection between the devices General:
- Allow an Internet or network to be provided even in areas that were unreachable with WLAN, for example
- Very simple installation, no tedious driver or software installation required

Powerline:

- These Powerline adapters have an integrated socket so that no sockets are lost due to the adapter
- Thanks to the high data transfer rate (max. 600 Mbps), supports "triple play applications" such as TV, video and audio streaming, network gaming and Internet telephony at the same time
- Integrated power-saving function: reduces energy consumption automatically in standby mode
- Device with integrated network connection

0 Mbps

00053307

CONNECTIVITY

Repeater

Repeater
"N300, 2.4 GHz"

WLAN Standard	802.11 n/g/b (300 Mbps/54 Mbps/11 Mbps)
Frequency Range	2.4 GHz
Max. Data Transfer Rate	300 Mbit/s

- WiFi protected setup helps set up encrypted connections automatically
- WLAN 802.11n with up to 300 MBit/s for high-speed wireless access
- WLAN support for the 2.4 GHz band
- Supports the new IPv6 internet protocol
- Maximum WLAN security with WPA2, WPA and WEP (128/64)
- Provides WLAN functionality for devices connected via the LAN connection (computer, printer, TV, game consoles, etc.)
- Connection quality and status indicator
- Configuration is possible in the following languages: D/GB
- Integrated installation wizard for easy set-up
- Compact design, can be used with virtually any 230 V socket
- Modern WLAN router with WPS support
- The router must support the following wireless networks: 802.11n (300 MBit/s), 802.11g/a (54 MBit/s)
- The following is required to complete set-up using the integrated wizard: Windows Vista or later; MAC OS X 10.8 or later; Linux with Kernel 3.2 and an up-to-date browser

Cleaners & Care Products

Cleaning Gel

hama

Cleaning Gel "For Screen, incl. Cloth"

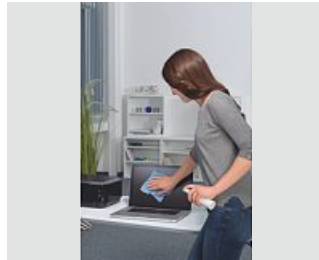

Material of Polishing
Cloth

Microfiber

- Special consistency: does not drip or run
- Anti-static materials
- Very high-quality, extremely absorbent and washable microfibre towel for lint-free cleaning
- Also suitable for other surfaces like PDAs, scanners, copiers
- Removes dust, dirt and grease
- The gelatinous consistency prevents the liquid from quickly seeping down the screen
- Free from substances such as alcohol, butyglycol and methanol
- Regular cleaning increases the lifetime of your device
- Comes with a high-quality, washable microfibre cloth (80% polyester, 20% polyamide), 20 x 20 cm

200 ml				00078302
	12	ET		

Cleaning Foam

hama

Notebook Cleaning Foam, 100 ml, including Cloth

- Very high-quality, extremely absorbent and washable microfibre towel for lint-free cleaning
- Anti-static materials
- Very low consumption because it is especially efficient in use
- Microfibre cleaning cloth (80 % polyester, 20 % polyamide)
- Removes dust and dirt
- Regular cleaning maintains the device's service life
- Also suitable for the cleaning and care of plastic surfaces, glass and metal

Pillar

hama

Pillar "Aluminium"

Width x Depth x Height	23 x 1 cm
------------------------	-----------

- Elegant, robust aluminium surface
- Stand function for easy positioning of the device
- Easy to transport (height folded down approx. 1 cm)
- Angled setting allows convenient position
- Non-slip rubber pads on the underside ensure a secure grip
- Rubber pads on the sliding edge prevent scratches and slipping of the notebook

Silver				00053059
	24	SC		

hama

Pillar "In Carbon Look"

- The laptop is raised up at an oblique angle to a more comfortable position
- Non-slip rubber pads on the bottom side for secure positioning
- Sturdy bearing surface prevents the notebook from overheating as the ventilation slots are not "blocked"
- Rubber pads on the edge prevent the notebook from being scratched and getting out of place

Black				00053073
	10	SC		

hama

Pillar "X"

Width x Depth x Height	10 x 40 x 11.5 cm
------------------------	-------------------

- Casters provide more mobility for the PC tower and make accessing the cable connections and the rear easier
- Suitable for all common PC towers up to 25.5 cm width
- Incl. special anti-slip grips
- Stable construction due to "X"-design and 5 castors

Black				00049310
	20	SC		

Hook and Loop Tape

hama

Hook and Loop Strap, universal, 1 m, black

Material	Nylon
Width x Length	1.9 x 100 cm
Shade of colour	Black

- Soft and flexible nature; avoids damage to the connected surfaces, therefore suitable for sensitive materials like optical conductors
- The connection can simply be severed and then connected again when required
- Can be cut to size; can also be sewn

				00020543
	10	HC

hama

Shredder "Premium X11CD"

Capacity (Paper)	16 l
Max. Cutting Speed	2 m/min
Max. Feed Width (Paper)	225 mm
Max. Noise Level	70 dB
Protection Class	2
Security Level (DIN 66399)	E-3, O-1, P-4, T-4

- Bin can be pulled out for disposal of paper scraps
- CDs/DVDs/Blu-ray discs can be destroyed via a separate entry slot
- Plastic cards can be destroyed via a separate entry slot, but also via the paper entry slot for smaller scraps
- High-quality cutters are made of steel and cope with staples
- Cuts paper into small scraps which maximizes the bin's capacity
- Automatic start and stop function with infrared sensor
- Shuts down automatically when the bin is pulled out (contact switch)
- Safety cut-out protects the shredder from overheating
- Safety cut-out in case of overload; reason for switch-off shown by LED
- Separate waste bins for CDs/DVDs/Blu-ray discs/plastic cards and paper

hama

"Premium AutoM120" Shredder, Shredder with Security Level E3 P4 T4

Capacity (Paper)	25 l
Max. Cutting Speed	2.2 m/min
Max. Feed Width (Paper)	225 mm
Max. Noise Level	60 dB
Protection Class	3
Security Level (DIN 66399)	E-3, P-4, T-4

- This document shredder is ideal for destroying personal data in paper form in accordance with the General Data Protection Regulation (GDPR)
- Auto-feed function: simply insert the stack of paper into the automatic paper intake and the shredder will efficiently take care of the rest itself
- Plastic cards are shredded via the manual paper intake
- Cuts paper into extra small scraps which maximizes the bin's capacity
- Especially quiet motor
- Bin can be pulled out for disposal of paper scraps
- The device shuts itself off automatically to avoid damage on the device
- High-quality cutters are made of steel and cope with staples
- Simultaneous automatic and manual paper feed possible
- For up to 5 sheets of DIN A4 paper (80 gsm) in manual mode, also shreds plastic cards in the manual paper intake
- Paper with staples can be shredded both in the automatic and manual paper feed
- 60 minutes of continuous shredding in automatic mode

General Terms and Conditions

1. General Information

We shall carry out deliveries exclusively in accordance with the following conditions. The purchasing party shall recognise these conditions of purchase as binding for all future transactions. Any agreement deviating from these terms requires our express written confirmation. No purchase conditions of the purchasing party that differ from the conditions stated here shall be considered valid unless they have been expressly accepted in writing by Hama. Our general terms and conditions shall be considered accepted upon receipt of the goods, at the latest.

We shall store and process customer information electronically, in so far as this is required for the proper conclusion of the given business transaction, in accordance with all relevant data protection regulations.

2. Quotation, Order and Minimum Order Value

Issuing a quotation does not obligate Hama to accept the order. Changes shall be made in writing. Technical details and illustrations of articles for sale in advertising brochures and other advertising information are not binding features, but instead descriptions or labelling of our products. Factory tolerances as considered usual within the trade shall be considered binding in all cases in so far as no special limits for acceptable deviation have been agreed upon.

Where samples have been provided, Hama shall make every effort to deliver to the quality and specifications of the relevant sample. Slight deviations shall not constitute grounds for a claim on the part of the ordering party.

a) Domestic orders

We shall apply a surcharge in the amount of € 4.00 for orders below the minimum net order value of € 50.00.

b) International orders

The minimum value for foreign orders shall be defined in a separate agreement.

3. Prices

All prices are ex works or warehouse and subject to legally stipulated value added tax at point of transaction. Postage and packaging costs are itemised separately on our invoices, as is transport insurance.

4. Delivery and Period of Delivery

Unless the period of delivery has been agreed upon in written form for a specific case, delivery dates are to be understood as approximate dates to which we shall adhere whenever possible. Should the period of delivery be exceeded, the purchasing party may set an appropriate extension of said period, after the end of which they may withdraw from the contract through written declaration of their intent to do so.

The period of delivery shall be considered adhered to if the object of delivery has left the factory or notification of readiness to ship has been sent before the end of said period.

The period of delivery shall be extended in the event of industrial disputes, particularly strikes and lockouts, as well as unpredicted obstructions beyond our control such as disruption of production, delay in the delivery of essential materials and other such disruptions that demonstrably bear on the delivery of the goods to be delivered. The same applies should such eventualities affect subcontractors. The period of delivery is extended according to the duration of such eventualities and obstructions. Should delivery become impossible or unreasonable, we are released from the responsibility of making delivery.

We are also not responsible for the aforementioned circumstances if they occur during an already existing delay. In important cases, the onset and conclusion of such obstructions shall be communicated by Hama to the ordering party at the earliest possible occasion.

The purchasing party shall have no right to compensation for delayed delivery, unless deliberate or gross negligence on our part can be demonstrated.

We are entitled to undertake partial deliveries in acceptable and reasonable quantities. Disputes over partial delivery do not entitle the purchasing party to refuse further partial deliveries.

5. Shipping and Transfer of Risk

All deliveries take place at the expense of the purchasing party.

The choice of route and means of transport are determined by Hama to ensure the swiftest transportation and punctual arrival to the best of its knowledge but without liability on the part of Hama.

Risk shall be transferred to the purchasing party when the object of delivery is received by the forwarding agent, carrier or other transporting agent – including those that are employed by us – and in any case no later than when the object leaves the factory or warehouse. This also applies to FOB and CIF transactions.

Goods for which notice has been given that they are ready for dispatch on the agreed upon date must be retrieved immediately. Hama is otherwise at liberty to store goods at the cost and risk of the customer as it considers fit, and to charge such goods as ex works or warehouse. The same applies if delivery cannot occur as a result of failure or suspension of transport, or of other conditions for which we cannot be held responsible. Should the ordering party delay intentionally or through gross negligence, Hama shall be, after an extension of a further fourteen days, entitled to withdraw from the contract or to demand compensation for breach of contract.

6. Terms of Payment

a) Creditworthiness

In the case of delayed payment and justified concerns as to the solvency and creditworthiness of a purchasing party, Hama is within its rights to demand securities or advance payment for pending deliveries and to make all claims of the financial transaction immediately payable without affecting our other rights.

b) Terms of Payment, Domestic

Payment shall be made in cash or by transfer of funds at a discount of 2 per cent of the invoice amount if made within ten days, or without any discount on the fixed price if made within thirty days. Payment shall be made irrespective of receipt of goods. In the absence of other agreements, advance payment shall be required. Payment by the ordering party shall be considered in default if such payment has not been made within the payment period starting upon receipt of the invoice. Set-off and retention rights shall only be granted to the ordering party if counterclaims are legally recognised, beyond dispute or recognised by Hama.

We only accept rediscountable bills of exchange from the Bundesbank by special arrangement and on account of payment. Bills of exchange or cheques shall, subject to receipt, be credited with the value date of the day on which Hama shall finally have access to the proceeds. All costs incurred thereby are the responsibility of the purchasing party.

If the payment deadline is exceeded, article 288 of the German Civil Code shall apply.

c) Terms of Payment, International

Only written terms of payment are valid for export trade. In the absence of such agreements, advance payment shall be required.

7. Retention of Title

Hama itself shall retain title of delivered goods until such time as the customer has made all payments resulting from the transaction, including those covering interest and costs, and any necessary balancing of a current account and any cheques or bills given in payment have been fully honoured. As long as payment resulting from the transaction remains due, the following shall apply:

The purchasing party is within its rights to sell, process or use goods subject to this retention of title within the normal course of business. Should the purchasing party be placed in default due to outstanding payments, all factory-condition goods in the hands of the purchasing party and/or goods still to be received shall be put at our disposal.

Should any goods to which Hama maintains title be sold, all claims to reimbursement shall be transferred to Hama without any particular act of transfer being required when demand is made.

The purchasing party may collect such claims as have been transferred to Hama, but must immediately redirect collected funds to Hama. The same also applies to all claims arising from any other service provided by Hama.

The purchasing party is not entitled to pledge goods or ceded claims or to use such goods or claims as securities. Hama must be immediately notified of seizures by third parties. The purchasing party is obligated to insure goods against fire damage and theft and to furnish proof of insurance upon request. The retention of title extends to cover new items produced by processing. If property of the purchasing party is mixed or combined with items owned by Hama, Hama acquires partial ownership under articles 947/948 of the German Civil Code. On the request of the purchasing party, Hama shall release its securities in so far as the value of our securities exceeds more than 20 % of the claim on a non-temporary basis. The choice of securities to be released lies with Hama.

8. Claims for Defects and Warranty

a) Claims for Defects

Hama warrants that its goods shall be free of material defects and defects of title at the time of transfer of risk. The warranty period begins with receipt of the goods by the customer and lasts two years.

Received goods shall be checked on receipt as to proper quality. The purchasing party shall notify Hama of any detectable defects in writing within fourteen days of receipt of goods. Hidden defects shall be reported in writing as soon as they are detected, at the latest within two years after receipt of goods. In the event of justified complaints made within the appropriate period, Hama shall rectify the defects, exchange the goods, or issue a credit note at its discretion.

b) Warranty

Hama warrants some of its products as indicated on the relevant product warranty card. Defects of material or fabrication shall be rectified within the warranty period by repair or replacement at Hama's discretion.

The warranty does not cover claims for damages of any kind, particularly not for replacement due to consequential damage. If the device in question is still under warranty, it shall be sent to Hama along with details of the defect and the dealer's receipt as proof of warranty.

c) Voiding of Claims for Defects and Warranties

In the case of defects caused by force or improper use, as well as in the case of repairs or actions by the purchasing party or third parties without our express written consent, the right to claim for defects and the warranty become null and void.

In the case of articles subject to wear and tear, no damage resulting from use over and above appropriate norms shall constitute a defect.

d) Reimbursement of Expenses

Reimbursement of expenses pursuant to article 439 II of the German Civil Code shall be agreed with Hama on an individual basis. This only applies to purchasing parties who themselves sell the goods they receive to private individuals. Any further liability for other reimbursement of expenses is excluded by Hama. The purchasing party has no other rights.

e) Postage and Shipping Costs

The sender is responsible for initially paying the postage and shipping costs for any shipments sent to Hama relating to claims for defects, warranties, product liability claims and similar matters. These costs will be reimbursed once the validity of the claim is acknowledged.

9. Disclaimer

Regardless of the legal basis of such claims, our liability for damages is limited to intentional acts and gross negligence, including intentional acts and gross negligence on the part of our representatives and agents. In so far as no intentional breach of duty exists, liability is limited to foreseeable damage that typically occurs. In the case of breach of an essential cardinal duty, we assume liability irrespective of the degree of fault. However, our liability is limited here to foreseeable damage that typically occurs.

Liability due to non-accidental injury to life, limb or health is not affected. Liability is also not affected in so far as it is mandated by the German Product Liability Act, in the case of wilful deception or if a warranty is provided.

10. Returns

If it is necessary to clear merchandise, the scope and execution is generally to be clarified with us or with our field service. The following products are excluded from merchandise clearing: products from the technical price-list and weekly price-list (WPL), picture frames, opened display items, items with minimum order quantities and products that have been discontinued from our line. We also reserve the right to exclude from merchandise clearing individual product ranges that might be damaged during transport, that were delivered as part of a sales campaign or that could result in increased costs/procedures for returns and disposal.

Goods must be returned in the original packaging and with all shipping costs paid by the sender. The invoice belonging to the original delivery must accompany the shipment. Credit notes from the return of goods may only be charged against new orders of goods. Credit notes are subject to relevant deductions. Handling costs are set at fifteen per cent of the credited value of goods.

11. Applicable Law

The material law of the Federal Republic of Germany shall apply. International law on the purchase of moveable goods shall not apply, even if the purchasing party has headquarters abroad.

12. Place of Performance and Jurisdiction

The place of performance for both parties is Monheim, Bavaria, Germany. In the event of any disputes arising from contractual conditions, all lawsuits are to be filed at the court whose jurisdiction covers our headquarters if the ordering party is a merchant under commercial law, a legal entity under public law or a special fund under public law. We also reserve the right to file lawsuits at the location of the headquarters of the purchasing party.
