

Massachusetts Domestic and Foreign Corporations Subject to Taxation

For the Use of Assessors

2008

MASSACHUSETTS DOMESTIC AND FOREIGN CORPORATIONS SUBJECT TO TAXATION UNDER GENERAL LAWS CHAPTERS 59, 60A AND 63

This is the list of *2008 Massachusetts Domestic & Foreign Corporations Subject to Taxation*, issued pursuant to GL c. 58, §2. Annually, the Division of Local Services provides a comprehensive listing of corporations for Massachusetts's assessors to be used for local tax assessment purposes. We publish this list solely on the Internet to facilitate keyword and community based searches.

The list of *2008 Massachusetts Domestic and Foreign Corporations Subject to Taxation* provides a listing of corporations doing business in Massachusetts as of January 1, 2008, subject to tax or excise under General Laws, Chapters 59, 60A, or 63, local property tax, motor vehicle excise, and corporation taxes, respectively. For information on personal property subject to taxation, please refer to the Division of Local Services, Bureau of Municipal Finance Law's [Personal Property Frequently Asked Questions \(FAQs\)](#). This listing of corporations can provide useful information to cities and towns about the taxable status of businesses located within a community. The contents are drawn from data compiled and maintained by the Department of Revenue (DOR).

This resource is divided into three sections, 1) corporations conducting business in the Commonwealth, 2) financial institutions, and 3) insurance companies. The financial institutions and insurance companies are listed separately under their own section headings because they are taxed differently from other corporations. The separate listings for financial institutions and insurance companies are based solely on returns filed by the entities, not on specific applications for such classification.

Reading Each Entry

Each entry in the listing includes the name and primary location of a company, and also indicates whether the business has been classified as a manufacturing corporation. The "location" listing is based on the corporation's own reporting to DOR, and identifies the community, state or foreign country (FC) in which the company is headquartered. Please note that businesses may own taxable property in one or more Massachusetts communities, but only the "location" of the headquarters will appear in this listing.

A corporation classified as a "manufacturing corporation" is designated by the letter "M" to the left of the corporation name. A corporation whose manufacturing status has been revoked during a given year is identified by the letter "R" to the left of the corporation name. See [830 CMR 58.2.1](#) explaining the application procedure for classification as a manufacturing corporation.

M/R Updates

The list of *Massachusetts Domestic & Foreign Corporations Subject to Taxation* is forwarded to assessors in April each year. In meeting this distribution objective, DOR's Manufacturing Unit makes every effort to render its manufacturing (M) and revocation (R) decisions in order that all are included in the annual list. However, some decisions are made after publication and are retroactive to January 1 of the current year. It is DOR's policy to notify assessors of the subsequent decisions by letter, based on information requested and received from the

applicants as to the locations of corporation property in the communities. Toward that end, a compilation of subsequent manufacturing and revocation decisions applicable in the current calendar year will be posted throughout the year until the next list is issued. Assessors should periodically check the website for these updates.

Appeals

Boards of assessors or corporations aggrieved by classifications made by DOR under Chapters 59 or 63, or by action taken by DOR under Chapter 58, Section 2, may, in order to preserve any rights to be correctly classified, object by applying to the Appellate Tax Board (ATB) and stating the classification or action claimed. The appeal must be received by the ATB on or before April 30 of the year for which classification is sought, or within 30 days after the date DOR sends the corporations list to local assessors (the release date shown below), whichever is later.

Effective January 1, 2008 – Release date April 7, 2008
