## The State Relief Committee

with fifty-two municipal subsidiary committees and individual cases in country districts of the State needing its aid, solicits your assistance by donations of:—

**WHEAT**, which millers grind into flour free of charge.

**LIVESTOCK**, which the Colonial Meat Company accepts delivery of, kills, dresses and delivers free of all charge to the State Relief Committee's central store.

**POTATOES, VEGETABLES, FIREWOOD**, all of which are carried by rail free of charge if consigned to the State Relief Committee, Melbourne.

**FRUIT** of any description, suitable for jam making, is always welcome. The jam is manufactured in a factory staffed by workless girls, who thus earn sustenance. The jam is distributed free to distressed families, and over 110,000 jars have been made and distributed in this manner.

**SPECIAL.**—Many instances have come under notice where fruit and vegetables have been left to rot on the ground. Do not let this waste occur when thousands are in need. Write or 'phone the Secretary, State Relief Committee, Melbourne, Central 1214, and see if arrangements can be made to use your surplus for the benefit of those whose need is great.

The Committee will welcome Show visitors who are interested in its work at Stand No. 354 in the Industrial Hall, where information as to its activities will be gladly made available to sympathisers.

The Committee's Bulk Store in Spencer Street is available for inspection, and the Secretary will be pleased to show you over it and explain its operations. Ring Central 1214.

All communications should be addressed to the Secretary, State Relief Committee, State Savings Bank Buildings, Corner Collins and Spencer Streets, Melbourne, C.1. Telephone, Central 1214.

WHERE BEST BISCUITS IN AUSTRALIA ARE MADE.

This is the most modern and best arranged factory in the Southern Hemisphere, a fact which enables the firm to compete successfully with the best makers in the world for quality. Although equal care and attention is given to the production of all goods in order to obtain the best of their kind, yet there are a few of

**GUEST'S SPECIALTIES.** to which attention is invited, viz.:

**Guest's Coffee Biscuits.**—These have been a leading line of the Firm for over 40 years, and have always been highly appreciated as a delicacy, as well as extensively and successfully used as a food for infants and persons with delicate digestion.

**Guest's "Snowflake" Biscuits (Registered)**—A new unsweetened Biscuit. Specially adapted for eating with cheese, stewed fruits, jams, &c.

**Guest's "Neva" Biscuits.**—Elegant and Delicious.

**Guest's Extract of Malt Biscuits.**—Greatly assists digestion, and are very nutritious. The following, from an eminent medical man, is one of many testimonials received:—"They are very palatable, and must, from their composition, be very nutritious and easily assimilated by even an invalid stomach. To children with capricious appetites these biscuits will certainly prove a boon, as they are taken greedily where other forms of food are refused."

**Guest's "T. B. G." Biscuits.**—There are 170 of these Biscuits in one pound weight. Much relished by connoisseurs.

**Guest's Ginger Nuts.**—Are quite equal to any English make, with the advantage of freshness.

Note.—Exhibits in the above Class are eligible to compete in Class 298, and also Classes 299 and 307, if under 2 years old on judging day.

### JUDGING ARRANGEMENTS (CLASS 141).

The steers are to be weighed alive on the day previous to judging and the live weights handed to the Judge. In the first place, the steers are to be judged alive (by the Shorthorn Judge in the Shorthorn ring) on the lines of breed characteristics and suitability for the beef trade. A maximum number of 50 points can be awarded to exhibits when alive.

The steers are to be sold by auction at the Show Grounds on behalf of the exhibitor, and will (on a date to be fixed) be slaughtered in the presence of the judge (a butcher) weighed for dead weight, and judged on appearance when dressed, for color, quality and value of meat and hide. The maximum number of points which can be awarded for the dead carcass and hide is 50. The live weight is also to be furnished to the carcass judge, who has power to have the carcass cut as he wishes in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgings, and are the property of the exhibitors who enter the steers and not of the purchaser.

After the final awards are made, the meat must be placed on exhibition for two days at butchers' shops within a radius of six miles from Melbourne G.P.O., due notice of days and place to be given to the public. The Judges are to be asked to furnish reports on this competition to the Shorthorn Society of Australia (Victorian Branch), Temple Court, 422 Collins Street, Melbourne.

### SPECIAL NOTIFICATION.

**JUDGING ARRANGEMENTS.**

The steers are to be weighed alive on the day previous to judging and the live weights handed to the judge. In the first place, the steers are to be judged alive (by the Red Poll judge, in the Red Poll ring), on the lines of breed characteristics and suitability for the beef trade. A maximum number of 40 points can be awarded to exhibits when alive.

The steers are to be sold by auction at the Show Grounds on behalf of the exhibitor, and will (on a date to be fixed) be slaughtered in the presence of the judge (a butcher), weighed for dead weight, and judged on appearance, when dressed, for color, quality and value of meat and hide. The maximum number of points which can be awarded for the dead carcass and hide is 60. The live weight is also to be furnished to the carcass judge, who has power to have the carcass cut as he wishes, in order to arrive at a correct judgment. The prizes are to be awarded to the exhibits that gain most points in the two judgings, and are the property of the exhibitors who enter the steers, and not of the purchaser.

After the final awards are made, the meat must be placed on exhibition for two days at butchers' shops within a radius of six miles from Melbourne G.P.O., due notice of days and place to be given to the public. The judges are to be asked to furnish reports on this competition to the Red Poll Cattle Breeders' Association of Australasia, Temple Court, 422 Collins Street, Melbourne.

Note.—Exhibits in the above class are eligible to compete in Class 298 and also Classes 299 and 307 if under 2 years old on judging day.

### NOTE.

In order to overcome the nuisance of children begging for milk at the Show Grounds, arrangements have been made with Holdenson and Neilson Pty. Ltd., whereby all milk delivered at the Milk Room (beside the No. 1 Cattle Pavilion) will be purchased by that firm according to butter fat value, based upon a complete test of the bulked milk.

No milk will be purchased unless approved milk utensils are used and hygienic methods are adopted.

The cordial co-operation of exhibitors in this arrangement will be greatly appreciated.
