CATTLE

STEWARDS IN CHIEF:

Beef Cattle: JOHN BOTT, Esq.

Deputy: W. A. ANGLISS, Esq.

Fat Cattle: JOHN BOTT, Esq.

Deputy: J. E. M. COLECHIN, Esq.

Dairy Cattle: K. MCGARVIE, Esq.

Deputy: G. P. H. WILSON, Esq.

The breeding year for Dairy Cattle dates from 1st July in each year.

Cow or Heifer entered as "in milk" can be transferred to the "in calf" class, if she has not calved prior to judging, or vice versa.

Cows or Heifers entered in the "in calf" classes must be stripped out prior to entering the judging ring.

Judges have the right to order any Cow competing for Championships to be milked dry before finally awarding the prizes.

In all Sections feed sheds are available for exhibitors. Charge, 12/6 during the currency of the Show. Feed-mixing bins may be hired for 2/6 each. Exhibitors are not permitted to stack feed in the Cattle Pavilions.

Cows and Heifers in milk entered in all Dual Purpose and Dairy Breeds Sections must be at the grounds on Wednesday, 17th September, and be fully milked out by 4.30 p.m., at which time they will be stripped out in the presence of the Stewards, or whom they may appoint. They will be judged first on Thursday morning. The owner or his representative must be in attendance when females are being stripped out, and the exhibits which are to receive such attention must be in readiness in the stalls allotted to them. All other cattle must be at the grounds before 9 a.m. on Thursday, 18th September.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 12.30 p.m. on Friday, 26th September.

With the exception of Thursday (Show Day) Cattle Pavilions will remain open to the public until 7 p.m. On Show Day they will remain open until 9 p.m. but will close between 5 p.m. and 6 p.m.

Unless authorised by the Society no livestock will be permitted to enter the Grounds other than those entered for exhibition.

Entries of milking stock (Sections 17 to 24 inclusive) will only be accepted subject to the following regulations regarding the disposal of milk.

In order that the Society can comply with the provisions of the Dairy Supervision Act, exhibitors are not permitted to dispose of milk prior to and during the currency of the Show, either by sale or gift, other than to the Society's agent, who is situated at the Milk Room (beside the No. 1 Cattle Pavilion). All milk will be purchased according to butter-fat value, based upon a complete test of the bulked milk, and returns forwarded to exhibitors after the

Show. No milk will be paid for unless approved milk utensils are used and hygienic methods are adopted.

The conditions governing the number of entries permitted will be found at the head of each breed section.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge, when required so to do by the Steward of the Section, shall be liable to a fine of £5.

Parades.—Prize-winning cattle only will be permitted to take part in parades. All prize-winning cattle must be taken out on parade, in accordance with the printed programme. Exhibitors shall be subject to a fine of ten shillings in each case in which this regulation is not complied with, and shall also be liable to forfeit the prize or prizes awarded to their exhibit or exhibits. All cattle parading must wear exhibit numbers. No ribbons will be permitted on exhibits except those won during the Show.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

All male exhibits of Cattle over the age of 12 months shall be rung through the nose and when on parade or going to and from the parade shall be led by such ring.

All females must be provided with effective halters and be thoroughly broken to lead. Exhibitors will be liable to a fine of £2 for every infringement of this regulation.

Each exhibitor is required to see that each of his exhibits is securely tethered in its stall. Every poll bull and every wholly or partially dehorned bull entered in the Beef & Dual Purpose Sections, must be securely tethered by an effective headstall in addition to a nose ring or neck rope.

All bulls exhibited in the Dairy Sections shall be tethered by the nose ring in addition to the headstall or neck rope.

If, in the opinion of the Secretary, exhibits in this Section be deemed to be deformed, the owner or owners of such exhibit or exhibits shall, upon notice to that effect, remove such exhibit or exhibits from the Show Grounds.

Any animal offered for sale may wear, in the sale ring, only those ribbons won in single competition.

Exhibitors are permitted to display cards over the stalls stating that an animal is for private sale; such cards not to exceed 12 in. x 10 in.

A commission of 1 per cent. shall be paid to the Society in respect of all stock sold on the Show Grounds.

CATTLE

Except where otherwise determined by Council, all cattle must be certified Tuberculosis free. Animals from herds listed as accredited or in process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be Tuberculin tested within ninety days prior to opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. At time of entry and until after exhibition, all exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society.

The foregoing clause regarding leases does not apply in the Ayrshire Section. All exhibits in that section must be the bona-fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for all cattle sections must be in the hands of the Secretary, at his office, Royal Show Grounds, Epsom Road, Ascot Vale, W.2, on or before the time stated at head of each cattle section.

The Society's Veterinary Surgeon's decision regarding age shall be final.

All male animals competing in the breeding classes must be completely entire. Any male animal in the breeding classes not deemed to be completely entire by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing in such classes.

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its box, stall, pen or stand, as the case may be, which shall correspond with its number in the official catalogue, and if the box, stall or pen be not occupied by such exhibit by noon on the first day of the Show, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the

yards. Attendant's passes will be issued by the Superintendent at his office on the Show Grounds.

Every animal entered must be exhibited unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All exhibits must be placed where directed by the Secretary or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Secretary being first obtained.

The Owner or Exhibitor of any exhibit or Stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

Exhibits must not be rugged during the hours the Show is open to the public. Exhibitors will be liable to a fine of ten shillings for every infringement of this regulation.

Exhibitors shall, to the satisfaction of the Cattle Superintendent:

- (i) Keep each stall allotted to them and their stock in a clean and proper condition throughout the Show.
- (ii) Clean out their stalls or boxes before 8 a.m. each day.

Failure to comply with this rule shall render the exhibitor liable to a fine not exceeding £5 for each separate offence.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

No advertisement or notice (except by permission of the Council) is permitted on any stall or building.

No bedding other than straw or hay may be used in any box or stall.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

Section 15—
Aberdeen Angus

Judge: R. H. WHITE, Esq.

Stewards: R. W. RITCHIE, Esq.
M. H. MUNCKTON, Esq.
RONALD M. C. LITTLE, Esq.

Entries will be accepted on the understanding that, should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a Special class unless it has been entered in an ordinary class.

The Judge in this Section will be asked not to award prizes to grossly overfat animals.

Cattle entered in this Section must be registered in a recognised Aberdeen Angus Herd Book, or be the progeny of registered parents. For particulars of registration in the Aberdeen Angus Herd Book, apply to the Secretary, The Aberdeen-Angus Society of Australia, O'Brien House, 56 Young Street, Sydney, New South Wales.

Inspectors appointed by the Aberdeen-Angus Society of Australia (Victorian Committee) will examine stock exhibited to ensure that all are tattooed in accordance with Herd Book regulations. Any found not to be correctly and legibly branded will be disqualified.

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in the process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Attendants leading stock in the judging ring or on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section).

Entry Fee, £1/5/-; Members, £1.

Now you can start the Nuffield Universal Tractor, stop it, engage any gear without interruption to the independent P.T.O. or hydraulics operation. And by the same token, you can stop and start the P.T.O. or hydraulics without interfering with the tractor movement in any way! Everything is completely independent—it's almost like two engines in one! Two separately controlled clutches are the secret—one engaging the independent P.T.O. drive and the other the tractor drive. This two-in-one power means you can operate balers, combine harvesters, orchard sprayers, mowers, forage harvesters, rotovators and others with new profit-making ease and efficiency! I.P.T.O. eliminates the need for separate power units on most driven implements. Let us give you the full story on this and all the other great Nuffield Universal features to-day—it can help you tremendously!

Fame of the Friesian bull for prepotency and for improving yields has long been recognised. Depicted here is a typical Friesian sire.

● There are some 230 FRIESIAN studs in Victoria. They can readily supply your needs for bulls.

Remembers also these days the good residual value of cast-for-age FRIESIAN cows and for FRIESIAN steers.

The PRODUCTION which comes in the big yields of milk and butterfat given by

FRIESIANS

is the factor that counts in dairying these days . . .

You can ensure that PRODUCTION by using FRIESIAN bulls.

FRIESIANS have for many years led all breeds easily in Victoria for milk production figures.

SHEEP

With the exception of Thursday (Show Day) Sheep Pavilions will remain open to the public until 7 p.m.

On Show Day they will remain open until 9 p.m. but will close between 5 p.m. and 6 p.m.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 12 noon on Friday, 26th September.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society and must be in the hands of the Secretary, at his office, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before 12 noon, Saturday, 19th July. Entry fee must accompany each entry.

The Society's Veterinary Surgeon's decision regarding age shall be final.

All male animals must be completely entire and deemed physically sound. Any male animal not deemed to be completely entire and physically sound by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing.

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its pen, which shall correspond with its number in the official catalogue. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendant's passes will be issued by the Sheep Superintendent at his office at the Show Grounds after 10 a.m. on Wednesday, 10th September, 1958.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

Every animal entered must be exhibited, unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating

that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

The owner or exhibitor of any exhibit disapproved of as an exhibit by the Council of the Society must, immediately upon notice to that effect, remove such exhibit from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

Exhibits must not be rugged during the hours the Show is open to the public. Exhibitors will be liable to a fine of ten shillings for every infringement of this regulation.

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

No advertisement or notice (except by permission of the Council) is permitted on any stall or building.

The General Regulations and regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

All British Breeds Sheep exhibited (except imported sheep, which must be tattooed in accordance with the regulations of the recognised Flock Book of the country of origin) must be visibly and legibly tattooed with their breeder's registered flock number and the trade mark of the Australian Society of Breeders of British Sheep in accordance with the Rules of that Society.

All Poll Dorset Sheep exhibited must be tattooed with their breeder's registered flock number and the trade mark of the Poll Dorset Association in accordance with the rules of that Association.

A ewe entered as "with a lamb of her own breed at foot" may be transferred to the Class provided for ewe of her age if she has not lambed prior to judging day, or vice versa.

All sheep entered in Sections 26 to 39 (inclusive) must be registered in the exhibitor's name and be the property of exhibitors registered in an approved public Flock Book. Only one exhibitor will be recognised as the owner from any one holding.

Exhibits in the wool are not eligible to be entered in the classes provided for shorn sheep, and if found to be so entered shall be removed from the yards.

Inspectors will examine all registered British Breeds, Poll Dorset, Corriedale and Fat Sheep exhibited prior to judging and discard all not up to standard and those not shorn in accordance with the regulations.

Exhibits of shorn sheep must be closely and evenly shorn on or before 1st September, 1958. No Longwool sheep (except Romney Marsh) entered in a shorn class may have more than one and a half inches of wool on any part of its body at the time of inspection. No Romney Marsh entered in a shorn class may have more than one inch of wool on any part of its body at the time of inspection, and no shortwool sheep may have more than three-quarters of an inch of wool on any part of its body at the time of inspection.

Sheep not shorn in accordance with the above regulations, will be disqualified.

In shorn sheep classes the carcass will be taken into consideration as well as the type.

Sheep need not be entered by name or tag number, and no particulars other than the breeder's name and date of shearing will be published in the Show Catalogue.

Exhibitors must sign a statutory declaration to the effect that no sheep exhibited by them will be affected by foot-rot, or show any signs or symptoms of the disease at time of exhibition.

WATER STORAGE

PRIORITY No. 1
FOR THE MAN ON THE LAND

metters SQUATTERS TANKS

Throughout the years primary producers have found Metters Water Storage Tanks to be the most satisfactory and economical method of conserving water. The tanks are made in a comprehensive range of sizes to meet all needs—from 2 to 30 thousand gallon capacities. They are manufactured in sections for easy packing, despatch and erection according to easy-to-follow instructions. Supplied complete with top and bottom angle steel rings, battens, Seal-Kote and all necessary materials, as required by the specifications for the size ordered. And with or without bottom. Without bottom the tank may be based on water-holding clay or concrete where local conditions permit. Conical tops can also be supplied for protection from birds, vermin, dust, etc.

metters 6-8 GEARING **FOR VERTICAL PUMP** — *Will operate* *Windmill to pump up to 400 gallons an hour*

Used as auxiliary to windmill in periods of no wind or maintenance . . . or as a permanent pumping method. Connection to mill pump rod is made in a few minutes. Gearing is supplied either with 6-inch stroke or 8-inch. Rugged design for lifetime service. Minimum of moving parts; large bearing surfaces. Lubrication by simple oil pump formed by meshing of helical gear and pinion which is integral with drive shaft. Cast iron pumping arms, keyed to rocker shaft give up and down reciprocating motion to the crosshead, while restraining linkage maintains perfect vertical lift for the pump rod. Powered by a 1 h.p. four-cycle petrol motor or 1/2 h.p. electric motor. Full details available on request.

CORRIEDALES

**“THE SOUNDEST SHEEP
YOU CAN RUN”**

Ask the men who breed them!

CORRIEDALES HAVE:

- Unusual vigour and constitution
- The type of wool always in demand
- The carcass that is a “natural” for fat lamb breeding

THERE HAS BEEN A MARKED INCREASE IN USE OF CORRIEDALE RAMS IN VICTORIA OVER THE PAST THREE SEASONS — 45,376 STUD AND REGISTERED FLOCK RAMS BEING USED FOR THE LAST MATING SEASON.

With current wool market and fat lamb trends, CORRIEDALE rams will be in even stronger demand this season.

The reserve champion pen of fat lambs in the 1955 All-Australian fat lamb carcass championship judged at Smithfield in England was bred from Corriedale cross ewes . . . the only time a sire other than South-downs has got into the top award.

Fat lambs bred from Corriedale ewes have gained many successes in various carcass competitions in Victoria, Tasmania and New South Wales.
