FRIESIANS

Section 29 — Friesians

Judge: N. J. SHERRIFF, Esq.

Stewards: J. T. STRACHAN, Esq.

A. C. T. HEWITT, Esq.

T. D. KENNEDY, Esq.

Exhibitors are advised that, in addition to reading the following conditions, they should carefully peruse the conditions of entry and exhibition which precede the first Cattle Section.

Entries are accepted on the understanding that, should they be in excess of the accommodation, exhibitors will be required to reduce their teams to the accommodation available.

Judging will be in catalogue order and will commence at 9 a.m. on the opening day of the Show.

* Denotes Special Class.

A cattle exhibit can only be entered in one ordinary class.

An exhibit cannot be entered in a special class unless it has been entered in an ordinary class.

A combined total of 3 animals — irrespective of sex — is the maximum number any exhibitor may enter in the yearling and 18 months old Classes.

No heifers born after 31st December, 1962, may be exhibited.

No bulls born after 31st December, 1962, may be exhibited.

Entries of milking stock will only be accepted subject to the Special Regulation regarding the disposal of milk (see head of Cattle Section).

Cattle entered in this Section must be registered in the Friesian Herd Book of Australia or in an approved Friesian Herd Book outside the Commonwealth. For particulars of registration in the Friesian Herd Book of Australia, apply to the Secretary, Friesian Cattle Club of Australia, Victorian Branch, 504 Racecourse Road, Flemington, W.1, Victoria. Females recorded in the Appendices to the F.H.B. of A. will not be eligible to compete in this Section.

Cattle entered in this Section will be identified by the photographs appearing on the Certificates of Registration. Exhibitors must bring the Certificates of Registration, with photographs thereon, to the Show Grounds and produce them to the Inspectors. Tattoo numbers will not be accepted for identification. Any cattle for which Certificates of Registration bearing photographs are not produced may be disqualified.

All exhibits will be inspected to ascertain that they are of a satisfactory standard. (See regulation at head of cattle section).

Cows which fail to yield 4 lbs. or more of milk in the 24 hours immediately preceding judging or in a period of 24 hours stipulated by the Society subsequent to judging shall be deemed to be "dry".

All cattle entered in this Section must be certified tuberculosis free. Animals from herds listed as accredited or in the process of accreditation under the Accredited Tubercle-free Herd Scheme conducted by the Department of Agriculture, Victoria, need not be individually tested, but all other cattle exhibited must be tuberculin tested within ninety days prior to the opening date of the Show. Certificates for these individual tests must accompany entry forms.

Any animal entered in this Section which can be shown to the satisfaction of the Society to have received Hormones will be ineligible for a prize.

Attendants leading stock in the judging ring and on parade must wear uniform grey coats, which can be procured from the Society.

All prize-winning cattle must be paraded. (See Regulation at head of Cattle Section.)

All male exhibits of Dairy Cattle, irrespective of age, shall be rung through the nose and at all times shall be led by such ring. If, in the opinion of the Stewards or Society's officials, any bull is considered unsafe, it shall be placed under such control as directed by the Stewards or Society's officials.

The Judge of Friesians will not penalise exhibits if they are dehorned.

THE GIPPSLAND AND NORTHERN CO-OPERATIVE CO. LTD. has donated the sum of £3/3/- towards the prize money in this Section.

N^o 1255. A. BUNN & SON "WATTLE PARK AMBER"

CONDITIONS FOR JUDGING

Each Judge of the abovementioned breeds will be required to nominate two cows, not necessarily the Champion or Reserve Champion, to compete for the trophy and prize.

In addition, each Judge will be required to nominate a third cow purely as a reserve.

Competition is restricted to cows exhibited in the "In Milk" Classes.

Should any breed fail to provide the requisite two cows, it cannot take part in the competition. This, however, would not debar the Judge of that breed from adjudicating to determine the award.

All cows nominated by the judges must be stripped out in the presence of the Stewards at 5 p.m. on the evening before judging.

Judges shall be required to refrain from conferring on the exhibits before or during judging.

All judges of the breeds named will take part in the judging and will allot 3 points for first, 2 for second and 1 for third according to their placings of individual animals.

If considered to be worthy, both nominations of any one breed can be placed first, second or third.

A Steward appointed by the Society will assess the points and the cow gaining the greatest number of points, shall be the winner.

In the event of a tie, an independent referee appointed by the Society shall then decide the winner.

At the conclusion of judging, each Judge's placings will be announced.

PERSONS ELIGIBLE TO RECEIVE PRIZES

SHEEP

CONDITIONS OF EXHIBITION, ETC.

CONDITIONS OF ENTRY

All entries must be made in writing on forms supplied by the Society and must be in the hands of the Director, at his office, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before 4.30 p.m., Monday, 22nd July. Entry fee must accompany each entry.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 11.00 p.m. on Thursday, 26th September.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Throughout the schedule special classes are denoted with a star (*). Should an exhibit be incorrectly entered in more than one ordinary class such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

No exhibit in the pair classes can compete in single classes or vice versa except class 119.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

Every animal entered must be exhibited, unless a certificate signed by the owner is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Sheep need not be entered by name or tag number, and no particulars other than the breeder's name and date of shearing will be published in the Show Catalogue.

No advertisement or notice (except by permission of the Council) is permitted on or in any stall or building.

Only one exhibitor will be recognised as the owner from any one holding.

The General Regulations and regulations appearing at the heading of each Section and the conditions on the entry form also form part of the conditions of entry.

ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its pen, which shall correspond with its number in the official catalogue. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendant's passes will be issued by the Sheep Superintendent at his office at the Show Grounds after 10 a.m. on Wednesday, 11th September, 1963.

EXHIBIT NUMBERS

Exhibit numbers for attachment to each exhibit and numbers to be worn by handlers whilst judging is in progress must be collected by exhibitors from the Sheep Superintendent's office.

EWES IN LAMB

A ewe entered as "with a lamb of her own breed at foot" may be transferred to the Class provided for ewe of her age if she has not lambed prior to judging day, or vice versa.

PERIOD OF EXHIBITION

Sheep in Section 31 to 44 inclusive must be penned before 8.00 a.m. on Saturday, 21st September and may not be removed from the Show Grounds until after 11.00 p.m. on Thursday, 26th September.

Sheep Pavilions will be open to the public from 9.00 a.m. to 5.00 p.m. daily from 21st September to 26th September and between 6.00 p.m. and 8.00 p.m. on Saturday, Tuesday, Wednesday and Thursday.

AGE OF EXHIBITS

The Society's Veterinary Surgeon's decision regarding age shall be final.

OVINE BRUCELLOSIS TEST

Exhibitors of rams at the 1963 Show are required to lodge with the Society prior to the Show (preferably at time of entry) a certificate from a registered Veterinary Surgeon certifying:

- (a) That rams have given a negative result to the complement fixation blood tests for Ovine Brucellosis, carried out within the 90 days preceding 5th September, 1963.
- (b) That rams have been manually examined at the time of blood sampling and found free of any palpable testicular abnormality at this time.

SHEEP

The eartag or tattoo numbers of rams tested and examined must be included in the certificate.

Owners should particularly note:—

- (1) That blood sampling should be carried out early in the prescribed period to avoid congestion and delay in the testing laboratory at the end of the period.
- (2) That a sufficient number of rams should be tested to ensure that all possible exhibits finally forwarded to the Show are included in this number.

If exhibitors produce evidence that their flocks have been accredited free of Ovine Brucellosis a veterinary certificate will not be required.

PHYSICAL SOUNDNESS AND DISAPPROVED EXHIBITS

Exhibitors must sign a statutory declaration to the effect that no sheep exhibited by them are affected by foot-rot, or show any signs or symptoms of the disease at time of exhibition.

All male animals must be completely entire and deemed physically sound. Any male animal not deemed to be completely entire and physically sound by the Society's Veterinary Surgeon may not compete or be offered for sale on the Show Grounds. Any marks of speying on females shall disqualify them from competing.

Exhibitors in the stock sections shall, if requested by the Steward-in-Chief of the Section or by the Director or his agent, submit his exhibits in whole or part, for inspection by a Veterinarian or Veterinarians appointed by the Society.

The owner or exhibitor of any exhibit disapproved of as an exhibit by the Council of the Society must, immediately upon notice to that effect, remove such exhibit from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

RUGGING

Exhibits must not be rugged after judging day during the hours the Show is open to the public. Exhibitors will be liable to a fine of ten shillings for every infringement of this regulation.

CLEANLINESS OF STALLS

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

Any exhibitor or his employee putting manure out of a box, stall, or pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

REGISTRATION

All sheep entered in Section 31 to 44 inclusive must be recorded in the registered flock of the exhibitor.

For particulars of registration in the Flock Book for British Breeds of Sheep in Australia, apply to the Secretary, Australian Society of Breeders of British Sheep, Show Grounds, Epsom Road, Ascot Vale, W.2.

INSPECTION OF EXHIBITS (TATTOOS, ETC.)

Prior to judging, Inspectors will examine all exhibits of registered British Breeds, Poll Dorsets and Corriedales and discard all not up to standard and those not shorn in accordance with the regulations.

All British Breeds of Sheep exhibited (except imported sheep, which must be tattooed in accordance with the regulations of the recognised Flock Book of the country of origin) must be visibly and legibly tattooed with their breeder's registered flock number and the trade mark of the Australian Society of Breeders of British Sheep in accordance with the Rules of that Society.

All Poll Dorset Sheep exhibited must be tattooed with their breeder's registered flock number and the trade mark of the Poll Dorset Association in accordance with the rules of that Association.

All Corriedale Sheep exhibited (except imported sheep, which must be visibly and legibly tattooed in accordance with the regulations of the recognised Flock Book of the country of origin) must be tattooed with their breeder's registered flock number and the trade mark of the Australian Corriedale Association in accordance with the Rules of that Association.

Any found to be not visibly and legibly tattooed will be disqualified.

Disqualified sheep may not be offered for sale on the Show Grounds. Exhibitors of disqualified sheep may remove them from the Show Grounds or leave them in their pens. If sheep are left in the pens a notice carrying the words, "Rejected by Inspectors and not permitted to be offered for sale," must be erected over them.

SHORN AND UNSHORN SHEEP

All sheep in the British Breeds and Poll Dorset Classes (except shorn sheep) over 18 months old must have been fairly and evenly shorn between 1st August and 31st December, 1962. Date of shearing to be given on entry form. Corriedales must be shorn on or after 1st July, 1962.

Exhibits of shorn sheep must be closely and evenly shorn on or before 1st September, 1963. No Longwool sheep (except Romney Marsh) entered in a shorn class may have more than one and a half inches of wool on any part of its body at the time of inspection. No Romney Marsh entered in a shorn class may have more than one inch of wool on any part of its body at the time of inspection, and no shortwool sheep may have more than three-quarters of an inch of wool on any part of its body at the time of inspection.

Sheep not shorn in accordance with the above regulations will be disqualified.

LINCOLNS

Exhibits in the wool are not eligible to be entered in the Classes provided for shorn sheep, and if found to be so entered shall be removed from the yards.

FEED SHEDS, BEDDING AND FODDER ARRANGEMENTS

Several feed sheds are available for exhibitors in the Sheep Sections. On application to the Director, sheds will be reserved. Charge: 25/- during currency of Show. Several large feed sheds are also available, and may be reserved on payment of £2/10/- each.

No bedding other than straw or hay (except grass hay) may be used in any pens.

For the convenience of exhibitors, fodder merchants will attend the Show Grounds for the purpose of accepting orders for stock foods, etc., delivery of which must be made before 9.00 a.m. each day during the Show.

JUDGING

Judging of all Registered Sheep except Dorset Horn ewes will commence at 9 a.m. on Monday, 23rd September.

The judging of Dorset Horn ewes will commence on Monday, 23rd September, after the completion of the ram judging and continued on Tuesday, 24th September, if necessary.

Judges may, if they so desire, commence the judging on the sheep under 1½ years old.

Any exhibitor who shall, without due cause, fail to parade any animal before the Judge when required to do so by the Steward of the Section shall be liable to a fine of £3.

THE ROYAL AGRICULTURAL SOCIETY OF VICTORIA

Royal Show Grounds, Epsom Road Ascot Vale W. 2

Fleece Championships

30th August, 1963.

Dear Exhibitor,

Please find attached the results of the Victorian Fleece Competition which was judged on the 29th and 30th of August, 1963.

The Council of the Royal Agricultural Society is delighted with the excellent support given by Wool Growers and Selling Brokers. The Victorian Fleece Competition, The Australasian Lambs' Wool Championship and the Victorian District Fleece Championship was made possible through the generous sponsorship of the Commercial Bank of Australia Ltd.

At this year's 1963 Royal Show the Society will display the grand record exhibit of 514 entries in the Centenary Hall, showing points gained at judging, in a special new wool display.

Without doubt, this year the overall standard of fleeces will be the best ever displayed at a Royal Melbourne Show, Credit must go to the producers as it is obvious that they are mindful that production of top quality wools is a must if we are to keep up the battle for retail markets.

May I congratulate you on the excellence of your entry and thank you on behalf of the Council for your support.

Yours faithfully,

T. B. HARMSWORTH
Wool Supervisor:

CONDITIONS OF ENTRY

Entries will be accepted on the understanding that should they be in excess of the accommodation, the number of exhibits will be reduced accordingly.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor or held by the exhibitor under a written lease recognised by the Society at the time of entry.

All goats entered in this Section must be registered in a herd book recognised by the Society or recorded in the appendix sections.

For particulars of registration in the Goat Herd Book of Australia, apply to the Secretary, The Goat Breeders' Society of Australia, 33 Macquarie Place, Sydney, N.S.W.

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until 11 p.m. on Thursday, 26th September.

Only one exhibitor will be recognised as an owner from any one holding, and any exhibitor who enters, or permits the entry of any of his stock, in the name of any other exhibitor, shall be disqualified.

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the goat section must be in the hands of the Secretary, at his office, Royal Show Ground, Epsom Road, Ascot Vale, W.2, on or before the time stated at head of this section.

No exhibit may be entered in more than one ordinary class unless otherwise stated at the head of the section. Sweepstakes, special classes or championship prizes do not count as ordinary classes. Throughout the schedule special classes are indicated by a star (*). Should an exhibit be incorrectly entered in more than one ordinary class, such exhibit shall be deemed ineligible to compete in any class other than the first in which its name or particulars appear in the Show Catalogue.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

(i) The animal has died.

(ii) The animal is unfit for exhibition due to injury or disease.

(iii) The animal has become ineligible for the class entered.

(iv) Some other cause which the Council or Secretary of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

All exhibits must be placed where directed by the Secretary or his deputy, and (except in accordance with Regulation 18) must not be removed from their allotted places during the Exhibition without the written consent of the Secretary being first obtained.

If, in the opinion of the Secretary, any exhibit or exhibits of stock be deemed to be dangerous, the owner of such exhibit or exhibits shall immediately, upon notice to that effect, remove such exhibit or exhibits from the Society's Grounds.

Unless authorised by the Society no live stock will be permitted to enter the grounds other than those entered for exhibition.

The General Regulations and Regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

DISAPPROVED EXHIBITS

The Owner or Exhibitor of any exhibit or Stand of exhibits disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that effect, remove such exhibit or stand of exhibits from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

Any marks of speying on females shall disqualify them from competing in such Classes.

PIGS

Steward-in-Chief: J. M. GARDINER, Esq.

CONDITIONS OF ENTRY AND EXHIBITION

Entries are accepted on the distinct understanding that stock may not be removed from the Show Grounds until after 11 p.m. on Saturday, 28th September. Pigs entered in Sections 50 to 55 must be penned not later than 12 noon on Wednesday, 18th September.

Entries will only be received subject to the rules and regulations of the Society and the decisions of the Council. All exhibits must be the bona fide property of the exhibitor.

No exhibit may be entered in more than one ordinary class. Throughout the schedule special classes are denoted with a star (*).

The Council reserves the right to reject at any time any entry or prohibit any person or animal from competing in any class.

When a Special Prize is not in a numbered class, a separate entry is not required. No entry can be changed after entries close.

All entries must be made in writing on forms supplied by the Society. Entries for the Pig Sections must be in the hands of the Director, at his office, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before Monday, 22nd July. Entry fee must accompany each entry.

Every animal entered must be exhibited unless a certificate, signed by the owner, is lodged with the Society prior to the date of the Show, stating that the animal is unable to compete on one of the following grounds:—

- (i) The animal has died.
- (ii) The animal is unfit for exhibition due to injury or disease.
- (iii) The animal has become ineligible for the class entered.
- (iv) Some other cause which the Council or Director of the Society considers reasonable.

Failure to comply with this rule renders the owner or entrant liable to a fine of not more than £5 for every animal not exhibited, and in addition the Council may debar the owner or exhibitor from taking part in any further exhibition conducted by the Society.

Unless authorised by the Society no live stock will be permitted to enter the Grounds other than those entered for exhibition.

All sows 9 months old or over must be in pig or have produced a recorded litter within 9 months prior to 15th September, 1963. The date of birth of such recorded litter must be stated on the entry form.

All boars over 12 months old must have had their tusks cut back to gum level one week prior to the Show, and the Superintendent is empowered

to remove from the Show Grounds any boar whose tusks have not been cut.

Entries are limited to two in each class from any one exhibitor, in whose name the exhibits must be registered in the Herd Book.

Any boar, entered in the breeding classes, not deemed to be completely entire by the Society's Veterinary Surgeons may not compete or be offered for sale on the Show Grounds.

No pig shall be transferred from its numbered pen without the sanction of the Superintendent.

All pigs entered in the stud classes will be paint branded with exhibit numbers.

Exhibitors in the Stud Sections must be financial members of the Australian Pig Society. All pigs entered for exhibition, except in the Carcase Competitions, must be from herds accredited as Brucellosis-free by the Department of Agriculture.

The General Regulations and regulations appearing at the heading of each section and the conditions on the entry form also form part of the conditions of entry.

PAVILIONS — HOURS OPEN TO PUBLIC

With the exception of both Saturdays and Thursday (Show Day) the Pavilion will remain open to the public until 7 p.m. On the both Saturdays and Show Day the Pavilion will remain open until 9 p.m. but will close between 5 p.m and 6 p.m.

JUDGING

Judging of stud classes will commence at 9 a.m. on Thursday, 19th September.

ENTRY TICKETS

Entry tickets will be issued about a week before the Show opens. The entry ticket of each exhibit shall state the number of its pen, which shall correspond with its number in the official catalogue, and if the pen be not occupied by such exhibit by 12 noon on Wednesday, 18th September, the accommodation reverts to the Society. The entry ticket must be produced at the gate, when it will admit the exhibit and attendant to the grounds. It must be retained, and again produced when the exhibit leaves the yards. Attendants' passes will be issued by the Superintendent at his office on the Show Grounds.

DISAPPROVED EXHIBITS

The Owner or Exhibitor of any exhibit disapproved of as an exhibit by the Council of the Society, must, immediately upon notice to that

PIGS

effect, remove such exhibit from the Society's Grounds. The Council reserves the right to decline to receive entries in future years from any person who exhibits stock that is not up to a satisfactory standard, that is not exhibited in reasonable Show condition, or that is not given proper attention during the Show.

INSPECTION — SHOW STANDARD AND HEALTH

All pigs will be inspected by a nominee of the Royal Agricultural Society of Victoria and a Veterinary Surgeon, and any pig not up to Show standard or in a fit state of health or not conforming with the Rules of the Royal Agricultural Society of Victoria and the Australian Pig Society will be rejected.

CLEANLINESS OF STALLS

Exhibitors must keep the stalls allotted to their animals clean and give proper attention to their stock right throughout the Show.

Any exhibitor or his employee putting manure out of a pen, or putting out a trough, or cleaning out an alley way after 8 a.m. on a Show day shall be liable to a fine of ten shillings.

FEED SHEDS, FODDER ARRANGEMENTS AND BEDDING

Several feed sheds are available for exhibitors in the Pig Section. On application to the Director, sheds will be reserved. Charge, £2/10/- each, during the currency of the Show.

No bedding other than straw may be used in any box or stall.

For the convenience of exhibitors fodder merchants will visit the Show Grounds for the purpose of accepting orders for stock foods, etc., delivery of which must be made before 9 a.m. each day during the Show.

With the exception of Sow and Litter Classes exhibitors are permitted to display cards over the pens stating that an animal is for sale; such cards not to exceed 12 in. x 10 in. and must not be put up until after 12 noon on Wednesday, 18th September. Cards may be placed on Sow and Litter pens after completion of judging. No other advertisements or notices (except by permission of the Council) are permitted on or in any pens or buildings.

surgeon's decision shall be final on all matters regarding age. Exhibitors may be disqualified and debarred from further competition for any breach of regulations regarding the age of exhibits.

In the classes for sows with litters, the sire of the litter must also be registered, and the litter must have been duly recorded.

**CONDITIONS
Classes 66 and 67.**

1. The competition is open to all pig farmers and not limited to breeders of stud pigs only.
2. Entries will be accepted only from owners of the pigs entered, who must also be their breeders, that is, the owners of the sows when their progeny (the entered pigs) were born.
3. Pigs entered must have been sired by a pure-bred boar (not necessarily registered) but need not necessarily have had a pure-bred dam.
4. No restrictions are placed on feeding or management but these must be declared on request by the Royal Agricultural Society of Victoria.
5. An entry shall comprise one pig (one sow or one barrow).
6. No exhibitor may make more than two entries in each class.
7. The entered pigs shall be delivered to Messrs. J. C. Hutton Pty. Ltd., 65 High St., Preston, at any time on Monday, 2nd and Tuesday, 3rd September, and Monday, 9th, and Tuesday, 10th September, 1963. The company will kill and treat the pigs as soon as practicable after arrival and will store the carcasses until they are judged and the prizes

awarded. The pigs will become the property of Messrs. J. C. Hutton Pty. Ltd. at the time they are slaughtered and that company will pay competitors for their pigs at current market values.

8. The carcase of each pig entered will be submitted to the usual inspection for export by the Commonwealth Meat Inspectors at the time of slaughter and any carcase which is not passed as fit for export by those inspectors shall be automatically disqualified from the competition. The Judge shall have the power to disqualify any carcase which, in his opinion, is unsuited for the market by virtue of seedy cut, excessively soft fat, yellow fat, or other serious blemish.
9. The Judge will be appointed by the Royal Agricultural Society of Victoria and his decision regarding awards shall be final.
10. The weight of the dressed carcase must be not less than 70 lb. and not more than 100 lb. in the Pork Class and not less than 120 lb. and not more than 160 lb. in the Bacon Class.
11. The carcase will be judged by appraisal.
12. A score card signed by the Judge and giving his detailed awards for each feature of each carcase will be made available to the owner of each pig whose carcase is judged.
13. An endeavour will be made to display the best of the carcasses in the refrigerated case in the Centenary Hall.
14. No entry will be entitled to a Cash Prize if it secures less than 50 points out of the total 100 points allotted for carcase appraisal.
15. All entries must be made in writing on forms supplied by the Society and must be in the hands of the Director at his office, Show Grounds, Epsom Road, Ascot Vale, W.2, on or before Monday, 19th August. Entry fee must accompany each entry.
16. Each competitor shall tattoo or earmark his pigs with the exhibit entry number in addition to hair-clip marking and such identification marks shall be clearly shown on the entry form and notification made to Messrs. J. C. Hutton Pty. Ltd. when forwarding advice of despatch. The Council shall reserve the right to refuse to accept any entry which is not clearly identifiable.
17. It is desired that advice be given by each competitor, not less than 7 days before delivery, to Messrs. J. C. Hutton Pty. Ltd., 65 High St., Preston, of the time and method by which his pigs are to be delivered to the Works.

SPECIAL NOTE.—Exhibitors please note that birds MUST be penned before 9 p.m. on Wednesday, 18th September.

In order to avoid disappointments, exhibitors are advised to despatch their birds so that they will arrive as early as possible on that day.

Poultry arriving at Spencer Street Railway Station on Wednesday, 18th September, will be picked up and conveyed to the Show Grounds by the Society's carrier.

When forwarding poultry by rail, exhibitors are particularly requested to mark clearly in each compartment of the coop the exhibit number of the bird that was sent therein, so that the same arrangement of birds may be made for the return journey.

Metal leg bands bearing the pen numbers will be forwarded to exhibitors, together with entry tickets. These bands must be securely fastened to the legs of the birds in accordance with the exhibit numbers on the entry tickets.

Labels and despatch slips will be sent for each pen, when the exhibitor is not a resident of Melbourne or suburbs. On the reverse side of the labels exhibitors will be required to write their names, addresses and instructions for the return journey. Country and interstate exhibitors must inform the Director, by post or telegram, of the despatch of their exhibits, giving full particulars, in order that arrangements may be made for receiving them. Several birds may be sent in one hamper or box if it be properly divided and pen numbers attached to each division. When the exhibitor resides in or near Melbourne, "Entry Tickets" and metal leg bands only will be sent, the corresponding numbers being affixed to the exhibition pens by the Society. Labels and despatch slips, if required, will be supplied on application.
