NEXT TIME YOU FLY WITH JAPAN AIR LINES WE'LL TELL YOU WHERE TO GET OFF

(With Tokyo Stopovers that start at \$32*.)

We like to give our passengers a break. In Japan. It's a nice place to stopover for a day. A couple of days, or a week.

And it's even nicer when it doesn't cost the earth.

So if you're flying from Sydney to New York or Europe^{**}, go the interesting way and stopover in Tokyo. From as little as \$32.

Call your travel agent for a copy of our Tokyo stopover brochure.

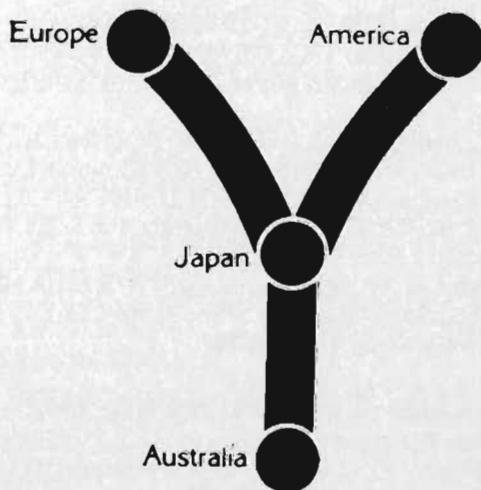

As for getting to Tokyo, Japan Air Lines non-stop wide body DC8's leave Sydney at 10.15 p.m. every Tuesday, Thursday and Saturday and arrive in Tokyo early next morning.

With connecting daily flights to Europe and New York.

For further information call your travel agent, TAA or Japan Air Lines.

JAPAN AIR LINES
We never forget how important you are.

Simply check with Air New Zealand or your travel agent for all the details. You'll be set for one of the greatest sporting tours ever.

And for a Group Fare get a party of forty or more together (including wives, girlfriends, supporters and drinks waiter) for even further reductions. Simply check with Air New Zealand or your travel agent for all the details. You'll be set for one of the greatest sporting tours ever.

Good beers don't just happen!

The brewing of good beers requires many things.

The best of ingredients, the most advanced equipment, and a highly-trained technical and scientific staff are just some of the requirements.

Carlton & United has all these things. And more. Victorians have developed their taste for Carlton beers over more than 100 years.

A taste for "good beers that don't just happen".

CARLTON & UNITED BREWERIES LIMITED

Carlton Draught, Foster's Lager, Victoria Bitter, Melbourne Bitter, Abbots Lager, Carlton Pilsener, Carlton Crown Lager, Carlton Dietale, Carlton Malt Ale.

The Trotting Control Board has donated \$1,760 towards the prize money in these racing events.

To be held under the Rules of the Trotting Control Board as applying to Agricultural Shows.

Nominations close with the Secretary, Trotting Control Board, PO Box 529E, GPO Melbourne, 3001 or 1 Queens Road, Melbourne, 3004, at 4 p.m. on 23rd August.

TO BE ELIGIBLE TO NOMINATE, HORSES MUST HAVE BEEN PLACED IN A RACE AT A ROYAL SHOW (FINAL) OR PLACED IN A RACE AT A REGISTERED MEETING (THREE YEAR OLD RACES EXCEPTED).

ACCEPTANCES WILL BE DECLARED AT THE OFFICE OF THE TROTTING CONTROL BOARD IN THE MEMBERS GRANDSTAND, ON THE ROYAL SHOW GROUNDS, ASCOT VALE, 3032, on the day on which the race is to be held. Acceptance times will be one hour before each race, at which times acceptance fees must be paid and drivers nominated for all accepted horses. The owners of horses not scratched by then shall be liable for acceptance fees. All competing horses must be on the grounds at the time of acceptance.

SCRATCHINGS SHOULD NOT BE NOTIFIED TO THE SOCIETY, BUT TO THE TROTTING CONTROL BOARD AT 1 QUEENS ROAD, MELBOURNE, 3004, TELEPHONE 267 1611.

Nominations will be confined to horses registered with and approved by the Trotting Control Board, 1 Queens Road, Melbourne, 3004.

ALL RACES ARE FRAMED ACCORDING TO THE FRONTS ADOPTED UNDER THE UNIFORM HANDICAPPING REGULATIONS.

WINS AT THIS SHOW WILL CARRY PENALTIES ONLY AT AGRICULTURAL SHOWS.

A horse may be nominated for a race of which the front is faster than its assessment at the time nominations close, but should such horse win, it shall incur a penalty from the front of the race won and not from the horse's assessment prior to such win.

Trotters may compete against pacers in all races unless otherwise stated.

The Society reserves the right to run any race or races in divisions in accordance with Rules of Trotting 144 and 145, provided that in observance of the law, not more than 3 races may be run in the daytime nor more than 3 races in the night-time, including divisions of races in both cases. Where any race is run in divisions, the stake money for each division will be at least 50% of that stated in the programme and payable to the placegetters in the same proportions irrespective of the number of divisions run, provided that in no case shall the stake for the winner of a division be less than \$100.

Races may be started from behind the mobile barrier at the discretion of the Stewards.

All trainers nominating, and drivers competing, must hold current licences or permits issued by the Trotting Control Board.

The registered colours of the trainer or the owner (or, if the horse is leased, then the registered colours of the trainer or lessee) must be stated on the nomination form, and be worn by the driver.

All drivers injured whilst participating in registered trotting races may be granted financial assistance from the Trotting Control Board's Driver's Accident Scheme.

Exercise on the track will be permitted daily during the Show, between 6 a.m. and 8 a.m. only.

Stallions or mares entered in the trotting races are also eligible to be entered to compete for the Championship awards in the "breeding" classes and if so entered, must be in attendance when judging in Section 4 takes place.

The Society reserves the right to alter the conditions of any race, or to delete any race from the programmes, if the acceptors are considered to be lacking in number or quality, or for any other reason.

Exhibiting at the Show?
FOR PEACE of MIND

... RELAX AND ENJOY THE PROTECTION OF ...

WORMALD INTERNATIONAL SECURITY

Night time pilferage of small equipment and wanton damage to expensive machinery threatens every exhibitor at the Royal Agricultural Show. Don't take chances this year. Peace-of-mind costs so very little when you employ Wormald International Security.

At every Show since 1946 our Company has been employed by commercial and industrial exhibitors to watch over goods and machinery worth hundreds of thousands of dollars. A large staff of watchmen and patrolmen operating on a tight schedule with carefully planned overlapping rounds are on duty every night during the Show and are available to provide on-the-spot surveillance and reliable protection of your property. Wormald also have a wide range of alarms, safes and bolts to fulfill most requirements. The economies affected by such a large-scale operation permit every exhibitor or stand holder to enjoy night time protection for the most nominal cost. Why not contact our "Show Manager", Mr. Keith Kneen, by telephoning:-
