Merriwa Primary School - Request for access to third party services
2023

Dear Parents and Caregivers,

We are informing you that your child will be given access to multiple third party services that would facilitate and support their learning in the classroom. The services are not department managed as they have been provided by third party vendors. Each of the third party services we use have been assessed and approved for use in WA public schools by the Department of Education.

To implement them we need to provide some personal information about your child and we are seeking to gain your consent to do so. The information provided to third parties varies between the different providers, the information provided have been listed below each individual service for your convenience.

When providing consent, it is important that you are aware of what type of information we will be providing, how it will be used, and where it will be stored. If you do not provide consent, your child will not have access to the third party applications.

Please note that, given the significant education benefits that these services provide, the school will contact you to discuss your reasons should you not consent or fail to provide a response.

...

Third Party Services Notification

Please note that no parent action is required for these applications. The school is required to inform you of the use of these services, but you are not required to consent.
If you have any concerns about these services, please contact the school directly.

Name of Service: Passtab

Data Location: Onshore (Inside Australia)

Purpose: A customisable visitor management system that controls school sign-in and sign-out of parents, visitors, staff, and students.

Information Disclosed:
