Spare parts for passenger cars

DRIVER'S BEST FRIEND

**MEYLE**

## Sophisticated technology - considerably longer service life.

The MEYLE range of products features a wide variety of components. Spare parts from A to Z, from Alfa Romeo to Volvo, from minicars to top-of-the-range luxury models.

### Steering & suspension

Control arms, Stabilizer links, Tie rod assemblies, and many more

### Brakes

Brake discs, MEYLE PD, Brake pad sets, Brake drums, and many more

### Drive components

C.V. joint kits, Wheel bearings, Belt drives, and many more

### Damping parts

Shock absorbers, Strut mounts, Coil springs, and many more

### Filters

Oil filters, Air filters, Cabin air filters, Fuel filters, and many more

### Cooling components

Water pumps, Expansion tanks, Radiator hoses, and many more

### Rubber-to-metal parts

Flex discs, Cardan shaft bearings, Engine mounts, and many more

### Electrics and sensors

Crank position sensor, Control units, Glow plugs, and many more

### Engine and transmission parts

Oil change kits, V-ribbed belts, Idlers/guide pulleys, and many more

### Fluids

Coolant additives, Hydraulic oil, Engine oil, and many more

### Complementary product range

Wiper blades, Gas springs, Window lifters, and many more

# ORIGINAL, PD and HD – The MEYLE product lines

## **MEYLE-ORIGINAL: Fit as snugly as the original.**

More than 21,000 spare parts for passenger cars, vans and trucks, quality-tested, robust, durable and tried and tested a thousand times over on the roads across the world – that's MEYLE-ORIGINAL. Relying on our comprehensive product portfolio – offering everything from A for axial joint to Z for zinc-coated screw – customers can be sure that they will always have safety on their side.

## **MEYLE-PD: Safety to the power of two.**

Thinking outside the box to make our products better: MEYLE-PD stands for brake discs and pads delivering maximum braking performance and setting new standards in terms of durability, comfort, aesthetics, and ease of installation. Look for the „/PD“ part number extension.

## **MEYLE-HD: Better than originals.**

MEYLE-HD parts simply last longer. Their technically optimised and reinforced designs make them more durable and reliable than OE components. So it is only natural for us to offer extended warranty protection for our MEYLE-HD parts: All parts of the HD range come with a full four-year guarantee. Look for the „/HD“ part number extension.

**4-year guarantee on all MEYLE-HD parts!**

Robust, high mileage, reliable and better than the original. MEYLE-HD parts simply last longer!

## Our three success factors.

### **The success of the MEYLE brand is based on competence, quality and service.**

The development of quality-approved automotive spare parts for the independent aftermarket is our trademark. And MEYLE-HD parts are our specialty: improved parts, developed by our team of engineers at our headquarters in Hamburg. We give a 4-year guarantee on our MEYLE-HD parts which have a far longer service life. Based on information from TÜV (Technical control board), from recall statistics as well as media and market information from workshops and other technical partners, MEYLE engineers identify parts in vehicles which become conspicuous on account of frequent, early wear. On the basis of their findings, they develop technical improvements for the respective weakness. In the end, this work is a

large benefit for all MEYLE parts. Something all reputable automotive manufacturers highly appreciate: MEYLE also develops customized products, for example for Morgan, the legendary sports car manufacturer.

Passing on our know-how to staff and customers is just as much a part of our service as high parts availability and swift delivery. Modern warehouse logistics with space covering 29,000 m<sup>2</sup> and 56,000 pallet places ensure the reliable supply of our partners.

We have now won the "Top Job Employer" award for the fifth time which confirms our outstanding internal business approach and excellent Human Resources policy. We have been one of Germany's leading SME employers for many years.

# MEYLE

## Guarantee certificate

A distinguishing feature of MEYLE is our high level of precision, achieved by the application of the most modern manufacturing methods. Our MEYLE articles meet highest quality standards and our supply plants are certified in accordance with ISO 9001:2008 and ISO/TS 16949.

We guarantee perfect material and faultless processing of all our MEYLE articles for a period of 24 months as of the date of installation. For MEYLE-HD articles, this guarantee applies for 48 months as of the date of installation.

Complementing this guarantee, we give an additional 100,000 miles (160,934 kilometres) performance guarantee against defects of material and workmanship for MEYLE passenger car water pumps purchased from 01 May 2016. The guarantee given for MEYLE passenger car water pumps terminates upon expiration of the guarantee period or the guaranteed mileage, whichever occurs later: if the guaranteed mileage has not been reached at the end of the guarantee period of 24 or 48 months respectively, the performance guarantee continues to be valid. Respectively, the guarantee period of 24 or 48 months continues to be valid also in any case where the guaranteed mileage was already exceeded.

During the guarantee period, we perform repair work on claimed MEYLE articles or provide a replacement. The MEYLE guarantee does not apply for normal wear and damage caused by inappropriate handling or inappropriate installation. The guarantee expires if the respective part is modified by third parties or via installation of parts from third parties, or if the part, or vehicle, is used in excess of the appropriate use and purpose. The MEYLE guarantee also expires if MEYLE instructions or vehicle manufacturer instructions, e.g. concerning maintenance and replacement intervals, are not observed. The guarantee only applies for MEYLE water pumps, if the cooling circuit has been flushed prior to installation of the MEYLE water pump. Rights granted by law continue to apply unrestrictedly, irrespective of this guarantee.

The customer must submit a written guarantee claim immediately, or at the latest 30 days after identifying an error in material or processing. This claim is to be submitted to the dealer from which he acquired the MEYLE article part. The customer should return the article, carefully packed. He must enclose the original sales receipt and a description of the error. The customer must also verify the date of installation and the mileage of the vehicle by means of respective documents.

Last amended January 2017

# MEYLE

**You see the pretty  
curves, underneath  
is what counts.**

**The MEYLE brand supplies its customers with more than 21,000 extremely reliable and durable spare parts manufactured at our own production facilities or by trusted production partners. MEYLE boasts a highly diversified product range.**

Whether steering and suspension components, rubber-to-metal parts, brakes, damping components, cooling systems, filters, drive components, electric and sensors MEYLE is synonymous with top-grade quality-tested spare parts.
