LETTER FROM
MERCY'S PRESIDENT

Dear Mercy Family,

We felt joy and excitement as we returned to campus and saw the many renovations made possible by our generous donors.

- Phase 1 of the Gym Locker Room was completed with new lockers, tile, lighting and more (page 23).
- Phase 1 of the Art Room renovation included air conditioning, new plumbing, cabinetry, ceiling, and LED lighting (page 23).
- The Mercy Athletic Hall of Fame was unveiled at the President's Reception and our Inaugural Class honored (pages 6-7).
- Five more classrooms received new windows, lights and air conditioning.

We are proud of our staff and students who continue to shine.

- The Golf Team won the State Championship, broke a school record and received academic honors (page 14).
- Mercy High School was once again named an Apple Distinguished School for our integration of technology into daily school life (page 13).
- Performing Arts was selected as the only school in Michigan to win exclusive rights to produce "Disney's Frozen: The Broadway Musical" as part of "The United States of Frozen: Love Is an Open Door" nationwide competition (page 17).
- Together we made a difference for local organizations during our annual service day (page 8).

As our first semester comes to a close, I reflect on how much we have to celebrate in our beloved Mercy community! We opened the school year with a staff spiritual retreat and all-school Mass. Seniors received their medallions and were bestowed a special blessing while wearing caps and gowns for the first time. Our hearts were filled with God's love and I could not help but think of the words of the Venerable Catherine McAuley who founded the Sisters of Mercy:

"Our center is God from whom all our actions spring."

Our work of educating young women is most important in today's national and international climate. We need Mercy graduates today more than ever, as they live our faith, vision and values. On behalf of the entire faculty and staff, we are incredibly grateful as you support our Mercy Mission with your prayers, time, talent and treasure.

In Mercy,

God Bless the 172 young Mercy women in the Class of 2022!

God Bless Our Youth Mercy Associates

On December 8, 2022, the Feast of the Immaculate Conception of the Blessed Virgin Mary, we celebrated Mass and the commitment ceremony of our Youth Mercy Associates.

The Youth Mercy Associate Chapters provide a link between young people, the Mercy Congregation and the Sisters of Mercy. The Mercy High School Farmington Hills Charter Chapter was established in 2012. The Youth Mercy Associates wish to follow in the footsteps of Jesus:

- by upholding Catherine McAuley's vision of faith, joy and mercy.
- by doing service, praying, reflecting and sharing together.
- by letting God's light shine through the sharing of their/our gifts and talents with others.
- working with the adult Mercy Associates and Sisters in addressing the Critical Concerns.

FOCUS: HOPE FOOD DRIVE

One of the ways that Mercy High School expresses gratitude is by giving back to the community during our annual Focus: HOPE Food Drive. For over 30 years, we have been an important partner to Focus: HOPE in their efforts to provide food and donations to Metro Detroit senior citizens in need during the holiday season.

Thank you Mrs. Kowalski!

Mercy math teacher, Vicky Kowalski, officially retired last school year and was honored by the AOD Catholic League for 44 years of service in Catholic education. We are happy she continues to coach bowling and golf. Mrs. Kowalski is encouraging, warm and welcoming, adding humor and a great deal of compassion and care to the support of each student. Many students first met Mrs. Kowalski during their incoming summer as she hosted a summer math program to help students believe in their skills as they prepare for a Mercy education. Mrs. Kowalski has been at every April KAIROS, is a beloved 2018 Heart of Mercy Award recipient and has been a strong leader and mentor within the math department. She is an avid Marlin fan often found in the stands cheering on the team. She has even been a pioneer in developing women's sports here at Mercy, having founded both our golf and bowling teams.

"Mrs. Kowalski is dedicated to her students and their education. She challenges everyone to reach their full potential and always makes us feel welcome. She is eager to offer support when needed, and makes us laugh everyday."

Apple Distinguished School for 2022-2025

**Educational
Courage**

Mercy is pleased to be recognized as an Apple Distinguished School for 2022-2025 for our innovative use of technology in service of our Mercy mission and core values.

Apple Distinguished Schools are centers of innovation, leadership, and educational excellence. They use Apple technology to inspire creativity, collaboration and critical thinking in learning, teaching and the school environment, and have documented results of academic accomplishment.

“A core value of a Mercy education is Educational Courage. Recognition as an Apple Distinguished school underscores that our students demonstrate this value through critical thinking experiences and their curious pursuit of better understanding their world through reflection and reasoning.”
– Patricia Sattler, Principal

The selection of Mercy High School as an Apple Distinguished School highlights our success as an innovator and a compelling learning environment that engages students, and provides tangible evidence of academic achievement. Mercy has been an Apple Distinguished School since 2013.

Mercy has a robust 1-to-1 student iPad program, 3 iMac Labs and offers coding and AP Computer Science courses. Mercy teachers are Apple Teacher certified and each one is supplied with iPad and MacBook. Classrooms are equipped with Apple TV and most teachers utilize Apple Classroom.

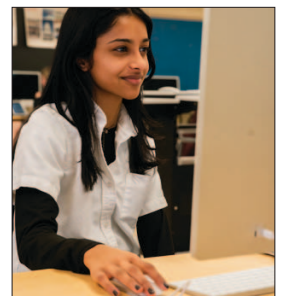

Teachers use interactive apps that allow students to demonstrate their learning in various ways and require projects which are enhanced and transformed by digital art and media.

“We constantly look for meaningful and thoughtful ways to integrate technology across grade and subject areas, with the ultimate goal of preparing our students for future success.” - Christopher Janusch, Technology Integration Specialist & Apple School Manager

All students take Mercy’s active learning iExplore course which centers around projects that employ engineering principles. iExplore introduces students to coding with Swift Playgrounds and STEM experiences while delivering instruction through student-centered activities that focus on problem-solving and collaboration.

Mercy’s technology vision and goals are to cultivate and support active and collaborative learning, nurture creativity, enhance STEM curriculum, assist students in becoming adept communicators through multimedia rich tools, cultivate critical thinking, and develop responsible digital habits in line with our Mercy Values.

“It is exciting to have our commitment to evolving technology recognized in this way. At Mercy, we are proud our young women have the opportunity to be technology leaders in a collaborative learning community with dedicated educators.”
– Dr. Cheryl Delaney Kreger '66, President

Distinguished Alumna Award

This year during Tea for Tuition, the Mercy High School Alumnae Association awarded two Distinguished Alumnae awards to well accomplished alumnae who exhibited the Mercy values of Human Dignity, Option for the Poor, Justice, Service and Mercy. The awards were given posthumously to Marisa Petrella '77† and Chris-Tia Donaldson '96†.

Marisa Petrella '77†

"Marisa possessed a strong sense of service, a generous spirit, and completed a considerable amount of pro bono work throughout her career. In 2020, Marisa was honored by the Italian government as the recipient of an award recognizing her exceptional legal work for the Italian Consulate in Detroit. She was given the highest honor possible for a non-Italian citizen: Cavaliere dell'Ordine della Stella d'Italia (Knight of the Order of the Italian Star). She was inspired by Faith, she was a voice for Dignity and Respect. Marisa was a Principled Leader with Educational Courage. She was always compelled by Mercy.

Accepting on Marisa's behalf were her sister **Dr. Patricia Petrella Nouhan '81** and Marisa's daughter, **Cristina Petrella '13**.

Chris-Tia Donaldson '96†

"She used her success in the beauty space to advocate for women experiencing financial difficulties, who are undergoing treatment, to highlight health disparities due to race and socio-economic factors, and to empower women to listen to their bodies through the *tgin Foundation*. Chris-Tia embodied the value of Principled Leadership and led with her unique gift and was confident in our ability to make a positive difference as well as continuously push for systemic change."

Accepting on Chris-Tia's behalf were her sister Piper Farrell, niece Aris Singleton and father, Clinton Donaldson.

Trailblazer Alumna Award Recipient Lyndsey Archer '15

Lyndsey Archer '15

The Alumnae Association was proud to present Lyndsay Archer '15 with the 2023 Trailblazer Alumna Award. This award honors a young alumna (2001-2017) who is making a difference early in her career. Lyndsay's educational and literacy initiatives in Metro Detroit create opportunities to develop important life skills. These initiatives promote Human Dignity because literacy is essential to developing a strong sense of self, well-being, and citizenship.

"Lyndsay has opened literacy and educational opportunities that did not previously exist for the youth in underserved and marginalized communities locally and globally. This is the very definition of a trailblazer." Valerie Colbert-Osamuede '80

Hannah Blakey '18

In December 2021, Hannah Blakey '18 was selected as a 2022 Rhodes Scholar. This highly selective

and prestigious scholarship is given annually to 32 candidates out of an estimated 2,300 submissions. Rhodes Scholarships provide all expenses for two or three years of study at the University of Oxford.

Hannah graduated in May 2022 from the United States Military Academy at West Point as #10 in the Class and #3 in Command. She holds multiple records on West Point's Division I track and field team, and she served as the Brigade Executive Officer in the Corps of Cadets.

She is currently at the University of Oxford and plans to earn a Master of Science in Refugee and Forced Migration Studies and a Master of Science in Evidence-Based Social Intervention and Policy Evaluation. She intends to branch Aviation and to use her Rhodes Scholarship experience to improve

international partnerships and inform policy changes among the U.S. Army and Persian-speaking nations.

Hannah is the older sister to Mercy girl Joie '24, and alumnae Auriel '22 and Queren '21.

"A positive attitude, good communication, and a healthy dose of humility are foundations of performing well. I have rarely encountered a situation where I struggled with something that someone else had not already overcome. Be honest about where you stand and where you want to be. No one has a great day every day, but showing up to 99% of classes and practices with a positive attitude and ready to work hard sets a standard and shows who you are. Then when you are having a 1% kind of day, your coaches, instructors, and classmates are willing to help you back up to your 99." - Hannah Blakey (2021)

Milestone Reunions

On the beautiful fall weekend of October 1, our milestone classes gathered to celebrate their class reunions with their Mercy alumnae sisters. It was a lovely sight to see women gather together and reminisce with laughter. Guests enjoyed a luncheon within the renovated lobby space and tours given by current National Honor Society students. No matter where life takes you after Mercy, we will always welcome you home.

When Jackie's father passed away suddenly in fall of her Sophomore year at Mercy it turned her world upside down. Instead of enjoying things a fifteen-year-old should be experiencing, her world became filled with sadness, uncertainty and isolation. In all of her grief, one thing that did seem to help was the CHAT group organized at Mercy. CHAT gave girls who had experienced a loss a safe place to go and meet in a group with other teens that understood what they were going through. I will forever be grateful to Mercy for this group and for their support!

In spring of 2020 Jackie became involved in New Hope Center for Grief Support in Northville, Michigan. The mission of New Hope is to offer hope, healing and new beginnings to those who have experienced the loss of a loved one. Based on what she had learned and experienced at Mercy, Jackie helped develop content and form a Teen Peer Support group at New Hope. Jackie has been the Teen Group Facilitator for 2 years and provided many teens a safe place to express themselves. She has also lead groups of young children at the annual Kid's camp for 4 years, and has met one on one with teens and families to offer grief support. Jackie can just sit in the horrible space of grief, be there, understand and listen. Jackie has turned loss and sadness into hope and love for others. This is truly God working through Jackie to make a difference in the lives of others.

ADVANCING MERCY

Mercy's strong Visual Arts Program is a long standing tradition and point of pride. Starting with Sr. Ignatius, then Sr. Marie Henderson '67 and now Susan Smith '84, our Art Department guides students to find creative outlets and prepares young artists for college art programs and design careers. This past year, 22 Mercy art students received 34 Regional Scholastic Art Awards.

The large Art Studio received an update over the summer with the installation of air conditioning, a new ceiling, LED lighting, new cabinetry, counter, paint, sinks and faucets. We are still fundraising for few more needs:

- New flooring (\$12,000)
- New pottery wheel (\$2,000)
- New pottery kiln (\$4,500)

If you are interested in supporting Visual Arts, please contact the Advancement Office at advancement@mhsmi.org or 248-893-3538.

Built in 1964, the Gym Locker Room was original to Mercy's Farmington Hills campus. Thanks to generous donors, many of whom attended our Annual Auction and raised their paddles in support of Principal's Pick, the first phase is complete. Mercy Physical Education students and athletes are now enjoying new lockers, flooring, LED lighting, charging stations and mirrors. An amazing transformation!

Fundraising is progressing for Phase II, which we plan to complete in the Summer of 2023. Phase II includes the shower area, new lockers and the addition of a new restroom that is handicap accessible.

To find out more about this project, please contact the Advancement Office at advancement@mhsmi.org or call 248-893-3538.

YOUR MERCY LEGACY

Thank you for exploring ways that you may help support Mercy High School's mission to educate and empower young women. We invite you to find the best planned gifts that meet your financial and legacy goals. Below are some gift options that provide both tax and income benefits.

IRA CHARITABLE ROLLOVER

If you are 70 1/2 or older, you may consider the gift of an IRA charitable rollover. Rather than withdraw monies from your IRA and incur both income and capital gains tax, you may transfer up to \$100,000 from your IRA to our school and not be subject to deduction limits on charitable gifts. After age 72, your "required minimum distribution" or a portion, may be directed to Mercy High School. All you need to do is contact your IRA plan administrator to make a gift from your IRA to our school.

APPRECIATED STOCK

Rather than pay capital gains tax on your appreciated stock, you may choose to gift stock to Mercy High School. With your gift, you avoid capital gains tax, earn a larger tax deduction while providing critical financial support to your favorite school!

DONOR ADVISED FUND

Some families are choosing to create a Donor Advised Fund, a kind of charitable investment account. If you have a Donor Advised Fund, please consider giving a gift - perhaps even a recurring yearly gift - to Mercy High School.

Before you decide to make a gift to Mercy High School, please consult your attorney, tax advisor or financial planner, to determine whether such a gift makes sense given your particular circumstance.

DEADLINE

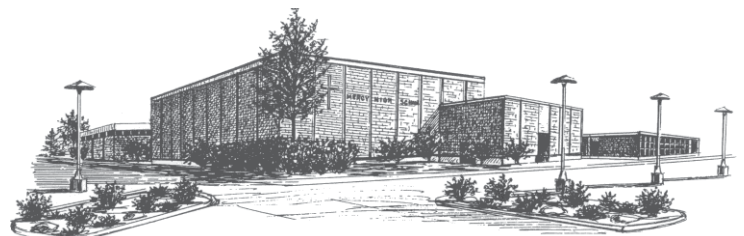

Gifts from an IRA, appreciated stock, or from a checking or investment account, must be received by Mercy High School by December 15 to allow for processing by December 31. Pursuant to IRS regulations, gifts must be withdrawn in the calendar year of which they are made, or the distribution will be counted in the following year.

REMEMBER BEQUESTS

One of the favorite ways to give to Mercy High School, is to name the school as a charitable beneficiary in your will or trust. Another option is to make a bequest to the school using a beneficiary designation, for example on your life insurance policy. These gifts require no immediate financial commitment, but establishes your lasting legacy.

QUESTIONS?

Contact the Advancement Office at advancement@mhsmi.org or call 248-893-3538. Keep in mind that your gift may be designated to a particular purpose. Thank you in advance for your gift to Mercy!

CLASS CONNECTION DONORS 2021-2022

Our Lady of Mercy Legacy Endowment

The 1960s decade joined forces to create a new endowment at Mercy - the Our Lady of Mercy Legacy Endowment. Through a Class Connection, outreach done through class ambassadors, over \$75,000 was raised!

This endowment will leave a permanent legacy at Mercy and support our mission. The majority of the 1960s classes attended school at our Detroit campus, however the work of the Sisters of Mercy remains central to a Mercy education 60 years later.

Thank you to the following donors who established this endowment. The endowment will continue to grow and accept new donations.
