

# CONVOCATION SPRING 2023

## INVOCATION

We are gathered here in celebration of our graduates and of Mohawk College.

May the graduates, their families and friends, our Mohawk Governors and our staff, collectively and individually, continue to seek the strength to put forward in our minds:

All great and good thoughts, intended to unite us.

All generous thoughts, intended to make us celebrate the achievement of others.

All charitable thoughts, intended to make us sensitive to the needs and feelings of others.

May we together invoke all caring, brave, and meaningful acts which are worthy of our true selves.

May we think in truth and in love.

May we act in honesty and in honour.

May we seek out the best in everyone.

And, in doing so, may we find fulfillment, peace, and joy.

## THE CHARGE TO THE GRADUATES

Graduates, today you are admitted into the fellowship of graduates of Ontario Colleges, an honour bestowed only upon those who have met high standards of conduct and learning.

In the name of Mohawk College, therefore I hereby charge you:

- To safeguard the dignity and ethics of our fellowship;
- To cultivate the spirit of inquiry and innovation;
- To celebrate your role as a local and global citizen;
- To maintain, through study, the fresh viewpoint expected in an age of rapid advancement; and
- To contribute, in all these ways, to society, in order that the dignity of humankind, through you, may be constantly reaffirmed.

SCIENTIA OPUS OMNIUM.  
KNOWLEDGE, THE WORK OF ALL.

## Special Recognition Awards:

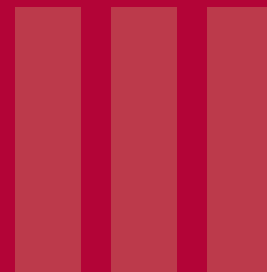

### 2023 Convocation Distinguished Fellows

Mohawk College is honoured to recognize seven exceptional champions and community partners with Special Recognition Awards. This year, we will recognize six at our Spring ceremonies and one at a ceremony this Fall.

During the Spring 2023 Convocation, honorary recognitions will be made in the categories of Distinguished Fellow – Adjunct Professor, Distinguished Fellow and, special this year, President Emeritus. Through outstanding professional achievement and expert status within their profession, the distinguished recipients are highly respected within and beyond the communities served by our college.

Mohawk College’s Distinguished Fellows make invaluable contributions to our college in key ways, including academic advisement, student engagement, community outreach and strategic advisement to the college’s senior leadership team. The distinction is conferred during Convocation by virtue of hooding.

Participation in Mohawk College’s Distinguished Fellow program is by invitation only, with the title conferred and service to the college recognized during Convocation ceremonies. Our Distinguished Fellows serve appointments of three to five years, with an opportunity for renewal.

**Speaker**

**Steve Sherrer,**  
*Distinguished Fellow*

Steve Sherrer is the CEO of Thrive Group, a non-profit, charitable organization established in 2013 to provide a more consolidated and cost-effective approach to the provision of infrastructure services for St. Peter’s Residence at Chedoke and AbleLiving Support Services. Over the years, Thrive Group has become the umbrella organization for Capability Support Services and Idlewyld Manor, and currently has a team of 1,300 staff across 20 sites. Steve is known for his ability to mobilize community resources and successfully influence transformational change, especially within the healthcare sector.

During the formative years for City School by Mohawk College, the Thrive Group served as an instrumental employer

partner and collaborator. Their early support for City School was critical in helping seed and incubate key features such as demand-led training and micro-credentials, which continue to inform City School deliveries to this day. The success of this long-standing alliance can largely be attributed to Steve. Steve recognized the promise City School held for the community. Without reservation, he marshalled his team, committed resources, and leveraged every opportunity

to elevate the relationship between Mohawk and Thrive. His unwavering commitment to supporting the college’s leadership in workforce development and community capacity building has supported the college’s efforts to recruit and train more PSWs and the creation of the City School living-classroom at Idlewyld Manor. Steve also serves as Co-Chair of the Brain Disorders & Mental Health and Disability Management Program Advisory Committee at Mohawk College

In addition to his support for Mohawk College, Steve serves on several Boards and committees including the Ontario Community Support Association, the Greater Hamilton Health Network, Ontario Health West Region (OHWR) Health System Recovery and Transformation Table, and as Co-Chair of the OHWR Access and Flow Table.

**Dr. Robin Hesler,**  
*Distinguished Fellow –  
Adjunct Professor*

Dr. Robin Hesler has volunteered and held senior positions, provincially, nationally, and internationally in the field of Radiography. He most recently served as the Regional Education Coordinator for the Americas for the International Society of Radiographers and Radiological Technologists (ISRRT), the Ontario Association of Medical Radiation Sciences (OAMRS), and the Canadian Association of Medical Radiation Technologists (CAMRT) Foundation. He was President and CEO of OAMRS for many years, where he was involved in developing the Healing Arts Radiation Protection Act and championed its modernization. He also served on key Ontario government committees regarding the development of the Regulated Health Professions Act, its Regulations, and its later review, along with sitting on CT, MRI and occupational health and safety committees.

Dr. Hesler has long been associated with Mohawk College's

Medical radiation sciences program and is currently a member of the program advisory committee and a past chair. Dr. Hesler helped bring Radiography to northern communities, first through the Mohawk-McMaster Basic Radiography Worker (BRW) Program and later through the OAMRS's Basic Radiological Technician (BRT) Program in northern Ontario, Northwest Territories and Nunavut, which empowered Indigenous health care providers to train and provide diagnostic services to their communities.

Through his attention to detail, passion for the profession and seemingly unlimited energy, Dr. Hesler has changed the Medical Radiology profession for the better.

**Keith McIntyre,**  
*President Emeritus*

Mohawk College is honoured to present Keith McIntyre with the title of President Emeritus. This is the first President Emeritus honour presented by Mohawk College. The title of President Emeritus is reserved for former Mohawk College presidents who provided outstanding and distinguished service to the college.

A pioneer of the new Ontario college system established in 1968, Keith joined Mohawk College in 1976 as vice president. He was appointed president of Mohawk College in 1980 and led the college for 17 years, retiring in 1996. Along the way, he guided the growth of the college and celebrated many firsts.

A champion of co-operative education, Keith became an internationally recognized leader in the promotion of co-operative education, which allows students to alternate

between paid work terms and class studies. Keith helped found the World Association for Co-operative Education and then served in the association's leadership for 3 years. Closer to home, he was instrumental in building the partnership with McMaster University that led to the construction of the Institute for Applied Health Sciences, and the unique, long-standing collaboration between the college and the university that has continued to flourish and grow in the years since.

Working with the Students Representative Council

(the precursor to the Mohawk Students' Association), Keith played a leadership role in building the first Student Centre at an Ontario college, without any funding from government. He also led the college during its expansion into Brantford with the construction of a new campus on the outskirts of the city in 1992, and helped to grow the college's presence in the skilled trades and apprenticeship programs with the expansion of programs from the former Wentworth Campus in Hamilton to the campuses in Brantford and Stoney Creek.

In 1983, Keith helped to establish the Mohawk College Foundation. Based on the model used by hospitals throughout Ontario, the Mohawk College Foundation was set up to protect and facilitate charitable donations made to the college during a time of decreasing government support. The Mohawk College Foundation continues to play an important role in supporting the students and the college to this day.

Outside of the college, Keith was active in the community, serving on several boards and volunteering his time with local clubs and associations. He was a founding board member of the Canadian Centre for Emergency Preparedness (CCEP) and the Canadian Disaster Recovery Institute (CDRI). He was a member of the Hamilton Downtown Rotary Club for 32 years, serving as president from 2004 to 2005. He served on the boards for the St. Peter's Hospital Foundation, Joseph Brant Hospital, the Alzheimer's Association, and the Hamilton Automobile Club.

Keith has a Bachelor of Applied Science, Engineering and Business, from the University of Toronto, and a Master of Business Administration, Operations Management and Supervision from McMaster University. He also holds honorary doctorates from McMaster University, Northeastern University (Boston, MA) and the University of Waterloo.

**Bill Young,**

*Distinguished Fellow*

Bill Young is the Chairman of Social Capital Partners. In the late 1990s and early 2000s Bill was a successful tech entrepreneur who wanted to use his success and business acumen to tackle large-scale social challenges in Canada. To do this, he founded Social Capital Partners in 2001 and since then, has been shaking up the way training and employment is provided to people who face employment barriers.

In 2000, Bill's mother Joyce donated \$40 million to the Hamilton Community Foundation to create the Young Fund, established to strengthen and support charitable organizations in the Hamilton community. At the time, Joyce's donation was one of the largest in Canada's history. The Young Fund later made a \$500,000 donation in support of City School by Mohawk College. Bill is also a

strong supporter of the college's Challenge 2025 initiative, serving as co-chair of the Challenge 2025 Task Force from May of 2019 to November 2022, with Mohawk College President & CEO, Ron McKerlie.

By demonstrating that community hiring is good for business, Bill is forging a new relationship between the private sector and the non-profit sector—and changing both in the process. In 2013, Bill was appointed as a member of the Order of Canada for his achievements as a social entrepreneur and philanthropist.

He is a member of the Institute of Corporate Directors and a Directors Education Program graduate. He is a past Chair of the CWB Welding Foundation Board of Directors and CWB Group Board of Directors.

A Canadian Certified Professional Accountant (CPA), John was named a Fellow of Chartered Professional Accountants (FCPA) Ontario in 2020. The fellowship is the highest honour CPAs can receive and was awarded to John in recognition of his exceptional service and contributions to the profession.

A long-time champion and supporter of Mohawk College, John served as a member and Chair of the Mohawk College Board of Governors from 2009

through 2015. Through the Marinucci Family Foundation, John generously committed \$500,000 to the Joyce Centre for Partnership and Innovation with the Marinucci Foundation Gallery, named in his family's honour. Another \$250,000 donation was made in support of applied research at the college, and resulted in the naming of the Marinucci Family Foundation IDEAWORKS Lab.

As a strong supporter of the skilled trades, the CWB (Canadian Welding Bureau) Welding Foundation made a \$25,000 donation that was matched by Mohawk College to create CWB John Marinucci Bursary. The creation of the bursary was a show of appreciation for John's role as past Chair of the CWB Welding Foundation board and supports welding program students in financial need.

## THE COLLEGE

Mohawk College has grown to be one of Canada's leading colleges. Mohawk's history began in 1947 with the establishment of the Provincial Institute of Textiles which was transformed into the Hamilton Institute of Technology (HIT) in 1957. Today, Mohawk College proudly delivers a quality education and college experience to over 30,000 full-time, part-time, continuing education and apprenticeship students. Mohawk is the region's prime job creating engine, having transformed more than 165,000 graduates into highly skilled and future ready graduates who are driving tomorrow's opportunities.

## O CANADA

O Canada!  
Our home and native land!  
True patriot love in all of us command.

With glowing hearts we see thee rise,  
The True North strong and free!

From far and wide,  
O Canada, we stand on guard for thee.

God keep our land glorious and free!  
O Canada, we stand on guard for thee.

O Canada, we stand on guard for thee.

Ô Canada! Terre de nos aïeux,  
Ton front est ceint de fleurons glorieux!

Car ton bras sait porter l'épée,  
Il sait porter la croix!

Ton histoire est une épopée  
Des plus brillants exploits.

Et ta valeur, de foi trempée,  
Protégera nos foyers et nos droits.

Protégera nos foyers et nos droits.
