Message from the Chief

Arthur L. Jones
Chief of Police

It gives me great pleasure to present to you the Milwaukee Police Department's 2001 Annual Report. This report presents a summary of the activities and a statistical overview of the Department during the year 2001.

Members of the Department worked with diligence to develop and implement crime reduction strategies. Operation Street Sweeper, a crime reduction initiative aimed at those who are intent on committing street crimes, was borne of this effort. Operation Street Sweeper is a collaborative effort between members of the Milwaukee Police Department, citizens in the community, other city departments, and the U.S. Attorney's Office. Through trust and partnership, residents of the City of Milwaukee provided the Department with crucial information to swiftly and effectively combat street crimes.

I applaud the members of the community that worked in concert with the Milwaukee Police Department in an effort to reduce crime and enhance the quality of life in the city. I look forward to a continued partnership with the community.

A handwritten signature in cursive script that reads "Arthur L. Jones".

THE OFFICE OF THE CHIEF CONSISTS OF THE INTERNAL AFFAIRS DIVISION, BUDGET AND FINANCE DIVISION, PUBLIC INFORMATION OFFICE, RESEARCH AND DEVELOPMENT, AND CRIME ANALYSIS

Internal Affairs Division

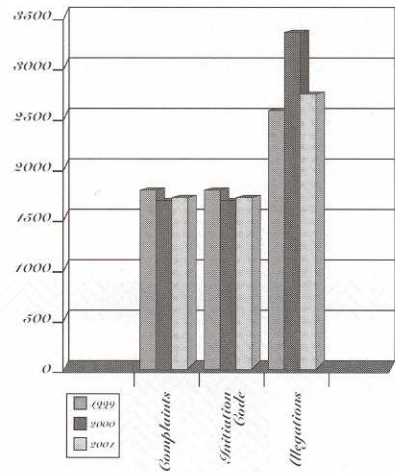

Steven N. Sellingsgaard
Commander—Internal Affairs Division

The Internal Affairs Division is tasked with investigating complaints against members of the Department whether sworn or civilian. The complaints stem from citizens as well as internal sources, that are both criminal and internal in nature.

The Internal Affairs Division is comprised of the following components:

- Personnel Investigation Unit:** Primarily responsible for investigating allegations of conduct that violate Department rules and procedures.
- Criminal Investigation Unit:** Primarily responsible for investigating allegations of criminal misconduct on the part of Department members.
- Civil Litigation Unit:** Primarily responsible for investigating claims and other civil matters wherein the Milwaukee Police Department is a party.
- AudioVisual Unit:** Primarily responsible for the installation and maintenance of specialized audio and visual equipment.

Barbara Butler
Budget Manager
Budget & Finance Division

The Police Department relies on four sources of funding:

Asset Forfeiture Funds: Federal courts award as much as 80% of the funds seized in drug-related arrests to the arresting Department. The arresting Department may spend the seized funds on any law enforcement purpose, subject to federal guidelines. The Milwaukee Police Department uses these funds to supplement its operating

THE BUDGET AND FINANCE DIVISION OVERSEES ALL OF THE DEPARTMENT'S ACCOUNTING, BUDGETING, AND PURCHASING ACTIVITIES. THE BUDGET AND FINANCE DIVISION'S GOAL IS TO PROVIDE THE BEST SUPPORT TO THE DEPARTMENT IN ITS QUEST TO REDUCE CRIME AND ENHANCE THE QUALITY OF LIFE IN THE CITY OF MILWAUKEE.

expenditures in areas that include training, tactical equipment and other specialized law enforcement needs.

Capital Projects: The city borrows money for large one-time projects.

The City's Operating Budget: This is the amount of the property tax supported budget that is allocated to the Police Department. Salaries account for 92% of this budget. This makes other sources of funding crucial to acquiring

the equipment and technology to assist Department employees in completing their tasks efficiently and effectively.

State and Local Grants: The Budget and Finance Division works continually to acquire state, federal and private funding. Grant funds help the Department to obtain state of the art law enforcement technology, which improves officer safety and overall effectiveness.

Safety Division

Pamela K. Roberts
Safety Director—Safety Division

The Safety Division is responsible for programs relating to safe driving, as well as school programs promoting safety to students. Members of the Safety Division coordinate federal grants for traffic enforcement, as well as administer the defensive driving classes and the School Crossing Guard Program.

In 2001, there were 1,058 citizens who attended the defensive driving course. Forty-seven requests for the speed display board were fulfilled. Safety Division personnel participated in five safety campaigns and 160 bicycle helmets were distributed to children.

Office of the Chief

Karen Pride Garvin
Public Relations Manager

Public Relations Manager, Karen Pride Garvin, optimized the transfer of information by providing accurate, timely, and concise reports to the public via news conferences and daily news briefings.

Public Information Office

THE PUBLIC INFORMATION OFFICE (PIO) DISSEMINATES INFORMATION TO THE PUBLIC AND INTERDEPARTMENTALLY USING VARIOUS METHODS. THE PIO'S OBJECTIVE IS TO INFORM, EDUCATE, AND ELUCIDATE ON A WIDE RANGE OF TOPICS.

Karen Pride Garvin provided information to members of the Department through memos and the department newsletter, *The Dispatch*.

The Public Information Office will continue its efforts to build an informative and constructive two-way communication channel between the Department and the public.

During the month of December, members of the Common Council voted to remove the Department's Public Relations Manager position from the 2002 budget. The measure to eliminate the position passed on a 13-4 vote. This vote took affect December 31, 2001.

Research and Development

Members assigned to the Research and Development Section perform a variety of staff functions for the Chief of Police. Duties include drafting all of the Department rules and standard operating procedures, maintenance of the

Department's website, vehicle seizures, and research of police technology.

On July 31, 2001, the Department launched its new website. The site currently consists of 46 web pages divided

into 10 categories. There are over 100 links to law enforcement and community agencies throughout Wisconsin. Since it's launch, over 26,000 individuals have viewed the site.

Crime Analysis

Crime Analysis is a sub-component of the Research and Development Section for the Office of the Chief. A sergeant and five police officers are assigned to the unit.

Members assigned to Crime Analysis use desktop computers and GIS software to geographically encode crime information obtained from our Department's mainframe database. The data is overlaid on an electronic city map to clearly

depict what geographic areas are most impacted by crime.

In 2001, Crime Analysis produced over 400,000 (3300 hours) documents consisting of maps, power point slides and statistical reports. The reports provide crime data visualization that makes it easier to detect emerging geographical crime patterns. District and bureau commanders use the crime maps to determine what resources and deployment strategies to

use in order to address crime problems. The results of the strategies are evaluated during weekly crime analysis meetings to determine the effectiveness of crime reduction initiatives, resource allocation, and saturation patrols.

Additionally, Crime Analysis processed 200 special requests for maps and statistical data and provided 619 hours of support to other Department organizations.

The district personnel concentrated their efforts on improving the quality of life, crime prevention and crime reduction strategies. Officers increased their presence at tavern closings, conducted frequent licensed premise checks, conducted park and walks and participated in several directed patrol missions. The district experienced a 5.31% decrease in crime in the crime reduction areas.

A total of 16,942 prisoners were processed at PPS. Males accounted for 8,142 of those processed; while females accounted for 4,922 of those processed. There were 3,264 juvenile males and 614 juvenile females processed at the Prisoner Processing Section.

*M*EMBERS OF DISTRICT TWO HAVE BEEN COMMITTED TO THE PREVENTION AND REMOVAL OF GRAFFITI AND ARE ACTIVELY INVOLVED IN THE CITY'S ANTI-GRAFFITI PROGRAM. PATROL STRATEGIES AND CONCENTRATED PATROL EFFORTS ACCOUNTED FOR DISTRICT TWO EFFECTING APPROXIMATELY 50% OF THE CITY'S 39 GRAFFITI-RELATED STATE ARRESTS FOR THE YEAR 2001.

District Two officers aggressively enforced the newly established City of Milwaukee's Nuisance Premises Ordinance resulting in a dramatic decrease in the calls for service received from targeted addresses.

In April of 2001, District Two identified and developed a "Crime Reduction Initiative Area". Officers targeted an area with a high volume of violent crime. This initiative initially targeted robbery, burglary, motor vehicle theft, and thefts. The result of this initiative was a 9.14% reduction in part one crimes compared to the same time period of the previous year. The Lincoln Village Business Association Area is located entirely within District Two's Crime Reduction Initiative Area. Recently they have been awarded a three year Mainstreet Technical Assistance Grant from the State of Wisconsin.

To enhance community relations, District Two hosted three open houses. The community was afforded the oppor-

tunity to tour the district and ask questions. District Two also established daily foot patrols in three separate areas of concentrated businesses, which served to enhance officer accessibility, visibility, and communication with the community. Officers assigned to District Two provided accessibility to the public by staffing the Walker's Square Community Service Office, located at 939 S. 10th Street. Officers at the Community Service Office collaborate with Probation and Parole agents who schedule meetings with offenders from the neighborhood, thereby making offenders more accountable to the community.

In 2001, District Two recognized the Humboldt Park Watch as the 2001 Outstanding Block Club of the Year.

District personnel participated in seven directed patrol missions targeting gang activity, graffiti, licensed premises violations, robberies, burglaries, and other violent crimes.

*D*URING 2001, THE THIRD DISTRICT CONTINUED ITS COMMITMENT TO REDUCE CRIME AND ENHANCE THE QUALITY OF LIFE FOR THE RESIDENTS AND BUSINESSES IN THE AREA. THROUGH OUR EFFORTS MANY GOALS WERE ACCOMPLISHED INCLUDING, BUT NOT LIMITED TO, THE FOLLOWING:

- The formation of the Crime Reduction Committee made up of clergy, civic leaders, residents, business proprietors and police personnel, whose primary goal is to formulate strategies to reduce crime and enhance the quality of life within the district.
- The implementation of "Street Sweeper" operations to eliminate street level drug activity in targeted areas and the vigorous enforcement of quality of life ordinances.
- Collaboration with the Wisconsin Probation/Parole Department. This endeavor gave officers better accessibility to Probation/Parole, thus providing officers with invaluable information concerning citizens who are under supervision.
- Third District personnel were instrumental in opening the first Community Justice Center in the City of Milwaukee. The center provides community conferencing, domestic abuse counseling, mediation services, and a host of other community based programs. The center aided in bridging the gap between law enforcement and clergy.
- The utilization of directed patrol mis-

sions and saturation patrols continued to be a tool to abate criminal activity in specified areas. These patrols resulted in a reduction of criminal incidents and calls for service.

- Partnerships were fostered with residents, community groups, and business associations through regularly scheduled meetings, events, and district open houses.
- On December 9, 2001, at 8:00 a.m., the Third District at 4715 West Vliet Street officially closed. This echoed in a new era, as the doors to the new station, located at 2333 North 49th Street, were officially opened.

Officers assigned to the district joined forces with the Vice Control Division's Knock and Talk Team to embark upon crime reduction initiatives designed to enhance community involvement and sustain crime reduction efforts. They actively participated in the stabilization of neighborhoods by addressing problem areas called "hot spots". These officers were successful in providing an immediate and sustained police presence in problem areas thus rooting out criminal activity.

Several programs, businesses and community initiatives were instrumental to District Four's accomplishments. Special thanks go to the following persons and organizations for their involvement in their respective areas:

- District Four's Community Safety Coalition fostered greater involvement with the community and business groups.
- Milwaukee Public School's Gun Program, which involved public appearances at schools in the district to address topics such as stranger

- The Community Liaison Officer, Officer Rebecca Babich, who started 7 new block watches, conducted a total of 36 security surveys and attended 26 school functions, educating students on crime prevention.
- Kaul Avenue Neighborhood Development Organization's (KANDO) successful efforts to decrease drug activity from the area of N. 60th St. to N. 64th St., W. Silver Spring Drive to W. Kaul Avenue. They have worked to bring 41 new homeowners to the area. In addition, the landlords work with our area-specific squads providing valuable information leading to several arrests.
- The Havenwoods Business Association's efforts to bring businesses and residents together to work to reduce crime in the area surrounding the Havenwoods Nature Preserve. Havenwoods has brought new businesses to the area, which in turn has brought employment oppor-

tunities to nearby communities.

- The Neighborhood Improvement Development Corporation's efforts in working with the TIN (Targeted Investment Neighborhood) area. The TIN program has brought public monies, which has leveraged private investments to the area totaling nearly a quarter of a million dollars. The area consists of W. Silver Spring Dr. to W. Kaul Ave. and N. 60th St. to N. 66th St.
- The Housing Authority's Public Safety Officers and the Silver Spring Neighborhood Center assisted in making the Westlawn community a safer place to live, work, and play.

- Villard Avenue Business Association for its continued work on the re-development on Villard Avenue, which has brought new businesses and employment opportunities to nearby communities.
- The Board of Directors at the Woodlands Condominium Association (formerly North Meadows) for their work to increase homeownership within this condominium facility.
- Sam's Club for working to educate customers and employees by organizing "Safety Days".
- Community Learning Centers and Safe and Sound Locations for providing our youth with a place to go after school and with resources for educational and social activities.
- Community Partners for fostering a relationship with area residents relative to their concerns, gathering information, and forwarding these concerns to the appropriate entity.
- Neighborhood Probation and Parole Agents who collaborate with District Four officers and provide them with useful information regarding their clients.
- The YMCA for providing services for more than 1,000 children that live within a one-mile radius of the new complex.
- The Brady Block Association, McGovern Park Association, Swan Triangle Neighborhood Association and the Hawkeyes Block Watch for continuing to keep their neighborhoods safe and their welcoming of new residents.
- Villard Avenue Business Association for working diligently to bring businesses back to Villard Avenue which ultimately provides jobs for citizens in nearby neighborhoods.

District Five personnel made several arrests for burglary and theft from auto as a result of crime reduction initiatives that were implemented in 2001. Officers identified problem areas and coordinated a novel response. District personnel collaborated with the District Attorney's Office, Vice Control Knock and Talk personnel, the Intelligence Division, Truancy

Abatement & Burglary Suppression team, and Neighborhood Services to address crime in targeted areas. Saturation patrols enabled officers to target specific areas and work with the community to achieve an accurate and well-organized approach to crime reduction. As a result of this effort, officers effected 406 arrests.

District personnel addressed the problem of underage drinking resulting in the issuance of 227 citations and confiscation of 55 barrels of malt liquor.

In June, the district hosted an open house. Members of the community, the Milwaukee Police Department and representatives from the State Probation

Parole Office staffed booths and shared information about their respective organizations. This event was well received by the community.

*M*EMBERS OF THE MILWAUKEE POLICE DEPARTMENT'S SIXTH DISTRICT ENJOYED MANY POSITIVE ACCOMPLISHMENTS IN 2001. BELOW ARE SOME OF THE HIGHLIGHTS:

- A Crime Reduction Advisory Board was formed. This board consisted of citizens representing various community groups, landlord groups, businesses, individual citizens, and the police. The board met bi-monthly to discuss crime trends and crime reduction strategies.
- Neighborhood walk-throughs were conducted and found to be very effective. A "walk-through" consisted of the area alderman, supervisors of City service agencies (Health, Building Inspection, Public Works, Parking Enforcement, Sanitation, and Police) walking through specific neighborhoods in an effort to identify violations and/or issues that have a negative impact on the quality of life.
- "Operation Turnaround" was developed. In order to address crime trends and/or nuisance locations, "Operation Turnaround" deployed teams of officers in specified locations to address all violations. Area residents reported direct and positive results following each operation.
- District Six led the way in crime prevention and community involvement. During 2001, District Six received awards for auxiliary officer of the year, outstanding citizen involvement in crime prevention award, outstanding community based organization award (Layton Boulevard West Neighbors Association) and outstanding district block watch club award (Arlington Heights Block watch Club).

In summary, the personnel assigned to District Six firmly believe that our most significant accomplishments have been interacting with citizens, community groups, and businesses to develop strategies to reduce crime.

DISTRICT SEVEN EMPLOYED A CRIME REDUCTION INITIATIVE FOCUSED ON INVOLVING CITIZENS AND ENCOURAGING THEM TO TAKE BACK THEIR NEIGHBORHOODS. THIS INITIATIVE WAS DEPLOYED IN TWO DIFFERENT AREAS WITHIN THE DISTRICT RESULTING IN 13.2% AND 54% REDUCTIONS IN MAJOR CRIME IN THE TARGET AREAS. ADDITIONAL PATROLS WERE ADDED WITH THE SPECIFIC FOCUS ON ENFORCING QUALITY OF LIFE ORDINANCES. COMMUNITY MEETINGS WERE HELD ON A MONTHLY BASIS TO OBTAIN IDEAS AND PERCEPTIONS FROM THE CITIZENS. THE FAITH BASED COMMUNITY, ALONG WITH COMMUNITY BASED ORGANIZATIONS, HAVE COMMITTED TO THE CONTINUANCE OF THIS INITIATIVE.

Officers concentrated on answering calls for service in a timely manner. On a regular basis, district seven is charged with handling 20% of the total calls for service in any given month. Officers were successful in reducing the time spent on priority one calls by 20.19 minutes. Time spent on priority two calls was reduced by 3.47 minutes. The officers conducted complete investigations while reducing the time spent on calls for service.

The National Night Out celebration drew a crowd of over 500 citizens to the district. Information was distributed on personal safety, health issues, community partners, personal security, crime prevention, and probation and parole. Area businesses contributed food and gifts for participants. The National

Night Out celebration ended with a "walk through" the neighborhood and a prayer vigil for area homicide victims.

Operation Arrow was formed in the district. This program connects businesses with the police department by opening the lines of communication and sharing information relative to crime.

Twenty-one new block watches were established. Through the Department's Operation ID program, 500 lawnmowers and snow blowers were engraved in an effort to combat theft.

The Department of Neighborhood Services worked with officers to target nuisance properties under City Ordinance 80-10. Fifteen landlords received letters advising them that they must take action to eradicate the prob-

lems at their properties or risk being charged for police and city services. Ten landlords complied with the ordinance resulting in reduced calls for service in and around those addresses.

The Milwaukee Police Band

The Milwaukee Police Band Co-Directors Bobby Lindsey and Karen Dubis, along with new Band Manager Sergeant Daniel Alexander, continued their quest to initiate new community outreach opportunities, energize established programs, and provide new rehearsal and performance objectives. The year 2001 has effectuated further expansion of the successful "Youth in Arts" program.

We are extremely proud of the Band as they had the esteemed honor of being invited to participate in the 2001 "Marshall Field's Jingle Elf Parade" in Chicago on Thanksgiving Day.

The Auxiliary Police Unit

The Auxiliary Police Unit came into existence in 1941, during World War II. Today, 60 years later, the auxiliary officers continue to offer valuable assistance to the Department by volunteering a total of 11,935 hours. The auxiliary police support provided necessary coverage for the success of local parades, runs, festivals, crime prevention presentations, and community service events.

In order to provide the best possible service to the city and maintain a high degree of professionalism, auxiliaries participated in training sessions held at

the Milwaukee Police Safety Academy. This training included first aid/CPR, traffic/crowd control, defense and arrest tactics, and weapons of mass destruction.

Each district sponsored special holiday programs within their boundaries. In 2001, auxiliary officers provided and distributed food, gifts and toys to more than 110 needy families during Thanksgiving and Christmas. Much of this was made possible through cooperative efforts with Pick'n Save Food Stores and the Best Ford and Mazda auto dealership.

Many auxiliary officers served as youth mentors and are involved in the Police Athletic League and the Gang Resistance Education And Training Program.

Baseball Cards

The Community Services Division hosted its 19th annual distribution of Milwaukee Police Department / Milwaukee Brewer's Baseball Club cards. The initiative is part of the Police Department's community relations program. Thousands of baseball cards were distributed.

Clear Channel Relief Fund

The Community Services Division and auxiliary officers collaborated with the Clear Channel Radio Stations of

Milwaukee to hold a disaster relief fundraiser with proceeds benefiting the victims in the New York, Pennsylvania, and Washington D.C. areas. This event took place at the Milwaukee Safety Academy.

Youth Programs and Education

The Community Services Division offers several programs to educate and enhance the lives of the youth in the City of Milwaukee. Three of the programs currently offered are the Police Athletic League, Safe and Sound Initiative and the Gang Resistance Education And Training.

The G.R.E.A.T. Program

The Gang Resistance Education And Training (G.R.E.A.T.) Program consists of a nine-week structured curriculum taught in sixth grade classrooms by uniformed officers. The lessons educate the students about the reality of gangs and the criminal justice system. The program highlights the concept that young people are part of the community and they can choose to make a positive impact. Topics further emphasized are conflict resolution, responsibility, and goal setting. During the 2001 school year over 6,000 students participated in the G.R.E.A.T. Program.

Patrol Bureau

To reinforce the concepts taught during the school year, a summer component is offered to the students who graduated from the G.R.E.A.T. program. The summer program provides an opportunity for the students to experience team building activities, presentations on career exploration, and several hands-on community service projects. Field trips are a reward to the students after they have worked throughout the week.

One of the many rewarding community service projects for the students involved in the G.R.E.A.T. program is the partnership with Family House, a residential community for the elderly. The students perform gardening and clean-up duties. The companionship generated between the residents and students was magical. Several of our students appeared on the Oprah Winfrey show while volunteering at Family House.

The P.A.L. Program

The Police Athletic League (P.A.L.) program was chartered in 1988. PAL continues to serve a vital need in our community by reaching out to young people to reduce juvenile crime through positive interactions with police officers. PAL operates year round offering many different activities and experiences to enrich the lives of children and adults. Activities include basketball, baseball, flag football, self esteem courses and other educational and recreational programs. Between June and September, participants enjoy an educational component that enhances their reading, writing, science, computer and oral communication. Additionally, P.A.L. participants visited the Chicago Shedd Aquarium, attended professional sporting events, camping and fishing trips. The youth are also offered several in-house activities including karate, modeling, cooking/baking and drill team.

PAL, while managed by police personnel, is very dependent on volunteers. The PAL program has over 100 coaches, both officers and civilians who assist in making this program popular and successful.

This year PAL has positively affected 4,000 youth.

The Police Athletic League will be opening their Youth and Family Activity Center in 2002.

The Safe and Sound Initiative

The Safe and Sound Initiative is a program designed to create positive alternatives for young people after school and on weekends. The business community, faith based organizations, and law enforcement worked together to offer activities and learning opportunities for youth. Participants were able to utilize schools, churches, and community centers as recreation sites. There are approximately 50 sites in Milwaukee. Hundreds of officers have visited the sites and performed approximately 2,000 hours of mentoring, tutoring, counseling, and monitoring activities. The program was a huge success.

Operation Teddy Bear — We Care

During 2001, "Operation Teddy Bear" gave out 2,200 stuffed toys to children in need and to children attending community events. "Operation Teddy Bear" distributed stuffed bears and other toys at various community events such as the "Youth Activity Day" held at Andrew Douglas Middle School and the First Annual Community Safety Coalition Peace Picnic held at Washington Park.

"Operation Teddy Bear" partnered with "Wings of Corporate Love" on July 12 at the Circus grounds "Big Top" to distribute 1,200 stuffed bears to adults and children with special needs. The honorary "Ring Master" was Assistant

Chief Edward Stenzel. "Wings of Corporate Love" is a partnership between civilian volunteers and various law enforcement agencies throughout the state of Wisconsin who volunteer their time to provide entertainment for people with special needs.

"Operation Teddy Bear" is always busy during the holiday season, with 2001 being no exception. Many bears and toys were distributed to Milwaukee area churches and the Milwaukee Outreach Center. On Christmas Day, distribution continued at a church service for the homeless.

CRIME PREVENTION SECTION

Additional Youth Programs

The Community Services Division, along with other members of the Milwaukee Police Department, offered programs for youth in the community including the School Safety Program. District officers gave presentations to approximately 70,000 students. Other successful programs include McGruff, the crime dog, the Milwaukee Police Band "Youth in Arts" program, the Explorers Scouts, Mediation/Conflict Resolution, Gun Safety, Stranger Danger, Good Touch-Bad Touch, and Drug Awareness. Personnel assigned to the Safety Division and the district stations also hosted several bicycle rodeos.

Personal Appearances Request

Educational presentations to the community on crime prevention included security surveys, personal safety, safety in the home/workplace and robbery prevention.

More than 33 Crime Trend Bulletins were distributed to various neighborhoods throughout Milwaukee, alerting citizens to recent crimes in their area.

Captain of Police—Intelligence Division

Intelligence Division

*M*EMBERS ASSIGNED TO THE INTELLIGENCE DIVISION COORDINATE WITH THE UNITED STATES SECRET SERVICE TO PROVIDE SECURITY COVERAGE FOR DIGNITARIES AND VISITING VIPs. THEY ALSO TRACK ALL FIREARM RELATED CASES REFERRED TO THE DISTRICT ATTORNEY'S OFFICE FOR PROSECUTION.

During 2001, the Intelligence Division seized 2,248 firearms. Six hundred and eighty-two persons were charged with firearm related offenses. Members assigned to the Intelligence Division successfully traced all weapons that were recovered. As a result of this outstanding accomplishment, the Bureau of Alcohol Tobacco and Firearms recognized the Milwaukee Police Department's Firearm

Desk and selected our agency to receive the electronic tracing submission system.

Intelligence Division personnel utilized Project Drugfire, a computer program that compares fired shell casings recovered from crime scenes to a database of guns that have been recovered, to assist them in clearing firearm related cases. A total of 694 matches were found. This is a 149% increase over 2000.

Conrad W. Zvara
Administrative Lieutenant
Special Assignment Division

Special Assignment Division

The Special Assignment Division is responsible for providing security for the Mayor's Office and the City Hall complex. Additional cameras were installed in the City Hall complex to provide improved monitoring of the building.

During 2001, members assigned to the Special Assignment Division worked closely with the Public Safety Ambassadors and City Hall Security Manager, Michael Schaffer, to maintain a safe and accessible municipal government.

Planning and Operations Unit

During 2001, members of the Planning and Operations Unit provided necessary police coverage for 227 special events, and 930 daily events. There were 914 additional events that were referred to the district stations. The Planning and Operations Unit processed 48 traffic zone missions.

Members assigned to the Planning and Operations Unit work closely with the Department of Public Works and Traffic Engineering in an effort to ensure that events are safe for participants and attendees.

Criminal Investigation Bureau

Leslie T. Barber

Deputy Chief—Criminal Investigation Bureau

THE CRIMINAL INVESTIGATION BUREAU IS COM-
PRISED OF THE HOMICIDE DIVISION, CRIMES
AGAINST PERSONS DIVISION, SENSITIVE CRIMES
DIVISION, AND CRIMES AGAINST PROPERTY
DIVISION. THESE SEPARATE BUT UNIFIED UNITS
INVESTIGATE AND MANAGE THE CRIMINAL CASES IN
THE CITY OF MILWAUKEE IN THEIR RESPECTIVE
AREAS OF RESPONSIBILITY.

Homicide Division

Brian O'Keefe

Captain of Police—Homicide Division

During 2001, the Homicide Division investigated 127 homicides and cleared 94. Additionally, 12 homicides that occurred in 2000 were also cleared. The Uniform Crime Report clearance rate for 2001 was 83.4%. This is a 2.4% increase over last years 81% clearance rate. The Homicide Division's UCR clearance rate remains well above the national average of 56.6%.

Criminal Investigation Bureau

Darlene Jenkins
Captain of Police—Crimes Against Persons

Crimes Against Persons Division

THE CRIMES AGAINST PERSONS DIVISION IS RESPONSIBLE FOR THE INVESTIGATION OF ALL ROBBERIES AND FELONY ASSAULTS.

In 2001, there were 21 bank robberies reported in the City of Milwaukee. All 21 robberies were cleared for a 100% clearance rate. The bank robbery clearance rate for the year 2000 was 84%. This is a 16% increase in the clearance rate for bank robberies. Three additional bank robberies from 2000 were cleared

in 2001. Seven directed patrol missions were initiated to focus on robberies. As a result of the directed patrols, ten robbery suspects were taken into custody. Additionally, the clearance rate for aggravated assaults was 48.9%.

Paul Stuhmer
Captain of Police
Sensitive Crimes Division

Sensitive Crimes Division

The Sensitive Crimes Division investigated 1,554 sexual assaults in 2001. This compares to last year's total of 1,719 sexual assaults. The Milwaukee Police Department achieved a 90.7% clearance rate for rape. The national average is 52%. This is the sixth year in a row that the Department's clearance rate exceeded 90%.

Crimes Against Property Division

*T*HE CRIMES AGAINST PROPERTY DIVISION IS CHARGED WITH THE RESPONSIBILITY OF INVESTIGATING ALL FELONY PROPERTY RELATED CRIMES.

The Warrant Squad focused on individuals wanted on municipal writs. Municipal Warrant Bulletins were created and routinely disseminated to other bureaus and districts in an effort to provide the most current information to patrol units. Warrant Squad officers effected 947 arrests, clearing 3,650 warrants and other charges.

Members assigned to the Forgery/Fraud Unit collaborated with other Milwaukee area jurisdictions and the Wisconsin Department of Criminal Investigations to form the Milwaukee Area Identity Theft Task Force. Members assigned to the Forgery/Fraud Unit received training from the Wisconsin Department of Justice regarding internet crimes, seizure, and processing and

analysis of computer evidence. Twenty-four detectives were trained and licensed to use FACES an advanced composite picture software program. This program is the most advanced composite picture software available on today's market. It contains approximately 4,000 features. The data bank can be used to create adult faces (ages 17 to 60) of any sex and race. The program produces photo quality pictures. This technology allows victims and witnesses to actively participate in the identification and subsequent apprehension of suspects.

Arson offenses decreased by 15.6% in 2001. The arson unit investigated 453 offenses involving property loss of \$2,943,669. No loss of life resulted from arsons.

Technical Services Bureau

Mark A. Meyer
Deputy Inspector—Technical Services Bureau

THE TECHNICAL SERVICES BUREAU IS COMPRISED OF THE DATA SERVICES DIVISION, CENTRAL RECORDS DIVISION, COMMUNICATION DIVISION, AND IDENTIFICATION DIVISION.

Thomas L. Auger
Captain of Police—Technical Services Bureau

Data Services Division

The Data Services Division is responsible for the implementation and maintenance of the Department's mainframe and personal computer based information systems. Personnel assigned to the division oversee 470 computers and over 1,000 users Department wide.

During 2001, many accomplishments were realized. Some of these accomplishments include the following:

- Completion of the fiber optic network
- Development of department alert virus process
- Implementation of in-house printer repair program
- Installation of hardware to facilitate the Juvenile Booking Project
- Consolidation of Department servers

Technical Services Bureau

Communications Division

James Galaxewski
Captain of Police—Communications Division

THE COMMUNICATIONS DIVISION IS RESPONSIBLE FOR HANDLING ALL POLICE DEPARTMENT COMMUNICATIONS. THIS DIVISION IS ALSO RESPONSIBLE FOR INSTALLING AND SERVICING ALL OTHER RADIO AND COMMUNICATIONS EQUIPMENT FOR THE CITY OF MILWAUKEE.

During 2001, the Communications Division re-evaluated and modified dispatching practices concerning non-life threatening calls for service. This resulted in a 50% decrease in response time to non-life threatening service calls.

Twenty police dispatchers, 11 telecommunicators, six sergeants, and one police officer received computer aided dispatch training. An additional forty-seven telecom-

municators received refresher training in the operation of the Telecommunications Device for the Deaf.

The Department phone system was overhauled. Installation of the new system will take place in January 2002.

Members assigned to the Communications Divisions dispatched approximately 1,400 emergency calls per day during 2001.

Central Records Division

Susan M. Edman
Captain of Police—Central Records Division

THE CENTRAL RECORDS DIVISION IS COMPRISED OF THE ADMINISTRATIVE SECTION, OPEN RECORDS SECTION, TRAFFIC RECORDS SECTION, ACCIDENT INVESTIGATION SECTION, AND COURT ADMINISTRATION SECTION.

ADMINISTRATION SECTION

The Administration Section of the Central Records Division is divided into several operational units based upon the distinct function or service they provide. The Incident Report Unit is tasked with entering all offense reports filed by personnel not assigned to the Criminal Investigation Bureau into the Department's mainframe computer system. This unit enters all clearance dis-

positions and processes calls from citizens who wish to file offense reports for selected property crimes.

The Stolen Vehicle Desk is responsible for processing auto theft reports and cancellations. The General Duty Unit performs a variety of functions including locating and providing reports for law enforcement purposes, initiating correspondence relating to the transmittal of evidence to the Wisconsin State Crime

Technical Services Bureau

Laboratory, and acting as the central communication center for all correspondence between our Department and other law enforcement agencies as it relates to criminal and/or health and safety matters. The Administration Section is the central repository for all documents that have been filed relating to complaints or incidents reported to the Department, as well as all felony arrest warrants.

Two Central Records Division police officers are assigned to process vehicles at the city tow lot. During 2001, the officers processed over 1,200 vehicles per month. They checked for altered vehicle identification numbers, stolen parts, and contraband. The officers coordinated with the Criminal Investigation Bureau and district personnel regarding vehicles that may have been used in criminal offenses.

OPEN RECORDS SECTION

The Open Records Section is responsible for the compilation, review, and dissemination of Milwaukee Police Department records as mandated by Wisconsin State Statute pursuant to the Open Records Law.

During 2001, members assigned to the Open Records Section processed 41,313 requests for reports resulting in the release of 168,574 records.

TRAFFIC RECORDS SECTION

During 2001, the Traffic Records Section worked diligently to provide courteous and prompt service to the public regarding all traffic and court procedures. Members of the Traffic Records Section assisted citizens with inquiries related to parking citations, traffic and municipal citations, towed vehicles, vehicle registration, operator's licenses, and traffic laws.

The Traffic Records Section processed over 25,000 more traffic citations in 2001 than the previous year.

ACCIDENT INVESTIGATION SECTION

The Accident Investigation Section is the central repository for all reportable traffic accident reports. Members assigned to this section also perform "accident reconstruction" services for serious and fatal accidents.

Officers assigned to the Accident Investigation Section have received extensive training in accident reconstruction from the Northwestern University Traffic Institute. The training requires the understanding of algebra, trigonometry, and physics to answer such questions as: "How fast were the vehicles traveling at impact?"; "What

position were the vehicles in during each second of time prior to and after collision?"; "Who was driving?"; and "Were the vehicle lamps on or off at impact?" The officers provide expert testimony in Circuit Court relative to accident reconstruction.

The Accident Investigation Section has specialized equipment including computer aides for accident reconstruction, reference materials, books, and a truck equipped with the necessary charts and supplies that are essential to successfully reconstruct serious and/or fatal accidents.

During 2001, the accident investigators were called out twelve times to respond to serious/fatal accidents. Investigators reconstructed nine of those accidents.

Officers assigned to the Accident Investigation Section are also responsible for assisting district officers in the apprehension of individuals that flee the scene of an accident, in violation of Wisconsin State Statute 346.67. Investigators continue to seize motor vehicles for repeated violations of Operating Auto While Intoxicated per Wisconsin State Statute 346.65(6)(a).

Identification Division

*T*HE IDENTIFICATION DIVISION DOCUMENTS AND PRESERVES EVIDENCE FROM CRIME SCENES. MEMBERS COLLECT VARIOUS FORMS OF PHYSICAL EVIDENCE AND ATTEMPT TO LINK SUSPECTS TO THEIR CRIMES.

During 2001, members assigned to the Identification Division responded to numerous crime scenes and processed latent fingerprint evidence in 5,284 cases. Examiners and technicians were successful in positively identifying 780 latent prints.

The Document Section of the Identification Division performed 1,161 examinations of handwriting and fingerprint evidence. The Prisoner Processing Section worked cooperatively with the Identification Division to positively identify 893 individuals that used alias names.

Identification Division personnel achieved many accomplishments. Some of which include the following:

- Procurement of state-of-the art Automated Fingerprint Identification System
- Procurement of Fast Identification System
- Department wide implementation of computerized photo system
- Established the use of digital camera technology
- Implementation of decentralized district level booking system

Administration Bureau

Dean J. Collins
Commander—Administration Bureau

THE ADMINISTRATION BUREAU PROVIDES ADMINISTRATIVE SERVICES THAT SUPPORT THE DAILY FUNCTION OF THE MILWAUKEE POLICE DEPARTMENT. THE BUREAU IS COMPRISED OF THE PERSONNEL DIVISION, PROPERTY CONTROL SECTION, PRINTING AND STORES SECTION, MAINTENANCE SERVICES SECTION, AND LICENSE INVESTIGATION UNIT.

Together, these areas provide a coordinated effort aimed at ensuring the efficient and effective operation of the Department.

Personnel assigned to the Administration Bureau review proposals that enact or change current Wisconsin State laws or City of Milwaukee Ordinances.

Representatives of the Administration Bureau appear and provide testimony before a variety of city and state legislative committees. New laws and changes in the law which are enacted are disseminated throughout the Department.

Personnel Division

Valarie Watson
Personnel Administrator—Personnel Division

THE PERSONNEL DIVISION IS COMPRISED OF THE BACKGROUND INVESTIGATION UNIT, RECRUITING SECTION, MEDICAL SECTION, AND PAYROLL SECTION.

This division is responsible for ensuring that the provisions in various labor contracts covering Department members are complied with and properly administered. Members of the Personnel Division attend all contract negotiations and represent the Department at these proceedings as well as at arbitration hearings, unemployment compensation hearings and other litigation forums.

Additionally, the Personnel Division processes appointments, promotions, separations, and publishes Department personnel orders involving personnel transactions.

The Personnel Division functions as a resource for commanding officers when developing and preparing vacancy notices and in the selection process when filling existing vacancies.

Administration Bureau

Linda Velasco

Administrative Lieutenant—Medical Section

Medical Section

The Medical Section is responsible for the overall management of health and safety issues concerning all Department members. Personnel assigned to the Medical Section work in concert with various districts and bureaus in an effort to monitor the sta-

tus of personnel on sick and injury leave. This section is also responsible for making recommendations to Department administrators relative to policies and procedures regarding the Americans with Disabilities Act and the Family Medical Leave Act.

Recruiting Section

Members assigned to the Recruiting Section are actively involved in the recruitment of potential candidates for employment with the Milwaukee Police Department. The officers work cooperatively with the Fire and Police Commission to facilitate the application and testing process.

Members of the Recruiting Section visit local high schools, colleges, and attend job fairs in an effort to disseminate information about career opportunities with the Milwaukee Police Department.

During 2001, Recruiting Section personnel expanded their recruiting efforts. MPD job announcement bulletins were sent to all faith-based organization members of the Community Safety Coalition. A recruiting video entitled "Accept the Challenge - Join the Team" was produced. This video production is directed toward the recruitment of civilian employees for the Police Department. The video provides potential candidates with an overview of civilian positions available within the Police Department.

Recruiting officers made 86 formal recruiting presentations at high schools, colleges, churches, businesses, community based organizations, and community events. A total of 1,065 citizens completed interest forms for employment and 277 job applications were received.

Payroll Section

Joanne Bielinski

Payroll Supervisor—Payroll Section

The Payroll Section is responsible for processing and transmitting data, which is used to issue all Department members' biweekly payroll checks. This data includes overtime, pay adjustments,

deductions, and all special payments, such as uniform allowance, longevity pay, variable shift assignment pay, certification pay, and education bonuses.

Background Investigation Unit

The Background Investigation Unit is responsible for investigating the background history of individuals that apply for employment with the Milwaukee Police Department.

A total of 411 background investigations were completed on applicants applying for positions with the Milwaukee Police Department.

The following is a breakdown of all investigations conducted:

- Police Officers - 284
- Police Aides - 61
- Telecommunicators - 41
- Office Assistants - 49
- Police Service Specialists - 5
- Personnel Analyst Sr. - 1

Members assigned to the Background Investigation Unit continue to provide in-depth, well-documented background investigations in an effort to ensure that the Milwaukee Police Department hires the most qualified applicants.

Property Control Section

Patrick M. Wierzba

Lieutenant of Police—Property Control Section

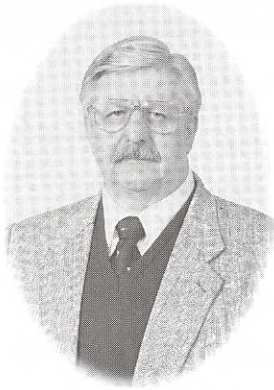

The Property Control Section is responsible for the proper storage and accounting of all property that comes into the possession of the Department.

During 2001, the Property Control Section implemented procedures to

increase the accuracy and accountability of evidence storage and retention. The new warehouse was systematically organized enabling members to increase efficiency.

Administration Bureau

Maintenance Services Section

Gordy Gregg
Maintenance Supervisor
Maintenance Services Section

The Maintenance Services Section provides support for all Milwaukee Police Department buildings and fleet

operations. This section services a fleet of 685 vehicles and maintains ten buildings with a combined total area of 626,055 square feet.

During 2001, the Maintenance Services Section established a Restitution Recovery Program. Under this program, members attended over 350 Circuit Court hearings. Restitution was ordered by Circuit Court judges and by the City Attorney's Office in the amount of \$510,000.00. The funds received as a result of the court orders totaled over \$281,560.00. This money was placed in the city's general fund to provide relief to city taxpayers. The

Restitution Recovery Program has been acclaimed as a much needed service by the District Attorney's Office, Victim / Witness Services, City Attorney's Office, Probation and Parole Agencies, the Administrative Services Division, and the Department of Public Works.

Personnel assigned to the Maintenance Services Section oversaw the completion of a number of projects including the installation of a new garage floor at the Police Administration Building, the installation of new boilers at District Four, and the purchase of 68 new police vehicles.

Printing and Stores Section

Raymond E. Celke
Printing & Stores Supervisor—Printing & Stores Section

The Printing & Stores Section is responsible for the printing of all department materials and maintaining a stores facility for the distribution of office and medical supplies. Two employees, a Printer and a Production Designer staff the Printing Section. The Printing Section has four color printing capabilities and produces over 450 numbered forms along with the "Dispatch", the department newsletter publication. We provide printing services to all department work locations, which include numerous community relations informational handouts. Our Graphic Design

Unit employs a Graphic Designer II who develops and implements creative designs for all department brochures, posters, signage, certificates and various other printed media. With the recent purchase of an additional 54" color plotter we have expanded our capabilities for large format printing and other specialty requests. The Stores Section employs two Stores Clerks whom are responsible for the ordering, stocking and distribution of department supplies. All of these units make up the Printing & Stores Section and are located within the Safety Academy.

License Investigation Unit

The License Investigation Unit is the central repository for all records and reports pertaining to persons and premises licensed by the City of Milwaukee. Personnel assigned to the

unit conduct on-site inspections at large public events to ensure compliance with licensing requirements.

During 2001, the License Investigation Unit investigated 8,119 license applications and received 331 reports of incidents involving licensed persons or premises.

Training Bureau

Laura B. Schwefel
Deputy Inspector—Training Bureau

Joseph Whiten
Captain of Police—Training Bureau

THE TRAINING BUREAU IS RESPONSIBLE FOR THE IMPLEMENTATION, DELIVERY AND COORDINATION OF ALL TRAINING PROGRAMS. DURING 2001, THE TRAINING BUREAU PROVIDED A FULL ARRAY OF IN-SERVICE, RECRUIT, AND SPECIALIZED TRAINING FOR MILWAUKEE POLICE DEPARTMENT MEMBERS. IN ITS ROLE AS A SOUTHEAST WISCONSIN REGIONAL TRAINING CENTER, THE TRAINING BUREAU PROVIDED INSTRUCTOR CERTIFICATION AND DEVELOPMENT COURSES FOR OUR OWN OFFICERS AS WELL AS TRAINING OFFICERS FROM OTHER AREA JURISDICTIONS.

The Training Bureau generated \$6,785 in cost recovery funding for providing specialized training to outside jurisdictions.

During 2001, four in-service sessions were held reaching 1,700 members during each session.

The recruit training program continues to be a comprehensive 23-week course of

instruction designed to mold the recruit into an effective and efficient law enforcement officer prepared to serve the public with the highest degree of professionalism. The Training Bureau hosted three recruit classes and successfully graduated a total of 167 police officers.

The Law Enforcement Code of Ethics

As a law enforcement officer, my fundamental duty is to serve mankind: to safeguard lives and property; to protect the innocent against deception, the weak against violence or disorder, and to respect the Constitutional rights of all men to liberty, equality and justice.

I will keep my private life unsullied as an example to all: maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed in both my personal and official life, I will be exemplary in obeying the laws of the land and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided in me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of the police service. I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession... law enforcement.
