### About Jabra

Jabra is the brand of GN Netcom, a subsidiary of GN Store Nord A/S (GN) - listed on NASDAQ OMX. Jabra employs approximately 900 people worldwide and in 2012 produced an annual revenue which amounted to DKK 2,355 million. Jabra is a world leader in the development, manufacturing, and marketing of a broad range of hands-free communications solutions. With a reputation for innovation, reliability, and ease of use that goes back more than two decades, Jabra's consumer and business divisions produce corded and wireless headsets, plus mobile and in-office speakerphones that empower individuals and businesses through increased freedom of movement, comfort, and functionality.
