

It all adds up

Most supporters of the NALC's political action fund give through automatic deductions from their paycheck, annuity or a bank account, and we begin our annual tribute with these reliable donors.

This section lists active and retired members who made donations through payroll deduction or through automatic deductions from an annuity or bank account in 2013.

Automatic deduction, including those who give at the "Gimme 5" level of \$5 per pay period, is easy—you sign up and you're done. No check to write, and the donation is spread out across the year. Automatic donations are also helpful to COLCPE, since a steady source of funds allows for easier budget choices to put the funds to best use.

Supporters who made both automatic deductions and additional separate, occasional donations will find their names listed only in this section with their totals including both kinds of donation.

If you aren't already making automatic deductions to support COLCPE, please go to nalc.org/colcpe to learn how to sign up.
