

LETTER CARRIER POLITICAL FUND

EACH DONATION MATTERS

Below are the donors to the Letter Carrier Political Fund in 2016, sorted by state and branch. Each state is shown with the percentage of NALC members from that state who donated and the average donation of those carriers who gave, followed by each branch with the same information and each individual donor with the total amount recorded as given last year.

The donations listed include automatic contributions made by members

who voluntarily authorized a deduction of a few dollars to go directly to the Political Fund each pay period, automatic monthly donations from retired members' annuities, automatic regular withdrawals from members' bank accounts and one-time donations. Automatic donations make up the bulk of support for the Political Fund, and are the best way to give—it's easy for donors and it provides a steady, reliable source of support for

the Political Fund.

If you aren't already an LCPF supporter, please go to nalc.org/pac to learn how to set up contributions or use one of the forms starting on page 93.

"I thank each Political Fund donor for his or her support in 2016," NALC President Fredric Rolando said. "I hope even more letter carriers join them this year so we can build on their efforts."
