

THANK YOU
FOR YOUR
SERVICE

Americans pause each Veterans Day, Nov. 11, to honor the men and women who have served in the armed forces. At NALC, this has a special resonance, given the large number of members who are military veterans.

More than 1 in 5 NALC members, some 60,000 active and retired letter carriers, traded their military uniform for that of a letter carrier. To recognize their sacrifices and honor their contributions to freedom, the union created the NALC Veterans Group in 2015. Membership in the Veterans Group provides access to information and tools specific to veterans' rights and benefits, which often intersect with their rights and benefits as postal employees.

"When they sign on as letter carriers, military veterans bring a great sense of service to the community and dedication to their job," NALC President Fredric Rolando said.

Their sense of mission is among the traits they bring.

"For most veterans, rising to the challenge of overcoming daily adversities to accomplish their mission was commonplace during their military service," NALC Assistant Secretary-Treasurer Paul Barner, an Army veteran, said. "This especially resonates today with veterans who are letter carriers as they confront the challenges of delivering mail during a worldwide pandemic."

The Postal Service, as the largest civilian employer of military veterans, is the beneficiary of the commitment and reliability of veterans. This same level of devotion and allegiance also has made the NALC Veterans Group one of the strongest and most successful of union veteran organizations.

It is composed of veteran leaders at every level of NALC, from Assistant to the President for Community Service and Veterans Group organizer Christina Vela Davidson, an Army veteran, to multitudes of veteran activists at the branch level who volunteer their time and effort in the service of fellow veterans and their communities.

"As a disabled veteran who needs some assistance occasionally, I truly believe in veterans helping veterans," Vela Davidson said.

The spirit of service among NALC Veterans Group members is clearly apparent and on full display—including at the 2018 NALC Biennial Convention, where group members held an event to aid homeless veterans in the Greater Detroit area. They assembled thousands of care kit bags for distribution to Detroit-area homeless veteran centers.

"The amazing response of members of the NALC Veterans Group to assist other veterans in need was not surprising," Vela Davidson said. "It was emblematic of veterans putting the needs of others over their own."

For **Ted Lee**, president of Pittsburgh, PA Branch 84, service in his postal uniform is as much about service as when he wore his military uniforms. Lee served five years in the Air Force and three in the Army National Guard.

"I believe veterans working for the USPS help keep the post office grounded in service to our country, customers and each other," Lee said. Among the "values I learned from my time serving my country [were] honesty, integrity, love for country..." he said, adding this now extends to love "for fellow carriers, customers and our union. I would not be the leader I strive to be each day without the service I have had to and for my country."

Upon joining the Veterans Group, all members receive a *Veterans Guide* and a lapel pin as a symbol of gratitude for their military service

and membership in NALC. The *NALC Veterans Guide* is a handbook full of valuable information for active and retired carriers who are veterans or are currently serving in a reserve component of the armed forces or in the National Guard.

The guide contains information about topics such as obtaining credit for military service for the purpose of retirement ("buying back time"), the rights of federal workers who are veterans, disability and on-the-job injuries and paid military leave for absences related to military service. An online version is available at nalc.org/veterans.

Veterans Group members also may purchase exclusive merchandise from the NALC store. To shop, go to nalc.org/store. All products are union-made in the USA.

Membership in the Veterans Group is open to any NALC member or Auxiliary member with past or current military service. To join, fill out the form below or go to nalc.org/veterans and fill out and print the membership form, then mail the completed application to: NALC Veterans Group, National Association of Letter Carriers, 100 Indiana Ave. NW, Washington, DC 20001-2144.

To recognize the veterans in our ranks who have joined the Veterans Group, the names of the 13,850 members as of Oct. 13 are listed in the following pages of this special Veterans Day issue of *The Postal Record*.

**You continue to serve your country—
THANK YOU!**

NALC Veterans Group

**Complete this form and mail it to:
NALC Veterans Group, c/o NALC,
100 Indiana Ave., N.W., Washington, DC 20001-2144**

Free
to join
