## QuickPoll

### [American Association for Dental Research \(AADR\)](#)

Each year network members attend the largest dental research meeting in the U.S., the Annual Meeting & Exhibition of the American Association for Dental Research (AADR), to present results from network studies. The AADR is a non-profit 501c3 professional society that exposes dental practitioners, academicians and researchers to the latest discoveries in oral health research. Currently, the AADR is reaching out to better serve network members who are not members of affiliate members of the AADR.

Please take a few moments to complete this [5-question quick poll](#) to help us in this pursuit.

More information about affiliate membership in AADR can be found at <http://www.iadr.org/aadr/join-renew>.
