

NCR XR7

State-of-the-art design combined with future-proof technology

The new NCR RealPOS XR7 transforms your POS station into a modern and elegant point of sale. The powerful system provides a high-performance platform for virtually all POS software applications.

More than 130 years of POS experience

The NCR RealPOS XR7 represents the latest advances in terms of design, functionality and flexibility in point-of-sale systems. With its ergonomic design, top-flight materials and high-quality electronics, the system is the result of more than 130 years of experience developing POS systems. The XR7 combines the elegance of consumer technology with the durability and reliability of professional industry standards.

Timeless and reliable

Thanks to the rugged diecast aluminum housing, the XR7 can withstand the toughest conditions of everyday use in today's hospitality sector. The flat and frameless display protects the internal components from dust and water. The integrated high-performance SSD provides fast and secure access to your data. Additionally, extensive testing along with the strict manufacturing standards of NCR ensure years of reliable operation. In addition due to the 18.5" display the top model offers more space to your applications and enables gesture control due to the capacitive touch.

Additional computing power and interfaces

The Intel® Q87 Express chipset in the XR7 provides an ultra high-performance basic system. The standard version of the POS system works with an Intel® Celeron® 1820TE processor with 2x 2.2 GHz. With the pre-installed 64-bit POSReady7 operating system, the 4GB DDR3 RAM and an 80GB SSD deliver their full performance.

The XR7 also comes with a cash drawer port, a serial RJ50 interface, two USB 3.0 ports, as well as three 12V and one 24V powered USB connections. A network connection, an HDMI, a display port and an audio output complete the offering of contemporary interfaces.

DELIVERY VOLUME

- NCR XR7 according to technical specifications
- External power supply

OPTIONAL ACCESSORIES

- NCR XR7 Stand Mount Kit (7702-K030)
- NCR XR7 VESA Wall Mount Kit (7702-K320)
- NCR XR7 RJ50 to DB9 Adapter Cable (1432-C337-0007)
- USB to Serial Converter (79-598)

PRODUCT HIGHLIGHTS

- Durable diecast aluminum housing
- True flat display (IP 65 rated)
- High performance based on Intel 4th generation processor
- State-of-the-art interfaces (USB 3.0, powered USB, HDMI and much more)

TECHNICAL SPECIFICATIONS

Technical specifications	
Display & touchscreen	15" display, 1024 x 768 pixels, resistive touchscreen or 18.5" display, 1366x768 pixels, with capacitive touch (PCAP)
Processor	Intel® Celeron® 1820TE processor (2M cache, 2.20 GHz) or Intel Core i5 processor
Memory	80 GB SATA solid-state 2.5" drive / 4GB DDR3 RAM
Dimensions	XR7 15" 380/303/54 mm (L/W/H); XR7 15" incl. Stand Mount 380/352/282 mm (L/W/H) XR7 18.5" without stand 496/303/68 mm (L/W/H) XR7 18.5" incl. stand 496/352/282 mm (L/W/H) XR7 stand footprint 308/223 mm (L/H)
Weight	XR7 15" without stand 3.7 kg XR7 15" incl. stand 6.3 kg XR7 18.5" without stand 6.5 kg XR7 18.5" incl. stand 10.2 kg
Interfaces	
Serial/RS-232	1 x RJ50
USB	2 x USB 3.0 (5V), 3x powered USB 2.0 (12V), 1x powered USB 2.0 (24V)
Cash drawer	1 x RJ12 (12V/24V), supports the connection of up to two cash drawers via Y-cable
Client display	1 x HDMI, 1x display port
Network	1 x Gigabit (10/100/1000 Mb/s) Ethernet
Audio	1 x audio line out (optional)
Additional features	
Operating system	Microsoft® POSReady 7 64-bit incl. pre-installed backup & recovery function
Warranty	2-year Care all-included; optional CareGold extension up to 6 years
