

**Transportation University**  
NDTA-USTRANSCOM Fall Meeting

St. Louis Union Station  
31 Oct – 3 Nov, 2016

**Title:** Transportation Policy – A Strategic Overview

**Abstract:** This class is designed at the following experience level for this topic - **intermediate**

How are Department of Defense (DoD) Transportation Policies generated and coordinated with the DoD Components, Federal Agencies, and the Transportation Industry? Capt. Ronald Black, L&MR (TP) will present an update on current DoD transportation initiatives and the policy development process. Areas covered in this session include airlift, sealift, surface, distribution/strategic mobility, personal property, postal, financial initiatives, metrics, and issuances, committees, groups and boards.

**Organization:** AT&L, L&MR – Transportation Policy

**Website:** <http://www.acq.osd.mil/log/TP/index.html>

**Instructor - Capt. Ronald Black, USN (ret) PhD.**

Dr. Black is the Logistics Management Specialist for AT&L L&MR, Office of the Secretary of Defense. He assists in the Coordination of DoD Surface Transportation policy issuances, third party payment systems, transportation financial policy, and associated systems. His Navy career included Deputy Director, DLA Energy Middle East, Commander, Defense Energy Support Center Pacific, and positions as a Navy Supply Corps Officer.

**Session POC:** Dr. Ronald L Black, Logistics Management Specialist, AT&L L&MR(TP), 571-372-5219
