President's Message

By the time you read this I will be in Africa on a trip planned before Covid.

Peter Cataldo has offered a wonderful selection of orchids to NHOS for sale at our Member Auction. Many of these are hard to find vintage varieties so there will be treasures for everyone. I am sorry to miss the Auction because it is always so much fun but I will have someone bidding for me so I will be there in spirit at least.

I great big thank you to Nancy Chase and Rudi Seitz for agreeing to do Hospitality.

The Massachusetts Orchid Society's Show, "A World of Orchids -The Amazon" will be held on October 21-23. We will need members to volunteer for set up on October 20, 2022 and teardown on October 23 after 4:00 PM and also members to provide plants for our exhibit.

I also want to remind everyone that dues were due in September. If you have not paid yet, please go online or bring a check to the October meeting.

I enjoyed Carrie's presentation and have rearranged by growing space to make it easier for me to follow her watering recommendations.

See you all in November.

Anita
