# DOI CASUAL HIRE TRAVEL PROCESS

# CASUAL HIRE TRAVEL EXPENSE REIMBURSEMENT CLAIMED ON THE INCIDENT TIME REPORT (OF-288)

All temporary duty travel for casual hired employees will be governed and processed in accordance with the General Service Administration (GSA) Federal Travel Regulations, DOI TDY Travel Policy, and the Temporary Duty Travel policies of the Indian Affairs Manual:

- Federal Travel Regulations (FTR) Chapters 300–General and 301–Temporary Duty (TDY) Travel Allowances
- DOI Decision Memorandum for the Principal Deputy Assistant Secretary Policy, Management and Budget (Waiver of E-Gove Travel Services [ETS] Requirements for Casual Hires
- Department of Interior Office of Wildland Fire (OWF) Travel Policy Memorandum 2016-04

Non-compliance with these regulations may result in a bill for collection issued to the casual employees.

#### TRAVEL REIMBURSEMENT METHODS

There are two methods for casual employees to claim allowed travel expenses; on the Incident Time Report, also called the OF-288, or the official electronic travel vouchering system.

# TRAVEL REIMBURSEMENT PROCESS

Under the terms of OWF travel waiver, hiring units should process casual travel for incident assignments utilizing the OF-288 whenever possible (this process does not apply for travel associated with casuals attending training or Rx assignments). Only the following items should be reimbursed utilizing the OF-288:

- Privately Owned Vehicle (POV) Mileage
- Per Diem M&IE, no receipts (limit 15 meals per incident)

The official electronic travel system (ETS) **must** be used for casual reimbursement under the following circumstances:

- Travel related lodging, baggage fees, parking, tolls, and laundry expenses
- Rental Car rented by Casual Employee
- All training and non-emergency related travel that can be planned and authorized in advance
- Any unusual or complex travel reimbursement claims (privately owned airplane mileage, RV rental space fees, extended duration, etc.)

A copy of the employee's OF-288 is required to be uploaded, with other documents and receipts, into the official electronic travel system for the period of travel.

Casual Employee Pay on the OF-288 will not be held for more than five business days at DOI Casual Pay Support Desk for pending travel reimbursement issues. When travel issues cannot be

resolved after initial contact, and one follow up by CPC; travel claims will be removed from the OF-288 and payment for work time will be processed. Home/hiring units will be notified in writing and travel will need to be claimed through one of the two systems when resolved by hiring unit.

When a casual has reimbursable expenses that are not approved for reimbursement on the OF-288 the entire travel reimbursement should be processed through the electronic travel system. Travel reimbursement *cannot* be split between the two systems; one or the other must be utilized for the complete trip or assignment.

#### RATES OF REIMBURSEMENT

Rates of reimbursement for per diem lodging and meals and incidental expenses (M&IE)] will correspond to the current rates posted on the GSA website at <a href="www.gsa.gov/perdiem">www.gsa.gov/perdiem</a>. The location of the incident determines the maximum per diem reimbursement rate. Use the Standard Rate for Incident Camps located in unlisted counties. First and last day reimbursements will be made at 75% of the applicable M&IE rate and must be adjusted for meals furnished to the casual by the Government. The following table shows the calculation for 75% of the per diem rates, as well as examples of calculating first and last day when meals are provided.

# 2022 M&IE Breakdown - STANDARD CONUS RATES

The location of the incident determines the maximum per diem reimbursement rate. First and last day reimbursements will be made at 75% of the applicable M&IE rate and all days must be adjusted for meals furnished to the casual by the Government. (See the above tables for examples calculating first and last day when meals are provided.)
- When meals are available at government expense, such as from a caterer, they must be deducted whether consumed or not including first and last days at 75%).

Lodging will be reimbursed at actual expenditure rates, not to exceed current GSA rates, and must beaccompanied by a receipt.

#### **PROCEDURES**

The type of expenses incurred will determine how the employee will be reimbursed for travel costs. If the casual has only travel expenses not requiring a receipt, it is mandatory for the reimbursement to be made through the OF-288. Hiring Officials/Units should process travel reimbursement requests on the OF-288 whenever possible. Hiring Officials/Units will process travel expenses that require a receipt (e.g., lodging, gas, etc.) through ETS. All receipts must be attached to the casual's OF-288 and submitted to and processed by the hiring unit.

# PROCESSING TRAVEL WHEN NO RECEIPTS ARE REQURED

When a casual incurs only M&IE and/or POV mileage the travel will be processed by the Hiring Unit. Reimbursement will be included with the payment of the OF-288 for Time and Attendance (T&A).

Casuals away from point of hire, will document daily POV mileage on the Crew Time Report (CTR). Reimbursable miles driven during the assignment should be posted to appropriate calendar dates. Return mileage will be posted to the last date of the assignment at the same number of miles as arrival unless the casual is reassigned to a different incident. The return mileage will be documented on the casual's final CTR. If necessary, miles can be determined using Google Maps or other mapping software.

Incidental expense allowances, separate from meals, may be posted as an individual entry for each calendar day, or as a lump sum combination of days. Incidental expense included in the M&IE total allowance do not need to be posted as a separate entry.

When ETS is not used to record time and adjustments for a casual, the hard copy form OF-288 (Box 18. Commissary and Travel section), the Approving Official Batch Memo, or Travel Worksheet should be completed to include reimbursement for these expenses. Go to <a href="https://www.nifc.gov/programs/casual-payment-center/cfc-forms">https://www.nifc.gov/programs/casual-payment-center/cfc-forms</a> for DOI Casual Pay forms.

Upon return or completion of assignment, hiring units will be responsible for processing travel for casuals using the electronic travel system or the OF-288. Hiring Units will continue to submit all original OF-288s to DOI CPC.
