Pursuant to Rule 1:43-2(b)(4), published with this notice are amendments to the Regulations of the Board on Continuing Legal Education (“Board”) as recommended by the Board and approved by the Supreme Court to be effective January 1, 2024. The Court’s October 17, 2023 order and the amendments to the regulations are attached. The amendments are summarized as follows:

BCLE Reg. 102:3 - expectation of good faith attendance and participation in both live and alternative verifiable learning format courses.

BCLE Reg. 103:1(a) - clarifying that an active attorney must meet the CLE requirement, whether or not practicing New Jersey law.

BCLE Reg. 103:1(b) - additional technologies qualifying as alternative verifiable learning formats.

BCLE Reg. 103:1(c) - clarifying that a course credit(s) relied on through reciprocity does not in turn make that course an approved New Jersey course and those courses do not appear in the course catalog.

BCLE Reg. 103:1(i) - additional definition of continuing legal education.

BCLE Reg. 103:1(j) - allowing for a minimum of ½ of one credit for a course.

BCLE Reg. 103:1(l) - clarifying the definition of inactive attorney.

BCLE Reg. 103:1(n) - live instruction is further defined to include instruction through live classroom instruction and simultaneously broadcasting through an alternative verifiable learning format where the off-site attendees can interact with the instructor during the presentation of the course and a defined period or format is allocated for questions, comments, or group discussion.

BCLE Reg. 103:1(r) - courses on substantive law topics generally do not qualify as courses on professionalism, except as otherwise provided.

BCLE Reg. 103:2 - documents filed shall be on forms or applications provided by the Board and accessed on the webpage on the Judiciary's website.

The overall requirement is increased to 16 total credits in a minimum of 6 New Jersey new admit law subjects. In addition, all newly admitted attorneys must take at least 1 credit in New Jersey attorney trust and business accounting fundamentals. General courses in trusts, estates, business law, and accounting not related to a New Jersey attorney's ethical

obligations regarding attorney trust and business accounts do not meet the requirement of this newly admitted attorney subject area.

Newly admitted attorneys with a plenary license who must report compliance with the New Jersey newly admitted attorney requirement in any reporting period occurring after the 2024 compliance reporting period are required to obtain at least one credit in New Jersey attorney trust and business accounting fundamentals.

BCLE Reg. 201:3 - clarifying the definition of credit carryover.

BCLE Reg. 201:4 - through reciprocity, the amount of credit available is the credit amount awarded in the other mandatory CLE jurisdiction and cannot be converted into New Jersey's 50-minute credit calculation. In addition, diversity, inclusion, and elimination of bias (DIEB) credits are only available through reciprocity if the other mandatory jurisdiction providing this coursework also mandates that its licensed attorneys take DIEB course credit.

BCLE Reg. 201:6 - credits for Joint Unified Mentor Program participation.

PART TWO: CONTINUING LEGAL EDUCATION REQUIREMENTS

REGULATION 201. Continuing Legal Education Requirements of Lawyers.

201:1. Mandatory requirements. ... no change

201:2. Additional mandatory requirements for newly admitted lawyers. By the end of a newly admitted lawyer's first two-year compliance period after admission to the Bar of New Jersey, the newly admitted lawyer must satisfy [fifteen] **sixteen** of his or her required credit hours in [any] **at least six** [five] of the following [nine] **twelve** subject areas: New Jersey basic estate administration; New Jersey basic estate planning; New Jersey civil or criminal trial preparation; New Jersey family law practice; New Jersey real estate closing procedures; New Jersey **attorney** trust and business account[ing] **fundamentals**; New Jersey landlord/tenant practice; New Jersey municipal court practice; [and] New Jersey law office management; **New Jersey administrative law; New Jersey labor and employment law; and New Jersey workers' compensation law.** **Of the minimum six required subject areas, the newly admitted lawyer must earn at least one credit in New Jersey attorney trust and business account fundamentals.** [A lawyer who has completed at least the first full year's requirements of the Skills and Methods Course will be considered to have met the additional requirements for a newly admitted lawyer.]

201:3. Carryover. No more than a total of twelve **previously unallocated** credit hours may be carried over to a subsequent compliance period.

201:4. Reciprocity. Except for the courses required under **BCLE** Reg. 201:2, all active lawyers will receive 1:1 credit for courses approved as satisfying the continuing legal education requirements of any other **mandatory CLE** jurisdiction, so long as they [comply with] **do not violate** any course

accreditation restrictions in New Jersey. **As such, the attorney relying on reciprocity will be awarded the amount of CLE credits awarded by the other jurisdiction.** Lawyers complying with requirements in other states that do not have an ethics/professionalism requirement nevertheless must satisfy the ethics/professionalism requirement set forth in BCLE Reg. 201 to be considered in full compliance with New Jersey's CLE requirement. **In order to meet the requirement for diversity, inclusion, and elimination of bias ethics credit through reciprocity, the course being relied upon through reciprocity must be approved in another mandatory CLE jurisdiction that has such requirement. Courses taken in this subject area in another mandatory jurisdiction that does not have such requirement will not be accredited through reciprocity or through individual attorney course accreditation applications.**

201:5. Certified attorneys. ... no change

201:6. Teaching CLE. A lawyer who teaches an approved course designed principally to maintain or advance the professional competence of lawyers and/or expand an appreciation and understanding of the ethical and professional responsibility of lawyers, and/or teach law to non-lawyers is entitled to twice the credit hours authorized for that portion of the course taught by the lawyer claiming teaching credit. Teaching credit for the same course offered more than once during a compliance period shall be claimed only once during each compliance period. Nevertheless, customary credit will be allowed for the teacher's attendance at the same course for any second or subsequent course taught during that compliance period. Law school professors and instructors shall not be awarded CLE credit for teaching full or part-time law students. No more than six total credits of CLE can be obtained in any one compliance period for participation in moot court or mock trial educational activities. **In addition, no more than six total credits of CLE, of which two may be considered professionalism credits, can be obtained in any one compliance period for participation in any program modeled after the Joint Unified Mentor Program sponsored by the New Jersey Commission on Professionalism in the Law and approved by the Board for mentors and proteges that are unaffiliated through partnership, law firm, corporation or governmental entity or through a close family or blood relationship.**

Lawyers who reside in, work in, and are licensed in a mandatory CLE jurisdiction that allows for 100% of CLE courses to be taken through alternative verifiable learning formats shall, through reciprocity, be able to satisfy their CLE obligation in New Jersey through 100% alternative verifiable learning formats.

(b) Lawyers who do not reside or work on a regular and continuous basis in New Jersey or **reside and work** in another mandatory CLE jurisdiction for the entire compliance period or who are medically certified as unable to attend live courses: Courses taken through alternative verifiable learning formats, if approved for CLE course accreditation, may account for 100% of the credit hours required in a compliance period; provided, however, that this shall apply only during such time as (i) the lawyer does not reside or work on a regular and continuous basis for the entire compliance period in New Jersey or **resides and works** in another mandatory CLE jurisdiction or (ii) a licensed physician certifies to the Board that the lawyer is unable to attend live courses.

REGULATION 202. Exemptions, waivers, extensions of time, undue hardship.

202:1. Exemptions.

(b) Attorneys who are serving on a District Ethics Committee of the Supreme Court of New Jersey shall be deemed to have satisfied two hours

of credit towards the ethics/professionalism requirement during each year of any continuing legal education compliance period in which they serve on a District Ethics Committee.

202:2. Waivers/undue hardship. The Board, in its discretion and for good cause appearing, may waive the mandatory CLE requirements of Rule 1:42 and these regulations for such period as the Board may determine, upon a finding of the Board, by clear and convincing evidence, of either (a) undue hardship, or (b) circumstances beyond the control of the lawyer that prevent the lawyer from complying in any reasonable manner with the CLE requirement. An application for a waiver shall be in writing addressed to the Board, with payment of the requisite fee, shall be certified as true under penalties of perjury, and, at a minimum, shall set forth: the reason(s) the lawyer cannot comply with the minimum requirements of these regulations; the efforts the lawyer made to comply; and a plan for compliance during the waiver period or upon termination of the waiver period. **To obtain a full waiver or a waiver of the live instruction requirement based on undue hardship related to severe medical condition or physical disability, the applicant must submit a statement from a state licensed medical provider providing that the attorney cannot complete some or all of the required CLE during the compliance period or cannot complete some or all of the live instruction portion of the CLE requirement.** A waiver may be extended upon a written and certified application to the Board and subsequent Board approval. Upon expiration of the waiver, the Board may impose such additional CLE requirements upon the lawyer as it deems appropriate.

202:3. Extensions of time. ... no change

PART THREE: COURSE ACCREDITATION AND APPROVAL

REGULATION 301. Course Accreditation standards and requirements for course approval.

301:1. Course accreditation standards. The Board shall approve CLE consisting of approved education activities or approved courses that satisfy, at a minimum, the following standards:

- (a) the approved education activity or approved course must have significant intellectual, educational or practical content, and its

primary objective must be to increase each participant's professional competence and proficiency as a lawyer;

(b) the course or activity shall constitute an organized program of learning dealing with matters directly related to the practice of law, professional responsibility, professionalism, or ethical obligations of lawyers, **including those courses that meet the definition and content of the diversity, inclusion, and elimination of bias requirement;**

(c) CLE materials are to be prepared, and approved educational activities or approved courses are to be conducted by an approved service provider or a per-course approved provider qualified by practical or academic experience for a traditional CLE course in a setting suitable to the educational activity of the program and, when appropriate, equipped with suitable writing surfaces or sufficient space for taking notes; and,

(d) thorough, high-quality, and carefully written materials are to be distributed to all attendees at or before the time the approved education activity or approved course is presented. These may include written materials printed from a computer presentation, computer website, [or] CD-ROM, **or other technology enabling the attendee to view the course materials.** A written agenda or outline for a presentation shall satisfy this requirement when written materials are not suitable or readily available for a particular subject. The absence of written material, however, shall be the exception.

Notwithstanding the foregoing, any CLE activity or course that is approved for credit by any state that also requires mandatory continuing legal education for its Bar presumptively shall be deemed approved by the Board, **unless specifically excluded by these regulations.**

301:2. Fees, recordkeeping and record retention requirements.

... no change

301:3. In-house continuing legal education activities. ... no

change

301:4. Law school CLE and other degree programs. Law school courses offered by a law school accredited by the American Bar Association, other than those tailored to the completion of a law degree, and which otherwise comply with these regulations shall qualify for credit. **Educational courses taken to satisfy a degree program, such as an L.L.M. or M.B.A., are not considered CLE courses.**

301:5. Hybrid programs. ... no change

301:6. Access. ... no change

301:7. Presumption against approval. ... no change

301:8. Proof of attendance and Certificates of Attendance for live classroom instruction. Sign-in/sign-out sheets designating attendance **and/or bar code scanning** at an approved course shall be maintained by the provider thereof, and **New Jersey** certificates of attendance **approved by the Board** shall be provided to all attendees within thirty calendar days of successful completion of the approved course.

301:9. Alternative verifiable learning formats. Any course offered under an alternative verifiable learning format must have a reliable method of verifying and recording lawyer attendance to qualify for accreditation, as determined by the Board in its discretion. Pursuant to **BCLE Reg. 301:8**, the provider shall provide to the active lawyer a **New Jersey** certificate of attendance **approved by the Board** confirming successful completion of the approved alternative verifiable learning format course only upon verification that the course in fact was completed.

301:10. Timeliness. ... no change

301:11. Compliance obligation. Before beginning a course, it is the lawyer's sole and exclusive responsibility to ensure eligibility for **CLE** accreditation of the course of study.

301:12. Per-course approval. On an individual program basis, CLE activities may be approved upon [the written] application of a per-course service provider, other than an approved service provider, or an active lawyer on an individual program basis. If approval of a course is requested in advance by a per-course service provider, the application and supporting documentation

[, including two substantially complete sets of written materials to be distributed at the course or program,] shall be submitted to the Board at least thirty days prior to the date the course is scheduled. [If approval of a course is requested by an active lawyer in advance, the application need not include a complete set of written materials.] If approval of a course is requested by either a per-course service provider or an active lawyer after the course has been presented, the application and supporting documentation [, including a substantially complete set of written materials distributed at the course or program,] shall be submitted no later than thirty days after the date the course was presented. **For lawyers making an individual application for course accreditation, a representative sample of the written materials or a table of contents shall be submitted with the application.**

301:13. Procedure for approval. All applications for approval of an [approved] educational activity or [approved] course must be submitted [on a form furnished by] to the Board in a manner prescribed by the Board. The submitted application must contain all information requested [on the form], and [the] any representations made [on the form] must be certified pursuant to Rule 1:4-4(b). Each application shall be accompanied by a course outline or agenda and brochure that describes the course content, identifies the teachers and their background, lists the times devoted to each topic, and shows the date and location of each course offering [, together with copies of all applicable course materials appended]. The application also shall include a detailed calculation of the total number of minutes of general CLE [hours and hours] and minutes of ethics/professional responsibility/professionalism for which approval is sought.

REGULATION 302. Approval of service providers or per-course approval.

302:1. In general. A provider may seek either approved service provider status or seek credit for individual courses on a per-course basis. The following are eligible for “approved service provider” status from the Board: local, state and specialty bar associations; for profit and nonprofit legal education providers; Inns of Court; educational institutions, including but not limited to law schools accredited by the American Bar Association; professional education entities, and in-house providers, including law firms, profit and nonprofit corporations, public service organizations, and governmental entities. Providers seeking either approved service provider

status or individual course accreditation shall meet the course approval requirements established in BCLE Reg. 301.

302:2. Standards for approved service providers. ... no change

302:3. Application procedure. An application for accreditation as an approved service provider shall be made by submitting the appropriate fully completed **[form] application and required documentation** and paying the required fee as set by the Board.

302:4. Effect of approval as an approved service provider; reporting obligations. Once a person, entity, organization or association is granted approved service provider status by the Board, its continuing legal education activities or courses are presumptively accredited and no separate application must be made to the Board for course approval. Approved service providers shall file with the Board, by no later than January 15 and July 15 of each year, a report describing in detail the CLE activities it conducted during the prior six months. Approved service providers also shall file with the Board, prior to the presentation of any CLE activity or course, but no later than 30 days after the presentation of the course, an on-line course announcement of such CLE activity that shall specify, among other things, the areas of law covered in the activity or course **a detailed course description, including information regarding any ethics/professionalism topics, including those on diversity, inclusion and elimination of bias, and/or any New Jersey new admit categories** and the **[credit hours] minutes of instruction** claimed for the activity or course. **In addition, all appropriate law codes shall be listed.** **[All filings under this regulation shall be on forms provided by the Board.]**

302:5. Continuing review. The Board retains the discretion to evaluate any activity or course offered by an approved service provider and, upon the Board's preliminary determination that the educational activity or course does not satisfy the standards for course approval, the Board may notify the approved service provider that any future presentation of the deficient program will not be approved for credit. Any such notice of disapproval shall be sent by the Board to the approved service provider **[no later than forty-five days] within a reasonable time** after the Board's receipt of the announcement of the course offering. The approved service provider may request reconsideration of the Board's decision by submitting a letter of appeal to the Board within fifteen days of the date of the Board's notice of disapproval. An approved service provider's failure to appeal timely any disapproval by the

Board renders that disapproval final, and any decision of the Board on an appeal also is final.

302:6. Term of approval; renewal; procedure. Save for any earlier revocation by the Board, the grant of accreditation as an approved service provider shall be valid for a period of two consecutive years from the date of the grant. A grant of accreditation as an approved service provider may be continued for **[an]** additional, consecutive two-year **periods [period]** upon the filing of a new and fully completed application and payment of the required fee before the expiration of the approved service provider's current accreditation period. The Board, in its discretion, shall determine if there are any pending or past breaches of Rule 1:42 or these regulations and the Board may condition continuation of approved service provider status on the satisfactory completion of such additional requirements or conditions as the Board, in its discretion, may specify. If an application for renewal is not filed before the expiration of the approved service provider's accreditation period, the approved service provider's status will terminate automatically at the expiration of the earlier approval. Any renewal application received thereafter instead shall be considered by the Board as an initial application for approved service provider status.

302:7. Revocation. ... no change

302:8. Financial hardship. ... no change

302:9. Standards for per-course approved service providers. A provider of CLE activities or courses that has not qualified as an approved service provider or an active lawyer may apply for course accreditation of a single CLE activity or course on **[a form] an application** provided by the Board, which **[form]** shall include, at a minimum, **the name of the provider, a detailed description of the [provider] course content, including ethics/professionalism/professional responsibility, diversity, inclusion and elimination of bias topics, and/or new admit law categories, if any, [the course, the course materials,] a timed agenda, and the advertisement or brochure related to the course [and] or any other information requested by the Board [the lectures]. All appropriate law codes shall be listed in the application.** An application for per-course approval should be submitted prior to the presentation of the course, but in **[no] any event any application submitted** later than thirty days after the presentation **will be assessed a late fee as determined by the Board.** Applications for per-course approved

service providers must comply with the course accreditation standards and requirements of BCLE Reg. 301, the fees, recordkeeping and record retention requirements of BCLE Reg. 301:2, **the application procedures of BCLE Reg. 301:3**, the recordkeeping and filing requirements of BCLE Reg. 302:4, the continuing review requirements of BCLE Reg. 302:5, and the financial hardship requirements of BCLE Reg. 302:8 [302:6]. **Courses approved on a per-course basis are valid for one year from the date of approval.**

302:10. Required notice. When a CLE activity or course has been accredited or the CLE activity or course is offered by an approved service provider, the approved service provider or the per-course approved service provider, as the case may be, shall set forth prominently in its brochures and/or registration materials the following: “This program had been approved by the Board on Continuing Legal Education of the Supreme Court of New Jersey for ___ hours of total CLE credit. Of these, _____ qualify as **total** hours of credit for ethics/professionalism, **including hours in diversity inclusion, and elimination of bias.** **In addition, the provider may denote that the course qualifies for [and] _____ [qualify as] hours of credit toward certification in civil trial law, criminal trial law, workers compensation law, municipal court law, and/or matrimonial law.**”

PART FOUR: COMPLIANCE

REGULATION 401. Confirmation of compliance by lawyers; audit; fees; compliance reporting groups.

401:1. Compliance obligation. Every lawyer subject to the mandatory requirements of BCLE Reg. 201:1 or 201:2 shall keep and maintain a record of CLE course attendance for a period of **at least** three years from the date of attendance, regardless of the person, entity, organization or association that offered the CLE course or the format in which the CLE course was offered. At the end of each compliance period and subject to the provisions of BCLE Reg. 401:2, every lawyer subject to the mandatory requirements of BCLE Reg. 201:1 or 201:2 shall certify to the Board, as provided under Rule 1:4-4(b) [and] on the Annual Attorney Registration **and Billing** Statement (or on such other form as provided by the Board), the lawyer’s compliance with the mandatory requirements of BCLE Reg. 201:1 or 201:2. The Board retains the right to audit any lawyer’s compliance with the mandatory requirements of BCLE Reg. 201:1 or 201:2. Every lawyer subject to the mandatory requirements of BCLE

Reg. 201:1 or 201:2 shall cooperate in any such audit and shall reply in writing within thirty days of receipt of a request for information, producing proof of compliance. Where a lawyer is unable to provide to the Board the requested information in writing within thirty days, the lawyer shall, within that time, inform the Board in writing of the reason that the information cannot be so provided and shall give a date certain when it will be provided. A failure to cooperate under BCLE Reg. 401 may qualify as a violation of RPC 8.1(b). Lawyers, at the discretion of the Board, may also be assessed certain fees to assist in the funding of the continuing legal education program.

401:2. Compliance reporting groups. Each active lawyer is permanently assigned to one of two compliance groups for CLE purposes, with one group reporting each year. Those whose birthdays are during the period from January 1 through June 30 must certify their compliance on the Annual Attorney Registration **and Billing** Statement (or on such other form as provided by the Board) of each even numbered year next following the completion of a compliance period (Compliance Group 1); those whose birthdays are during the period from July 1 to December 31 must certify their compliance on the Annual Attorney Registration **and Billing** Statement (or on such other form as provided by the Board) of each odd numbered year next following the completion of a compliance period (Compliance Group 2).

401:3. Transitional reporting requirements. ... no change

401:4. Reporting requirements for newly admitted lawyers. Commencement of the compliance reporting period for newly admitted lawyers is deferred until January 1 of the year immediately following admission to the New Jersey Bar. Newly admitted attorneys automatically will be assigned to a compliance group based on their respective birthdays, as provided in BLCE Reg. 401.2. For all newly admitted lawyers whose first compliance report must be made in an even-numbered year, those in Compliance Group 1 will have a transitional reporting requirement and will be required to report on the Annual Attorney Registration **and Billing** Statement due in that first compliance reporting period only one-half of the mandatory CLE requirements. For all newly admitted lawyers whose first compliance report must be made in an odd-numbered year, those in Compliance Group 2 will have a transitional reporting requirement and will report one-half of the mandatory CLE requirements on the Annual Attorney Registration **and Billing** Statement in that first compliance reporting period.
