

The IN and ICI invite you to the <u>3rd NLP & Coaching World Congress</u> from the 27th till 30th of April 2012 in Croatia

and the 3 post workshops from April 30^{th} to May 1^{st}

EmotionScience

Coaching - finding real solutions NLP - the best methods for coaching Psychology - the science behind it

The effectiveness of NLP & Coaching is based on Emotion and Science. NLP as applied Psychology for your work and your everyday life. The hero's journey is an integral part of the world congress. Progressing by Congressing: This congress is dedicated to the potential of the participants, NLP and Coaching. The hour of birth of Neuro-Linguistic Psychology.

The emphasis is put on the practical feasibility of the congress' content for day-to-day and professional life interaction. After 40 years of NLP-development, it is time to make the step from programming to psychology. This congress will write NLP history. The IN and ICI invite you to attend this extraordinary congress in order to develop your full potential and for rich, intense and practice oriented inspirations for sustainable success, health and happiness in your life.

You may find all the details concerning the prices, the congress hotel, the after- congress events as well as the online registration form here: <u>www.nlp-worldcongress.net</u>

The Congress fee is 420 € and includes 5 meals. The fee for the post workshop is 190 €.

Directly after the congress, from April 30th 4 pm to May 1st 5 pm you may attend the unique and famous <u>"Vision Training"</u> by Leo Angart from Hong Kong, the workshop, the deepening of the <u>"Hero's Journey"</u> based on the Congress experiences by the Inspirator Team and the workshop by Daniel Bichis from Rumania: Clean-up your emotional baggage with <u>SmartEmotions®</u> More: <u>www.nlp-worldcongress.net</u>
