

Logitech®

PC Headset 860

Rich sound quality with comfort and convenience

The Logitech® PC Headset 860 stereo headset features a comfortable, adjustable and lightweight headband designed for comfort even when wearing it for prolonged periods. The rich, full-range stereo delivers clear sound for music, calls or any audio content. Convenient in-line controls allow easy adjustment of the volume and microphone mute. The noise-canceling microphone filters unwanted background noise, and can be adjusted to the optimal position for clearer conversations. The boom microphone rotates out of the way when not in use. Set-up is easy and fast; simply plug in the 3.5mm audio jack. Ships in a business pack ideal for system builders, integrators and value-added resellers.

- Stylish, adjustable over-the-head design for a comfortable fit that won't slip off.
- Ultra-soft earpad, flexible and lightweight design ensures all-day comfort.
- In-line volume or mute controls for easy and precise control.
- Adjustable boom microphone for precise positioning.
- Noise-canceling microphone filters background noise for clearer conversations.
- Full-range stereo headphones deliver clear sound for music and calls.
- White-box business packaging is easy to ship, store and recycle.
- 3 -Year warranty.
