

# BacPac Printer XL

14.0" - 17.3"

## Backpack for Notebook, printer or cameras and other mobile devices

You can now carry your office around in comfort with the robust BacPac Printer XL rucksack. Simply pack away your 17.3" Notebook and your HP or Canon printer and you are ready to go. The effective cushioning surrounding the Notebook and printer compartments (dimensions printer compartment: 400 x 370 x 55 mm) ensures that mobile equipment is given perfect protection. Due to the flexible dividers that are supplied, the printer compartment can also be used to transport cameras, mobile devices and other accessories. In addition, both compartments are lockable. A flexible fastening strap offers additional support to your Notebook whilst on the move. Printers are given optimum support with DICOTA's optional ABS Printer Inlays, suitable for HP DJ 460, HP Officejet H470, Canon i80, iP90 and iP100 mobile printers (other printers on request). Your Notebook and printer can be connected via openings in the divider panels on the rucksack's interior. A mobile phone, business cards and pens can be stored in the front pocket and are always within easy reach. Documents can be easily stored in a two-section A4 paper compartment. Its size and individual compartments enable it to perform everything a Notebook case does, but the BacPac Printer XL can be carried very conveniently on your back. Padded, adjustable shoulder straps and breathable back cushioning offer additional comfort when carrying it. It's the perfect companion for use with your customers on site!

Art. Nr.: N25588N (black/grey)
