On December 4, 1986, a revision to the Security Training and Qualification Plan for Grand Gulf Nuclear Station (GGNS) was submitted via Reference 1. That revision was mistakenly designated Revision 1. A revision of the subject plan designated as Revision 1 had been previously submitted on July 24, 1981 via Reference 2.

As discussed with Ms. Cynthia Perney of the NRC Region II office on January 9, 1987, System Energy Resources, Inc. (SERI) is withdrawing the revision of the Security Training and Qualification Plan submitted via Reference 1. The withdrawn version of the plan will be revised and resubmitted at a later date.

In the interim GGNS will operate in accordance with Revision 0 of the Security Training and Qualification Plan submitted to the Nuclear Regulatory Commission by letter dated March 11, 1981 (Reference 3) as revised by letter dated July 24, 1981 (Reference 3.)
