# NSTRA MEMBERS - Important things to remember!

## Reminders – check back often!

National trials are the responsibility of the National Officers with input from the Board of Directors and the local co-chairs of national trials. Criteria for entry, which may be subject to change, for the original 5 National Trials is available in the reference section of the Rule Book beginning on page 41, Section 11. If a particular national trial is subject to changes in the entry criteria, there will be notice provided on the official entry form, in the magazine, on the national website, and/or by email if available.

To enter a national trial, you may submit a hard copy official entry form and payment, OR you may scan and email an official entry form with payment information, OR you may send by facsimile and official entry form with payment information, OR you may enter and pay on-line on the website. NO EXCEPTIONS.

Please note that additional new national trials may be added from time to time and do not yet appear in the current Rule Book. Please contact your National Officer Representative or the National Office staff for additional information regarding such trials. The current list of National Trials is as follows:

**QUAIL FOREVER**, formerly known as Quail Invitational. This is a revolving trial generally held in February.

**TRIAL OF CHAMPIONS**. This trial is held in Amo, Indiana, in April.

**NATIONAL AMATEUR TRIAL OF CHAMPIONS**. This trial is held in Amo, Indiana, in April.

**UKC PERFORMANCE TRIAL**. This trial is a revolving trial generally held in June.

**PURINA ENDURANCE CLASSIC**. This is revolving trial generally held in September:

**DOG OF THE YEAR**. This trial is held in Amo, Indiana, in October.

## TOP PERFORMANCE AWARD:

To be eligible:

\*Dogs must have at least 20 open points accumulated in weekend trials between June 1 through May 31 of the applicable year. Once a dog is eligible, a schedule of scoring is applied based on the results at regional elimination trials and National Trials

\*The Performance Trial will be the beginning national trial each year, even if it ends prior to June 1 in order to keep the number of national trials the same each year.

\*The Regional Elimination trial results used in calculating Top Performance Awards is the regularly scheduled regional elimination championship in the qualifying year/season (only one regional can count per year). Regionals scheduled or rescheduled to be held after June 1 will apply to the previous year. Each regional elimination will have a point value of 600 points. The value will drop 25 points per placement until the last dog or points run out (1 – 600, 2 – 575, 3 – 550, etc.). The placement for the regional eliminations is determined by the score of the last round in which the dog ran. In addition, 100 points will be awarded to the Champion, 75 for the second-place dog, 50 for the third and 25 for fourth.

\*The National Trials results are calculated as follows: A dog must place in the top 32 dogs to receive a qualifying score from that trial. Each national trial will have a point value of 800 points. The value will drop 25 points per placement throughout the Saturday cut (1 – 800, 2 – 775, 3 – 750, etc.). The placement for the national trial is determined by the score of the last round in which the dog ran. In addition, 100 bonus points will be awarded to the Champion, 75 for second place, 50 for third and 25 for fourth.

## HALL OF FAME NOMINATIONS:

Hall of Fame nominations will be accepted in a rolling calendar throughout the year. Send these nominations to the nation office, or to a national officer no later than March 31 of the year in which a dog is to be considered. Nominations of dogs to the NSTRA Hall of Fame are NOT “carried over” to following years. Plainly stated, a dog that does not get elected to the Hall of Fame in the year nominated must be re-submitted in order to be considered for election. The National Officers, in concert with the Board of Directors, make selections to the Hall of Fame each April.

## TRIAL SCHEDULES:

Fall/winter trial schedules are due in the office by May 1. Spring/summer trial schedules are due in the office by Nov. 1. All trials must be published on the website 4 weeks prior to their running.

## SANCTION FEES:

Trial sanction fees are required BEFORE a trial packet is mailed and before a trial may be “approved” in the system. Please pay all sanction fees at least 4 weeks prior to your trial date to ensure prompt mailing of the packet and to ensure that the trial may be drawn in a timely manner.

## TRIAL REPORTS:

Trial reports and results should be entered into the trial draw system as soon as possible after a trial and no later than 10 days after the trial date. Overall results will not be approved until the reporting is complete. First place points and championships will not be confirmed or awarded until the reporting is complete. (This includes receipt of all registration paperwork for placing dogs.)

## HOME REGION:

Members requesting a change of Home Region must do so, in writing, through the National Office between the dates of October 1 and January 1.

\*Exception: A member who permanently relocates to within the boundaries of a Region, other than their Home Region, may make written application to the NSTRA office at any time to request a change in their Home Region.

## ASSOCIATE MEMBERSHIPS:

Associate memberships are available to members' spouses and children 18 years and under, still living at home. There must be at least one regular paid membership in the household to qualify. Associate members have the same rights as regular members with respect to participating in field trials (e.g., owning dogs, handling dogs, judging, bird planting, etc.). Associate member may not vote in any regional or national elections including rule or by-law changes, they cannot hold an office, and they do not receive a magazine.

## Important things to remember

(continued from previous page)

### **RULE CHANGES:**

Proposed rule changes or new additions shall be submitted sixty (60) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

### **CONSTITUTION/BY-LAW CHANGES:**

All proposed amendments to the Constitution and By-laws shall be submitted to the National Officers at least ninety (90) days prior to the first day of the Trial of Champions and/or the Dog of the Year trial.

### **REGION HIGH POINT:**

Points earned in the qualifying rounds of a Regional Elimination or a Championship trial DO count towards the region's high point competition. Points earned in the finals of above trials DO NOT count towards the region's high point.

### **OWNERSHIP CHANGE:**

Once a dog takes a NSTRA placement, any subsequent ownership changes must be sent to the NSTRA office. Please send a copy of new registration papers with the new owners' names to the office. The date of transfer will be the date shown on the registration papers.

### **UNREGISTERED DOGS:**

As of June 1st a dog cannot run in a NSTRA trial without a system-generated dog profile or record. A trial coordinator cannot create the record. National staff or officers can only create the record once registration papers are received in the NSTRA office. In addition, there remain many "unapproved" dogs in the system. Unapproved dogs shall not be entered to run in trials until proper paperwork is received and appropriate action to create the record is completed. This can either be submitted by the owner or the trial chairman. We will accept copies by fax (317-839-4197), e-mail (office@nstra.org), or a photocopy by regular mail.

### **NSTRA DISTINGUISHED MEMBERS:**

The NSTRA Distinguished Members award honors those extraordinary men and women whose contributions and achievements significantly helped develop, or continued to improve, the National Shoot to Retrieve Field Trial Association, Inc. This award will be presented annually at the Dog of the

Year banquet. Nominations may be submitted at any time to the staff at the national office, to a National Officer, or to the current chair of the Distinguished Members Committee. A short description of the individual and their contributions to NSTRA should be sent to the national office. A picture of the individual should be included, if available. Contact the NSTRA office for a list of criteria. The committee will review all Nominations and verify contributions. Decisions will be made not only by the information submitted but by any other information collected. The committee will make their decision by the April Board of Directors' meeting. A permanent plaque will be located at the NSTRA office with a smaller plaque awarded to the individual or their family if deceased.

# Letter from the President

Happy New Year! With the Holiday season in the rearview mirror, we begin anew with the year of the rabbit...and just like that...spring trialing is just about to pop out of the holes of hibernation following the next winter storms. Much of the country experienced a December 2022 that had bitter cold temperatures, snow squalls without end, and high winds – all this combined to create travel problems and limited dog training for many. Stalwart hunters in the west and midwest chased birds in the uplands no matter the weather.

Late supporter, past president and friend to many, Joe “Butch” Jackson 78, of Brownsburg IN, passed away December 18, 2022. Almost 30 years ago, he became interested in field trialing and joined NSTRA in 1994; he was elected as NSTRA president in 2010. Many of us were fortunate to see him in October at the 2022 Dog of the Year Awards Ceremony and dinner. Butch was one of three outstanding individuals honored as Distinguished Members of NSTRA. The other two honorees were Gary “Doc” Ramsey (South Carolina Region) and Mikeal Mulberry (Kentucky Region). Each of these men served NSTRA and contributed in a myriad of ways to improve our organization. Congratulations!

Inducted into the Hall of Fame 2022 at the October event were: TOMOKA'S SMOKIN GUN “JAKE” owned by Greg Wood and Jim Kirkman; RUCKS BROCKWAY MAD DASH “DASH” owned by Tom Rotundo; and, Double R Streak “STREAK” owned by Brandon Ralston. This year’s inductees exemplified the qualities articulated in the Hall of Fame criteria. Congratulations!

NSTRA awarded four NSTRA Scholarships this year to: Megan Murray \$3000.00 (Mid South) Emma Brock \$2500.00 (Kentucky), Zoie Brown \$1000.00 (Kentucky), and Statton Mantz \$1000.00 (West Texas-Oklahoma). Congratulations to four outstanding young individuals as they demonstrated scholarship, community service, and interest in NSTRA through excellent applications. Good luck in school and we hope to see you handling a dog in the future. The 2023 and 2024 UKC PERFORMANCE CLASSIC was awarded to Rock Creek Field Trial Association, Waverly, NE. This trial will be held, May 31, 2023 thru June 3, 2023. Rock Creek Field Trial Association was the only application submitted.

The 2023 and 2024 Purina Endurance Classic was awarded to The Iowa Gun Dog Association, Osceola, Iowa. This trial will be held September 6, 2023 thru September 9, 2023. Two applications were submitted: Rock Creek Field Trial Association and Iowa Gun Dog Association.

Trials reports continue to be submitted with errors. The most common is expired memberships. There are two ways to ensure all memberships are up to date. First, in the trial packet the region membership roster includes expiration date. The second is, once a trial is drawn, by clicking on the details tab of trial will indicate whether the member is delinquent whether a region member or not.

Let's make 2023 a Great Year!

Bill Sumpter

- Be responsible for enforcing trial rules and receiving complaints from participants.
- Ensure that standby dogs are available when the need arises.
- Ensure that the bird field has been cleaned prior to the start of the trial.
- Ensure that dog owners or handlers running more than one dog do in fact run the dog drawn in the brace specified.
- In the case of entry cancellations, determine what option to use to fill the vacancy.
- Ensure that the bird handler is prepared to release birds for each upcoming brace and that he or she has the correct number of birds for the specified brace.
- Ensure that the bird handler is wearing gloves at all times when birds are being handled.
- Ensure that dog and handlers and gunners are behind a blind prior to birds being released for their brace
- Check all vests before handler/gunner leave the blind.

- At least one judge and/or the field marshal should observe the bird handler releasing the birds.
- Ensure that all participants including judges are wearing blaze orange prior to entering the bird field.
- Ensure that no more than six people, including judges, enter the bird field at one time.

- Collect all dead birds from the judges and ensure that they are disposed of properly.
- Have all participants signed the official score card within twenty-five minutes after completion of their brace.
- Unless under protest, post brace scores after participants have signed score cards or after twenty-five minutes has elapsed since completion of each brace, whichever occurs first.
- If it is determined that a participant has consumed an alcoholic beverage prior to their brace, make a determination as to allowing the participant to have a gunner or having their dog scratched

## NW FALL TRIALING

**Greater Columbia PDC fall Chukar Classic**

This year the Greater Columbia PDC fall Chukar Classic was held near Goldendale, Washington on September

23-25. With all events at the Buckhorn ranch near Condon shut down, our club was on the lookout for a suitable site. NW member and friend Jeff Kopp had been telling me of a possible site near his home in Goldendale. We toured the ranch in early spring with owner Matt Chiles and one of his many daughters. I was immediately impressed with the choices offered, the beautiful scenery and their warm hospitality. The Horseshoe Bend ranch is a working ranch raising hay, wheat and cattle. They host many events including weddings, music concerts, shooting events, war reenactments, and now field trials. Except for not having a house to work out of, the choice of fields and majestic scenery are unsurpassed. The Greater Columbia PDC has a new home.

As always judges and bird planters are difficult to arrange for a three day trial. I was very fortunate to have several members judge all three days. Many thanks to NCN member Milo Beauchman and NW member Paul McCawley for bailing me out. Thanks also to NW members Paul Schneider judging two days and Steve Skipworth, Jeremy Lessmann, NCN member Jim Rienstra and SC member Ron Knesal, each judging one day. Bird planting for her first time was NW member Charity Chiles, of the Horseshoe Bend Ranch. With proper coaching she did an phenomenal job planting Friday and Saturday, making trialers work the entire field for their birds.

With prior commitments for Sunday, Jeff Kopp volunteered and also did a great job planting to finish out the weekend.

Score keeping duties were accurately handled by Laura McMahon and Wendy Williams, thank goodness too as my brain was on vacation. Food!!! We have been blessed to have Linda Jenkins organizing our meals. So much food and so many choices, thank you so very much. Helping out this year were my sister Mae and friend and neighbor Michaela. Also many thanks to everyone that brought food for the trial. Special thanks to Melayne Smith for her wonderful chocolate desserts, Linda Johnson for donations of corn on the cob, mashed potatoes and salads, Phyllis Clark for her homemade potato salad and Dennis Gagner for his garden fresh fruits and vegetables. We are so grateful for your help. I maintain that sharing good food and comradery during and after the trial are essential parts of a trial.

Special thanks also go to members that helped set up/take down, brought quads, tables and generators, ordered trophy plates, fought bees, moved flags, put out/picked up water tubs and helped with the running of the event: Horseshoe Bend Ranch, George Clark, Mike Smith, Paul Schneider, Milo Beauchman, Dennis Gagner, Jeremy Lessmann, Jerry Fitzgerald, Meki Porter, Paul McCawley, Jerry Youmans, Dan McMahon

# FROZEN TOES

UTAH NSTRA  
FROZEN TOES TRIAL  
DECEMBER 3RD-4TH, 2022  
NEWTON, UT

Welcome to the 2022-23' season of Utah NSTRA! The anticipation during our off season here in Utah was building as we prepared for the new season and upcoming trial, we like to call the Frozen Toes Trial. Every December we hold this trial at our familiar grounds in Newton, UT. We watched the forecast closely as it threatened to be nasty, cold, and wet. However, we were pleasantly surprised as the weather turned out to be fantastic and the forecasted storms were better than anticipated. It would be chilly, but that would not stop our region from putting on another spectacular event.

As Saturday morning approached there were a line of vehicles headed up the road to the trial grounds. The name "Frozen Toes" Trial would seem very appropriate on this morning as the temperature reading was -1 to start off the day. Our awesome judges bundled up warm for what would be a long day in the cold weather, thanks to each of them for their time and effort in the freezing temperatures.

**SATURDAY A FIELD:** The A field on Saturday was judged by Maureen Goodrich and Cade Allen, very experienced judges and we appreciate their time. In the 11th brace of the day, we would have Lynn Jeffers and his amazing Brittany Oakley put on a show where they located 4 birds and had great work to give them a final score of 754 to take home 3rd place, nice work Lynn and Oakley. Brace 7 would have Andy Johnson and his incredible Drahthaar Gus find 4 birds. Their bird work would lead to excellent scores that would prove the difference in them being able to take 2nd place in the field. Way to go Andy and Gus! The run of the day would take place in the 10th brace where our defending regional champion Rip with handler Lance Hansen would tear up the field finding 5 birds. Their final score would be 948 and take home a 1st place finish. Nice job to all the competitors.

**SATURDAY B FIELD:** The B field on Saturday was judged by Rich Lowe and Kelly Irons, we sure appreciate their willingness to help and judge for us. In brace 11 we would have Ernie Wakabayashi and his young setter Boon have an awesome run finding 3 birds in the field. They also had a back which got

a perfect score of 75, that would help propel them to 3rd place. This was also the first trial that Ernie has ran Boon, I have a feeling we will be seeing plenty of this team competing in the future. Brace 3 would have Lynn Jeffers and his beautiful Brittany Oakley have another great run on the day. They found 4 birds and took home 2nd place which gave them their second placement on the day. Heck of a job Lynn and Oakley, you are both becoming regulars on the podium. The run of the day would take place in brace 6 with 5X NSTRA Champion Sunnie (who is now 10 years old) show everyone how its done. She found 4 birds and had a back off her bracemate. This would give her and handler Bret Wonnacott a final score of 932.5 to take home another 1st place finish. With this placement I believe that puts her 2 points away from becoming a 6X champion. We have no doubt that she will get there soon, congrats Bret and Sunnie.

**SUNDAY A FIELD:** For our judging assignments on Sunday, we would have Angie Wonnacott and Lance Hansen help us out by judging the A field. Thanks for your time. In brace 7 Spencer Johnson and his GSP Scout would have a great run where they found 4 birds. This gave them a final score of 720 and would help them get to the podium taking home 3rd place. Way to go Spencer and Scout, they are quite the team. The last brace on the day, brace 13 is where we would see Bruce Swanson and his wirehair Ruger make a dash for the podium by finding 4 birds and receiving a score of 771. This would give them 2nd place and Ruger's first placement in NSTRA. Nice job Bruce and Ruger. The best run of the day would happen in brace 11 where Kelly Irons and his shorthair Cinder would go on a tear, they found 4 birds and capitalized on a back off their bracemate. That back would make the difference and give them the best score of the day with 787.3. Nice job Kelly and Cinder you had quite the day.

**SUNDAY B FIELD:** Our B field on Sunday would be judged by Bret Ure and Barratt Gorshe, they did a fantastic job, and we appreciate their help. The 3rd brace in B field would have Kelly Irons and his dog Cinder give us their second great run on the day. They found 5 birds and ended with a final score of 845.5 to take home 3rd place and their second placement on the day. Brace 8 would give us an amazing run where Rich Lowe and his "Flashy" setter Flash would 4 birds. Their scores were amazing with several 90 point finds and retrieves on the card. Their final score was tallied up at 852

and would help them bring home 2nd place. Great work Rich and Flash. In brace 13, the last of the day we would see Kelly Irons and his shorthair Annie have the run of the day and find 5 birds, they were also able to get a back off their bracemate which would be the difference in scores. They ended with a score of 860.5 and took home 1st place, way to go Kelly and Annie. Kelly had quite the day with his dogs taking home 3 different placements, heck of a day Kelly!

Thank you to everyone in our region for all your hard work putting on another amazing trial, we could not do this without each one of you. Thank you to all those that came out to compete, we have a lot of exciting things happening in our region and this looks to be one of our best seasons yet. Please keep a close eye on our region website for information on our upcoming spring season, these trials seem to fill up very fast so please be proactive and keep yourself in the loop.

See you in February and our next trial!

# AR/LA

The Arkansas / Louisiana region traces its roots back to 1984. During that time many handlers have come and gone. All male except Tammy Brandon who campaigned shorthairs in the middle nineties. Now the region sports six very capable female handlers who can beat you anytime, anywhere.

When I first saw her, I questioned whether she would stick in the field trial world. She was not well versed in pointing dogs and used a shooter while in the field. Today there is no doubt Deb Meline is here to stay. She can shoot the wings off a fly and is very adapt in covering a field in the most economical fashion with her Brittanys. There is no argument she is a very accomplished trainer and kennel owner, Otter Creek Brittanys, which produced 11XCH and 3X National Champion Clayton's TJ Micro-Tequila Watson. She has campaigned 1X Champions Jakes Hammering Rebel, Otter Creek Fancy Francis, and Otter Creek Watson Simba. Her 1X Amateur Champions are High Rolling Ruby, and Bell's Special Bullet. Perhaps her most notable accomplishment was handling Jake's Hammering Rebel to fifth place in the 2019 Trial of Champions with Deb's late husband and biggest fan, Roger, in attendance. She is a hard worker in the North Arkansas Quail Club and is a dependable friend to all.

Gina Nutt is determined. From the day she married Bo Nutt and attended her first trial she had a narrow goal indeed. To not only handle dogs in completion but to take a back seat to no one. When she started trialing her shooting abilities were not up to par and her understanding of the canine mind was not close to where it needed to be to compete with the best. She now shoots for herself and is a formidable competitor in the field. She has watched, asked questions and learned a great deal of bird dog knowledge which she applies in the field. An advantage she has over many is understanding the importance of socialization. Her dogs are not just dogs but are family. This shows in the field as 4XCH Nutt's Rising Sun Murphy and 2XCH Nutt's Tricky Rider's Sissy are usually very well-mannered in the field. This is the direct result of Gina's socialization. She is the president of the Razorback Club and works hard in club and region affairs.

Nancy Barnett has a love for pointing dogs. This was etched in stone when she inherited Carroll's Lucky Penny after a founding member of the Arkansas/Louisiana region, Carroll Evans, passed away. Nancy not only found a friend in Penny but also a very fine trial dog. Through Nancy's efforts Penny earned her 2X Championship. Not only is Nancy a very successful handler but she is an accomplished judge traveling to most trial venues in Arkansas. Her attentions recently have been toward breeding German Shorthairs. Recently serving as Secretary of the region Nancy certainly has worked to make the region better.

Marye Jane Brockinton and her husband Terry are die hard Brittany fans campaigning dogs primarily from Deb Meline's breeding program. She has been a quick study on NSTRA and dog training in general. Very competitive and focused in the field, she does not play second fiddle to anyone. Marye Jane constantly looks for ways to improve both herself as a handler and her dogs. Not only does she enjoy running dogs but she has branched out to judge. Known for bringing cookies and honey to trials she gives back to the sport more than she takes. Otter Creek Skye Blue is the couples brag dog and is now a 1X Amateur Champion. Marye Jane is currently the Secretary of the Arkansas/Louisiana Region.

Suzanne Laird-Dartez greets fellow trialers with a kind word and a smile. She is one the favorites of our region. Her smile does not always transfer to the field as she and her fine Brittany, Credit's Bird On the Wing, are there to win and beat their bracedmate. Suzanne is an accomplished dog trainer competing in NSTRA, agility and conformation trials. It has been a pleasure to watch Suzanne and her husband Kalem mature as handlers.

New to our region this year is Kimber Jackson. Inquisitive, smart and personable Kimber is learning with every brace and has fallen in love with triaing. As Kimber and her Brittany Pistol gain experience they will become a force to be reckoned with. She loves the sport and her enthusiasm shows to others.

Each NSTRA Region is only as strong as it's members. The AR/LA Region is blessed more than most with these fine female handlers, not because of their gender but because of their strength and integrity as individuals.

After a long, but fun day in the fields, the participants gathered in the clubhouse for fellowship and food. Juggs Catering set up the banquet and provided a wonderful meal consisting of chicken, catfish, biscuits, and apple butter. The food was enjoyed by all, and the fields were prepared for the next day's competition.

Following the catered meal, the annual awards banquet and youth scholarship award ceremony took place.

First on the agenda was the introduction of past presidents; Butch Jackson, Ron Huels, Ed Rader, Tom Burks, and Jim Mahoney. Although some were not present, we appreciate the time they put in as president of the National Organization and like to honor them from time to time.

Bill introduced those of our Sponsors who were in attendance: Mike Botts – Purina/Garmin; Todd Kellam – UKC; Dion Bliss/Red Haw Supply; and Moore ETC/Sarah Moore. We appreciate all these people do for NSTRA and enjoy their presence at our events.

#### MOST DISTINGUISHED AWARDS

There are certain requirements that must be met to be a recipient of the Most Distinguished Award. NSTRA has set a total of eight (8) points of criteria for this potential recipient; however, only five (5) are necessary to even be considered.

- 1). Involved in the early stages of development of NSTRA (prior to 1985) and remained involved throughout. Must have been a member in good standing for at least 25 years.
- 2). Must have the acknowledgement and respect of fellow members as a person who has offered policy recommendations to the national officers and to the board of directors during his/her involvement in NSTRA, and who is clearly recognized as a founding member or an early year's leader.
- 3). During his/her time in the organization the individual must have been a national officer, a region president or a regional board member.
- 4). Must have served as a judge in local, regional or national trials or have been involved in policy recommendations regarding rules and by-laws, or in judging seminars or other educational events related to the improvement of NSTRA.
- 5). Must have been instrumental in establishing relations with sponsors that have helped NSTRA to reach its current status among dog field trial organizations.
- 6). Must have served as a mentor or role model to new members.
- 7). Must be of sound moral character and never have been the subject of any disciplinary action by any NSTRA board or committee.
- 8). Remains committed to the goals, objectives and ideals of NSTRA and continues to be willing to offer advice to the national officers when asked to do so.

The three members elected this year are as follows:

**The first recipient was Butch Jackson**

Joe “Butch” Jackson Butch was born in 1944 in Portland, Tennessee. In 1945, his father got out of the service and moved Butch and family to the country, just a few miles from the future home of the Conservation Bird Dog Club in Amo, Indiana. He grew up on the farm, tending the family tobacco fields; his love for tobacco continues to this day. Butch graduated from Ben Davis High School in 1962. He always had a passion for heavy equipment and dirt work so he went right to work honing his skills and in 1971 he bought a dozer and went out to make his way in order to provide for his wife Patty and his 6 wonderful children. Butch’s business is thriving today, now run by his son Lil Butch. Butch became interested in field trailing and joined NSTRA in 1994. Together with his step son Jeff Yeary and with a lot of help from Rod Mace and Clem Grover they got addicted. Butch had several dogs over the years.

1xCH Red Eight Ball  
1xCH Red Elhew Jake  
5xCH Red Maggie Mae  
2xCH Red Blaster  
1xCH Rails Ramblin Taylor  
2xCH Mac’s Predator

Just to name a few. Those dogs along with Jeff’s 20xCH Cherry Bear-e made a lot of noise in Shoot To Retrieve.

Some of you may remember when Amo only had 2 fields. A National trail would take all week long, no joke! (insert laughs) Seeing this and now being a member of The Conservation Bird Dog Club, Butch brought out equipment, Yeary supplied the men and they began a transformation of Amo. They diverted the run-in ditch to the pond and moved the A field fence into B field making A field much bigger. They bulldozed the ravines and hollers and pushed trees out to expand B field. Butch then went back and opened up a new field by clearing the trees and cleaning up what we now know as C field. Now Amo could host a National Trial and run it in a much timelier manner. What an accomplishment!

Butch later became President of NSTRA in 2012. As President Butch was instrumental in establishing an ATV variance for all the trialers unable to walk so they could continue competing and enjoying the sport they had come to love. He also found, procured, remodeled and helped NSTRA purchase its home office in Plainfield. The building cost NSTRA \$102,000. When Butch wrote up the paperwork there was a clause stating that the rent money NSTRA had been paying of \$600.00 a month would continue to come out and be deposited in an emergency fund for NSTRA. To date that amounts to over \$72,000 set aside for NSTRA instead of being lost to rent.

While President, Butch was approached by Bob West and Ed Radar and together with their help put together The Distinguished Member Award that ironically he has now received for all his sacrifice and dedication to NSTRA.

Butch is still as active in NSTRA as his health will allow. Sam Ashmore runs Butch’s latest trial dog for him. Annie is one first place point from being a Champion, the passion continues.

Thank you Joe Jackson for everything you have done for NSTRA so that we may continue to enjoy this great sport we have all come to love. Joe passed from this world to a better place on December 18, 2022, shortly after receiving this coveted award. God’s speed Butch to a special guy.

**The next recipient of the award was Mikeal Mulberry, Kentucky Region.**

He has cut his teeth in NSTRA at a very early age. His excellent string of English Setters are a threat, no matter what part of America we trial in. He is a fierce competitor with an excellent personality and a friendly smile everywhere he goes. He has razor sharp number skills and is a proud graduate of the University of Northern Kentucky. All these attributes best describe this individual.

During the tragedy of President Fellers' son's severe accident back in 2015, this individual stepped up and assumed both positions without batting an eye; carrying National Shoot to Retrieve Association on his back. With the help of others, during this time, this individual was instrumental in creating the draw system which we all enjoy today. Thanks to his countless hours, today we enjoy a state-of-the-art draw system, and we are the envy of everyone.

He is a true, true family man with a wonderful wife and two beautiful little girls. He is a treasurer for his local fire department in Corinth, KY and is a member of St. William's Catholic Church in Williamstown, KY. He is a 2021 and 2022 back-to-back winner of the Jim Harmon Ironman Award. His professional life finds him as Branch President at Forcht Bank in Dry Ridge, KY and is well respected for his banking knowledge by his peers.

He served two consecutive terms as Kentucky Regional President and then served on the National Rules and By-Laws Committee until his election as National Officer First Vice President in 2015. He served as National First Vice President for two consecutive terms as well.

He is the poster child of what an NSTRA member should be, in his home life, in his community life, and in his NSTRA life. Testimonials to Mikeal: Ashley McCandless: He's my best friend. He's an all-around good guy. I love to drink beer with him, but I kick his ass at golf and at final fours!

Bo Marcum: Mikeal is simply one of the best men in NSTRA. I was very lucky and fortunate to meet him and become good friends years ago. I know he always brings a smile to my face when I get to see him. I also know that he is a great husband and wonderful father and hell off a worker.

Mark Little: One of the smartest, level-headed people I've even known. He's a great friend and I really enjoy the times we get to spend together.

Bo Nutt: Absolutely a great guy and one hell of a competitor. I'm glad to be able to call him my friend. He's done very well in life with his awesome family.

Michael Parks: I remember a specific conversation that he had with me one evening in Corbin, KY in a hotel room. He broke down the reality for me about what it takes to get your dog to win. I followed that regiment, and it was later that year, my dog, Kaiser and I won the region Championship. I truly THANK Mikeal for winning that championship using his advice.

Rose Mulberry: I feel so blessed that Mikeal chose me to be his life partner. I knew nothing about bird dogs, or quail, or pheasants, or chuckers, or grouse, or that there was an organization such as NSTRA. NSTRA allowed me to meet some of the greatest, most interesting people in the country. Mikeal and I now have friends/family all over America as well as Canada. He is an extremely hard-working man and very, very competitive at anything. I have seen him accept phone calls all hours of the day, even when we are on vacation to help people and to resolve problems. I love him so very much and I am so very, very proud of him and his accomplishments.

**The next recipient was Gary Ramsey.**

There are truly not enough words in the Webster's Dictionary to describe this amazing husband, father, grand-father, Veterinarian, intelligent, fun-loving, outgoing, avid bird dog breeder, hunter, competitor, role model, friend and what we feel is truly a "DISTINGUISHED MEMBER" of NSTRA ... Gary "Doc" Ramsey, DVM! This incredible man has NEVER met a stranger and if you have ever had the blessed opportunity to meet this one-of-a-kind man, you will never forget him. He has been a member since 1994 and has remained in good standing for twenty-eight (28) years.

He is a HIGHLY respected member throughout the US. From our observations over the years, he has never attended a trial where he has not been asked to thoroughly explain rules, various field situations/issues, discuss possible rule change scenarios, etc. NSTRA members new and seasoned have 100% confidence in his knowledge of NSTRA rules, guidelines, timeframes, etc. He is not afraid to make recommendations to the national officers and to the board of directors. While he might not have been a "founding member" or an "early years leader", Doc began with this organization in 1994 and has never stopped making suggestions on ways to improve NSTRA, increase membership, build sponsor relationships, and motivate regions, officers, board members as well as ALL the members he encounters.

Out of his twenty (28) years with NSTRA, he has served twenty-one (21) of those in various duties. He has been South Carolina Region President for six (6) years and VP for seven (7) years. He has also been the Chairman of the "Nominating Committee" for four (4) years, was Chairman of the "Distinguished Member Committee" for two (2) years and served as a member on this committee for two (2) years.

He has judged numerous weekend trials in many different regions. He has judged multiple Regional Trials in the Dixie, Virginia, Kentucky, East Carolina and Big Sky Regions. He has led MULTIPLE Judging Seminars in the South Carolina and Big Sky Regions. Doc has made numerous suggestions regarding rules and by-laws throughout his membership. There has not been a day that this man has not actively pursued the opportunity to improve NSTRA. This organization is a true passion of his and improving one's passion is the definition of success!

During his many years of active veterinary practice and ownership, many upland hunting events, field trials at every level for almost thirty (30) years and the thousands of relationships he has made over the years with professionals that impact NSTRA are limitless. His ambassadorship as a NSTRA member to the many organizations, sponsors and professionals has been invaluable to NSTRA.

The "Mentor Rule" was thought of and submitted by Doc. He is the first to meet and greet new members. His desire to educate, motivate and make himself available to ALL members (all regions) is impeccable. Doc's passion for NSTRA is truly contagious. It is this contagiousness that makes new members want to be the very best NSTRA member, exemplifying a high level of sportsmanship while having fun at the same time.

He has never received any disciplinary action and quite the contrary as he is the first to handle issues with NSTRA's best interest in mind. His calm nature, non-partial assessments of any questionable issue make him a terrific mediator. His moral character is one of his traits that makes him the amazing man he is.

Thanks to Nance and John for their years of service as National Officers

# *Interview with a Winner*

## *Mychalie Moore*

**How did you get started in NSTRA?**

*I have been attending NSTRA trials with my family my entire life. I started judging when I was in college and judged many weekend trials over a 4-year span before I started handling dogs full time about 2 years ago.*

**What was the name of your first dog, and did you raise it yourself?**

*When I was younger CBDC would have kid's trials which is where I ran my first dog at the age of 8 years old. The first dog I ran was a Brittany named Boone County Gin. All our Brittanys have come from McCandless Brittanys and then are raised and trained on our farm. Thank you to McCandless Brittanys for always breeding such great dogs.*

**Did you raise and train Rum by yourself?**

*Rum was born at McCandless Brittanys in Berry, KY and raised and trained on our farm by my uncle, Jeff Moore, with the help of Marty Samuels and Greg Durbin. Rum is a special kind of stubborn, so she was the first dog Jeff has owned that was sent off for additional training. Thank you to Greg Wood for taking Rum for 5 months for that additional training.*

**How did you prepare for the DOY Championship?**

*I typically work the dogs on quail and pigeons a few times a week, so just our usual work leading up to DOY. As I previously mentioned, Rum is particularly stubborn, so I had to do a quick training session following the first round of DOY as well.*

**Did you do anything different for the DOY run than you do for your weekend runs?**

*Overall my strategy was the same as a weekend run, the main difference was trying to get a back scored in the early rounds. If you know Rum, you know that backing is her least favorite thing to do.*

**Which was the toughest brace during your week at the DOY?**

*The toughest brace for me was the Top 5 Round against Russ Taylor and Angel. At the beginning of the brace Russ and Angel had us down 2 to 0. Rum pointed her 3rd bird with 24 seconds left in the brace which eventually led us into the Final Hour.*

**When did you actually think you had a chance at winning the championship?**

*The biggest challenge with Rum is getting her to back so once she scored a back in the 2nd Round I knew she at least had a shot of winning the championship.*

**Who has helped/influenced you the most in NSTRA?**

*My uncle has helped me the most. He is the one who suggested I start judging trials and always made sure he had an ATV at trials for me to judge since I would come directly from school. Then when he decided it was time for someone else to handle his dogs, he asked me if I would want to start handling them. I will say, he hasn't influenced the way I handle dogs though. Unless it is what not to do. ☺ Also, I would like to thank Jack Little and Clay Little for always stepping up to shoot for my dogs. And thank you to Eric Forrester for shooting for me in the final hour also.*

**What would you tell a new handler the best way to prepare for a championship trial?**

*To prepare how you would for any weekend trial. Stick to your routine and don't let your nerves get the best of you. Dogs can sense those nerves!*

**What is your favorite memory from the 2022 DOY Championship?**

*The final hour. Russ and I decided in the blind we would not know how the other person was doing until the end. I was so focused on where I found birds and where I needed to go that I didn't even know how many birds I had until I asked Stan halfway through the brace. He told me I had 7 birds but I no idea how many Russ had, and I had heard him shoot several times. I handed Stan the 8th bird right as time was almost up and he said, congratulations and I said, for what exactly? Stan said, 8/8 to 4/3. I said, REALLY?! I was shocked and started excitedly rambling about what was going through my mind trying to figure out how many birds Russ had. I can only imagine the priceless look on my face!*

# What Ever Happened to Antonio?

by: Randy Schultz

Mearns Quail are special. Many years ago, through a friend of a friend of a friend, I was introduced to Wally. "Hey", he said, "if you are going to Arizona, why don't you call my buddy, Wally, down there? He's a specialist hunting those Mearns Quail in the mountains south of Tucson." I rang him up, and he agreed to shepherd us along to see if we could find a few coveys of the elusive birds. It was a serendipitous introduction.

Wally and I had nearly identical military careers, with a few major exceptions, one being that no one, that I know of, ever tried to shoot me down. The other major difference was that he was an Air Force pilot, while I was a Naval Aviator who proudly wore "wings of gold". Wally never hesitated to remind me the Air Force had standards and required its pilots to read and write and use cutlery at the dinner table. I would retort loudly that the Navy required the parents of aviators to be married. And so it went as we scoured the hills and mountains of southern Arizona for quail.

Our first meeting was at an exit off the local interstate. "Don't be late. We have a long way to go," he said

over the phone. The four of us in our party were waiting for him when he drove up before sunrise. Right away I could see he was serious about his bird hunting- one Brittany face peered out the passenger side with two more in kennels in the back. "Let's go!" he said. What followed was more akin to a motocross race over smooth pavement, then rough pavement, then smooth gravel, then rough gravel, then 4-wheel-drive-holy-crap-hang-on, Manzanita paint-scouring two-track. Ninety minutes later with queasy stomachs, wide-eyed dogs, and thoughts of undercarriage damage to the Beast, I exited the truck to an amazing place. Rolling hills, brown grass, low spreading oaks, and blue sky from horizon to horizon. I'd seen a place like this on the other side of the world- in Spain. I was captivated.

That first trip, my main dogs were Ace (Brit/M) and Bo (Setter/M). Ruby (Brit/F) and Cap (Brit/M) were along, but barely 6 mos. old. Ace and Bo did their thing for three days, and I learned a lot about the Mexican Quail. We were at the northern limit of the Mearns habitat. Arizona, New Mexico, and Texas have populations of Mearns quail in the high, grassy areas in the mountains. Their range extends south into Mexico, and I have Spanish-speaking friends who fly to Mexico yearly to hunt huge coveys of them. But, for us, this is Mearns Quail central. What looked like gentle, grassy slopes revealed themselves, many times, as rock-strewn ankle-breaking areas leading down into broad, smooth, easy bottoms between the hills. The bottoms all sloped gently south, to Mexico.

Some days the birds would be in the bottoms, some days on the slopes in the rocks. One characteristic I noticed immediately was how tight they would hold. Over the years, it was not uncommon to see the coveys before the flush. One day, watching Wally's new puppy hesitate for a bit before moving on, I was commenting that it would be nice if she would have had a covey. I looked down to watch my step and stepped into the center of a covey of 8. It was not uncommon to turn around to locate a dog and find them pointed behind you on a covey less than ten feet from your track. The birds would much rather you walk on by than flush. Mearns Quail eat mainly tubers growing under the oak trees. They have an extended claw to dig for the tubers, and we know to look for the little holes around the base of the oaks indicating a close-by covey. They are smallish compared to their desert cousins, the Gambel's and Blue Quail, and males are marked by a unique pattern of black chest covered with white spots. How in the world they can disappear into a brown rock-strewn world, I don't know. But they do. Ten to fifteen coveys in a hard day's hunt was not unusual for many years, but those are the "good old days" now. Recently, I had a 7-covey morning before rain cut our day short. It was my best in many years.

Wally and I parked at the base of a draw, not far from the border fence. The fence itself was a barbed-wire affair mainly designed to keep cattle from straying. We started uphill, north from the trucks, passing a large stock tank covered in mossy slime. One of Wally's girls struck first and pointed out of sight on top of a cut out riverbank. Wally climbed up and over. Not long afterwards, I had several high passing shots as the birds flew over me, at speed, to escape to the opposite hillside. We compared notes and birds while standing in the shade of one of the small, spreading oaks. A little farther up the draw, the canyon split, and so did we, agreeing to meet in about an hour. I had my little puppy Ruby down. Mearns, to me, are the absolute best birds for very young dogs. They hold tight, don't run, and are in beautiful country. I never hesitate to work my young dogs on them. (A close second would be Sharptail Grouse in the Montana grass.)

Ruby worked well, crossed the canyon from one side to the other, then she ran up one side wall about halfway before she stopped to locate me and dropped back down. It was fun to watch her and think of things to come. I was following a trail in the bottom of the canyon, it was most likely a cow path, but it occurred to me it might have been a smuggling trail coming up from the border. Throughout the area, backpacks, shoes, blankets, and water jugs littered the ground. Some were so old, they were falling apart. Some were shiny and new. All the years hunting the area and I never saw an illegal immigrant, and I was unconcerned. Ruby suddenly spun around and pointed in the center of the canyon, nearly under a huge fallen log. Her first covey of quail. I managed to drop one, and she retrieved it to me with no drama, just the workman-like, "Here's your bird, boss!" attitude she would display for the rest of her life. It was a monumental moment for me, so I took a minute and loved on her while I sat in the grass. Then, we went back to business, and I climbed over one side of the canyon to drop down and meet Wally in the parallel wash. I heard gunshots earlier, and I recognized his 20 ga. semi-auto. I looked forward to the stories as we shared our bird encounters.

We turned and started back downhill to the trucks. Another hunting friend of ours left the trucks and hunted south towards the border, and we wondered if he found any birds. We usually didn't hunt together, since he used pointing Labs, and he didn't want our dogs messing up his. Wally and I chatted as we approached the trucks parked in the shade in a washout near a corral. I saw Vince (our Lab friend) sitting under a tree not far from the trucks. Jokingly, I held up my shotgun and yelled, "Hold it right there, pardner! Explain yourself!" It was then I realized "Vince" wasn't Vince! The man sitting in the shade jumped up and raised his hands. I quickly lowered my shotgun and laughed, although I don't think the man saw much humor in the situation. I noticed he was Hispanic, dressed warmly, and didn't appear to be injured. He was also very attentive to the crazy gringo with the shotgun.

Wally approached him as I went to the trucks to load Ruby and stow my shotgun. I heard Wally ask where he was going. He said his name was Antonio. He spoke a fair amount of English, and I overheard him tell

Wally he was lost, had been there a week, had no charge on his cell phone (none of our chargers would work), was out of food, and didn't want to drink from the stock tanks (good move). His group left him after telling him to go to Tucson (50 miles in a different direction). It was just before Christmas, and he wanted to go home. I walked up then and told him to walk up on any of those roads and Border Patrol would pick him up and take him to the border, but strangely he wasn't interested in that. I also thanked him for not disturbing our trucks. His response was interesting to me. He said, "No, Señor, those are very expensive trucks!" We gave him a gallon of fresh water, an awesome ham sandwich I made that morning, a can of Red Bull, and Wally pointed him to the border fence. He headed on his way, thankful and relieved, but not before I commented, "So, let me get this straight. You want to break into Mexico?" We all chuckled for a minute, but I noticed he kept an eye on me the entire time (Hey, it was a joke!).

It wasn't until after Antonio was long gone, I realized I should have gotten a home cell number and given his wife a call to tell her Antonio was on his way home for Christmas, meet him at the fence. I can only imagine how that phone call would have gone. I often wonder about Antonio, and I wish I had his number to check on him. Somehow, I think he loved his family enough to risk his life to better theirs. I wonder if he ever thinks about that meeting in the Arizona mountains with the crazy gringo and his awesome ham sandwich.

### **2022 UKC Performance Classic National Trial**

"The Classic started on June 1st with a little rain and ended with the best weather the UKC in Waverly has ever seen. NSTRA thanks the United Kennel Club for sponsoring this event. The trial was right after the Memorial Day weekend, so the veterans and first responders were honored as Ron Huels sang the National Anthem. A prayer was offered by Bo Nutt.
