COME TO THE BEAST IN THE EAST!

Welcome to one of the great events of the season, The OMAA Sale and The Ohio Beef Expo! If you have been then you know what I am referring to but if you have not, then you need to get here. This event has grown into a must-attend for pure and commercial breeders and showmen alike, and similarly, The OMAA Sale has become an important jumping off point for future breed leaders. Our 2024 auction will be no different as this catalog is stuffed with quality and potential.

Thank you to our OMAA members for bringing out an exceptional offering of Maines and thank you to our customers for trusting in this event. There is a lot of quality to go around this year and I know some memorable producers will emerge from this lineup. Every year folks make investments in The OMAA Sale that seem too good to be true – remember when we sold Daddy's Money for \$7250? – and I know that will happen again. The only question is who will take advantage when the hammer is in the air?

I sure hope to see you in Columbus this March 15 and 16. The Expo is a great event filled with much to see and do, and the staff makes it easy on cattle buyers with their easy 11th Avenue access on sale days. For a great look at the cattle, join us at 4 pm Friday afternoon for our Happy Hour and Social as we preview the entire offering. Then be on the seats 24 hours later for an exciting and important auction; if you love good cattle you need to be there.

Here's to more great Maines and more good times. Happy calving...spring is here!

Other impressive flush mates sell here as Lots 38 and 87 from an incredible dam that was a 2-time National Junior Show Grand Champion for Spencer Goettemoeller. SELLING ONE-HALF INTEREST ONLY

It's hard to find a starting place with this one, but the end is limitless! This special heifer is the best female product of the best pedigree at Muir Cattle Company. All her full siblings have been champions thus far including MCCF SIL Keno that was recently named Grand Champion Bull of the 2024 Ft. Worth Stock Show and the 2023 American Royal. Another brother, MCCF Jagermeister, was the 2021 AMAA Show Bull of the Year after several major wins before selling as the feature lot of the 2021 Maine Exchange for \$21,500 to Bird Cattle, TX. A sister was purchased by the Jolliff family, OH, and was Reserve Champion of the 2022 and 2023 Ohio State Fairs, Reserve Division at 2022 NAILE, and Reserve Champion at the 2023 Ohio Expo. The dam to all these leaders is MCCF Giselle who also did a lot of winning in her day. This family does nothing but succeed and this perfectly structured, huge-bodied lady might be the best of them all. Join MCC as they explore her power and please bring some progeny back to sell!
