

HURRICANE PREPAREDNESS

Be ready for hurricane season. Today you can determine your personal hurricane risk, find out if you live in a hurricane evacuation zone, and review/update insurance policies. You can also make a list of items to replenish hurricane emergency supplies and start thinking about how you will prepare your home for the coming hurricane season. If you live in hurricane-prone areas, you are encouraged to complete these simple preparations before hurricane season begins. ***Hurricane season is from June 1 - November 30.**

Determine Your Risk

Storm Surge; Strong Winds; Flooding & Rainfall; Rip currents

Develop An Evacuation Plan
