

TECHNICAL SPECIFICATIONS

GENERAL	Type desktop/console	Desktop	Output tray	250 sheets (face down - shifter)
	Technology	Electrophotographic laser	Warm up time	45 sec.
	Paper format	Min. A5 (A6 via bypass) Max. A3	Memory	16 MB
	Paper weight	59-90 g/m ² (bypass 26-200 g/m ²)	Power consumption	1,2 Kw
GENERAL	Paper capacity	d-Copia 1601: 350 sheets (1x250 sheets + bypass 100 sheets) Max: 850 sheets	Dimensions (WxDxH)	d-Copia 1601: 590 x 577 x 470 mm d-Copia 2001: 590 x 577 x 555 mm
		d-Copia 2001: 600 sheets (2x250 sheets + bypass 100 sheets) Max: 1,100 sheets		Weight
COPIER	Copy speed A4/A3	d-Copia 1601: 16 / 9 cpm d-Copia 2001: 20 / 12 cpm	Preset zoom ratios	50/70/81/86/100/115/122/141/200%
			Exposure modes	Auto/Text/Photo
	Original paper size	Max. A3	Manual exposure modes	5 levels (Text/Photo)
	First copy time	7,2 sec.	Copy Functions	Auto Paper Select (APS), Auto Magnification Select (AMS), Auto Tray Switch, Copy Memory, Offset Shifting, Pre-Heat Function, Total Counter (Copy), Account Codes (20), Toner Save Mode
	Continuous copy	Up to 999 copies		
	Resolution	600 x 600 dpi		
	Greyscale	256 levels		
Zoom range	from 25% to 400%			
GDI PRINTER	Speed	12 ppm	Operating systems	Windows 95/98/ME/NT4.0/2000/XP
	Interfaces	IEEE 1284 parallel, USB 1.1	Main functions	2 in 1/4 in 1 function, N-up border, Image Orientation, Fit to Page, Watermark, Image Adjustment
SPLC PRINTER (Optional)	Speed	d-Copia 1601: 16 ppm d-Copia 2001: 20 ppm	Operating systems	Windows 95/98/ME/NT4.0/2000/XP/Vista
	Interface	USB 2.0	Main functions	2 in 1/4 in 1 function, N-up border, Image Orientation, Fit to Page, Watermark, Image Adjustment
OPTIONS	Single Pass Document Feeder (AR-SP6N)	40 sheets (56-90 g/m ²)	Dual Function Board (AR-EB7)	E-sort functionality and SPLC Printer Language
	Additional Trays	1 x 250 sheets (PF 24) 2 x 250 sheets (PF 25)	Broad range of stands

d-COPIA1601 and 2001

DIGITAL PRINTERS

UNHOPED-FOR SPEED AND PRODUCTIVITY

The A3 desktop digital copiers designed to make work easier and faster for professionals and small workgroups.

SMART SHARING FUNCTIONS allows 3 users to share the device without LAN cabling

MUDULAR PAPER HANDLING

INTUITIVE CONSOLLE to simplify user access to operating functions

SAVINGS

The **Toner-Save** mode significantly reduces toner consumption while ensuring copy quality; the **automatic power-down** and **Sleep Mode** functions minimise energy absorption.

CONNECTIVITY

The **Smart-Sharing function** allows three users to share the devices without LAN cabling; the standard configuration provides a USB 1.1 port and a parallel port; a third port, USB 2.0, may be added.

EASY USE

A **series of practical functions** make life easy for the operator: the "Scan Once Print Many" capability stores the original and prints up to 999 reproductions; the articulated catch tray simplifies collection of multiple copies/prints. The optional **Dual Function** card provides electronic sorting and supports the **SPLC language** for printing speed on a par with copy speed.

MAIN CHARACTERISTICS

A3 COPIERS WITH STANDARD GDI PRINTER	ELECTRONIC SORTER
SUPERIOR PAPER CAPACITY	SMART-SHARING FUNCTION FOR PRINT OPERATIONS
INTUITIVE ICON-BASED CONTROL PANEL	SPACE SAVING COMPACT DESIGN

COMPARISON	d-COPIA1601	d-COPIA2001
Copy speed A4	16 cpm in B/W	20 cpm in B/W
Copy speed A3	9 cpm in B/W	12 cpm in B/W
Standard paper trays	1 x 250 sheets	2 x 250 sheets
Dimensions (WxDxH)	590 x 577 x 470 mm	590 x 577 x 555 mm
Weight	31,3 kg	36,3 kg

SPEED AND PRODUCTIVITY

With copy speeds of respectively 16/20 cpm for the A4 format and 9/12 cpm for the A3 format, and a first-page time of just 7.2 seconds, the Olivetti d-Copia 1601 and d-Copia 2001 deliver impressive productivity.

Digital technology offers a print quality of 600 dpi and 256 levels of greyscale, for imperfection-free copies. The models feature a **professional zoom** from 25% to 400%, and horizontal/ vertical zoom ratios; they also provide an inverted b/w copy capability.

The copy functions (adapt to page, print N pages in 1, open-book copying, watermark copying and printer status), combined with the **standard GDI printer**, deliver a level of performance normally only available on models in a higher category.

COMPACT FOOTPRINT

Both models feature a simple, **ergonomic design** and

icon-based control panel to simplify user access to operating functions. The compact footprint means the device can be installed on the user's desk, although a **series of optional stands** are available to install the copier in its various configurations in the most convenient position.

PAPER MANAGEMENT

The paper capacity of the d-Copia 1601 and d-Copia 2001 supports the **heaviest workloads**. The 1601 comes with a standard 250-sheet paper tray and 100-sheet by-pass, for a total capacity of 350 cut sheets; the 2001 features a 100-sheet by-pass and two 250-sheet paper trays for a total capacity of 600 cut sheets. The maximum paper stock is 850 sheets for the d-Copia 1601 and 1,100 sheets for the d-Copia 2001. With the optional **single pass feeder**, originals of up to 40 pages can be copied automatically.

The Olivetti d-Copia 1601 and d-Copia 2001 digital copiers with GDI printer for Windows environments are efficient solutions for the needs of individual users, small workgroups and organisations (schools, associations, government agencies) working with a small budgets.
