continental pheasant, and
championship bass fishing.
It's a hunter's dream come true!

Welcome to Dream Ranch.

For booking reservations, call 256-506-1091,
or email cpowell@dreamranch.org.

From the Desk of John Shipper Past Shooters President

January 2019

Greetings to all Past Shooters,

Thank you to past Presidents Don Kennedy and Dick Gray for choosing to select me as President of the One Shot Past Shooters. It is an honor.

Also, a big thank you to our Past Shooters staff: Executive Vice President Scott Harnsberger, Executive Director Vickie Hutchinson-Renkert, Office Manager Gina Colovich, Past President of the One Shot Hunt Club Paul Fontaine and our Past Shooters Board. I look forward to working with the new One Shot President Wade Alexander and his Board.

The renovation and expansion of the One Shot Past Shooters offices and the Water for Wildlife Museum is the major accomplishment of 2018. Many thanks to Frank Bandy (1971 One Shot International Team), the Bandy family, the Museum Committee and Paul Fontaine, General Contractor.

Attendance at the 2018 Foo Foo Rah, September One Shot Hunt and for returning 2017 Past Shooters was down significantly. We plan to address the issue of decreased attendance at the 2019 Foo Foo Rah Business Meeting.

On a delightfully positive note, the number of wives and guests accompanying Past Shooters in 2018 was a 30% increase over 2017. The Ladies' Silent Auction raised an all-time high of over \$4,000. The live auction raised \$40,000 for Water Projects.

The 2019 Foo Foo Rah

For the convenience of the members, the Past Shooters will hold the 2019 Foo Foo Rah at Woolley's Classic Suites adjacent to the Denver International Airport (DIA). (Woolley's provides complimentary shuttle service to and from DIA and within a five-mile radius of the hotel.) This change of venue will eliminate excessive travel time for members who must fly into DIA and then drive 6 hours to Lander.

We encourage all Past Shooters to actively support the One Shot Hunt and the Foo Foo Rah. Keep in mind that we conduct most of the One Shot Past Shooters business at the Foo-Foo Rah. We will hold the Foo Foo Rah business meetings Friday morning May 31, 2019 in the Monaco Room at Woolley's Classic Suites.

In addition to the Foo Foo Rah Friday morning business meetings, the Past Shooters Executive Director Vickie Hutchinson-Renkert is enthusiastically planning and scheduling a variety of activities. From Woolley's Classic Suites Past Shooters and their guests will have access to first-class restaurants, the nearby Gaylord Rockies Resort, shopping and light-rail to the Denver City Center.

The Foo Foo Rah's Saturday Shooting Activities and lunch will be held at the Colorado Clays, which is Colorado's Premier Public Shooting Facility. Note that Colorado Clays will be open from 9:00 a.m. to 5:00 p.m. on Thursday and Friday. Members wanting to practice in hopes of Saturday "bragging rights" can make arrangements to shoot on those days.

The Colorado Clays Shooting Park features 8 trap ranges, 2 skeet fields, 2 wobble traps, a 15-station sporting clays course, a 100-yard rifle range, a 25-yard pistol range and a very comfortable Club House.

We encourage all Past Shooters to attend the 2019 business meetings on Friday morning May 31st. Remember that the Foo Foo Rah is not all business. It is also fun, good times and tall tales. The Past Shooters staff is working diligently to make sure that the Foo Foo Rah meetings and activities are enjoyable for both members and their spouses and guests. The Foo Foo Rah is also the perfect opportunity to get to know other Past Shooters.

Thank you for the opportunity to serve as the One Shot Past Shooters President.

John Shipper

Online registration for the 2019 Foo Foo Rah will be open April 1, 2019
on our website
www.oneshotpastshooters.com.

Official License Issuance Rules

To receive a license and be placed on Priority List Two you **MUST** apply for a Wyoming Antelope License through the Wyoming Game and Fish. If you are successful in your draw, congratulations! If you are unsuccessful you **MUST** send a complete screen shot of your unsuccessful draw that has your NAME and UNSUCCESSFUL on it to antelope@oneshotpastshooters.com. Time is of the essence as your standing on the Priority List Two is ranked by the email inbox. The list is generated by when your email arrives to this inbox. To be placed on the Priority List Two, you **MUST email** your screen shot to the above address. No walk ins, no mail, no fax, and absolutely NO phone calls. A "received" confirmation email will be sent to you. You are responsible for ensuring that you know when the draw results will be announced. Your Unsuccessful Draw results can be sent to the email address by anyone. Please do not send draw results for your guests. The final list will be vetted by the License Draw Chairman and his decision on all licenses and placements is final.

One Shot Hunt Past Shooters License Issuance

- 1) Last year's Team Members will be on List One. You need to apply for a License through the WY Game & Fish. List One will list members who apply and send in rejections first. Returning new Past Shooters from last year who are registered will then be listed in order of registration. (All returning members from last year's hunt will receive a tag).
- 2) Past Shooters who have furnished proof (screen shot from WY Game & Fish) which has Member's Name and Unsuccessful Draw sent to antelope@oneshotpastshooters.com. This is the only way to record you on a list (List Two). The list is developed by when the email server places you in the inbox.
- 3) Past Shooters who did not apply for a tag through WY Game & Fish but request a license may send an email requesting a license to antelope@oneshotpastshooters.com. These members will be placed on List Three.
- 4) Past Shooters who are registered at the license draw but have made no advance request may request a tag in person. These Past Shooters will be placed at the bottom of List Three.
- 5) Past Shooters are entitled to a license while supplies last and may defer their license to a guest. If you wish to defer your license to a guest, the guest will assume the Past Shooters place on the list. If you wish to hunt yourself, you must receive a deferral from another Past Shooter on the list.
- 6) Past Shooters may add a guest to the guest list prior to the License Issuance. This list will be used if List One, Two and Three are exhausted.
- 7) Guests of Past Shooters may only receive **two** Past Shooter licenses per LIFETIME. The office will keep a list of guest licenses.
- 8) To receive a license from the One Shot Past Shooters Club, you and your guests must be registered for the Hunt Weekend.
- 9) Past Shooters on the list may change places on the list with another Past Shooter.
- 10) Guests **MAY NOT** transfer their license.
- 11) If a Past Shooter gives a license to a female guest, the guest must be at the license draw in person. The WY Game & Fish requires that they be there.
- 12) To receive a Past Shooter license, you **MUST BE PRESENT and YOUR GUEST MUST BE PRESENT**. If you are not present when your name is called your name will be placed at the bottom of the Past Shooter Priority List. If the Past Shooter is not present when called again, the Past Shooter forfeits his chance at a license.
- 13) A Past Shooter guest **MAY NOT** receive a license unless he/she is a registered guest for the Hunt Weekend and accompanied by the registered Past Shooter.
- 14) License issuance is usually held the Friday before the Hunt.
- 15) The Lists will be prepared and available at the Water for Wildlife Banquet.

2018 NEW SHOOTER INFO

- All new Past Shooters (last year's Team Members) will automatically go to the top of the list and receive a tag but must follow the procedures outlined in the Official Rules.
- You must apply for a License through Wyoming Game and Fish website. The website is wgfd.wyo.gov
- The Wyoming Game and Fish Website has dates/deadlines for applications. Please check carefully.
- Apply for a regular antelope license in areas 65, 66, 67, 68 or 106.
- Check the Wyoming Game and Fish website for the date they announce the draw. Notify the office of your status by email as outlined in the official rules on the day of the draw announcement.
- If you receive a license great, just let the office know. If you receive a denial, forward the denial to the office as outlined in the Official Rules on the day it is announced. You will still be at the top of the list with a denial but need to follow the guidelines outlined in the Official Rules.

January 2019

Dear Past Shooters,

Lander has been a winter wonderland with lots of snow and outdoor winter activities. However, many days it is so cold, and one has the excuse to stay indoors and catch up on all the things you may have put off. The office has been doing lots of organizing and improving. We now have our new donor-based software up to date and working. We also have put in for some great grants to help fund our Water for Wildlife work in 2019. I am happy to announce Wyoming Wildlife Foundation granted \$80,800 in proceeds from the Governor's Big Game Sheep License. These proceeds will go to fund 11 much needed water projects.

As the old saying goes, "Our Dance Card is Full" for 2019 with lots of exciting events. On January 17th the Water for Wildlife Center hosted the Lander Chamber of Commerce Business After Hours. The event was a wonderful way to showcase our new building renovations, explain plans for the next phase and make everyone aware of the conservation work accomplished by Water for Wildlife. Coming up March 2nd is another first, the Lander Ambassadors Extravaganza. The Lander Ambassadors have chosen our Museum Building Fund to be one of two recipients of the proceeds from their Lander Ambassadors Extravaganza. This is a very large event and has the potential to contribute much needed funding for our Phase 2 museum renovations. You are all invited to attend this event. Please call the office for details. Then in May, Water for Wildlife will participate in the Wyoming Outdoor Weekend and Expo for the third year. We are very excited to be able to work with Wyoming Game and Fish to host one of the dinners.

The next big event is the annual Foo Foo Rah which is always a great time. I encourage all the 2018 New Shooters to attend this event. It offers the opportunity to meet up with your fellow Past Shooters for lots of fun, fellowship, a relaxed agenda and lots of time for learning about the Past Shooters Club. The 2019 Foo Foo Rah will be held in the Denver, CO area with headquarters being Woolley's Classic Suites in Aurora, CO. Woolley's is located a short distance from the Denver International Airport and a complimentary shuttle is provided for your convenience. The dates for this year's Foo Foo Rah are Thursday, May 30th-Saturday, June 1st. There are many exciting things to take in within a short distance including Denver's city center, Cherry Creek State Park, the newly opened Gaylord Center and numerous restaurants and shops. I especially encourage ladies to attend. Rumor has it, many of the ladies are very good shots, so practice up. We will have a Ladies' Annie Oakley Shooting Contest on Saturday with a great prize and bragging rights. See page 6 for additional Foo Foo Rah details.

Lastly, I sincerely thank the outgoing presidents Don Kennedy, Alan Pettersen and Paul Fontaine for your support, training and preparation for my first One Shot Antelope Hunt. I am grateful to be working with an event of this caliber with such a long history of gentlemen who have made it what it is today. As I look ahead to 2019, I look forward to working with our incoming presidents John Shipper, Carl Asbell and Wade Alexander in accomplishing great things with the hunt, conservation efforts and renovating the museum.

Happy Trails,

Vickie Hutchinson-Renkert

Water for Wildlife

WATER FOR WILDLIFE FOUNDATION

When making your decisions on where to put your “donated funds” we would like to remind you of the Water for Wildlife Foundation program opportunities. Funds can always be given as “unassigned”. For those who are interested in a particular program you are welcome to designate your contribution to one of our programs.

Our Water Projects are always in need of funding and any amount helps greatly. In the past two years we have received over 25 requests for grant funding of projects, and we expect 2019 to continue to grow. With a donation of \$5,000 or more we will recognize you, your family or your business as part of our conservation program.

Our Intern program has been a great success for the students selected, our partner Wyoming Game and Fish, and the Foundation. We are continuing this opportunity for three students in 2019. Funds donated to support this program will free up undersigned contributions. Our commitment to this annual initiative is \$18,000.

The Scholarship program continues and supports 4 Fremont County students.

From the Desk of Carl Asbell President, Water for Wildlife

Hello All,

It is my honor to be the president of your Water for Wildlife Foundation for the next 2 hunts. I want to thank Alan Pettersen for laying a great foundation for the organization the last two years.

We are actively raising funds to complete phase II of the museum and Water for Wildlife Center. Please consider donating to this project. It is going to be a huge source of recognition to who we are and what we do going forward. We are hoping to have the project completed in June.

Next, we are utilizing our relationship with the Wyoming Game and Fish Department to continue our valuable internship program. We are going to bring on a third intern for the "off-season" this coming fall to capture the benefits to Water for Wildlife and the Game and Fish Department. Both organizations are very excited about this cooperative effort and it has proven to be very beneficial since its inception.

Our water projects are working as antelope populations are continuing to grow, particularly these last few years. Thank you to everyone who has contributed. A special thank you to Vickie and Gina in the offices, without them organizing the ship, we would be in trouble.

I look forward to working with everyone the next two years for the betterment of wildlife!

Sincerely,

Carl S. Asbell

Carl S. Asbell

Our family enjoyed seeing all the Past Shooters last Fall. We look forward to seeing you again in 2019 for the 79th One Shot Antelope Hunt!

From Our Wyoming Game & Fish Habitat Biologist Amy Anderson

January 2, 2019

Greetings Water For Wildlifers!

We rang in the New Year here in Lander, Wyoming at about -20 degrees with a fresh blanket of snow. With that in mind, it's a good time of year for planning and securing funding for summer habitat work to benefit wildlife across the West. We anticipate that wildlife managers will be submitting funding proposals in January in preparation for a summer of good work. The funding all of you helped raise to put conservation work on the ground will be dispersed to projects in the coming months. Thank you, as always for your tremendous support of wildlife and their habitat!

During the WFWF Board Meeting this past September, we heard Jacob Stoinski, one of the WFWF Interns, discuss his summer experience and all of the great work he did for Water for Wildlife and the Wyoming Game and Fish Department. Your Board believes, and I whole heartedly agree, these internship positions offer important opportunities for young wildlife professionals to learn more about the kind of jobs available to them, and where their talents might best fit. We've been so lucky to employ exceptional individuals each year of the program! A piece of exciting news on this front, it looks like we will be able to offer three internships in 2019. The usual two positions from June- September, and an additional position from October- December. All three positions will continue to split time equally between Water for Wildlife and Wyoming Game and Fish. In its fifth year, this program continues to grow, and helps both the Foundation and the Department tackle work that might otherwise not get done.

I will be working with Carl Asbell and everyone over at the WFWF office during the coming months to select the best projects to fund in the coming year. With several of us filling new roles within Water for Wildlife, it will be a team effort to make sure the best projects make the cut, and we stretch your funding as far as possible!

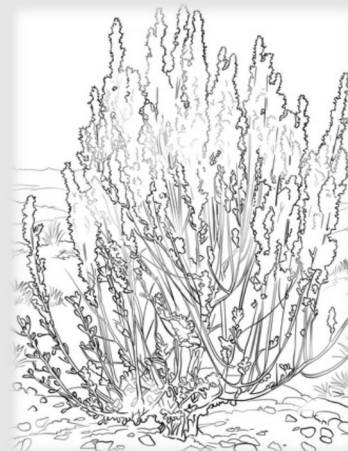

I hope this finds everyone in good health and good spirits for 2019! I'll be looking forward to meeting more of you and working with you this year.

Happy New Year,

Amy Anderson

From the Desk of Scott Harnsberger Executive VP, WFW and Past Shooters

January 1, 2019

After a very successful hunt hosted by the Lander One Shot Antelope Hunt Club, the Past Shooters and Water for Wildlife Boards are already planning for 2019.

2018 was a busy year. Phase One of the Evans/Dahl museum was completed, Executive Director Vickie Hutchinson was hired, and record funding of Water for Wildlife projects occurred. My appreciation goes out to Vickie, Gina, and the rest of the crew for paving the way to a successful hunt. The future of hunt events looks very bright with all the experiences gained over the past year. We look forward to working with Hunt Club President, Wade Alexander, and his crew of volunteers as plans are laid for 2019.

I had the pleasure of working with Water for Wildlife President, Alan Pettersen and Past Shooters President, Don Kennedy over the last two years. Thank you for the time you spent to help shape the future of the two organizations. I look forward to working with Carl Asbell and John Shipper over the next two years.

Finally, I want to thank Paul Fontaine for his cooperation as Hunt Club President and for his work on the museum. He has been a pleasure to work with and did a fantastic job on the museum renovation.

Have a Happy New Year.
Scott Harnsberger
Executive VP

This is a rectangular advertisement with a teal background. On the left side, there is a detailed black and white line drawing of a ram's head with large, curved horns. To the right of the drawing, the text 'WYOMING WILD ART TAXIDERMY' is written in a bold, serif font. Below this, it says 'DAN LATORRE Taxidermist'. Further down, the address '904 Main St. Lander, Wyoming 82520' and phone number '(307) 332-6987' are listed. To the right of the address, it says 'Also Providing Guided Fly Fishing Trips 307-349-9735'. At the bottom of the advertisement, the text 'Serving Fremont County for 21 Years.' is written in a cursive font.

Wild Game Recipe - CURRIED ANTELOPE MEATBALLS WITH CANDIED CARROTS

When you make these curried antelope meatballs, your kitchen is going to smell amazing. That is if you enjoy the fragrance of coriander, cumin, turmeric and garam masala. Serve the baked meatballs with these slow cooked candied carrots and a side of steamed brown or white rice.

As a side note... if you want to add another layer of indulgence, you could add coconut milk to the carrots while their cooking. You may need to increase the seasonings, since the coconut milk is a little overwhelming in flavor.

Substitute elk or venison

Serves 4

Meatball Ingredients

- 1 pound ground antelope meat
- 1 medium onion, grated (*cheese grater*)
- 1 garlic clove, finely chopped
- 1 teaspoon coriander
- 1 teaspoon cumin
- 1/2 teaspoon turmeric
- 1/2 teaspoon garam masala
- 1/2 teaspoon sea salt

Curry Candied Carrots

- 2 cups carrots, shaved into strips (*potato peeler*)
- 2 tablespoons unsalted butter
- 1 shallot, finely chopped
- 2 cloves garlic, finely chopped
- 1 tablespoon dark brown sugar
- 1/2 teaspoon garam masala
- 1/4 teaspoon sea salt

Directions

Preheat oven to 375° F.

Add all meatball ingredients to a bowl and mix everything together. Using your hands, shape 6 large meatballs and place on a non-stick baking sheet. Bake in oven for 30 minutes or until done.

While the meatballs are baking, heat a skillet over low heat and melt the butter. Add the chopped shallots and garlic. When the garlic is fragrant, add the shaved carrots to the skillet. Season the carrots with brown sugar, garam masala and sea salt. Slow cook the carrots until they become soft and golden brown around the edges. Remove from heat when done.

Serve the curried antelope meatballs and cooked carrots with a side of brown or white steamed rice.

Recipe & Photos used with permission from Nevada Foodies.com

From the Desk of Hunt Club President Wade Alexander

Greetings from Lander,

Planning is already underway for the 2019 hunt to be held September 18-21st. Through the years it has been a pleasure working with the One-Shot Antelope Hunt. I am very honored to serve as the One-Shot Hunt Club President for the next two years. Many great men have made the event what it is today. I am very appreciative of the outgoing President, Paul Fontaine, for the work he did to make the past two hunts a success.

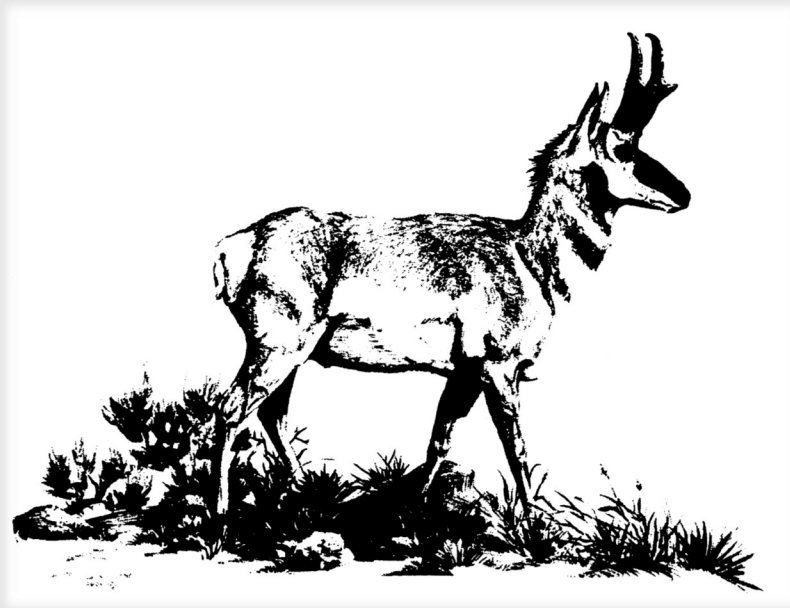

Having lived in Lander for most of my life, the One-Shot Antelope Hunt has always been an event I admire and enjoy working with. As your incoming President, I look forward not only to working with the Hunt Club but also with The Past Shooters Club, Water for Wildlife Foundation and the office staff. The Past Shooters Club plays such a large part in continuing the quality of the event. I have personally supported the mission of Water for Wildlife Foundation for several years and realize the great contribution it makes in giving back in the form of conservation efforts. The office staff plays a vital role in supporting all three organizations.

The Hunt Club has already received some applications for the upcoming 2019 Hunt. If any of you know of prospective teams, encourage them to apply. We are looking forward to hosting another group of great new shooter teams.

Sincerely,

Wade Alexander

*Wade Alexander President
One-Shot Antelope Hunt Club*

Gov. Matt Mead says goodbye; Colorado takes One Shot victory

By Suzanne Vines
 Editor

The One Shot hunters are back this morning Sept. 15, and the day is bright and sunny. It is a gorgeous day for the hunt, and there is a sense of anticipation in the air.

"I hope I can represent this in the future because this isn't just about the hunt. This isn't just about the community, and this isn't just about Wyoming. This is about our history and culture in this country in so many ways."

One part of One Shot's history is a longstanding rivalry that goes between Colorado and Wyoming every year because the governor of Wyoming and Colorado headed the Hunt 79 years ago. This is the 79th Hunt, though because the Hunt was suspended in the 1990s for five years.

"Hickokopop greatly took the winding single," he said, "The single really belongs to all of Lander, but I'm taking it back home." He reminded someone present that he was said Wyoming took care about history and the environment.

The new ritual goes naturally for being a Republican.

During Monday's news release, he noted his time, he said, and the community's support for the hunt.

"I'm taking this year since this is the last time the friendship of communities of One Shot. The hunt were punctuated by his

the friendship and closeness in the State that we're from."

The Hunt Club's president and host Paul Foreman, announced the outcome of this year's hunt. He said there was a 50 percent win rate among the hunters, which is better than the usual 30 percent. "I have won 11 hits in under 30 minutes. This speaks to the quality of the hunters and the quality of the guides."

Foreman continued, "Thanks to the 24 hunters for being outstanding sportsmen, joining our hunt, and becoming our friends as well. To the gun shamen, thank you. You make this thing what it is. You are a huge part of what's made this hunt so successful."

"We also thanked the most generous. Most all of the knowledge were donated to the Shoshone food bank."

Wyoming Governor Matt Mead said he found the One Shot Hunt. He gave two million to the same hunt. "But that was a good time. But it's not here because you will be replaced by the new crew of One Shot were punctuated by his

Wyoming Governor Matt Mead practiced shooting at Snake Canyon the day before the hunt. This was his last year as participants in the One Shot Antelope Hunt as Wyoming's governor.
