Interact Clubs

Twenty high school students from Oshkosh West and North HS Rotary Interact clubs gathered on Tuesday, November 15th at North High School to inaugurate the polar fleece sewing project, part of Rotary in Oshkosh's efforts to PAL up with local elementary schools. The cutters and sewers made great progress. They were aided by two young elementary school age models, Grace Wollangk and Anna Hobbins, who tried on hats and scarves and gave out fashion tips. The goal of this service project is to provide hats, mittens, and scarves to elementary school kids in Oshkosh who lack sufficient warm ware to go out for recess during the winter, which, ahem, is already upon us.

The goal is to provide an entire class of Roosevelt kindergartners, and all others at Roosevelt on "as needed" basis, with stylish polar fleece hats, scarves, and mittens. If all goes well, enough sets will be manufactured for kids at Jefferson, too. The students will meet gain on Monday November 28th to continue the cut-and-sew project.

Thanks to the West and North HS Rotary clubs; Ann Haverland of the North and West High Schools for accommodating this project and for the use of classroom space and sewing machines; and Melody Wollangk for putting it all together.

The Four Way Test

Of the things we think, say or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build good will and better friendships?
4. Will it be beneficial to all concerned?
