Kinder Kids Program

Our program strives to meet the individual needs in early childhood learners by looking at social development and academic skills. Our unique, FAITH-BASED program gives teachers and parents time to get to know learning styles and work pace of each student before recommending a placement for them in Transitional or Traditional Kinder Kids.

See you
at Kinder Kamp
on March 3!

Transitional Kinder Kids (TK)

- 2 year program
- 3 days a week (Monday, Wednesday, Friday) all year long
- Focus in on spiritual development, fine motor, social development, basic math and reading skills.
- Start in their own classroom in later October after parent teacher conferences.

Traditional Kinder Kids

- Progressional Style: 3 days first quarter, 4 days second quarter, 5 days second semester.
- Focus in on spiritual development, reading, phonics, spelling, math, science, social studies, and more to prepare student for first grade skills.

If your child will be 5 by September 15, 2023, you are invited to attend Kinder Kamp!
