REGULAR MEETING NO. 23  
Council Chambers, City Hall

July 21, 2020  
5:30 O'Clock P.M.

In order to protect the hlth and safety of our citizens and staff and mitigate the spread of COVID-19, we are following the Proclamation of a State Public Health Disaster Emergency issued at 12:00 P.M. on Tues, March 17, 2020, which has been extended through July 25, 2020. Effective 8:00 a.m. on June 12, 2020, and continuing until 11:59 p.m. on July 25, 2020: mass gatherings or events of more than 10 people in attendance may be held but only if the gathering complies with all other relevant provisions in the Proclamation with the following requirements: social distancing: the gathering organizer must ensure at least six ft. of physical distance between each group or individual attending alone and implement reasonable measures under the circumstances of each gathering to ensure social distancing of gathering participants, increased hygiene practices, and other public health measures to reduce the risk of transmission of COVID-19 consistent with guidance issued by the IDPH.

Present were Council Member Stevens, Meyers, Berg, Dalbey, Roe and Mayor Lazio.

Meyers moved, seconded by Roe to approve the following consent agenda items Mins. from Special Mtg. No. 21 on June 30, 2020, Regular Mtg. No. 22 on July 7, 2020 and Trash & Recycling Collection Pre-Proposal Mtg. on July 9, 2020 as presented; Approve the promotion of Thomas Millikin to DATACOM Supvr. in the Police Dept. effective Aug. 1, 2020; Approve the promotion of First Class Firefighter Derek Fye to the position of Master Firefighter effective July 23, 2020; Approve the bid from Greiner Implement for \$14,000 for a new mower for the Parks Dept.; Approve a one-yr lease agt. with A&A Wood Products, LLC for the rental of a city-owned lot adjacent to Bldg. No. 81, located at 14150 Terminal Ave., at the Ottumwa Regional Airport; Approve the purchase of three (3) 2021 Ford Utility Police Interceptor vehicles from Stivers Ford of Waukee, IA in the amount of \$105,000 and the purchase and installation of the police equip. necessary for basic police functions in the amount of \$39,300; Approve MOU between the City of Ottumwa and Wapello County for the 2020 JAG Grant; Authorize reimbursement of expenses in the amount of \$25,000 incurred by the City as qualified urban renewal expenditures eligible for reimbursement from the West Gate TIF as per Iowa Code §403.19, in support for the Main St. Program; Authorize reimbursement of expenses in the amount of \$39,138 incurred by the City as qualified urban renewal expenditures eligible for reimbursement from the West Gate TIF as per Iowa Code §403.19, in support for the Dwtwn. Maintenance Program; Beer and/or liquor applications for: Courtside Bar & Grill, 2511 N. Court; Smokin' Joe's Tobacco and Liquor Outlet #5, 1115 Albia Rd.; all applications pending final inspections. All ayes.

Roe moved, seconded by Stevens to approve the agenda as presented. All ayes.

City Admin. Rath discussed Personnel Policy addition for rehiring/reinstating of former employees. We do have language within our local rules and regs for Civil Service on this topic that are seniority based for rehiring/reinstating a former employee. "Appointments are first made from preferred lists (re-employment from layoff lists) if any exist for the position classifications concerned. Appointments from these lists must be made in the order of greater seniority. Names remain on a preferred list for three years from the date of layoff." Language also includes total years of service to the City if someone were to resign and return to City employment.

RFP for Attorney Services will be presented to Council for approval at the Aug. 4, 2020 mtg.

City Admin. Rath also presented an Introduction to Priority Based Budgeting (PBB). Item F-4 looks at contracting with Resource X to institute PBB with the City. Currently, the City of Ottumwa has one of the highest municipal tax rates in the state. In FY2020, Ottumwa's municipal tax rate (w/o Ag) was \$22.46 while the ave. for cities in IA was \$12.04. The City is maxed out on the General Fund levy.

Reduced revenues related to COVID-19 and increasing costs compounds the structural deficit. Alternative revenue options have faced political opposition in the past. Instead of using our current budget view that is line item yr. over yr. spending; PBB allows you to determine results, clarify result definitions, identify programs and services, value programs based on results and allocate resources based on priorities.

Mayor Lazio inquired if there was anyone from the audience that wished to address an item on the agenda. There were none.

Meyers moved, seconded by Berg to approve the evaluation criteria and point system for the City's noncommercial refuse, recyclables, bulky items and yard waste collection Request for Proposals. Dir. of Hlth. Insp. & Planning Flanagan reported this form was given to contractors attending the pre-bid mtg. and anyone submitting questions in advance of the mtg. The form will be available for view online. Proposals for the collection service are due Aug. 25, 2020. All ayes.

Roe moved, seconded by Berg to accept bid and award contract for asbestos removal and demolition at 811 W. Second to Dan Laursen, of Ottumwa, IA, for the sum of \$13,890. Dir. of Hlth. Insp. & Planning Flanagan reported three bids for asbestos removal and four bids for demo were received. All ayes.

Dalbey moved, seconded by Roe to approve the business associate agt. between the City of Ottumwa and Mark J. Becker & Associates, LLC to authorize Becker to serve on behalf of and as the plan sponsor for the City of Ottumwa Health and Welfare Benefit Plan(s). City Admin. Rath stated Becker & Associates will work with staff to identify what works with their health insurance and what other options they may want that they are not currently receiving; they will go out and market our proposal to try and get better pricing for us; currently, we are told what the plan price is and our premiums without any room for negotiation and this will allow Becker & Associates to take control of health insurance costs and provide reviews and advice on any compliance regulations. All ayes.

Roe moved, seconded by Meyers to authorize City Admin. to contract with Resource X for the implementation of the Priority Based Budgeting (PBB) tool and ongoing support. City Admin. Rath stated the PBB process begins by identifying the totality of the programs (services) provided by the City. Each of these services is costed out by identifying the personnel and non-personnel costs associated with providing each program. Adopting the PBB process provides the staff and elected officials with an improved way to approach budgetary decisions. The process helps identify programs that need more resources; programs the need to be provided as-is; programs that can be suspended; programs flexible for level of service adjustments; internal program partnership and consolidation opportunities; programs ideal for external program partnership; programs with revenue generation opportunities. The cost for implementing the PBB program is \$11,500- \$15,000. Timeframe could be as little as 2 months to implement and get staff started on the process and hopeful to have everything in place before the end of the year. All ayes.

Meyers moved, seconded by Berg that Res. No. 159-2020, recommendation to transfer \$21,118.59 to the BVC for delinquent payables due to lost revenue related to COVID-19 for the outstanding payables listing from 5/29/2020-6/30/2020, be passed and adopted. Finance Dir. Mulder reported the invoices totaled \$26,814.92; however BVC, Inc. has offered to help with some of the capital invoices, reducing the amount to \$21,118.59. Vote taken: Ayes: Stevens, Meyers, Berg. Nays: Dalbey, Roe. Motion passed.

Roe moved, seconded by Dalbey that Res. No. 160-2020, approving and authorizing Amendment to Loan and Disbursement Agt. by and between the City of Ottumwa and the Iowa Finance Authority, and authorizing and providing for the reissuance of the Sewer Revenue Capital Loan Note, Series 2010 (Rate

Reset), be passed and adopted. Finance Dir. Mulder reported the Sewer Facilities SRF loan became eligible for a reduction in the interest rate. The original loan was 3% interest rate and the new rate will be 1.75%. This will create a cost savings to the Sewer Fund of \$714,362.50 and principal pymts. will be unchanged. The lower rate will be effective Dec.1, 2020. All ayes.

Berg moved, seconded by Stevens that Res. No. 161-2020, authorizing the transfer of \$22,548.69 from the Wildwood Hwy 34 URA Fund to General Fund for partial repayment of monies advanced, be passed and adopted. All ayes.

Meyers moved, seconded by Roe that Res. No. 162-2020, fixing an amount for abating a nuisance against certain lots in the City of Ottumwa, IA, for a total amount of \$1,444, be passed and adopted. Dir. of Hlth. Insp. & Planning Flanagan reported the following four properties included in this abatement: 221 Clem; 822 N. Court; 1934 E. Main; 250 S. Ward. All ayes.

Roe moved, seconded by Dalbey that Res. No. 163-2020, adopting the City of Ottumwa Policy to be in full compliance with Title VI of the Civil Rights Act of 1964, related statues and regulations concerning discrimination and to designate a Title VI Coordinator, and rescinding Res. No. 124-2020 passed on 6/2/2020 which listed former City Attorney/HR Manager as the Title VI Coordinator, be passed and adopted. This new Policy designated City Admin. Rath as the Title VI Coordinator for the City of Ottumwa. All ayes.

Berg moved, seconded by Stevens that Res. No. 164-2020, approving Addendum No. 1 to the Noncommercial trash, recyclables, bulky items and yard waste Request for Proposal and Contract within the City of Ottumwa, IA beginning July 4, 2021, be passed and adopted. Dir. of Hlth. Insp. & Planning Flanagan reported three changes to the RFP and Contract language: all customers, upon request, will receive one replacement recycling container at no cost during the life of the contract; contractors may begin collections at 5:00 A.M. from Memorial Day – Labor Day; and allowing contractors to submit an alternative proposal in addition to submitting response to the RFP as written. All ayes.

Roe moved, seconded by Dalbey that Res. No. 165-2020, award the contract for the WPCF Rebid Final Clarifier Select Repainting Project to Willco, Inc. of Omaha, Nebraska, in the amount of \$49,100 for the base bid, be passed and adopted. PW Dir. Seals reported three bids were received. Engineer's opinion of cost \$50,000. All ayes.

Dalbey moved, seconded by Roe that Res. No. 166-2020, approving Change Order No. 6, in the amount of \$62,995.96 for the Main Street (Dwntwn Streetscape) Reconstruction Project, be passed and adopted. PW Dir. Seals reported this change order addresses costs associated with add'l sewer separation. New contract sum is \$5,208,439.29. All ayes.

Roe moved, seconded by Meyers that Res. No. 167-2020, approving the renewal of a funding agt. between the City of Ottumwa and the Greater Ottumwa Convention and Visitors Bureau, Inc. (CVB), be passed and adopted. City Admin. Rath reported the agt. signed Sept. 4, 2018 was a two-yr. agt. ending on June 30, 2020; with an option to auto renew. The City desires that 35% of the hotel/motel tax continue to be allocated to the CVB for another two yrs. Agt. term will be July 1, 2020 through June 30, 2022. All ayes.

Dalbey moved, seconded by Berg that Res. No. 169-2020, approving an electric and telecommunications line easement to Interstate Power & Light Company for the property located at Lot 57 in Highland Park, be passed and adopted. PW Dir. Seals reported Interstate Power will erect a pole at easement location Parcel #007413500070000. All ayes.

Meyers moved, seconded by Dalbey that Res. No. 170-2020, approving Change Order No. 1 in the amount of \$13,001.05 for the Milner St. Reconstruction Project, be passed and adopted. PW Dir. Seals reported the following items are included in this change order: pig water main, replace sewer pipe with water main material, remove structure and change start date. New contract sum \$2,505,053.77. All ayes.

Mayor Lazio inquired if anyone from the audience wished to address an item not on the agenda. There were none.

There being no further business, Stevens moved, seconded by Berg that the meeting adjourn. All ayes.

Adjournment was at 6:30 P.M.

<b>Job Description:</b>	<b>Risk Manager / Purchasing Agent</b>
<b>Department:</b> Finance	<b>Division:</b>
<b>Reports To:</b> Director of Finance	<b>Last Updated:</b> April 2020

---

**I. Summary of Position**

The Risk Manager / Purchasing Agent is a mid-level managerial position serving under the supervision of the Finance Director, exercising independent judgment and working with minimal supervision, but seeking direction, on occasion, from the Director on substantive matters related to the administration of risk management, insurance, and purchasing policies necessary for the efficient delivery of municipal operations.

The purpose of this position is to direct, assist, and supervise the Risk Management program for the City of Ottumwa. The Risk Manager is responsible for identifying, evaluating, controlling and minimizing the City of Ottumwa's exposure to loss of or damage to physical assets, fidelity losses and losses arising out of liability claims through the receipt of accident reports, conducting investigations, and developing the training program(s) related to employee safety.

Additionally, the Employee is responsible for conducting purchasing activities for the procurement of supplies, materials and equipment required by the City. The position carries with it a large degree of responsibility for preparation of programs, equipment needs and budgets. There is also the responsibility of assisting the Finance Director with various duties, some of advanced nature, involving reconciliation of daily cash to maintaining fixed asset records. The Risk Manager / Purchasing Agent will work closely with the Director of Finance and other members of the administrative management team to assist with the efficient delivery of municipal services.

**II. Duties and Responsibilities**

RECOMMENDATION:

Approve the purchase of a Labconco FlaskScrubber dishwasher from North Central Labs with shipping for \$11,975.

DISCUSSION

The current lab dishwasher is a standard household dishwasher installed in 2001 and does not meet the requirements to have properly cleaned glassware. Lab employees have to hand rinse all glassware after the dishwasher completes its cycle. Cleanliness is crucial for BOD testing and the Labconco FlaskScrubber utilizes jetted inserts, forced-air drying and high heat to clean narrow necked bottles. In addition this will allow for up to 6 rinses with deionized water which the current one does not do. The FlaskScrubber with the upper spindle rack will clean 66 bottles per wash cycle saving hours of hand washing and rinsing per week.

Three quotes were received, with a low bid of \$11,975 from North Central Labs. This dishwasher comes with a 2 year warranty.

Model SRI20P B O.D. Thermoelectric Cooled Incubator, 19.3 Cu Ft. (300 Bottle Capacity). Using innovative thermoelectric cooling technology, the SRI20P eliminates the need for a refrigeration compressor. This means that these units use 78% less power than alternative models and reduce room air conditioning loads by 75%. They also include 75-pound capacity shelves, which eliminates sagging. These incubators meet APHA specifications for Biochemical Oxygen Demand (BOD) and include a mechanical convection system to ensure even air distribution, digital temperature set controller, over temperature limit control, and a digital temperature display.

A one amp interior outlet allows use of shakers, stirrers, roller bottles or other apparatus. Units are supplied with adjustable leveling feet.

Low Temperature Incubators are ideal for testing of sewage and wastewater, as well as other low and room temperature applications.

**Units include:**

- Microprocessor Control System
- PID Temperature Control
- LED Display of Set Point and Chamber Temperature
- Interior Electrical Outlet
- Fan Assisted/Forced-Air Circulation
- Aluminum Interior
- 24 Month Limited Warranty

RECOMMENDATION:

Approve the purchase of a BOD incubator from North Central Labs for the price of \$5,115.00

DISCUSSION:

The current BOD incubator was purchased in 1994 and no longer provides uniform temperature. This piece of equipment is critical for the daily analysis of BOD required by Iowa Department of Nature Resources. The new incubator is designed to use 78% less power than older models and reduces the air conditioning load to the room by 75%.

Four quotes were received, with a winning bid of \$5115 from North Central Labs. This comes with a 2 year warranty.

The WPCF budgeted \$8900 in account 610-8-815-6727 and this will be taken out of it.

RECOMMENDATION: Approve the purchase of six (6) galvanized light poles in the amount of \$16,464.

DISCUSSION: The Electrical Department has been replacing the City's metal street light poles that the City maintains with galvanized poles that require less maintenance and resist rusting. The current poles are 34 years old and rusting out at the base. The cost of six (6) galvanized poles, bases and mast arms is \$16,464, which equates to \$2,744 per pole.

Our annual pole replacement program started in the 2015/2016 budget year. This is a CIP item funded by RU and is included in the 2020/2021 budget year.

Budgeted: \$16,770.

RECOMMENDATION: Approve the purchase of forty (40) LED Street lights in the amount of \$12,701.04.

DISCUSSION: The City of Ottumwa is responsible for an estimated 477 Street Lights. In 2016, an effort began to replace the existing fluorescent cobra head street lights with longer life, energy efficient LED lights. For Street Lights, Alliant Energy has been issuing a 50% rebate. Between annual budgeting and taking advantage the significant Alliant Energy rebates, the City Electrical Department has been able to replace 354 Street lights.

Quotes were taken with Van Meter providing the lowest quote of \$317.526 per LED street light. 40 LED Street lights will be purchased totaling \$12,701.04.

As Alliant Energy rebates are received, additional LED street lights will be purchased. At the current rate, it is anticipated that all City owned Street lights will have been converted to energy efficient LED lights by fall of 2021.

This is a CIP item funded from RU fund and is included in the 2020/2021 budget year.

The time of commencing and completing said work is the essence of this Contract.

**ARTICLE III**

THE CONTRACT SUM. The Owner shall pay the Contractor the sum of **\$49,100.00** payable as set forth in Article IV below, for the performance of the Contract subject to increases or decreases as provided in the Specifications.

**ARTICLE IV**

PROGRESS PAYMENTS. In consideration to the foregoing, the Owner agrees to make payments according and subject to the conditions set forth in the Official Notice and Specifications.

**ARTICLE V**

CONTRACTOR'S RESPONSIBILITY: The Contractor assumes full responsibility for the safekeeping of all materials and equipment and for all unfinished work until final acceptance by the Owner, and if any of it be damaged or be destroyed from any cause, he shall replace it at his own expense.

The Contractor shall indemnify and hold harmless the Owner against any liens filed for nonpayment of his bills in connection with the Contract work. The Contractor shall furnish the Owner satisfactory evidence that all persons who have done work or furnished materials, equipment or service of any type under this Contract have been fully paid prior to the acceptance of the work by the Owner.

The Contractor agrees to accept full responsibility for all construction means, methods, sequences, techniques, proceedings, property and personal safety on the project site, including the same for all subcontractors, and do not expect that the Owner, Engineer or Engineer's Representatives will assume any of these duties or responsibilities.

A certificate of insurance for liability, bodily injury and property damage satisfactory to the Owner in the amount of \$500,000 for each person bodily injury and \$1,000,000 per occurrence of or aggregate limit, or \$2,000,000 combined single limit. The Owner must be included as an additional insured to the certificate of insurance. Also, Worker's Compensation coverage in accordance with State of Iowa statutes must be provided.

The Contractor shall indemnify and hold harmless the Owner, the Owner's employees, the Engineer, and the Engineer's employees from any and all liability, loss, cost, damage, and expense (including reasonable attorney's fees and court costs) resulting from, arising out of, or incurred by reason of any claims, actions, or suits based upon or alleging bodily injury, including death, or property damage rising out of or resulting from the Contractor's operations under this Contract, whether such operations be by himself or by any subcontractor or by anyone directly or indirectly employed by either of them. The Contractor shall obtain insurance for this purpose, which shall insure the interests of the Owner and Engineer as the same may appear, and shall file with the Owner and Engineer certificates of such insurance.

#### ARTICLE VI

ACCEPTANCE AND FINAL PAYMENT. The manner of making final acceptance and final payment shall be as provided in the Specifications. The Owner may require the Contractor to show satisfactory evidence that all payroll, materials, bills and other indebtedness connected with the work shall have been paid before final acceptance of the work. The making and acceptance of the final payment shall constitute a waiver of all claims by the Owner other than those arising from unsettled liens and from all claims by the Contractor except those previously made and still unsettled, and except potential claims by owner against Contractor pursuant to the one (1) year warranty or guaranty period as provided for in the specifications, the Notice of Letting and the Performance Bond.

#### ARTICLE VII

CONTRACT DOCUMENTS. The Official Notice, the Proposal, this Contract, Detailed Plan Drawings and Specifications (including Measurement and Payment), the General Specifications, the Instruction to Bidders, the Special Conditions, the General Conditions and the Contractor's Bond and the Performance Bond form the Contract and they are as fully a part of this Agreement and Contract and to the same effect as if each of them had been set forth in complete detail herein.

IN WITNESS WHEREOF. The parties have executed this Agreement and Contract and one other of like tenor as of the day and year first above written.

**BEACH OTTUMWA USAGE AGREEMENT  
BETWEEN  
THE CITY OF OTTUMWA, IOWA  
AND  
THE OTTUMWA COMMUNITY SCHOOL DISTRICT**

THIS AGREEMENT is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, 2020, by and between the City of Ottumwa, hereinafter referred to as "City", and the Ottumwa Community School District, hereinafter referred to as "District", pursuant to the provisions of Chapter 28E of the Code of Iowa.

WITNESSETH:

WHEREAS, City is a municipal corporation of the State of Iowa located in Wapello County, Iowa and, as such, is the owner and operator of a water recreational facility which contains an indoor standard swimming pool and an indoor minimum depth instructional pool.

WHEREAS, District is a school corporation and independent school district organized under the school laws of the State of Iowa and is located in Wapello County, Iowa; and

WHEREAS, the City and District entered into an Agreement dated April 2, 1991 regarding the construction and rental of a water recreational facility in Ottumwa known as Beach Ottumwa; and

WHEREAS, the Agreement dated April 2, 1991 was modified on June 21, 2016 and is further amended to meet the current needs of the City and the District; and

WHEREAS, the current facility is more than 25 years of age and is currently undergoing capital improvements to ensure the present Beach Ottumwa facilities are up to date and adequate to meet the District's needs for swimming facilities; and

WHEREAS, the District is authorized by law to enter into a rental agreement for the long term use of said facilities.

NOW, THEREFORE, IT IS HEREBY AGREED by and between the City and the District as follows:

1. District does rent from the City its indoor water recreational facility, including the indoor standard swimming pool, the indoor minimum depth instructional swimming pool, dressing rooms, equipment, parking areas, and occasionally the outdoor facility and all easements and appurtenances thereto belonging, incidental or necessary to the

use hereof, all for the periods of time and for the rent hereinafter set forth and upon all of the terms and conditions herein contained.

2. That said rental shall be for the use of the facilities. During said rental times, the use of said indoor pools shall be exclusive unless hereinafter set out. The use of the outdoor pool areas shall not be exclusive unless prior arrangements are made. The use of dressing rooms, appurtenances, areas, equipment, and parking lots shall be non-exclusive but priority thereto shall be afforded to the District. That the City shall make the demised premises available to the District for at least 400 hours during the District's school year as established by the District (which school year will commence in approximately August of one calendar year and terminate in May or June of the succeeding calendar year; that said minimum number of hours shall be guaranteed to the District; that the District shall not be required to utilize the entire amount of said hours, but may do so if it desires. That, in addition to said minimum number of hours as aforesaid, the District may utilize said demised facility for such additional hours as the District and the City may agree upon. If the District desires additional hours of use it shall be given priority over all other proposed users of the City's facility as it pertains to those hours not already scheduled for use by others at the time District's request is made. No right shall exist to require the city to reschedule events or cancel the same as to any request for additional hours of use.
3. The District shall, on or before thirty (30) days prior to the commencement of the school year each year, give notice to the City Parks Director of a tentative schedule of hours that it desires to utilize said facility for the school year, including a tentative schedule of practices and meets before the first practice of the season for each sport. Notice of deviations to the schedule will also be provided to the Parks Director. The giving of such notice is to assist the City in planning the operation of said facility and failure to designate a specific time or date shall not deprive the District of its rights to utilize its minimum hours. In the utilization thereof, the District shall have priority over all other users for those hours so designated. Providing, however, that when any events are scheduled during the District's school year, the District shall be promptly notified of their scheduling which term shall mean within ten (10) days except in the case of an emergency. In the event that the District desires to utilize said facility in excess of the minimum hours aforesaid and does not believe the City has used reasonable steps to assure the District priority for said additional hours, then the matter shall be resolved by consideration of a panel which shall serve for the term of this Agreement and any renewal thereof, and which shall consist of three (3) persons, one (1) appointed by the Superintendent of Schools of the District, one (1) appointed by the City Administrator of the City, and one (1) appointed jointly by the Mayor of the City and the President of the School Board.

4. Rental shall be paid as follows:
  - (a) The District shall pay during the term hereof and any subsequent renewal hereof an annual rental fee of \$48,600 for the school year commencing in August of 2020. The annual rental fee may be paid in quarterly installments to be paid on or before the first day of August, October, January, and April of each year for the respective school term beginning in August. Commencing on July 1, 2021, the rent shall be adjusted to an annual fee of \$54,488. Commencing on July 1, 2022, the rent shall be adjusted to an annual fee of \$56,687.
  - (b) The District shall pay during the term and any subsequent renewal hereof an hourly rental fee for each hour that exceeds 400 hours annually the sum of \$150 per hour.
  - (c) That the City shall include with said billing a full statement of the CPI and CIP calculations made and utilized in connection therewith. In the event the District shall disagree with said calculations, the District shall pay the undisputed amount, and the matter shall be submitted to binding arbitration, the same to be conducted by an arbitrator chosen from a list of three provided by the Public Employees Relations Board (PERB). City and District shall each strike one from the list and the person so remaining shall conduct the arbitration in the manner agreed upon by the City and the District, or determined by the arbitrator if they cannot agree. The decision of the arbitrator shall be final and binding upon the parties and judgment may be entered thereon, if necessary, in the Wapello County, Iowa District Court. No interest shall be required to be paid on the disputed portion until judgment, if necessary, if entered and only thereafter shall interest accrue.
  - (d) In the event students wish to utilize the pool for individualized practices during non-exclusive times, each student shall be charged the sum of \$4.00. Students and/or school coaching staff will obtain pre-approval from school administration and provide the authorization to City staff before usage. City will bill for said usage on a monthly basis.
  - (e) Students utilizing the pool for the PTYC program, the Migrant Summer School Program or school sponsored swim parties; each student will be charged the sum of \$3.00 each. The school district will be billed separately on a monthly basis.
  - (f) City will provide a report monthly to school administration indicating the number of hours utilized toward the annual cap of 400 hours for exclusive pool usage.
5. The term of this rental agreement shall be for a period of three (3) years, commencing on July 1, 2020 and terminating on June 30, 2023.

6. The District may utilize the demised premises for such purposes as are consistent with such facility and as the District may determine are within the District's powers and duties and in furtherance of the District's goals and objectives. By way of specification but not limitation, the District may utilize said facilities for physical educational classes, practices and conditioning for athletic teams, intramural activities, interscholastic activities and meets, and community recreation.
7. During the use of the facilities by the District, the City shall provide such maintenance, as may be necessary to effect the efficient operation of the facility and the exclusive use thereof by the District. Providing, however, that at all times the District shall utilize said facility, the District shall provide its own coaches, and such other personnel, including security personnel and life guards for special events, as may be necessary to properly supervise students, parents of students, employees, families of employees, and guests of District utilizing said facilities.
8. Maintenance in connection with the demised premises shall be the sole responsibility of the City, provided the maintenance is NOT related to damage caused by District use of the facility. Basic repairs and maintenance costs are built into the rental fees set out above. District will be billed separately for maintenance required to repair damage as a result of District use of the facility.
9. All utilities and services of any nature whatsoever shall be the sole responsibility of City.
10. The District shall, during the times it utilizes the demised premises, maintain in full force and effect a policy of liability insurance with limits of liability at a minimum of One Million Dollars (\$1,000,000.00) insuring the District against liability for all District activities at the facility; that the District shall cause the City of Ottumwa to be named as an additional named insured on said policy. The District shall hold the City of Ottumwa harmless from any liability resulting from the District's exclusive usage of said facility.
11. That if by reason of fire, wind, storm or any other natural casualty or disaster which shall destroy the demised premises or render it useless for the purposes of the District, and shall make it impossible for the District to exercise its rights under this Agreement, then the District shall be reimbursed that prorated portion of the rent for the school year that the District was unable to utilize the facilities.

12. The City shall further procure and maintain liability insurance with limits of liability not less than One Million Dollars (\$1,000,000.00) covering liability for the operation of said premises, which said policy shall name the District as an additional named insured for claims and causes of actions brought against the District by reason of its rental of the premises, which claims are not founded on the negligence of the District but the negligence of the city.
13. In the event of a partial damage or destruction of the demised premises, which is interference, that is, which prevents the normal use of the district of said facility and which is repairable within sixty (60) days, then the City shall repair such damage within sixty (60) days of its occurrence.
14. If default shall be made by either party in the performance or compliance with any of the terms, covenants, or conditions of this agreement, and such default shall have continued for thirty (30) days after written notice thereof from one party to the other, the person aggrieved, in addition to all other remedies now or hereafter provided by law, may but need not perform such term, covenant or condition and make good such default and the amount advanced shall be repaid forthwith on demand, together with interest at a rate of eleven percent (11%) per annum.
15. The District shall have the right and privilege of attaching, affixing, painting or exhibiting signs on the leased premises, provided that such signs shall comply with the ordinances of the City and the laws of the State of Iowa, and that such signs shall not change the structure of the building, or damage the same when taken down. Such signs are subject to the written approval of the City, which approval shall not be unreasonably withheld.
16. The various rights, powers, options, elections and remedies of either party provided in this lease shall be construed as cumulative and no one of them is exclusive of the other or exclusive of any rights, remedies, or priorities allowed either party by law and shall, in no way affect or impair the right of either party to pursue any other equitable or legal remedy to which either party may be entitled as long as any default remains in any way unremedied, unsatisfied, or discharged.
17. Notices, as provided for in this agreement, shall be given to the respective parties hereto, at their respective addresses, as hereinafter designated unless either party notifies the other in writing of a different address. Without prejudice to any other method of notifying a party in writing or making a demand or other communication, such message shall be considered given under the terms of this lease when sent addressed as designated, postage prepaid, by registered or certified mail, return receipt

requested, by the United State Mail, and so deposited in the United States mail box. Said designation of addresses shall be as follows:

DISTRICT:

18. Each and every covenant and agreement hereto shall extend to and be binding upon the respective successors, heirs, administrators, executors, and assigns of the parties hereto. That this agreement and rights and obligations hereunder may not be assigned by either party without the prior express written consent of the other; said consent not to be unreasonably withheld.
19. None of the covenants, provisions, terms or conditions of this agreement to be kept or performed shall be in any manner modified, waived or abandoned, except by written instrument duly signed by the parties and delivered to each. This lease contains the whole agreement of the parties.
20. Words and phrases herein, including acknowledgment hereof, shall be construed in the singular or plural number and as masculine, feminine, or neuter gender according to the context.

AGENDA TITLE: Consider accepting the 2020 Justice Assistance Grant (JAG) from the Bureau of Justice Assistance in the amount of \$15,462.00.

\*\*Public hearing required if this box is checked.\*\*

RECOMMENDATION: To approve the submission of the grant over the Internet and authorize the Mayor, City Administrator, and Chief of Police to sign any related documents as may be required.

DISCUSSION:

The 2020 Justice Assistance Grant (JAG) does not require a local match. The Department's proposed use of the funds is for the purchase of equipment to include an L-Tron OSCR360 High Resolution Camera Image Capture Kit and OSCR360 Desktop Presentation Package. Federal requirements state the funds can only be used to supplement the Department's budget, not supplant it.

The amount of funds we receive from the JAG Grant is based on the number of violent crimes we report to the Federal government. As in

Budgeted Item:  Budget Amendment Needed:

previous years, the Wapello County Sheriff's Department is considered a disparate agency within the JAG Program. They are considered a disparate agency because they do not qualify for a direct award; yet the county is responsible for providing criminal justice services such as incarceration for the municipality.

Because the Sheriff's Department is considered a disparate agency, the Bureau of Justice Assistance requires that we discuss with the Sheriff the sharing of our JAG Grant funds. After reviewing the grant with Sheriff Phillips, it was agreed that the County would receive 15% of the grant funds (\$2,319.00), the Police Department would receive 85% (\$13,143.00), and the Police Department would administer the grant.

Staff recommends approving the submission of the grant over the Internet and authorizing the Mayor, City Administrator, and Chief of Police to sign any related documents as may be required.

**Program Narrative – Attachment**

The Wapello County (Iowa) Sheriff's Department is considered a disparate agency by the Bureau of Justice Assistance. Therefore, the City of Ottumwa negotiated with the Sheriff's Department a mutually agreeable settlement to share funding received from the Justice Assistance Grant Program. The settlement provides for the following: the Wapello County Sheriff's Department would receive 15% of the grant funds (\$2,319.00), the Ottumwa Police Department would receive 85% (\$13,143.00), and the Ottumwa Police Department would administer the grant. This is the same settlement both entities have always agreed to when sharing funds from the former Local Law Enforcement Block Grant Program and past Justice Assistance Grants.

The Ottumwa Police Department and the Wapello County Sheriff's Department's strategy for the FY 2020 JAG funds is to identify and prioritize needed equipment; identify and select vendors; and then purchase the equipment.

The Ottumwa Police Department will act as the applicant, fiscal agent, and will gather the information needed to complete all required reports, including performance measures.

The Wapello County Sheriff's Department will be using its funds under the purpose area of "Law Enforcement Programs". The Sheriff's Department will use funds to purchase equipment for law enforcement use, to include:

*One Honda 25HP Four Stroke Outboard Boat Motor (\$2,319.00)* – The Sheriff's Department would like to purchase one (1) Honda 25HP four stroke outboard boat motor for law enforcement use. The outboard boat motor will be used on the department boat they use for patrol along with search and rescue. The Sheriff's Department patrols Wapello County which includes the Des Moines River. This river is a large tributary that flows through the whole county making the Sheriff's Department responsible for water patrol along with search and rescue. This outboard boat motor is known for reliability, fuel efficiency, and durability, making it a safe and efficient way for officers to operate their patrol boat on the water.

The Ottumwa Police Department will also be using its funds under the purpose area of "Law Enforcement Programs". The Police Department will use funds to purchase equipment and software for law enforcement use to include:

*L-Tron OSCR360 High Resolution Camera Image Capture Kit (\$5,290.00)* – The Police Department would like to purchase one (1) L-Tron OSCR360 high resolution camera image capture kit which will allow officers to capture and view 360-degree spherical images, associated GPS coordinates and cardinal direction (compass) information instantly. This information can be used for crime scene investigations, crash investigations, search warrants, emergency planning, and training. This kit will provide officers with an efficient and effective way to capture and preserve digital evidence.

*L-Tron OSCR360 Desktop Presentation Package (\$7,853.00)* – The Department would like to purchase one (1) L-Tron OSCR360 desktop presentation package with extended software updates, upgrades, and maintenance. This presentation package will allow officers to easily consolidate, organize, and connect all digital evidence from a case, creating a virtual walkthrough of the scene. Officers can also use the presentation package for incident preplanning in the community and training. This will be a versatile tool for officers conducting investigations and training.

Without funding from the Justice Assistance Grant Program, neither agency would be able to purchase the needed equipment listed above. Both agencies anticipate utilizing the funds within the first 18 months of the grant program.

**Background**

Recipients' financial management systems and internal controls must meet certain requirements, including those set out in the "Part 200 Uniform Requirements" (2.C.F.R. Part 2800).

Including at a minimum, the financial management system of each OJP award recipient must provide for the following:

- (1) Identification, in its accounts, of all Federal awards received and expended and the Federal programs under which they were received. Federal program and Federal award identification must include, as applicable, the CFDA title and number, Federal award identification number and year, and the name of the Federal agency.
- (2) Accurate, current, and complete disclosure of the financial results of each Federal award or program.
- (3) Records that identify adequately the source and application of funds for Federally-funded activities. These records must contain information pertaining to Federal awards, authorizations, obligations, unobligated balances, assets, expenditures, income, and interest, and be supported by source documentation.
- (4) Effective control over, and accountability for, all funds, property, and other assets. The recipient must adequately safeguard all assets and assure that they are used solely for authorized purposes.
- (5) Comparison of expenditures with budget amounts for each Federal award.
- (6) Written procedures to document the receipt and disbursement of Federal funds including procedures to minimize the time elapsing between the transfer of funds from the United States Treasury and the disbursement by the OJP recipient.
- (7) Written procedures for determining the allowability of costs in accordance with both the terms and conditions of the Federal award and the cost principles to apply to the Federal award.
- (8) Other important requirements related to retention requirements for records, use of open and machine readable formats in records, and certain Federal rights of access to award-related records and recipient personnel.

**Certifications and Assurances by the Chief Executive of the Applicant Government**

On behalf of the applicant unit of local government named below, in support of that locality's application for an award under the FY 2020 Edward Byrne Justice Assistance Grant ("JAG") Program, and further to 34 U.S.C. § 10153(a), I certify to the Office of Justice Programs ("OJP"), U.S. Department of Justice ("USDOJ"), that all of the following are true and correct:

1. I am the chief executive of the applicant unit of local government named below, and I have the authority to make the following representations on my own behalf as chief executive and on behalf of the applicant unit of local government. I understand that these representations will be relied upon as material in any OJP decision to make an award, under the application described above, to the applicant unit of local government.
2. I certify that no federal funds made available by the award (if any) that OJP makes based on the application described above will be used to supplant local funds, but will be used to increase the amounts of such funds that would, in the absence of federal funds, be made available for law enforcement activities.
3. I assure that the application described above (and any amendment to that application) was submitted for review to the governing body of the unit of local government (e.g., city council or county commission), or to an organization designated by that governing body, not less than 30 days before the date of this certification.
4. I assure that, before the date of this certification— (a) the application described above (and any amendment to that application) was made public; and (b) an opportunity to comment on that application (or amendment) was provided to citizens and to neighborhood or community-based organizations, to the extent applicable law or established procedure made such an opportunity available.
5. I assure that, for each fiscal year of the award (if any) that OJP makes based on the application described above, the applicant unit of local government will maintain and report such data, records, and information (programmatic and financial), as OJP may reasonably require.
6. I have carefully reviewed 34 U.S.C. § 10153(a)(5), and, with respect to the programs to be funded by the award (if any), I hereby make the certification required by section 10153(a)(5), as to each of the items specified therein.

**Information regarding Communication with the Department of Homeland Security (DHS) and/or Immigration and Customs Enforcement (ICE)**

Each applicant must provide responses to the following questions as an attachment to the application:

- (1) Does your jurisdiction have any laws, policies, or practices related to whether, when, or how employees may communicate with DHS or ICE? YES
- (2) Is your jurisdiction subject to any laws from a superior political entity (e.g., a state law that binds a city) that meet the description in question 1? YES
- (3) If yes to either: • Please provide a copy of each law or policy; • Please describe each practice; and • Please explain how the law, policy, or practice complies with section 1373.

Note: Responses to these questions must be provided by the applicant to BJA as part of the JAG application. Further, the requirement to provide this information applies to all tiers of JAG funding, for all subawards made to state or local government entities, including public institutions of higher education. All subrecipient responses must be collected and maintained by the direct recipient of JAG funding and must be made available to DOJ upon request. Responses to these questions are not required from subrecipients that are either a tribal government/organization, a nonprofit organization, or a private institution of higher education.

Communication with Department of Homeland Security (DHS) and/or  
Immigration and Customs Enforcement (ICE)

The City of Ottumwa, Iowa complies with all State and Federal Law relating to communications with the Department of Homeland Security (DHS) and/or Immigration and Customs Enforcement (ICE).

In particular, the City is complying with the Iowa Code Chapter 27A (formerly Chapter 825) which prohibits the City from adopting or enforcing any policy or action which prohibits or discourages the enforcement of immigration laws. To conform to Iowa Code Chapter 27A, the City adopted written policies regarding the enforcement of immigration laws that are consistent with Iowa law as well as Federal law. Iowa Code Chapter 27A complies with Federal Section 1373.

Attached to this response is a copy of Iowa Code Chapter 27A as well as the City's written policies that are consistent with Chapter 27A and Federal Section 1373.

## Wapello County Attorney

### Communication with the Department of Homeland Security (DHS) and/or Immigration and Customs Enforcement (ICE)

1. Iowa, as a state, imposes requirements, through Iowa Code Chapter 27A, on our jurisdiction requiring that our law enforcement and county government employees fully cooperate with DHS and ICE.
2. Our jurisdiction is subject to state law that binds our county and city. Specifically, Iowa Code Chapter 27A binds our jurisdiction.
3. Iowa Code Chapter 27A, through Iowa Code § 27A.4 specifically prohibits any restriction that would prohibit or discourage the enforcement of immigration laws in our jurisdiction. Any enforcement officers, corrections officers, county attorneys, city attorney, or other official employed by a local government entity in our jurisdiction must cooperate and communicate with ICE or DHS officials with regards to actions designed to enforce federal immigration laws. A failure to do so will result, under Iowa Code § 27A.9, in the denial of state funds to our local government entities.

Subject <b>IMMIGRATION ENFORCEMENT</b>				Policy No. <b>L-13</b>
Type GENERAL ORDER	Issued 1/1/19	Revised	Reference	Total Pages <b>2</b>

*Senate File 481, "An Act relating to the Enforcement of Immigration Laws and Providing Penalties and Remedies, Including the Denial of State Funds", was passed by the Iowa legislature in 2018 (codified at Chapter 825, Iowa Code). It requires that law enforcement agencies adopt written policies that are consistent with SF 481. This Policy will set forth Department practices in writing and provide additional detail as required by SF 481.*

**Policy:**

The primary function of the Department is to protect public safety for the benefit of all persons who reside in and visit the community. The enforcement of immigration law is a function of the federal government that currently resides with Immigration and Customs Enforcement (ICE) of the Department of Homeland Security (DHS). If a federal immigration officer requests assistance or cooperation from the Department in connection with immigration enforcement, the Department shall conduct all immigration enforcement activities in a manner consistent with this policy, the Constitutions of the United States and the State of Iowa, and local, state and federal laws.

The need for community trust and cooperation is an essential component of effective policing and public safety. In furtherance of this principle, victims and witnesses of crime shall not be the focus of immigration inquiries and should be encouraged to cooperate in the reporting and investigation of crime. Officers should be aware that the enforcement of state and federal laws related to immigration is a complex effort requiring the cooperation of multiple agencies and the consideration of multiple facts and circumstances. Absent an emergency, the determination of whether a request for enforcement assistance from a federal immigration officer is reasonable or necessary shall be made by a Division Commander. The operational needs of the agency and the overall safety of the community necessarily take priority when deciding how best to use limited department resources. Supervisors and commanders may direct law enforcement resources as the needs of the agency, or particular situations dictate, based upon existing circumstances.

**Definitions:**

**Immigration Detainer Request:** An immigration detainer request is a written federal government request to the Department to maintain temporary custody of a person, including DHS form I-247 or similar/successor form, that is accompanied by one of the following forms (or similar or successor form) signed by an authorized United States immigration and customs enforcement officer: a) DHS form I-200 (Warrant for Arrest of Alien); or b) DHS form I-205 (Warrant of Removal/Deportation). A request that is not accompanied by one of these forms is not an "immigration detainer request."

**Immigration Law:** Any law of this state or a federal law relating to aliens, immigrants, or immigration, including but not limited to the federal Immigration and Nationality Act.

**Public Offense:** A public offense is that which is prohibited by statute and is punishable by fine or imprisonment. For the purpose of this policy "public offense" excludes traffic violations.

Lawful Detention: The detention of a person for the investigation of a "public offense" as defined above. Lawful detention excludes a detention if the sole reason for the detention is that a person is a victim of or witness to a public offense or is reporting a public offense.

Procedures:

- A. Each officer and employee of the Department must fully comply with all federal and state laws, including Iowa Senate File 481 (Chapter 825 of the Iowa Code), and is prohibited from preventing another officer or employee from complying with said laws. If a conflict between laws is identified or an interpretation of a law is required the Department will consult with the City Attorney to determine the appropriate course of action.
- B. Officers that have custody of a person subject to an immigration detainer request issued by United States immigration and customs enforcement shall fully comply with any instructions made in the detainer request and in any other legal document provided by the federal agency.
  1. Any question as to whether a request is an "immigration detainer request" or a legal document, or how to proceed in response to the request shall be referred to a Division Commander. If the Division Commander cannot resolve the question the Department shall consult with the City Attorney to determine the appropriate course of action.
  2. Note: there is a federal consular notification requirement upon the arrest or detention of foreign nationals (persons who are not U.S. citizens without regard to whether they are legally in the United States). This federal requirement stipulates that all foreign nationals must be offered the opportunity to communicate with their consular officer (e.g. consular in embassy) and for some countries there is a mandatory requirement that the consular officer be notified by law enforcement.
- C. If the Department receives a request for assistance or cooperation from a federal immigration officer, the Department will provide such assistance or cooperation when it is reasonable or necessary.
  1. Absent an emergency, if a request for assistance or cooperation is received the on-duty supervisor shall be alerted and will determine what is "reasonable or necessary". In making that determination the supervisor shall consider the particular circumstances presented, including the operational needs of the department and the overall safety of the community.
- D. Officers shall not consider race, skin color, language spoken, or national origin when assisting in the enforcement of immigration laws except to the extent permitted by the Constitution of the United States and the Constitution of the State of Iowa.
- E. No officer or employee of the Ottumwa Police Department shall ask for or collect any information from a victim of or witness to an alleged public offense, or from a person reporting an alleged public offense, including the victim's witness's or person's national origin, that is not pertinent to the investigation of the alleged public offense. Officers should presume that when investigating an incident or handling a call for service that all persons are assumed to be witnesses (at most) until identified as a victim or there is probable cause to be classified a suspect.

CHAPTER 27A

**27A.1 Definitions.**

1. “*Immigration detainer request*” means a written federal government request to a local entity to maintain temporary custody of an alien, including a United States department of homeland security form I-247 or a similar or successor form. “*Immigration detainer request*” includes only written federal government requests that are accompanied by any of the following properly completed forms or similar or successor forms, if such forms or similar or successor forms are signed by an authorized United States immigration and customs enforcement officer:

- a. United States department of homeland security form I-200.
- b. United States department of homeland security form I-205.

2. “*Immigration law*” means a law of this state or a federal law relating to aliens, immigrants, or immigration, including but not limited to the federal Immigration and Nationality Act, 8 U.S.C. §1101 et seq.

3. “*Lawful detention*” means the detention of a person by a local entity for the investigation of a public offense. “*Lawful detention*” excludes a detention if the sole reason for the detention is that a person is a victim of or witness to a public offense or is reporting a public offense.

4. “*Local entity*” means the governing body of a city or county. “*Local entity*” includes an officer or employee of a local entity or a division, department, or other body that is part of a local entity, including but not limited to a sheriff, police department, city attorney, or county attorney.

5. “*Policy*” includes a formal, written rule, policy, procedure, regulation, order, ordinance, motion, resolution, or amendment and an informal, unwritten policy.

6. “*Public offense*” excludes a moving traffic violation under chapter 321.

2018 Acts, ch 1089, §1, 12

Section applies to the release of a person from custody in this state on or after July 1, 2018; 2018 Acts, ch 1089, §12  
NEW section

**27A.2 Law enforcement agency duties — immigration detainer requests.**

A law enforcement agency in this state that has custody of a person subject to an immigration detainer request issued by United States immigration and customs enforcement shall fully comply with any instruction made in the detainer request and in any other legal document provided by a federal agency.

2018 Acts, ch 1089, §2, 12

Section applies to the release of a person from custody in this state on or after July 1, 2018; 2018 Acts, ch 1089, §12  
NEW section

**27A.3 Completion of sentence in federal custody.**

1. The court, in a criminal proceeding in this state in which the sentence requires a defendant who is the subject of an immigration detainer request to be confined in a correctional facility, shall issue an order at the time of sentencing requiring the correctional facility in which the defendant is to be confined and all appropriate government officers to require the defendant to be transferred to serve in federal custody the final portion of the

defendant's sentence, not to exceed a period of seven days, if a facility or officer determines that the change in the place of confinement will facilitate the seamless transfer of the defendant into federal custody. The court in a criminal proceeding in this state shall retain jurisdiction to issue such an order at a later date if the court receives notice from a federal agency that a defendant was the subject of an immigration detainer request at the time of sentencing. The court shall issue such an order as soon as practicable after receiving such notice.

2. In the absence of an order issued under this section, a facility or officer acting under exigent circumstances may perform such a transfer after making a determination that the change in the place of confinement will facilitate the seamless transfer of the defendant into federal custody.

3. A defendant shall be transferred pursuant to this section only if appropriate officers of the federal government consent to the transfer of a defendant into federal custody under the circumstances described in this section.

2018 Acts, ch 1089, §3, 12

#### **27A.4 Restriction on enforcement of immigration law prohibited.**

1. A local entity shall not adopt or enforce a policy or take any other action under which the local entity prohibits or discourages the enforcement of immigration laws.

2. A local entity shall not prohibit or discourage a person who is a law enforcement officer, corrections officer, county attorney, city attorney, or other official who is employed by or otherwise under the direction or control of the local entity from doing any of the following:

a. Inquiring about the immigration status of a person under a lawful detention or under arrest.

b. Doing any of the following with respect to information relating to the immigration status, lawful or unlawful, of any person under a lawful detention or under arrest, including information regarding the person's place of birth:

(1) Sending the information to or requesting or receiving the information from United States citizenship and immigration services, United States immigration and customs enforcement, or another relevant federal agency.

(2) Maintaining the information.

(3) Exchanging the information with another local entity or a federal or state governmental entity.

c. Assisting or cooperating with a federal immigration officer as reasonable or necessary, including providing enforcement assistance.

d. Permitting a federal immigration officer to enter and conduct enforcement activities at a jail or other detention facility to enforce a federal immigration law.

**27A.8 Complaints — notification — civil action.**

1. Any person, including a federal agency, may file a complaint with the attorney general alleging that a local entity has violated or is violating this chapter if the person offers evidence to support such an allegation. The person shall include with the complaint any evidence the person has in support of the complaint.

2. A local entity for which the attorney general has received a complaint pursuant to this section shall comply with any document requests, including a request for supporting documents, from the attorney general relating to the complaint.

3. A complaint filed pursuant to subsection 1 shall not be valid unless the attorney general determines that a violation of this chapter by a local entity was intentional.

4. If the attorney general determines that a complaint filed pursuant to this section against a local entity is valid, the attorney general, not later than ten days after the date of such a determination, shall provide written notification to the local entity by certified mail, with return receipt requested, stating all of the following:

- a. A complaint pursuant to this section has been filed and the grounds for the complaint.
- b. The attorney general has determined that the complaint is valid.
- c. The attorney general is authorized to file a civil action in district court pursuant to subsection 6 to enjoin a violation of this chapter no later than forty days after the date on which the notification is received if the local entity does not come into compliance with the requirements of this chapter.

d. The local entity and any entity that is under the jurisdiction of the local entity will be denied state funds pursuant to section 27A.9 for the state fiscal year following the year in which a final judicial determination in a civil action brought under this section is made.

5. No later than thirty days after the date on which a local entity receives written notification under subsection 4, the local entity shall provide the attorney general with all of the following:

- a. Copies of all of the local entity's written policies relating to immigration enforcement actions.
- b. A copy of each immigration detainer request received by the local entity from a federal agency.
- c. A copy of each response sent by the local entity to an immigration detainer request described by paragraph "b".
- d. A description of all actions the local entity has taken or will take to correct any violations of this chapter.
- e. If applicable, any evidence that would refute the allegations made in the complaint.
6. No later than forty days after the date on which the notification pursuant to subsection

4 is received, the attorney general shall file a civil action in district court to enjoin any ongoing violation of this chapter by a local entity.

NEW section

#### **27A.9 Denial of state funds.**

1. Notwithstanding any other provision of law to the contrary, a local entity, including any entity under the jurisdiction of the local entity, shall be ineligible to receive any state funds if the local entity intentionally violates this chapter.

2. State funds shall be denied to a local entity pursuant to subsection 1 by all state agencies for each state fiscal year that begins after the date on which a final judicial determination that the local entity has intentionally violated this chapter is made in a civil action brought pursuant to section 27A.8, subsection 6. State funds shall continue to be denied until eligibility to receive state funds is reinstated under section 27A.10. However, any state funds for the provision of wearable body protective gear used for law enforcement purposes shall not be denied under this section.

3. The department of management shall adopt rules pursuant to chapter 17A to implement this section and section 27A.10 uniformly across state agencies from which state funds are distributed to local entities.

THE STATE OF IOWA  
COUNTY OF WAPELLO

INTERLOCAL AGREEMENT

BETWEEN THE CITY OF OTTUMWA, IOWA, AND COUNTY OF WAPELLO, IOWA

2020 BYRNE JUSTICE ASSISTANCE GRANT (JAG) PROGRAM AWARD

This Agreement is made and entered into this 21st Day of July, 2020, by and between The COUNTY of Wapello, Iowa, acting by and through its governing body, the Wapello County, Iowa Board of Supervisors, hereinafter referred to as COUNTY, and the CITY of Ottumwa, acting by and through its governing body, the City Council of the City of Ottumwa, Iowa, hereinafter referred to as CITY, both of Wapello County, State of Iowa, and

**WHEREAS**, each governing body, in performing governmental functions or in paying for the performance of governmental functions hereunder, shall make that performance or those payments from current revenues legally available to that party, and

**WHEREAS**, each governing body finds that the performance of this Agreement is in the best interests of both parties, that the undertaking will benefit the public, and that the division of costs fairly compensates the performing party for the services or functions under this Agreement, and

**WHEREAS**, the CITY and COUNTY agree that the CITY will be the financial administrator of the JAG program, which includes a grant award to the CITY of \$15,462.00, and to the COUNTY of \$0, and

**WHEREAS**, the CITY and COUNTY agree to share the CITY's award wherein the CITY will receive 85% of the funds (\$13,143.00) and the COUNTY will receive 15% of the funds (\$2,319.00), and

**WHEREAS**, the CITY and COUNTY believe it to be in their best interests to allocate the JAG funds for the purpose area of "Law Enforcement Programs", and specifically the purchase of law enforcement equipment.

**NOW, THEREFORE, the COUNTY and CITY agree as follows:**

**Section 1.**

CITY agrees to act as financial administrator of said JAG award and the CITY and COUNTY agree to share the funds as previously setout.

**Section 2.**

Once JAG authorized and awarded, all funds are to be expended by the proscribed time allotment of the current fiscal year of acceptance, and the following one year, for a total of two grant period years or as may be directed by grant rules and regulations.

**Section 3.**

CITY and COUNTY agree to all conditions set forth in the JAG award, including but not limited to: JAG purpose areas, prohibited uses, financial and programmatic reporting, etc.

**Section 4:**

Nothing in the performance of this Agreement shall impose any liability for claims against the CITY or the COUNTY other than claims for which liability may be imposed by the Tort Claims Act.

**Section 5.**

Each party to this Agreement will be responsible for its own actions in providing services under this Agreement and shall not be liable for any civil liability that may arise from the furnishing of the services by the other party.

**Section 6.**

The parties to this Agreement do not intend for any third party to obtain a right by virtue of this Agreement.

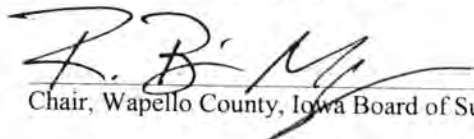

**Section 7.**

By entering into this Agreement, the parties do not intend to create any obligations express or implied other than those set out herein; further, this Agreement shall not create any rights in any party not a signatory hereto.

AGENDA TITLE: Approving Agreement and Consent to Lien for Water Service Costs for part of the 200 block of E. Main Street in connection with the Ottumwa Main Street Project (Downtown Streetscape).

\*\*\*\*\*

RECOMMENDATION: Authorize the Mayor to sign the attached Agreements and Consent to Lien for Water Service Costs for part of the 200 block of East Main Street.

DISCUSSION: The Downtown Street Scape project included new water main and water services to the stop box which is located in the sidewalk. From the water stop box to the building's water meter is the responsibility of the property owner for new services added as needed. Additional agreements for the remaining buildings will be brought before council as they are fully executed.

City staff has worked with each property owner directly to determine if new service or increased volume is needed based on current and future development plans they have for their property. Properties that have already replaced water services or installed fire service will be reconnected at the stop box as part of the project.

We are using a forced account method which tracks time and material or actual cost. The attached agreements are a formal way for payment between the property owner and the City.

**AGREEMENT AND CONSENT TO LIEN FOR WATER SERVICE COSTS**

This Agreement, is made and entered into this \_\_\_\_ day of \_\_\_\_\_, 2020, by and between Jerry Houk, (hereinafter referred to as "Property Owner") and the City of Ottumwa, Iowa, (hereinafter referred to as the "City").

**RECITALS**

WHEREAS, the City is organized and established as a municipal corporation pursuant to the Code of Iowa; and

WHEREAS, Property Owner is the record titleholder of real estate within the city located at: 203 E. Main Street, ("the Property"); and

WHEREAS, the City is initiating the Ottumwa Main Street Improvement Project, known as the Streetscape Project ("Project") for the full width, full depth concrete reconstruction of the 100, 200 and 300 blocks of East Main Street, in Ottumwa, Iowa; and

WHEREAS, the Project includes new water mains, new sanitary sewer lines and sewer laterals, new storm sewers and new sidewalks in this 3-block area of East Main Street; and

WHEREAS, pursuant to applicable governing City ordinances and resolutions of the City's water utility board of trustees, property owners are responsible for the maintenance and improvement of water service lines and fire services lines; and

WHEREAS, the Project may require certain abutting property owners to install new water service lines from the stop box to that owner's water meter to comply with applicable state, federal, and local laws concerning water quality; and

WHEREAS, the Project will also require certain abutting property owners to install fire services lines as needed for the purpose of creating residential units in buildings; and

WHEREAS, the costs of new water service lines and the possible installation of necessary fire service lines are necessary public improvements which are the responsibility of Property Owner; and

WHEREAS, Property Owner desires the completion of the repair and replacement of the necessary public improvements and intends to waive the requirement of a prior finding by the Ottumwa City Council that the condition of the improvements constitutes a nuisance and the requirement of prior notice; and

WHEREAS, Property Owner hereby consents to the repair of the public improvements by the City and the assessment of the cost of the repair to the Property.

NOW, THEREFORE, IT IS HEREBY AGREED AS FOLLOWS:

**Section 1. Obligations of Property Owner:**

1. Property Owner shall, within 10 days of the execution of this Agreement, make payment arrangements for the necessary public improvements. The cost will be the sole responsibility of the Property Owner. The cost may be paid in full without interest directly to the City or the City's contractor prior to work on the necessary public improvements for which Property Owner is responsible.

2. Property Owner specifically consents to the installation of the water service line and/or fire service line as needed, at the property owner's cost.

3. If the cost of the necessary public improvements for which Property Owner is responsible remains unpaid for ninety (90) days following notice of completion of such improvements, Property Owner hereby requests and consents to the assessment of the cost of the repairs against the Property. Property Owner hereby waives the requirement of a prior finding by the city council that the condition of the public improvements constitutes a nuisance and the requirement of prior notice. Property Owner consents to the repair and assessment of the costs of the repairs to the Property.

4. Property Owner shall indemnify and hold the City harmless from and against any and all occurrences, claims, demands, causes of action, liability and loss of any kind and nature whatsoever and which is brought by any party and arises from whatever source of law, together with related costs and expenses, relating to or arising, either from the installation of water service or fire service lines. Property Owner specifically waives all claims against City for damages or injuries to persons or property as a result of the installation of any water service line or fire service line during this project. Property Owner acknowledges the City has no responsibility for the ongoing maintenance and repair of the water service line and/or fire service line located on the Property and the City assumes no responsibility therefore under the terms of this Agreement. The preceding sentences shall not apply to loss, injury, death or damage arising because of the direct negligence of City, or its employees.

**Section 2. Obligations of the City.**

1. City shall cause the repair or replacement of the water line or fire service line as requested by Property Owner. City shall permit Property Owner to utilize the city's contractor, or its designated sub-contractor for the installation of any water service or fire service line to its building.

2. City assumes no liability regarding the installation of the water line or fire service line as needed.

3. City shall notify Property Owner of the date of completion of the requested water line and/or fire service line.

4. In the event the cost of said repairs remains unpaid for a period of ninety (90) days following notice by the City of completion, the City will assess the cost of such repairs to Property as permitted by Iowa Code Sections 364.12 and 364.13-13B and in accordance with the procedures provided under Iowa Code Chapter 384, Division IV.

**Section 3. Miscellaneous.**

1. This agreement is not intended by the parties to be a partnership or joint venture of any kind. Neither does this Agreement create any form of an agency relationship between the parties. Neither party shall have the authority to represent or speak for the other, without the express written prior consent of the other, which shall be approved by the governing council. Neither party shall assume any of the debts or liabilities of the other and nothing in this Agreement or otherwise shall constitute any such agreement or be construed as an obligation on the part of either party to pay the debts or other obligations of the other.

2. This Agreement constitutes the entire Agreement between the parties and shall not be considered modified, altered, or amended in any respect unless in writing and signed by the parties.

3. This Agreement shall be governed by the laws of the State of Iowa.

4. If for any reason any provision of this Agreement shall be deemed invalid, illegal or unenforceable, in whole or in part, the validity and effect of all other provisions shall not be changed.

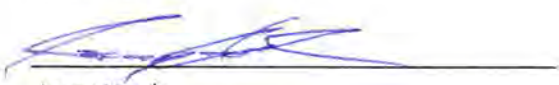

5. The terms of this Agreement shall be binding upon Property Owner, and upon Property Owner's heirs, personal representatives, successors in title, and assigns.

IN WITNESS WHEREOF, we have hereunto set our hands and seals the date and year first hereinabove written.

\*\*\*The Proof of Publication for each Public Hearing must be attached to the Staff Summary. If the Proof of Publication is not attached, the date will not be placed on the agenda.\*\*\*

**RECOMMENDATION:**

Approve the price quote from Winger Mechanical for \$14,663.56 for repairs to the Beach HVAC unit.

**DISCUSSION:**

The compressor and condenser fan assembly on the Beach HVAC unit have failed and need to be replaced. Winger Mechanical has provided a price quote for \$14,663.56 to do the work. This is a Seresco unit that was installed by Winger Mechanical in 2015 and is no longer under warranty. Winger Mechanical is the only local company that is qualified to do repair work on this unit. The repairs will be funded by the Beach Renovation project.

RECOMMENDATION: Accept bid and award contract for the above described work to Dan Laursen and Dustan Smith for the bid sum of \$34,800

DISCUSSION: The City accepted bids for this project until 2:00 P.M. July 28, 2020 and received one bid. Due to the difficulty of the project, two contractors partnered to provide one bid. Dan Laursen and Dustan Smith submitted the sole bid in the amount of \$34,800. The majority of the bid amount is to remove the asbestos contaminated portion of the remaining building and surrounding debris. The second part of the project is to excavate unsuitable fill material that has been buried on site and bring in suitable fill. Staff recommends awarding them the contract.

**CONTRACT**

This contract made and entered into in duplicate at Ottumwa, IA this 30 day of July 2020 by and between the CITY OF OTTUMWA, IA hereinafter called the "OWNER" and DC Concrete & Construction, LLC hereinafter called the "CONTRACTOR."

## WITNESSETH:

The Contractor hereby agrees to furnish all labor, tools, materials, transportation and equipment necessary to fulfill the contract consisting of: 7" PCC PAVEMENT ON CITY HALL DRIVEWAY WIDENING as stated in the attached RFP #1. RFP #1 and signed proposal included as part of this contract.

In the following location to wit; CITY HALL DRIVEWAY WIDENING, 105 E. 3<sup>rd</sup> Street.

It is understood and agreed: Contract paid upon satisfactory completion of project and acceptance as directed by City of Ottumwa Engineering Department.

The Owner shall have the right to deduct said liquidated damages from any monies in its hands, otherwise due, or to become due, to said Contractor or to sue for and recover compensation for damages resulting from non-performance of this contract.

The Contractor must comply with all Federal, State and Local Laws and Ordinances. In addition, all OSHA, NFPA and ADA regulations must be complied with.

Section 423.3 of the 2007 Code of Iowa, requires the Contractor to pay sales or use tax on materials or equipment used or supplied during construction. All Contractors shall prepare and require their subcontractors to prepare, sign and acknowledge before a Notary Public the Iowa Department of Revenue Form 35-002, listing their respective expenses for all materials and equipment that becomes an integral part of the completed project. All Contractors shall file with the Owner executed copies of these forms. Receipt of said executed forms by the Owner shall be a pre-requisite of final payment for retained percentage of contract price to the Contractor.

In the event any service tax is paid by the Contractor, the Contractor shall also include in the Form 35-002, aforementioned, a listing of such services furnished which become an integral part of the project under the contract.

Upon completion of said work, the Owner agrees to pay to the Contractor therefore, the prices as set out in RFP #1, said payment to be made upon presentation of an invoice for aforesaid improvement.

A certificate of insurance for liability, bodily injury, and property damage satisfactory to the Owner in the amount of \$300,000 for each person bodily injury and \$1,000,000 per occurrence of or aggregate limit, or \$1,000,000 combined single limit. The Owner must be included as an additional insured to the certificate of insurance. Also, Worker's Compensation coverage in accordance with State of Iowa statutes must be provided.

7/15/2020

Contractor hereby agrees to and shall defend, indemnify and save harmless the Owner and any jurisdiction or agency issuing permits for any work included in the improvement, their officers, agent and representatives from all suits, actions, loss, damage, expense, cost, or claims of any character or any nature brought on account of any injuries including death or damage sustained by any person or property arising out of the work done, whether such injuries to person or damage to property are due or claim to be due to any negligence of the Owner, its employees or agents or any other person, in fulfillment of the Contract under the terms of this agreement, or on account of any act or omission by the Contractor or his agents, or from any claims or amounts arising or recovered under Worker's Compensation laws or any other law, by-laws, ordinance or order of decree.

Contractor shall, at the option of the Owner, defend the Owner with appropriate counsel and shall further bear all costs and expenses, including the expense of counsel, in defense of any suit arising hereunder.

Contractor will insure a drug free environment in accordance with Federal regulations.

IN WITNESS WHEREOF, this Contract has been executed in duplicate on the date first herein written.

RECOMMENDATION: Approve the replacement of an over-head garage door.

DISCUSSION: The overhead doors at the Public Works garage are original from when the building was built in 1978. Four of the overhead doors were in poor condition and would no longer seal well, were prone to mechanical and structural hinge failures and had significant corrosion. Two of those overhead doors have been replaced with two more in need of replacement. We will continue to replace doors as they reach the end of their useful service life and budget allows.

Bids to replace a single overhead door were received from Klodt Door Service and Frase Company. Klodt Door Service submitted the best bid of \$7,260.00 which includes installing a 20' 2" x 14' commercial door. The door is white with a steel back and insulated. It also has two insulated windows a 3" RAT track, perimeter seals, continuous duty commercial operator and two remotes. Any needed modifications to the electrical wiring will be completed by the City Electricians.

Replacing the door will eliminate the maintenance costs due to mechanical failures and help reduce heat loss and heating costs.

Actual Cost: \$7,260.00

AGENDA TITLE: Approval of Appendix A related to the School Resource Officer Agreement between the City of Ottumwa and the Ottumwa Community School District.

\*\*\*\*\*

\*\*Public hearing required if this box is checked.\*\*

RECOMMENDATION: Adopt Appendix A as part of the School Resource Officer Agreement between the City and the School District.

DISCUSSION: The current Agreement with the Ottumwa School District related to School Resource Officers (SRO) expired on June 30, 2020. City staff negotiated with Ottumwa School District staff and reached a tentative agreement regarding compensation. Attached is Appendix A - reflecting the compensation schedule as part of a three-year agreement. Staff from both entities Superintendent McGrory will present the schedule to the Ottumwa School Board at its next meeting. Staff from both entities are working together to improve language and expectations within the Agreement, but wanted to establish the compensation schedule as a showing of good faith.

CITY OF OTTUMWA

Per the Agreement, SRO's shall be stationed at selected school district facilities for 8 hours daily during regularly scheduled school days for a total of 180 days. The base annual cost for providing this service (exclusive of overtime costs) shall be the lesser of 1) the Actual SRO Cost and 2) the OCSD Not to Exceed \$ amount as identified in the table below.

The calculation used in determining the actual base SRO costs for the year shall include the annual salary as well as the City's contributions for pension, health insurance, life insurance, workman's compensation, and Medicare. The table below illustrates these costs for the 2020-21 contract year. In subsequent years the City will update the table to reflect actual costs. If the updated actual costs fall below the contractual "not to exceed" amount, the District would only pay the amount represented by the District share (1,440 hours) of these actual costs.

RECOMMENDATION: Pass and adopt Resolution #176-2020.

DISCUSSION: This project consists of the removal of all deteriorated concrete and replacing with new horizontal and vertical or overhead concrete repairs found in the Primary Clarifier and the VLR Aeration Basins. The \$90,000 budgeted amount was based on observations when the basins were filled. At the time of design, additional inspection was performed with the basins drained and a more detailed account of the repairs were noted. This is a unit priced contract where the scope can be adjusted and prioritized to meet the available funding.

Bids will be received and opened by the City of Ottumwa on August 26, 2020. The bid report and bid award recommendation will be presented at the City Council meeting on September 1, 2020. Construction on this project is expected to commence on or about October 1, 2020 and shall be substantially complete on or before April 30, 2021.

AGENDA TITLE: Resolution No. 168-2020 - Incorporating a policy related to recalling and/or reinstating of former city employees into the City personnel policies and procedures.

\*\*\*\*\*

\*\*Public hearing required if this box is checked.\*\*

RECOMMENDATION: Pass and adopt Resolution 168-2020.

DISCUSSION: On June 2, 2020 the City Council approved the new and revised personnel policies for the City of Ottumwa. On June 30, due to budgetary constraints, the City reduced staffing in the Fire Department by six positions resulting in the forced layoff of four employees. Since that time the City has been notified of a resignation of an additional firefighter.

Recognizing that it would be financial advantageous to recall one of the recent departures versus hiring a new employee, it was identified that the new policies do not reflect policy language for recalling employees from layoff status. The attached policy aims to address that oversight.

**WHEREAS**, the City Council approved new and revised personnel policies on June 2, 2020 in accordance with the Municipal Code of the City of Ottumwa, Sections 2-144 and 2-145; and

**WHEREAS**, stated policies failed to incorporate a policy addressing the process for recalling employees who were laid off and/or are reinstated at a later date through the regular and legal hiring process in place for the position; and

**WHEREAS**, the City desires to incorporate a policy related to the possibility to recall employees from layoff status and/or recognize the potential of employees return to the City; and

**WHEREAS**, the City of Ottumwa has reviewed and revised said policy addition(s) and finds that approval of said policies and procedures, as revised, would be in the interest of the City and the employees of the City.

**NOW, THEREFORE, BE IT RESOLVED, BY THE CITY COUNCIL OF THE CITY OF OTTUMWA, IOWA**, that the stated personnel policy additions with an effective date of August 4, 2020 are hereby adopted by and for the City of Ottumwa, Iowa, and rescinding all others; and

## **RECALLING OR REINSTATING FORMER EMPLOYEES<sup>1</sup>**

Employees who leave service with the City due to resignation, retirement, or layoff MAY be eligible to return to employment with the City. Employees who have been laid off will be placed on a "Preferred List" for their respective position classification for up to three years from the date of the layoff<sup>2</sup>. Employees who separate from the City for other reasons, are applying for a different position, and/or the Preferred List for their position classification has timed out may apply for positions through the regular civil service entrance list or hiring procedures for the respective position.

**Recall from Layoff:** Whenever the Employer is looking to fill a vacancy, the affected Supervisor shall first identify if any names appear on a Preferred List for the particular position classification. If any names appear on the list, appointments shall be made from that list in the order of greater seniority until the list has been exhausted or time expires.

**Reinstatement:** In accordance with the City Personnel Policy employees returning to City service through Preferred Lists, Entrance Lists, or other open hiring practices for the City will be assigned their most recent "Date of Hire" upon their return. The Date of Hire is typically referenced for purposes relevant to seniority. Where "Years of Service" is utilized (e.g. calculating vacation benefits) the returning employee shall receive credit for their prior service in regular, full time position(s). In these instances the Employer will establish an "Adjusted Date of Hire." The Adjusted Date of Hire will be calculated by identifying the total number of days the Employee had previously served in a regular, full-time position for the City and roll back this total from the current Date of Hire.

---

<sup>1</sup> This policy does not refer to temporary part time employee labor who may be reinstated on an annual basis upon recommendation of the affected Department Head and approval of the City Administrator.

AGENDA TITLE: RES. 171-2020, A RESOLUTION AUTHORIZING THE PLANNING DIRECTOR TO HOST THE AMERICORPS REFUGEE RISE PROGRAM.

\*\*\*\*\*

RECOMMENDATION: Pass and adopt Resolution 171-2020.

DISCUSSION: Refugee RISE is an AmeriCorps program started by EMBARC Iowa that trains emerging leaders from the refugee and immigrant communities to connect and support fellow refugees and immigrants with education, jobs and services to increase economic opportunity. Governments and nonprofits can host teams of AmeriCorps members using an arrangement where one member of the team is an established member of the community and the other team member is a recently arrived immigrant or refugee.

The Planning Department is interested in supporting one two-member team to create a community needs assessment that would identify specific needs in our immigrant and refugee communities and provide goals and measurable action items that will help improve how we provide services. Secondary goals will include organizing a workforce training program that authentically serves the needs of our refugee and immigrant workers and coordinating translation

of City forms and notices. This training could come in the form of workshops, one-on-one counseling or whatever form the members identify as needed by the community. These members would start in September or October of 2020 and work full time throughout the fall.

AmeriCorps members are not paid staff members; instead, they are members of the community who commit to service project. The AmeriCorps program provides these members a living stipend as well as a benefit that can be applied to their education after completing the program. In this way, AmeriCorps is often described as the "domestic Peace Corps."

Hosting the program requires the hosting organization to provide working space for the team, supervision and direction as well as \$6,000 to help provide the living stipend and education benefit. The Ottumwa Regional Legacy Foundation and JBS have agreed to partner with the City on the project as follows:

- City of Ottumwa: The City will provide hosting, supervision and direction for the program. Supervision will be done by Zach Simonson, City Planner.
- JBS: JBS will provide \$1,000 as well as support in recruiting our team members and cooperation with the team members seeking to obtain information about refugee and immigrant workforce needs.
- Ottumwa Regional Legacy Foundation: Legacy Foundation will provide \$5,000.

RECOMMENDATION: Pass and adopt resolution # 172-2020. A resolution authorizing the Mayor to sign a task order allowing Kirkham Michael to do a AGIS (Aeronautical Topographical Mapping) of the Ottumwa Regional Airport.

DISCUSSION: Since runway 13/31 was lengthened to 6001 ft. during the reconstruction, the approaches for landing airplanes has to be recalibrated. In order to make this happen the FAA is requiring the city to do a topographical map for the length of 10 miles each direction of the airport for all obstructions. This mapping can be used with the (Airport Layout Plan) for future projects and development of the Airport. Kirkham Michael will hire Quantum Spacial from Michigan to perform this mapping at a cost of \$63,000.00. This was approved by the Airport Advisory Board on July 14,2020.

Project: Aeronautical Obstruction Survey – Ottumwa Regional Airport (OTM)

Dear Mr. Johnson,

This summary of work describes our understanding of the scope of work and services required for an Airport Layout Plan and aeronautical obstruction survey at the Ottumwa Regional Airport (OTM) located in Ottumwa, IA. The project will be done in compliance with AGIS policies and will include an airport airspace analysis for vertically-guided operations for EXISTING Runways 4/22 and 13/31. The Advisory Circulars identified below detail the data collection requirements and accuracies for the project and the verification process by the Federal Aviation Administration (FAA) and the National Geodetic Survey (NGS).

- AC 150/5070-6B, Change 2 "Airport Master Plans"
- AC 150/5300-13A, Change 1 "Airport Design"
- AC 150/5300-16A "General Guidance and Specifications for Aeronautical Surveys: Establishment of Geodetic Control and Submission to the National Geodetic Survey"
- AC 150/5300-17C, Change 1 "Standards for Using Remote Sensing Technologies in Airport Surveys"
- AC 150/5300-18B, Change 1 "Survey and Data Standards for Submission of Aeronautical Data Using Airports GIS"

## Summary of Work

We understand that the purpose of this project is to accomplish an FAA Airport Airspace Analysis Survey for all surfaces defined in FAA Advisory Circular 150/5300 - 18B: Section 2.7.1.1 Runways with Vertical Guidance.

For this project, we will acquire new vertical stereo digital imagery at a physical image scale of 1"= 2,679' of the obstruction surface areas and 1"= 1,339' of the airport property. The aerial imagery will cover all of the VG Airspace Analysis surfaces using an UltraCam Eagle (UCE), or comparable, during leaf-on conditions.

From the 1"= 2,679' imagery, we will produce the following:

- Limited landmark feature planimetric mapping
- Color digital orthophotos with a 1.0' pixel resolution
- Identification and mapping of obstruction obstacles for all of the VG surfaces

From the 1"= 1,331' imagery, we will produce the following:

- 100 scale mapping with 2' contours of the existing airport property (1595 acres)
- Identification and mapping of obstruction obstacles for the VGRPS, VGPCS & VGPS surfaces

The online SOW will be prepared during project initiation with input from the airport, client and Quantum Spatial. Quantum Spatial will be responsible for preparation and submittal of the Survey and Quality Control Plan, Imagery Acquisition Plan, Imagery Acquisition Report and all associated data files as required for submission to the FAA AGIS online database. Kirkham Michael will provide QSI with survey documents required for the Image Delivery. QSI will provide data relating to our effort for Kirkham Michael to prepare the Final Report.

## Quality Standards

The project has been designed to conform to the National Map Accuracy Standards for 1"=100' scale planimetric feature collection, two foot contours and six and twelve inch orthophoto production. In addition, we insure that the photogrammetric mapping will meet all FAA and NGS standards. We will exercise reasonable care and will conform to the standards of practice ordinarily used by the photogrammetric profession.

## Project Area

The project area encompasses all of Ottumwa Regional Airport (OTM) inclusive of the obstruction surfaces as defined in AC 150/5300-18B.

## Control Surveying

The aerial photography will be completed with ABGPS control which will be used for the base control for the geo-referencing of the aerial imagery. Quantum Spatial will process the ABGPS data using COR stations and reference it to the project control datums:

Horizontal: North American Datum of 1983/2011 (NAD 83(2011)), in the IA State Plane Coordinate System, south zone in US survey feet.

Vertical: North American Vertical Datum of 1988 (NAVD 88)

Kirkham Michael will complete all of the remaining on-site ground control surveys, including:

- Geodetic control validation of the existing airport PACS and SACS stations or establish temporary airport control according to the guidelines established in AC 150/5300-16A
- Establishing all necessary photo-identifiable ground control and FAA mandated check-points required to validate the ABGPS and IMU control. Quantum Spatial will provide information on the specific locations of the required control and check points.
- Collection of all the airport runway end positions
- Collection of vertical profiles for all runways
- Collection of the position, elevation, and where required the appropriate navigational aid perpendicular point of all electronic and visual navigational aids (NAVAIDS) located on the airport and associated with any current instrument approach servicing the airport
- *Full field-collected attribution of all airport features*
- All other tasks, not specifically listed above, as outlined in FAA AC-18B, Table 2-1 "Survey Requirements Matrix for *Airport Layout Plan*."
- **Data upload and Final Survey Report**

## Photogrammetric Mapping

We will collect the features normally shown on 1"=100' scale mapping within the mapping limits identified in the RFP (see exhibit).

We will build a digital terrain model (DTM) by collecting masspoints and breaklines. These DTM elements will be used to construct a triangulated irregular network (TIN) surface from which 2' contours will be interpolated. Contours will be dashed in areas where the ground is obscured by trees, dense brush, deep shadows or other obstructing features. Dashed contours indicate a lower level of accuracy. Additional field surveys should be performed in areas of dashed contours prior to design. All contours will be continuous polylines. The final data will be delivered in ESRI Shapefile format (FAA) and AutoCAD format (Kirkham Michael).

## Orthophoto Mapping

We will use the control solution and imagery to generate a Digital Elevation Model (DEM) of the VG surfaces. The imagery will be processed into color digital orthophotos using the aforementioned DEM to rectify the images. Orthophotos for the entire project area will be developed with a 1.0' pixel resolution and for the airport property, with a 0.5' pixel resolution. Orthos will be delivered in a GeoTIFF file format.

## 18B Obstruction Surveys

The Obstructions Surfaces to be uploaded to the AGIS database will satisfy the requirements of AC 150/5300-18B:

- 2.7.1.2 Analysis of EXISTING Runways 13/31 and 4/22 with Vertically Guided Operations (Surfaces include the VGRPS, VGPCS, VGAS, VGPS, VGATS, VGHS and VGCS)

The specific types and quantities of obstructions for each surface are outlined and clearly defined for the particular surface in each circular section. Any obstructions that meet the requirement of the circular, but are of a nature that elevations at the highest point of the obstruction are virtually impossible to read through photogrammetric methods (cell tower, electrical tower, etc.), will be identified and relayed to the surveyor to initiate field surveyed elevations for the obstruction.

The obstruction delivery will include the limited landmark planimetric feature collection.

The final data will be uploaded in AGIS in ESRI Shapefile format.

## Production Schedule

We will work with you to finalize a mutually agreeable schedule for the project after FAA Control Plan approvals. We will make a reasonable effort to maintain the agreed-upon schedule. However, should the project be interrupted by technical problems beyond our control, including control deficiencies or map file re-deliveries rescheduling may become necessary.

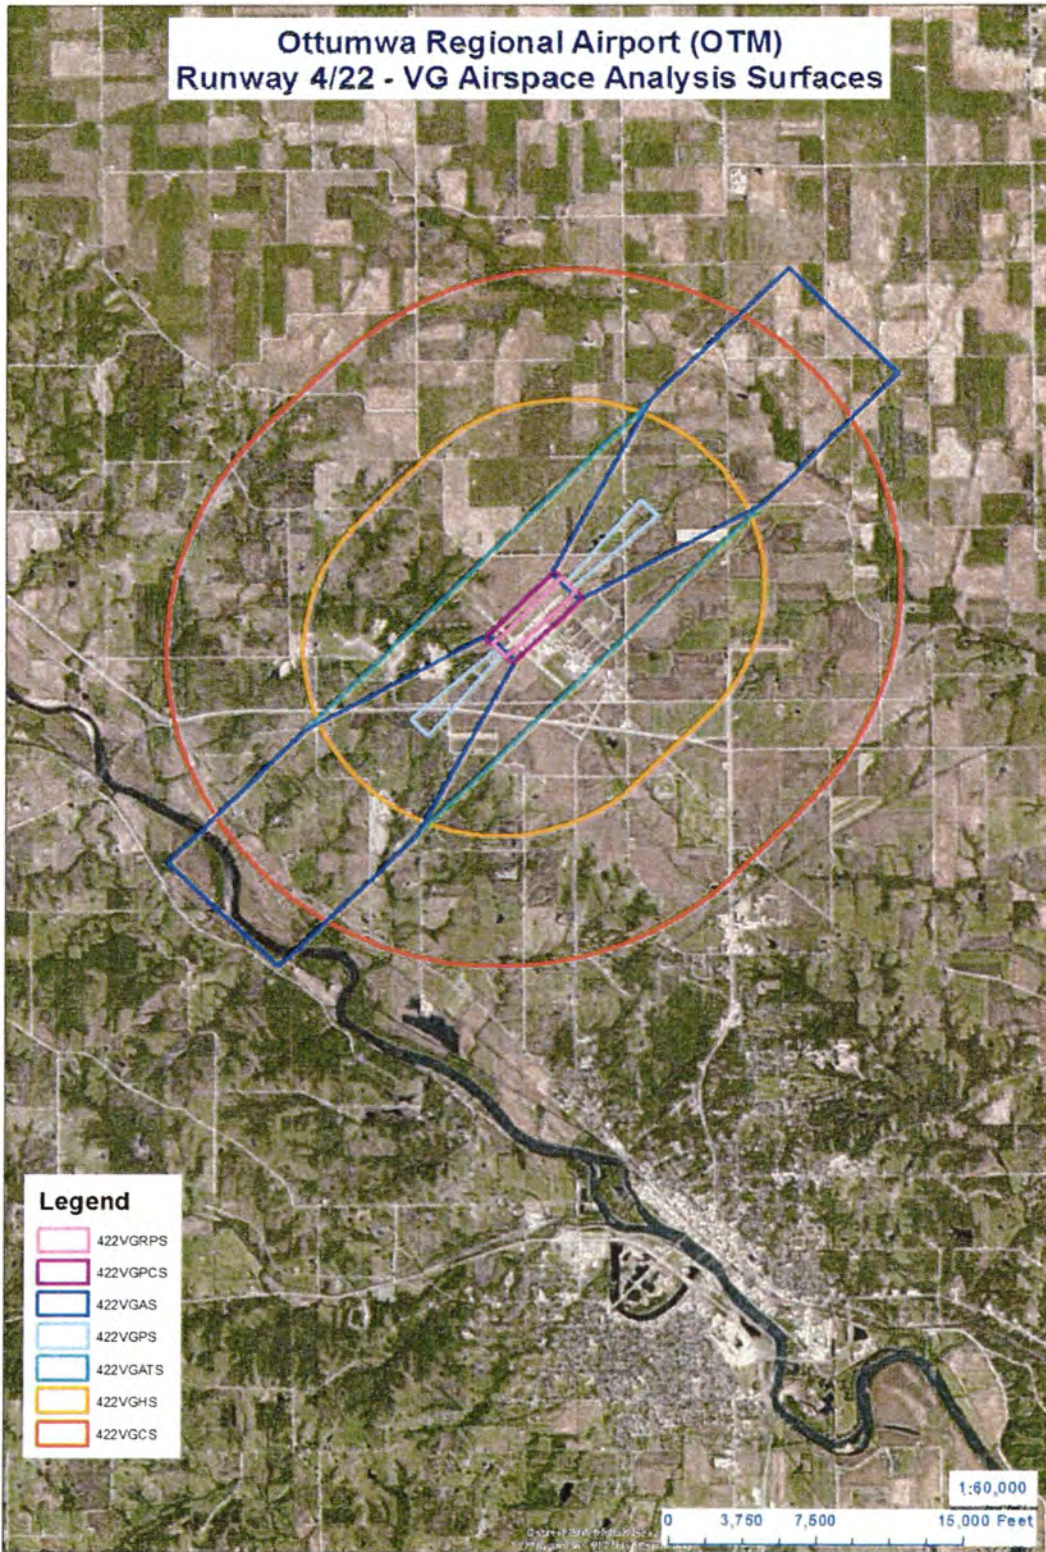

## Deliverables

Quantum Spatial will submit all data collected and associated required deliverable in the formats specified in the appropriate advisory circulars to the FAA Office of Airports, Airports Surveying-GIS Program. All data submissions to the FAA will be through the program's web site at <http://airports-gis.faa.gov>.

The AC 150/5300-17C project data deliveries that will not be submitted through the web site will be delivered on external hard drives or DVDs.

The 18B deliverables that will be uploaded to the AGIS website include:

- Imagery Plan and Survey and Quality Control Plan
- Image Delivery (sent to FAA)
- Color digital orthophotos (sent to FAA)
- Digital limited landmark detail outside the airport
- Obstruction survey data for **EXISTING** Runways 13/31 and 4/22
- Planimetric data and two foot contours to 18B specs (Shapefile format)
- Photogrammetrically derived and surveyed attributes in defined format
- Surveyed ends and profile for each runway
- NAVAID data
- FGDC compliant metadata
- Final Report

RECOMMENDATION: Pass and adopt Resolution #175-2020.

DISCUSSION: This project will enlarge the intersection radius, add a paved shoulder and panel replacement on North Court Street at the North Court and Fox Sauk Road intersection. The improvements will allow the intersection to better accommodate semi traffic turning movements.

Bids were received and opened by the City of Ottumwa on July 29, 2020 at 2:00 p.m. Seven (7) sets of plans were either sent out or downloaded from the City website, and three (3) bids were received. The low bidder is TK Concrete, Inc. of Pella, Iowa, in the amount of \$151,095.00.

Bid Amount: \$151,095.00  
Estimated cost: \$138,007.00  
Budgeted amount: \$142,347.00

\*\*Public hearing required if this box is checked.\*\*

RECOMMENDATION: Pass and adopt Resolution #177-2020.

DISCUSSION: The City Council has approved the contract in the amount of \$49,100.00 to Willco, Inc. of Omaha, Nebraska. Since the Council approved the contract award, staff has had discussions with the contractor regarding the project scope. In consideration of the contractor's pricing, staff is recommending the project scope address repainting of the north and south clarifier structures. Change Order #1 includes deleting recoating of the perimeter effluent trough on the north clarifier in the base bid and adding mobilization to the Alternate Bid Item #1 for the repainting of the south clarifier structure. Contract completion date of September 30, 2020 remains unchanged.

Change Order #1 increases the contract amount by \$7,000.00 for a new contract sum of \$56,100.00.

Contract Summary is as follows

AGENDA TITLE: Approving the purchase of a John Deere 544L Wheel Loader from Murphy Tractor and Equipment of Des Moines, Iowa for a price of \$184,116.51.

\*\*\*\*\*

RECOMMENDATION: Approve purchase of a John Deere 544L Wheel Loader from Murphy Tractor and Equipment of Des Moines, Iowa for a price of \$184,116.51.

DISCUSSION: This loader will replace a 2000 Case 621C Wheel Loader (current hours 8069) that is on a 20 year replacement schedule. This wheel loader is used to load trucks with rock, concrete, dirt, sand and debris. It is also used to move construction materials, load and unload heavy items, for snow removal and other uses as needed. The new wheel loader will include a 7 year Power Train and Hydraulic Warranty.

The loader will be purchased from the state bid process provider.

This replacement was approved by the Fleet Committee at its meeting held on November 20, 2019 and specifications for the wheel loader were approved on May 29, 2020. This replacement is included in the 2020/21 budget cycle. The new wheel loader will be on a 20 year replacement schedule.

RESOLUTION #178-2020

A RESOLUTION APPROVING THE PURCHASE OF A JOHN DEERE 544L WHEEL LOADER FROM MURPHY TRACTOR AND EQUIPMENT OF DES MOINES, IOWA FOR A PRICE OF \$184,116.51.

- WHEREAS, Annual evaluations of the City's equipment were made, and it was recommended that the 2000 Case 621C wheel loader was recommended for replacement; and
- WHEREAS, This recommendation was presented to, and approved by, the Fleet Committee at its November 20, 2019 meeting; and
- WHEREAS, Specifications for the new wheel loader were approved by the Fleet Committee on May 29, 2020; and
- WHEREAS, This replacement was budgeted in the 2020/2021 budget cycle.

NOW, THEREFORE, BE IT RESOLVED, BY THE CITY COUNCIL OF THE CITY OF OTTUMWA, IOWA THAT: The purchase of a John Deere 544L Wheel Loader from Murphy Tractor and Equipment of Des Moines, Iowa for a price of \$184,116.51 is hereby approved.

Net engine power is with standard equipment including air cleaner, exhaust system, alternator, and cooling fan at test conditions per ISO 9249. No derating is required up to 3050-m (10,000 ft.) altitude. Specifications and design subject to change without notice. Specifications with the exception of bucket capacity are in accordance with all applicable ISO standards. Except where otherwise noted, these specifications are based on units with applicable linkage and standard equipment, ROPS cab, rear cast bumper/courtesy weight, transmission side-frame guards, bottom guards, standard tires, full fuel tank, and 79-kg (175 lb.) operator.
