FALL & WINTER 2007

ABOUT LACIE

Through a combination of cutting-edge engineering and a rich history of unique design aesthetics, LaCie has earned an excellent reputation for producing products that are the perfect synthesis of form and function. Our hard disks, network and RAID solutions, optical drives, displays, and accessories are created to enhance and expand your computing environment, no matter its platform or configuration.

Featuring the exclusive styles of world-renowned designers such as Neil Poulton, Ora-İto, Karim Rashid and Sam Hecht, LaCie's award-winning products look stunning and perform with unparalleled reliability and versatility. LaCie is a global leader in manufacturing top-of-the-line tools that are often first-to-market, constantly raising the bar and re-establishing industry standards.

Please visit our website: www.lacie.com, for up-to-date product specifications—available in multiple languages for worldwide accessibility. Use it to purchase items online, contact our excellent technical support or locate the sales office or reseller nearest you.

www.lacie.com

Product availability varies from region to region. Please check our website for up-to-date information.

TECHNICAL NOTES: 1GB (Gigabyte) = 1,000,000,000 bytes. 1TB (Terabyte) = 1000GB. Total accessible capacity varies depending upon operating environment (typically 5-10% less for hard disks and 10-15% less for network storage).

Burst Transfer Rates vary from one computer to another and from one drive to another. Actual rates are usually lower than stated.

LaCie Hard Disk, Design by Neil Poulton

- 320GB, 500GB, 750GB, 1TB
- Hi-Speed USB 2.0
- LaCie '1-Click' Backup Software

This compact hard disk offers simple and efficient storage that's easy for anyone to use. With USB 2.0 for connecting to PC or Mac, this plug & play drive offers customizable formatting as well as an advanced, quiet, fanless cooling system and unique blue LED underneath for an ambient glow.

Item #301817-320GB | #301302-500GB | #301303-750GB | #301304-1TB

LaCie Golden Disk

Unique Storage For Precious Data

- 500GB, 1TB; Hi-Speed USB 2.0
- Back up, exchange & transfer files easily
- Original, exclusive design by Ora-ïto

The Golden Disk's distinctive wave design brings a luxurious liquid-motion look to your digital life. With USB 2.0, this cross-platform hard disk can be used with PC or Mac. It's easy to use, plug & play, fan-free for quiet operation, and comes with '1-Click' Backup Software (Windows & Mac).

Item #301126-500GB | #301192-1TB

LaCie mini Hard Drive & Hub

Store More & Connect Multiple Devices

- 320GB, 500GB
- USB 2.0 & FireWire plus multiple hub ports
- Unique 4-corner crown for cooling airflow protection

Specially designed to stack perfectly with the Apple® Mac mini, this companion hard drive & hub helps you connect all of your hardware peripherals simultaneously with USB 2.0 and FireWire plus 4 x USB 2.0-powered hub ports and 2 x FireWire-powered hub ports.

Item #301151-320GB | #301042-500GB

LaCie Brick Desktop Hard Drive

Making Data Storage Easy & Fun

- 500GB – red, white or blue
- Hi-Speed USB 2.0; 7200rpm
- Stack multiple Bricks together

Add colors to your computing life while greatly expanding storage capacity. Easy as 1, 2, 3, these playful, stackable drives, designed by Ora-ïto, can store and back up all of your music, photos, videos and office files.

Item #301065-500GB (red) | #301818-500GB (white) | #301819-500GB (blue)

LaCie Rugged Hard Drive

All-Terrain Portable Storage

- USB 2.0 or FireWire 800, FireWire 400 & USB 2.0
- Plug & play, easy to use
- Metal casing, rubber bumper & shock absorbers

This durable, bus-powered, high-capacity portable hard disk with up to 7200rpm (200GB Triple Interface) protects your valuable data on the road. Designed exclusively for LaCie by Neil Poulton, it has a tough metal casing, shock-resistant rubber bumper, and internal shock absorbers for extra data protection.

LaCie USB Key

Credit Card-Sized Storage

- 8GB or 12GB black, 12GB orange
- Hi-Speed USB 2.0-powered
- Ultra-slim, durable, metal design

As small as a credit card (only .23"/6mm) and USB 2.0-powered, this pocket-sized, plug & play USB key is your easy ticket to data access anywhere. Store office files, photos, songs and video and easily transfer them from one computer to another.

Item #301027-8GB black | #301183-12GB black | #301182-12GB orange

LaCie Brick Mobile Hard Drive

Stack & Play Anywhere

- 80GB blue, 160GB white
- USB 2.0 bus-powered
- Stack multiple Bricks together

Exclusively created for LaCie by Ora-Īto, the colorful Bricks are stackable for expanding storage capacity with minimal desktop footprint. Compact and lightweight, these portable drives are bus-powered so you can back up and exchange files on the go.

Item #301055-80GB (blue) | #301213-160GB (white)

LaCie Skwarim

High Capacity In The Palm of Your Hand

- 60GB – pink or blue
- USB 2.0 bus-powered
- Plug & Play, cross-platform, easy-to-use

The original creation of designer Karim Rashid, this colorful little portable hard drive with a futuristic look and soft-touch feel can store and transport your files in style. Just connect it to your laptop or desktop to back up files and then toss it into your pocket and go.

Item #301080-60GB blue | #301158-60GB pink

“Solidity, not assemblage;
Simplicity, not complexity;
Trust, not indifference.
This was the ambition
for the project.”

LaCie silverscreen

Multimedia Hard Disk

- 320GB, 500GB; Hi-Speed USB 2.0
- Enjoy your movies, music & photos on TV
- DivX®-certified

Simply connect the silverscreen to your PC or Mac to transfer digital media, then plug it into almost any TV for instant playback. DivX-certified and compatible with HDTV screens and Dolby® Digital or DTS audio, there's no compromise on quality.

Item #301243-320GB | #301244-500GB
(not sold in North America)

LaCie LaCinema Premier

High-Capacity Multimedia Hard Disk

- 500GB, 750GB, 1TB
- Hi-Speed USB 2.0
- Large storage for your entire media library

Enjoy your digital movies, music and photos on your TV with superior picture quality. The LaCinema Premier comes with a user-friendly interface, remote control, and an optical output for surround sound. Supported operating systems include Windows, Mac and Linux.

Item #301814-500GB | #301815-750GB | #301816-1TB

d2 Design by Neil Poulton

LaCie Ethernet Disk mini – Home Edition

Digital Library For Your Household

- 500GB; Gigabit Ethernet
- Play back videos on TV via UPnP media player
- Back up/synchronize folders automatically

Access personal files from inside and outside your home quickly and easily. The LaCie media portal enables access from anywhere for uploading or downloading files to your Ethernet Disk mini at home. Simply drag & drop photos, for example, and make them accessible to others via simple email invitations.

Item #301269-500GB

Home Server

Centrally store your family's shared digital library of photos, music and videos.

Remote Access

Access it remotely via the LaCie media portal for uploading/downloading files.

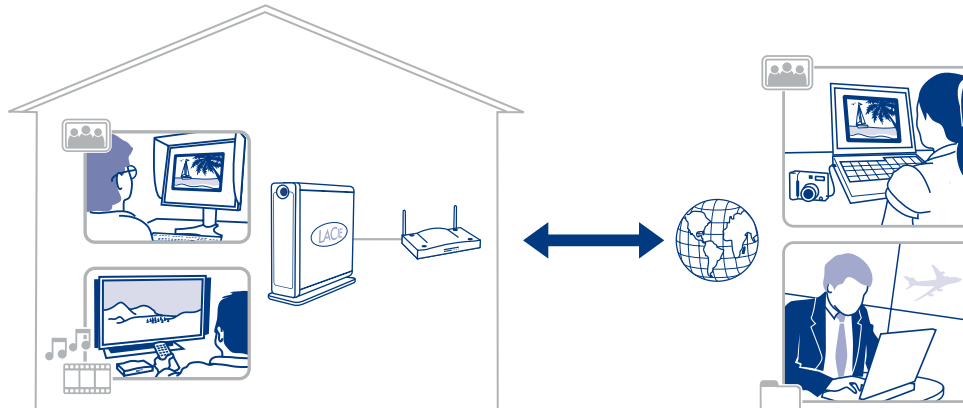

Backup Functionalities

Automatically back up all of your home computers with easy-to-use software.

Media Server

Listen to music from a networked sound system with the embedded iTunes server.

LaCie USB & FireWire Hub

Connect It All In Style

- 4 USB 2.0 ports & 2 FireWire ports
- Plug & play; hot-swappable
- 8 flexible cables, 8 colorful LEDs, USB light, USB fan

This fun, stylish hub was designed exclusively for LaCie by Ora-İto. Use it to connect to six or more devices simultaneously, whether your OS is Windows, Mac or Linux-based. It comes fully equipped with 4 USB ports, 2 FireWire ports, 8 flexible cables, a USB light, and a USB fan.

Item #711855

LaCie FireWire Speakers

Portable Bus-Powered Audio

- Easy to use with Mac, PC or MP3 player
- Built-in FireWire cable
- No batteries or AC adapter needed

The first FireWire bus-powered speakers ever made, the LaCie FireWire Speakers, designed exclusively for LaCie by Neil Poulton, offer high quality digital audio. Just connect them to your Mac, PC, or MP3 player for room-filling sound anywhere.

Item #108540

LaCie USB 2.0 Hub

The Art of Connectivity

- Connect up to 7 devices
- Plug & play, hot-swappable
- 8 flexible cables & 8 colorful LEDs

Designed exclusively for LaCie by Ora-İto, the Hub's strong polycarbonate round shape, glossy white finish, and flexible cables give it a distinctive look that adds fun to your desktop. With seven USB 2.0 ports, it's ideal for connecting all of your USB devices at once.

Item #711854

Design by Neil Poulton

LaCie Little Big Disk

Smaller Dimensions. Bigger Performance.

- 200GB (7200rpm), 320GB
- FireWire 800, FireWire 400 & USB 2.0
- Up to 82MB/s – fast for DV, HDV & some SD video

This ultra-compact triple interface portable hard drive boasts unmatched high capacities up to 320GB. FireWire bus-powered, there's no need for an AC adapter (via FireWire). With unrivaled burst transfer rates of up to 82MB/s, up to 7200rpm (200GB drive), silent fan-free operation and built-in RAID 0, it's ideal for professionals who need mega mobile storage.

Item #301089–200GB | #301092–320GB

LaCie SAFE Hard Drive

Biometric Access For Private Files

- 500GB; USB 2.0
- Secure data storage for PC or Mac
- Fingerprint recognition locks/unlocks drive

Safeguard your confidential files with triple security—biometric access control; internal firmware drive lock; and a chain lock port. Register up to 5 user profiles & assign user access rights (read/write or read only).

#301087–500GB

LaCie SAFE Mobile Hard Drive

Secure Portable Storage

- 120GB, 160GB; USB 2.0-powered
- Biometric (fingerprint) access control
- Internal firmware drive lock

Safely store and transport private data on this easy-to-use, plug & play hard drive with fingerprint access. This level of security is ideal for parental control at home, protecting intellectual property and safeguarding files on the road.

Item #300817–120GB | #301206–160GB

LaCie SAFE Mobile Hard Drive with Encryption

Biometric Access & Hardware Encryption

- 160GB; USB 2.0-powered
- Biometric (fingerprint) access control
- Hardware encryption for automatic file encoding

Offering the ultimate in portable storage security for your highly confidential files, this “data safe” locks away your files with impenetrable hardware encryption, making corruption or theft impossible. This plug & play hard drive is USB 2.0-powered for true portability.

Item #301245–160GB
(not sold in Europe)

d2 Design by Neil Poulton

LaCie d2 SAFE Hard Drive

Maximum Security For Confidential Files

- 500GB, 1TB
- FireWire 800, FireWire 400, USB 2.0
- Biometric access & AES 128-bit hardware encryption

This high-performance d2 drive comes with fingerprint access, hardware encryption, and a chain lock port. Files are guarded by the highest security level recognized by the US NIST. Simply touch the sensor to lock it when you leave your desk and swipe to unlock it when you return.

Item #301114-500GB | #301234-1TB

d2 Design by Neil Poulton

LaCie d2 Quadra Hard Drive

Quadruple Interface For Professional Use

- 320GB, 500GB, 750GB, 1TB
- eSATA, FireWire 800, FireWire 400 & USB 2.0
- Stack, rackmount or stand upright

The d2 Quadra delivers complete universal connectivity, fast burst transfer rates (up to 80-90MB/s), triple-level power management, and bootability. The LaCie Shortcut Button allows you to easily launch any application with one push, such as the included software EMC Retrospect® Express for PC or Mac.

Item #301108-320GB | #301110-500GB | #301109-750GB | #301224-1TB

LaCie Big Disk Extreme+

Professional Storage With Advanced Features

- 1TB, 1.5TB, 2TB
- FireWire 800, FireWire 400 & USB 2.0
- LaCie Shortcut Button: application launch in 1 push

This high-capacity hard disk offers a transparent, built-in RAID 0 array with no configuration for fast FireWire 800 speed and triple interface universal connectivity. Advanced features for professionals include Triple Power Management, a 32MB cache, a thermo-regulated quiet smart fan, and EMC Retrospect® advanced backup and data restoration software (Windows/Mac).

Item #301199-1TB | #301200-1.5TB | #301201-2TB

d2 Design by Neil Poulton

d2 Design by Neil Poulton

LaCie Bigger Disk Extreme with Triple Interface

Ultimate Connectivity & Capacity

- 2TB
- FireWire 800, FireWire 400 & USB 2.0
- Burst transfer rate up to 80-90MB/s

Offering the largest storage capacity available at up to 2TB, a built-in RAID 0 array for extreme FireWire 800 speed, and the fastest throughput via FireWire 800, this plug & play drive is the ultimate choice for audio/video pros or anyone needing massive capacity.

Item #300801-2TB

d2 Design by Neil Poulton

LaCie Big Disk USB 2.0

The Most Powerful USB Drive of Its Size

- 1TB
- Quiet, heat-dissipating d2 design
- Versatile: stack, rack or stand upright

This compact, plug & play drive can reach capacities of up to 1TB, making it ideal for affordably archiving 2D and 3D image banks, easily storing enormous amounts of graphics or video files and even backing up or exchanging multiple workstations.

Item #300966-1TB

d2 Design by Neil Poulton

LaCie d2 eSATA II Hard Drive

Blazing-Fast 3Gbits/s Bus Speed

- 320GB, 500GB
- Safe, quiet, heat-dissipating d2 design
- Ideal for large-volume backup & audio/video editing

This new speedster boasts a burst transfer rate of up to 80-90MB/s. Twice as fast as SATA I and PATA, eSATA II is the fastest high-bandwidth interface available (up to 300MB/s per bus)—perfect for data intensive applications and RAID 0 and 1 projects.

Item #301241-320GB | #300976-500GB

- Full-featured, integrated calibration solution
- 12-bit gamma correction for smooth color gradients

A perfect match for graphics pros, this 20" monitor has a uniformity-enhanced A-TW-IPS LCD panel, which delivers a CRT-grade 72% NTSC gamut and high brightness. It offers a full range of ergonomic adjustments and comes with blue eye pro calibration software (bundled colorimeter available), PivotPro software, and the easyHood.

Item #130734 | #130735—with blue eye pro colorimeter

LaCie blue eye pro

The Right Colors in a Single Click

- Automatic hardware calibration & ICC Profiling
- Timesaving Test & Report function
- One-click colorimetric environment switching

Ensure color consistency throughout your workflow with this one-click hardware calibration and ICC Profiling solution, which connects via USB. It's specifically designed for graphics professionals using LaCie's 300/500 Series monitors.

Item #130767

LaCie blue eye 2

Accurate LCD & CRT Color Rendering

- Automatic ICC Profiling
- Timesaving Color Evaluation tool
- Manual hardware calibration for LCDs & CRTs

This complete monitor calibration tool ensures accurate color rendering. Manual hardware calibration of White Point Temperature, Gamma, and Brightness settings can easily be performed and you can verify monitor settings and recalibrate if necessary.

Item #108514 | #108456 (Europe)

LaCie Rugged Sleeves

- Set of 3 for mixing and matching
- Removable rubber sleeves for your Rugged
- Green-grey, blue-grey & black

Item #130752

LaCie Imatumi Media Reader

USB 2.0 Universal Media Drive

- Cross-platform, plug & play

- Reads/writes to the most popular digital media

This USB bus-powered multi-format media reader/writer supports the most popular types of digital media, including SD Card™ and xD-Picture Card™ (conventional card, Type M), without the need for adapters.

Item #108618

LaCie Floppy Disk Drive

USB 2.0 Bus-Powered

- Thin, pocket-sized, portable
- Hot-pluggable for Windows & Mac
- Convenient: plug & play, AC adapter-free

Millions of users still have the habit of and the need for using diskettes, which are removable, compact, cost-effective and easy-to-use. Take your data with you wherever you go. This plug & play drive draws all the power it needs from its Hi-Speed USB 2.0 connection.

Item #706018

LaCie SATA II 3Gbits/s PCI-X Card 4E

Designed For LaCie Two Big or
Biggest S2S

- 4 eSATA ports for fast SATA II performance
- Hot plug/unplug hardware support
- Compatible with Windows XP, 2000 / Mac OS X

Connect a LaCie Two Big or Biggest S2S to your computer with this easy-to-install PCI-X card, which supports eSATA hot plug/unplug, Native Command Queuing (NCQ), port multiplication and PC bootability.

Item #130741

LaCie SATA II 3Gbits/s PCI-Express Card 4E

4 eSATA Ports For Fast Performance

- Compatible with LaCie Biggest S1S, Biggest S2S, Two Big & d2 eSATA II 3Gbits Hard Drive
- Hot plug/unplug hardware support
- Easy to install on computers with PCI-Express

Get fast SATA II compatibility at an affordable cost with this PCI-Express card with 4 eSATA ports. Connect up to four devices to your PC or Mac simultaneously.

Item #130743

LaCie SATA II 3Gbits/s PCI-Express Card 2E

2 eSATA Ports For Fast Performance

- Compatible with LaCie Biggest S1S, Biggest S2S & d2 eSATA II 3Gbits Hard Drive
- Hot plug/unplug hardware support
- Easy to install on computers with PCI-Express

Upgrade your computer to fast SATA II compatibility at an affordable cost with this PCI-Express card, which supports eSATA hot plug/unplug, Native Command Queuing (NCQ), port multiplication and PC bootability.

Item #130742

LaCie FireWire 800 PC Card

Add FireWire 800 To Your Laptop

- Easy plug & play installation
- Download digital data
- PC & Mac compatible

With two FireWire 800 ports and one FireWire 400 port, connect a variety of high-speed FireWire devices. With hot-plugging, you can swiftly disconnect devices, instantly freeing your laptop for extended portability.

Item #707790

LaCie eSATA PCI Card

Add High-Speed SATA Connectivity

- Power your LaCie SATA hard drives
- Two eSATA ports for your PC or Mac
- High interface transfer rate up to 1.5Gbits/s

Connect your SATA devices to your computer with this easy-to-install card, which supports SATA II NCQ and RAID 0/1. SATA provides bandwidth high enough to handle the most demanding applications and environments.

Item #710372

LaCie FireWire 800 PCI Card

Add FireWire 800 To Your Computer

- Easy plug & play installation
- Download digital data
- PC & Mac compatible

Three additional external FireWire 800 ports let you quickly attach FireWire devices such as hard drives, CD and DVD drives, DV camcorders and scanners, and take advantage of superior speed.

Item #711789

LaCie FireWire 400 PCI Card

Add Internal & External FireWire Ports

- FireWire transfer rates of up to 400Mbps/s
- Download video from your camcorder
- Plug & play convenience

Three additional external FireWire ports let you quickly attach FireWire devices such as hard drives, CD and DVD drives, DV camcorders and scanners.

Item #107355

LaCie USB 2.0 PCI Card

Add USB 2.0 To Your Computer

- Interface transfer rate up to 480Mbps/s
- Hot-pluggable, plug & play
- OHCI, EHCI & PCI standards compliant

Quickly and easily add four external USB 2.0 ports to your computer, and connect Hi-Speed USB 2.0 devices such as CD, DVD and hard drives, with advanced speed.

Item #107435
