FRBC

your gateway
to **France**

What is more breathtaking than an early morning at Chantilly training centre, watching your horses in a calm atmosphere, surrounded by space and beauty? Maybe a foggy morning at **Pau** training centre at the foot of the Pyrénées mountains. An Arc day in **Longchamp** is unique. Have you ever been to **Cagnes sur Mer**? This racecourse by the seashores is a must-see that offers sunshine all year long. You know Goldikova's breeding home: Normandy. Have you ever been to Appel au Maître's one in the West of France?

**Let us open for you the doors of France,
the racing and breeding dreamland!**

AB Trav och Galopp, ATG, startade sin verksamhet 1 januari 1974 och driver sin verksamhet på grundval av avtal mellan svenska staten å ena sidan samt STC-SG å andra sidan. I bolagets styrelse utses sex ledamöter inkl ordföranden av regeringen medan fyra nomineras av STC och en av SG. Därutöver finns även en personalrepresentant.

ATG har att verka för att trav- och galoppporten inom landet skall kunna bedrivas på ett sådant sätt att de långsiktiga förutsättningarna för sportens utveckling tryggas inom de av statsmakterna angivna ramarna. ATG anordnar vadhållning till trav- och galopptävlingar, dels som banspel genom avtal med banorna, dels som förtidsspel genom ombud.

ATG beslutar bl a om dag och plats för tävlingsdagar med totalisatorspel samt om vilka spelformer som får förekomma.

ATG antar för samtliga spelformer de vadhållningsbestämmelser som skall tillämpas. ATG fördelar genom fördelningsskalor medel från totalisatorspel till banorna samt lämnar därutöver olika centrala anslag till prispengar i framför allt V75- och DD-lopp, till uppfödar-, unghäst- och tränarpremier, etc.

ATG skall samverka med banorna betr banornas budgetar, så att bolaget dels erhåller erforderlig information för de beslut som skall fattas om resursfördelning, m m, dels kan göra den bedömning av banornas ekonomi som erfordras i regeringens tototillstånd till ATG.

Racing Clearance Notification

Vid utförelse av häst för tävling, till annat land än Danmark och Norge, åligger det tränaren att senast 3 dagar före startanmälningsdagen kontakta Svensk Galopp för utfärdande av sk **Racing Clearance Notification** (RCN). RCN ersätter den tidigare viseringen för tävlingshästar.

Deadline för erhållande av RCN varierar länderna emellan. Frankrike: 3-4 dagar före loppet. Tyskland 2-3 dagar före loppet. England: kl 10.00, 24 eller 48 timmar före loppet (beror på typ av lopp).

För övriga länder, kontakta Svensk Galopp för information. Hästen får ej starta utan att RCN skickats. För hästar ej i träning samt avelsdjur som ska gå tillfälligt utomlands gäller fortfarande att Svensk Galopp ska visa passet.

Import av hästar

För import till Sverige erfordras följande handlingar:

- ✓ Registreringsansökan "Ansökan om registrering av importerad häst" (blankett finns hos Svensk Galopp)
- ✓ Exportcertifikat
- ✓ Ägarregistrering (om ägaren är ny)

Anmälan till löpning i Sverige

Vid anmälan erfordras:

- ✓ Registrerade hästägarfärger
- ✓ Fullständiga resultat
- ✓ Anmälan i träning
- ✓ Kompletta ägaruppgifter

En anmälan som innehåller ofullständiga uppgifter om hästens ägare, färger, tränare, vaccination och eventuellt startförbud placeras sist på anmälningslistan. Är dessa uppgifter korrekta senast dagen före tidpunkt för viktsättning, kommer hästen att föras in på poänglistan.

Startanmälan sker senast kl. 09.30 på startanmälningsdagen om inget annat meddelas. Alla startanmälda hästar är definitivt anmälda. För hästar som startanmäls till mer än en löpning måste prioritetsordning anges och den får inte ändras. För häst som tas bort efter kl. 09.30 debiteras tränaren en avgift om 500 kr. Detsamma gäller om häst flyttas till öppnad löpning från en löpning som den vid ordinarie startanmälningsstidens utgång kommit med i.

Anmälan till löpning utom Skandinavien

Anmälan samt eventuell strykning av anmäld häst till löpning utom Skandinavien ska ske via Svensk Galopp.

Anmälan ska innehålla:

- ✓ Land
- ✓ Bana
- ✓ Datum
- ✓ Loppnummer samt löpningens namn
- ✓ Häst
- ✓ Senaste start
- ✓ Tränare

Anmälan till löpning utom Skandinavien ska vara Svensk Galopp tillhanda senast tre arbetsdagar före anmälningstidens utgång, detta för att säkerställa att anmälan når respektive utländsk organisation i tid.

Startanmälan till utlandet ska göras till Svensk Galopp senast arbetsdagen före startanmälningstidens utgång.

Tränare som startat hästar utanför Skandinavien ska ovillkorligen före nästa anmälan inlämna fullständig "formrad" till Svensk Galopp. Om formraden ej inlämnas får hästen ej startanmälas.

Om hästen startar mellan anmälan och startanmälan i utlandet ska detta ovillkorligen meddelas Svensk Galopp.

Anmälan av häst tränad utanför Sverige

Vid anmälan av häst tränad utanför Sverige ska vid anmälan till svenska löpningar alltid uppgift om senaste start, fullständiga ägaruppgifter samt hästfärgfärger lämnas.

Om hästen startar mellan anmälan och startanmälan i utlandet ska detta ovillkorligen meddelas Svensk Galopp.

Vaccinationsregler

SG har anpassat sina vaccinationsbestämmelser till de bestämmelser som Danmark, Frankrike, Irland, Italien, Norge, Storbritannien och Tyskland har antagit.

För att en häst skall vara startberättigad, eller få tränas på en galoppbana, eller få vistas i permanent stall eller gäststall på bana krävs att nedan angivna vaccinationer A och B har gjorts och att vaccinationsprogrammet fullföljs.

Vaccination A bör ej ges förrän hästen är minst 6 månader gammal

Vaccination B 21-92 dagar efter A

Vaccination C 150-215 dagar efter B

Därefter sker **revaccination** med högst 12 månaders intervall.

Vid utebliven vaccination ges vaccination A.

Observera att detta är minimikraven.

SG kan vid risk för influensautbrott besluta om ett tätare intervall, vilket även de uppräknade länderna ovan kan göra. I Tyskland kräver man revaccination var 9:e månad för hästar som tränas där, men för gästhästar accepterar man upp till 12 månaders intervall.

Karenstiden i Sverige för influensavaccin är 96 timmar, men man rekommenderar att inte utsätta hästen för hård ansträngning veckan efter vaccination. I flera EU-länder är det förbjudet att starta häst 7 dygn efter att den vaccinerats.

Försäkringar

Detta är en kortfattad beskrivning av det försäkringsskydd som du har under din verksamhet inom galoppporten.

Svensk Galopp (SG) har ett samarbete med Aon Sweden AB, försäkringsmäklare, samt försäkringsgivaren If.

Ansvarsförsäkring

Försäkrad verksamhet

Försäkringen omfattar tränings- och tävlingsverksamhet samt annan skötsel, som arrangeras av SG i Sverige. Försäkringen omfattar även ponnygalopp i samband med ordinarie tävlingsdagar på Täby, Jägersro, Strömsholm, Blommeröd och Göteborg Galopp.

Omfattning

Försäkringen gäller för skadestånd som uppkommer vid tränings- och tävlingsverksamhet med SG:s registrerade hästar.

Försäkringen gäller inom Norden.

Om skadeståndsskyldighet föreligger skall ersättning inte utgå ifrån annan försäkring i detta försäkringsbrev.

Vid skadeståndskrav som kan omfattas av försäkringen och som överstiger avtalad självrisk åtar sig Länsförsäkringar Stockholm att:

- ✓ utreda om skadeståndsskyldighet föreligger,
- ✓ förhandla med den som kräver skadestånd,
- ✓ föra den försäkrades talan vid rättegångs- eller skiljemannaförfarande, och därvid betala rätt-

tegångs- eller skiljemannakostnader som den försäkrade åsamkas eller åläggs att betala och som denne inte kan få ut av motparten eller annan, samt

- ✓ betala det skadestånd som den försäkrade är skyldig att erlägga.

Försäkringsbelopp

Person- och sakskada - 10.000.000 kr

Försäkringsbeloppet utgör 10.000.000 kr per skada och totalt 20.000.000 per försäkringsår.

Självriskén är 5% av basbeloppet (2003 är basbeloppet 38.600 kr) vid skadetillfället. Förhöjd självrisk till 100% av basbeloppet vid sakskada på annans häst till följd av kollision mellan galoppekipage på galoppbana i samband med galopptävling.

Försäkringen gäller för skadestånd som uppkommer genom den försäkrade verksamheten.

Hästdrulleförsäkring

Försäkrad verksamhet

Försäkringen omfattar tränings- och tävlingsverksamhet samt annan skötsel, som arrangeras av SG i Sverige.

Försäkringen omfattar även ponnygalopp i samband med ordinarie tävlingsdagar på Täby, Jägersro, Strömsholm, Blommeröd och Göteborg Galopp.

Omfattning

Försäkringen omfattar skador som orsakats av SG registrerad häst genom plötslig och oförutsedd händelse inom Sverige.

- ✓ skada på egendom, inkl häst.

Försäkringsbelopp

1. Hästskada och skada på egen egendom per galoppekipage och skada - 1 basbelopp.
2. Skada på annans egendom, dock ej häst - 3 basbelopp.
3. Skada på annans häst - 1 basbelopp (*).

(*) Avser skada till följd av kollision mellan galoppekipage på galoppbana i samband med galopptävling.

Ersättning vid varje skada beräknas enligt dagsvärdesprincipen. Härmed avses marknadsvärdet vid skadetillfället. Kan inte detta fastställas utgör dagsvärdet nyanskaffningsvärdet, med avdrag för värdeminskning genom ålder, slitage, omodernitet, minskad användbarhet och annan omständighet.

Ersättning för skada på SG registrerad häst av-

ser veterinärvårdskostnad och/eller hästens värde eventuellt dödsfall. Vid varje dödsfall ska SG registrerade hästar undersökas av veterinär för att klargöra dödsorsaken.

Detta försäkringsmoment ersätter ej bl a sjukdom som drabbar häst. Traditionell hästförsäkring bör därför tecknas för hästen.

Självriskén är 5% av basbeloppet.

Anmälan om skador ska göras så snart som möjligt till Svensk Galopp:

Webbtjänsten

Via Svensk Galopps hemsida (galoppssport.se) har alla svensk licensierade tränare möjlighet att anmäla hästar till vanliga lopp samt insatslopp i Sverige. Härifrån kan man även stryka häst ur insatslopp. Ansökan om behörighet till tjänsten görs hos Svensk Galopp. Har du frågor eller problem med tjänsten, t ex lösenord, ska du i första hand vända dig till Margareta Östgård Svennehed, tel 08-627 20 15, e-post:

margareta.ostgard@galoppssport.se

TDS (Tränardebiteringssystem) för proffstränarna. På denna tjänst kan tränarna bli själva debitera sina hästägare. Frågor om eller behörighet till TDS på webbtjänsten, kontakta Stina Swartling på ekonomavdelningen, 08-627 22 18.
