AB Trav och Galopp, ATG, startade sin verksamhet 1 januari 1974 och driver sin verksamhet på grundval av avtal mellan svenska staten å ena sidan samt ST-SG å andra sidan. I bolagets styrelse utses sex ledamöter inkl ordföranden av regeringen medan fyra nomineras av ST och en av SG. Därutöver finns även en personalrepresentant.

ATG har att verka för att trav- och galoppsporten inom landet skall kunna bedrivas på ett sådant sätt att de långsiktiga förutsättningarna för sportens utveckling tryggas inom de av statsmakterna angivna ramarna. ATG anordnar vadhållning till svenska och utländska trav- och galopptävlingar, genom spel på banor, hos ombud samt via www.atg.se.

Alla anmälningar, startanmälningar och strykningar till löpningar i Sverige, som inte hanteras via Sportsystemet, skall mailas till: sport@galoppsport.se

ATG beslutar bl a om dag och plats för tävlingsdagar med totalisatorspel samt om vilka spelformer som får förekomma.

ATG antar för samtliga spelformer de vadhållningsbestämmelser som skall tillämpas. ATG fördelar genom fördelningsskalor medel från totalisatorspel till banorna samt lämnar därutöver olika centrala anslag till prispengar till uppfödar-, unghäst- och tränarpremier, etc.

ATG skall samverka med banorna betr banornas budgetar, så att bolaget dels erhåller erforderlig information för de beslut som skall fattas om resursfördelning, m m, dels kan göra den bedömning av banornas ekonomi som erfordras i regeringens tototillstånd till ATG.

Håkan mobil

Tränare med hästar i träning i Sverige 2012

För tränare som har lämnat dessa uppgifter har tillförts ställföreträdare, e-postadress och hemsida. Efter träningslistorna följer ett alfabetiskt sökregister (gemensamt för hästar i skandinavisk träning). **P** står för professionell tränare och **A** för amatörtränare. E-postadress och hemsidesadress har satts i *kursiv stil* till höger under mobiltelefonnumret. Som nyhet för 2012 har införts aktuella FT (formtal) för hästar för vilka sådana har varit tillgängliga (utarbetade av Skandinavien officiella generalhandikapper Pam Cordrey, Danmark). Som regel har för 2012 års upplaga av GalopplInfo, endast ett telefonnummer angivits, och det viktigaste har då ansetts vara mobilnumret. Redaktionen avslutad per den 2012-04-25.
