TIPS & TECHNIQUES

POST-IT NOTE FOR EASY DRILLING CLEANUP

When drilling into drywall, stick a Post-it underneath where you are drilling. Fold the Post-it in a V to catch all the drilling dust for little or no mess! (from *lifehacker.com*)

NATURAL ROACH REPELLENT

Mix a handful of cloves with a handful of epsom salts in a shallow dish. Place this in the cockroaches' favorite hiding spots: dishwashers, sinks, washing machines. A few drops of clove oil in corners and cupboards should help keep them away, too! (from *homelife.com.au*)

SANDPAPER OPENS STUCK JAR

For stuck jars that are difficult to open, wrapping sandpaper around the lid may provide enough traction for you to open the jar! (Others have also recommended wrapping rubber bands around the lid for traction.)

- Extra thick 3-mil bags for heavy-duty contractor use

REMOVING CARPET STAINS

Spray the stained area with a mixture of 1/4 part white vinegar to 3/4 parts water. Lay a damp towel over it, and iron with a hot iron set on the steam setting.

You can also remove candle wax on carpet. Lay a few paper towels over the waxy area. Iron over it with an iron set to a warm setting. The wax should melt enough to be absorbed by the paper towels.
