

What is G.A.I.N.?

G.A.I.N. stands for **Getting Arizona Involved in Neighborhoods**. **G.A.I.N.** is Arizona's answer to National Night Out (NNO), which is held in August. Because of the soaring temperatures in August, communities statewide decided to observe NNO in October and call it **G.A.I.N.** October is also Crime Prevention month. **G.A.I.N.** is a day of celebration for the successes of crime prevention through community involvement.

Party Planning & Event Tips

The Phoenix Police Department would like to assist you with hosting a successful G.A.I.N. event and increasing your attendance. The following tips are being provided to help:

Block Watches, apartment complexes, neighborhood groups, schools, parks, businesses, etc. across Phoenix participate in events to:

- ◆ Show support for the efforts of those involved in the fight against crime.
- ◆ Heighten crime and drug prevention awareness.
- ◆ Generate support for, and participation in local anti-crime programs.
- ◆ Strengthen neighborhood spirit and encourage police-community partnerships .
- ◆ Send a message to criminals letting them know that neighborhoods are organized and fighting back.

The success of G.A.I.N. depends on you!

G.A.I.N. is also a day for the Phoenix Police Department to show their appreciation for those in the community that support our efforts in the day to day fight against crime. It's not too early to start thinking of ways you can help make **G.A.I.N.** a successful event.

Planning

- Ask individuals in person for help
- Your event doesn't have to be huge or elaborate...
- Get more people in your event by asking them to help-divvy up the workload...it is a "neighborhood" event
- Think about times of the day for the event (Community Breakfast or evening movie?)
- Flyers for your event
- People who help plan may have connections with neighbors you don't know; they may draw new people to the event
- What are you going to need: tables, chairs, ice chests, canopies...
- Tailor your event to the people living on your block (For example, if you have a lot of little children, plan activities that will be interesting to young kids and their parents)
- Don't be afraid to contact local businesses- the answer is "no" unless you ask
- Are you going to need barricades or to block off a street? (Information regarding closing off a street or obtaining barricades:
<http://phoenixlogv/streets/index.html> or call Street Transportation Department at (602) 534-5369
- Are you thinking about having your event at a local park? Please review the rules & regs for park use at: <http://phoenix.gov/parks/parks/rules/index.html> or call Parks and Recreation Department at (602) 262-6862

Inviting

- Invite all neighbors well in advance and in person. People are much more likely to participate when asked in person instead of reading about the event in a flyer or e-mail message
- Invite the owner/managers of rental property on your block. Ask them to invite their tenants
- Encourage involvement from businesses on or near your neighborhood
- Create or update your neighborhood block map. Tell everyone that the new maps will be available at your event
- Extend your event to invite a nearby street. Everyone will meet new neighbors and effectiveness of your block watch/GAIN event will spread
- Many businesses will come out and participate in your event - but you need to ask early!

At Your Event

- Start the event by having kids (with adult supervision) go door-to-door to remind neighbors, particularly households that haven't attended in the past
- Utilize any of the give-a-ways and materials provided - you may need to make copies
- Encourage everyone to bring their own chairs
- Remember garbage cans...what about recycling?
- Don't forget ice...the last few events have been quite warm!!

Things to do at Your Event

- Have an ice breaker to introduce everyone
- Name tags are quite helpful!
- Display photos from past parties/ events
- Skill swap
- Chili Cook-off or Salsa contest!
- A neighborhood garage sale
- Dessert competition
- Talk about crime prevention and keeping an eye on each other's property
- Establish a block watch if you don't already have one
- Introduce the Block Watch Captains and Co-captains
- Welcome new residents
- Conduct home security inspections

- Pass out literature and any give-a-ways that you received from the kick-off event
- Hang out and enjoy everybody's company!
- Pot luck is a great way to meet people and try new food

Activities for Youth

- Bicycle parade
- Chalk art/make a mural or banner
- Face painting
- Games
- Snow Cones
- Finger painting
- Inflatable bouncy
- Water balloon toss
- Pumpkin decorating
- Scavenger hunt
- Be creative!

Contribute to Your Community

- Beautify a common area
- Collect food/donations for a charity

- "Neighbor helping neighbor" projects
- Plan your next event or meeting
- Pass out literature and any give-a-ways that you received from the kick-off event
