Feature highlights:

- 3.5" colour TFT display with award-winning user interface
- Touch wheel for fast directory scrolling
- Up to 12 SIP accounts
- Exceptional HD sound with HDSP™¹
- MP3 ringtones
- Headset connection: corded
- Gigabit Ethernet (10/100/1000) with 2-port switch
- Integrated power over Ethernet
- XML browser² and Info Center: weather, RSS and more
- Classic PBX calling features³
- Direct dialing of Microsoft Outlook™ contacts via PC⁴
- Local network directories and public online directory¹
- SRTP/TLS encryption
- Professional zero-touch auto-provisioning setup³
- Certified hearing aid compatible⁵
- Energy-saving ECO features

Outstanding display with user interface.

The intuitive, icon-based user interface on the illuminated 3.5" colour display grants access to the DE700 IP PRO's contact and call management options. Special features include a customizable screensaver and slideshow, an animated menu and address book, and a caller time zone indicator.

Easy and convenient navigation.

Quick and ergonomic, the 5-way touch wheel simplifies navigation on the DE700 IP PRO, with a high-performance processor for real-time speed on address book browsing and other premium features.

Easy expandability options.

Simple to connect, the optional Gigaset Expansion Module enlarges the DE700 IP PRO by an additional 14 programmable keys with dual-coloured LED.

Straightforward setup and auto-provisioning.

Step by step wizards handle the DE700 IP PRO's complete installation and configuration. Auto-provisioning from Gigaset partners offer hassle-free remote configuration and management. Downloadable VoIP profiles guarantee an easy start.

Professional HD sound.

Exceptional HDSP™¹ sound on the DE700 IP PRO adds business efficiency: superb and clear wideband audio technology makes calls sound like face to face meetings.

Gigaset pro

INSPIRING CONVERSATION.

DE700 IP PRO

The perfect IP phone for SMBs.
