

DA HENRIETTA

by ITALIAN SUPPER CLUB

THE RESTAURANT

Following the success of Adriatica Ristorante, in Venice, the Experimental Group and Italian Supper Club have extended their partnership in London London.

Italian Supper Club founders Silvio Pezzana and Toto Dell'Aringa will now bring their trademark flair and energy to the Henrietta Hotel's ground floor restaurant.

Da Henrietta will take guests on an experimental journey along the Italian West Coast, with a menu and a wine list inspired by the rich cuisine of Liguria, Toscana, Lazio, Basilicata, Campania and Calabria.
