5-Piece Multichannel Music and Home Theater Speaker System

The Infinity Primus™ Theater Pack is a 5-piece home theater loudspeaker system that includes four identical satellite speakers and a matching center channel. The Primus Theater Pack is ideal for reproducing home theater and multi-channel audio programs. The satellite speakers can be placed on shelves or wall-mounted. Add an Infinity powered subwoofer (optional), with its thunderous, tight, clean bass, to reproduce the full impact and realism of today's music and movie soundtracks.
