

## Linksys PLSK400 | Powerline AV 4-Port Network Adapter Kit

Use your existing electricity sockets to connect up to four wired devices like your HD-TV, game console, Blu-ray player or computers to your home network.

### Ideal for:

- Transforming an electricity socket into a network connection
- Connecting up to 4 wired devices to your home network
- Enjoying online entertainment and online game play

### Key features:\*

- Ready for HD streaming with transfer speeds up to 200 Mbps\*
- Plug and play using existing electrical outlets to connect to your network
- Device pairing at the push of a button with no software required
- Four Ethernet ports to connect devices

For the ultimate entertainment experience and optimal network performance pair with any Linksys E-Series router or Linksys X-Series modem router.

# Linksys PLSK400 | Powerline AV 4-Port Network Adapter Kit

## High speed

Ready for HD video streaming with transfer speeds up to 200Mbps\*.

## Universal connectivity

Connects to any device with a network port.

## Easy setup

Simply plug the adapters into the wall for connectivity and transform any electricity socket into a network connection.

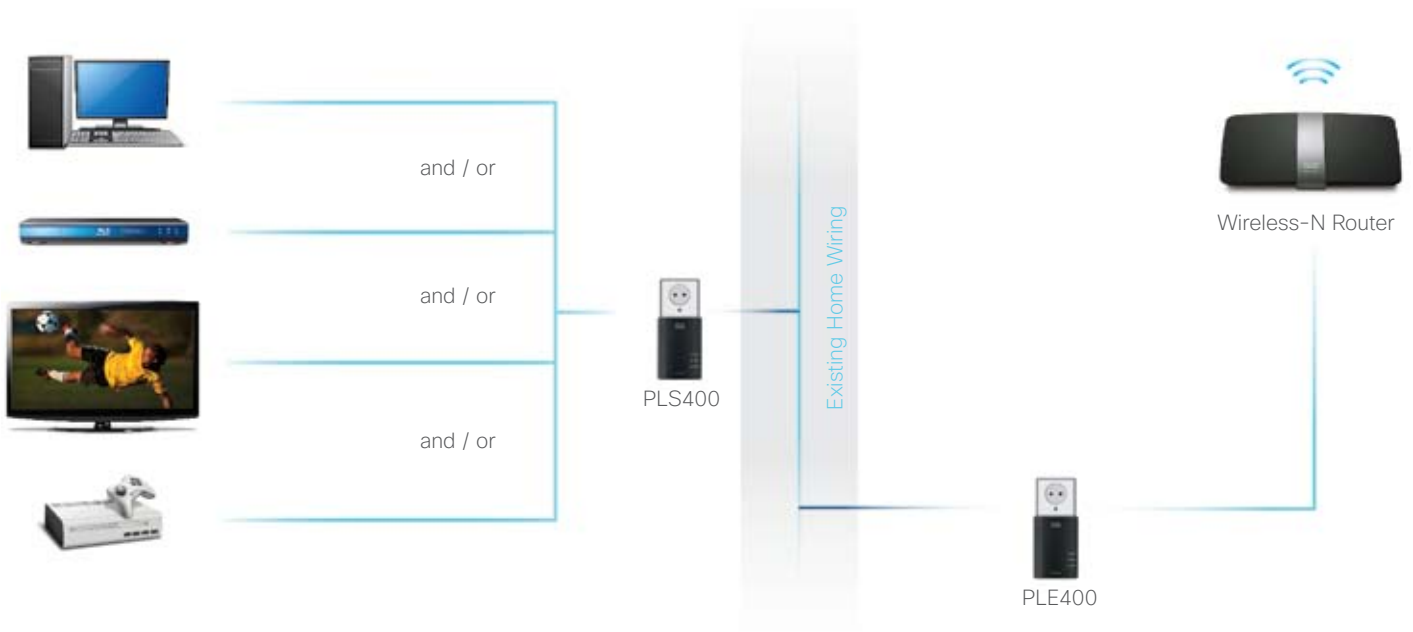

## Push button security

Device pairing at the push of a button with no software required.

## Multi-port connectivity

Connects up to four wired devices to the network like HD-TVs, game consoles, Blu-ray players or computers.

By simply plugging in the two Powerline adapters to your home network, a new internet connection is created for ethernet enabled devices

## MINIMUM SYSTEM REQUIREMENTS

PC or other device with an Ethernet network port

## PACKAGE CONTENTS

- Linksys PLE400 Powerline AV 1-Port Network Adapter
- Linksys PLS400 Powerline AV 4-Port Network Adapter
- Quick install guide
- Two Ethernet cables

## PLSK 400

## TECHNICAL SPECIFICATIONS

Model	Linksys PLSK400
Technology	HomePlug AV 200Mbps
Ports	4 x 10/100 (PLE400) 1 x 10/100 (PLS400)
Setup	Push button pairing
Package dimensions (w x h x d)	24,1 x 15,9 x 8,3 cm
PLE400 product dimensions (w x h x d)	9.8 cm x 6.3 cm x 2.8 cm
PLS400 product dimensions (w x h x d)	11.8 cm x 8.1 cm x 3.5 cm
Product weight	0,630 kg
Warranty	2 year hardware limited warranty

Simply powerful

\*Maximum performance for the Powerline AV Network Adapter is derived from HomePlug Powerline Alliance Homeplug AV specification. Actual performance can vary, including lower powerline network capacity and data throughput rate. Performance depends on many factors, conditions and variables, including volume of network traffic, home wiring construction, operating system used, mix of networking products used, interference from other electrical devices, age of home wiring, wireline range and coverage as determined by wiring route or path between devices and other adverse conditions. Power outlets and electrical wiring must all be part of the same electrical system.
