CISCO™

For the ultimate entertainment experience and optimal network performance pair with any Linksys EA-Series router or Linksys X-Series modem router.

Linksys PLWK400 | Powerline AV Wireless Network Extender Kit

Use the existing electricity sockets in your home to expand the coverage of your wireless network

Ideal for:

- Transforming an electricity socket into a network connection
- Helping increase the coverage of your wireless network
- Connecting wired and wireless device to your network

Key features:*

- Transfer speeds up to 200 Mbps*
- Plug and play using existing electrical outlets to connect to your network
- Powerline adapter pairing at the push of a button with no software required
- Supports Wi-Fi Protected Setup functionality for simple wireless device paring
- One Ethernet port to connect a wired device or switch

High speed
Ready for HD video streaming with transfer speeds up to 200Mbps*.

Broad compatibility
802.11n works seamlessly with all b/g/n Wi-Fi devices**.

Easy setup
Simply plug the adapters into the wall socket for connectivity and transform any electricity socket into a network connection.

Push button security
Powerline adapter pairing at the push of a button with no software required.
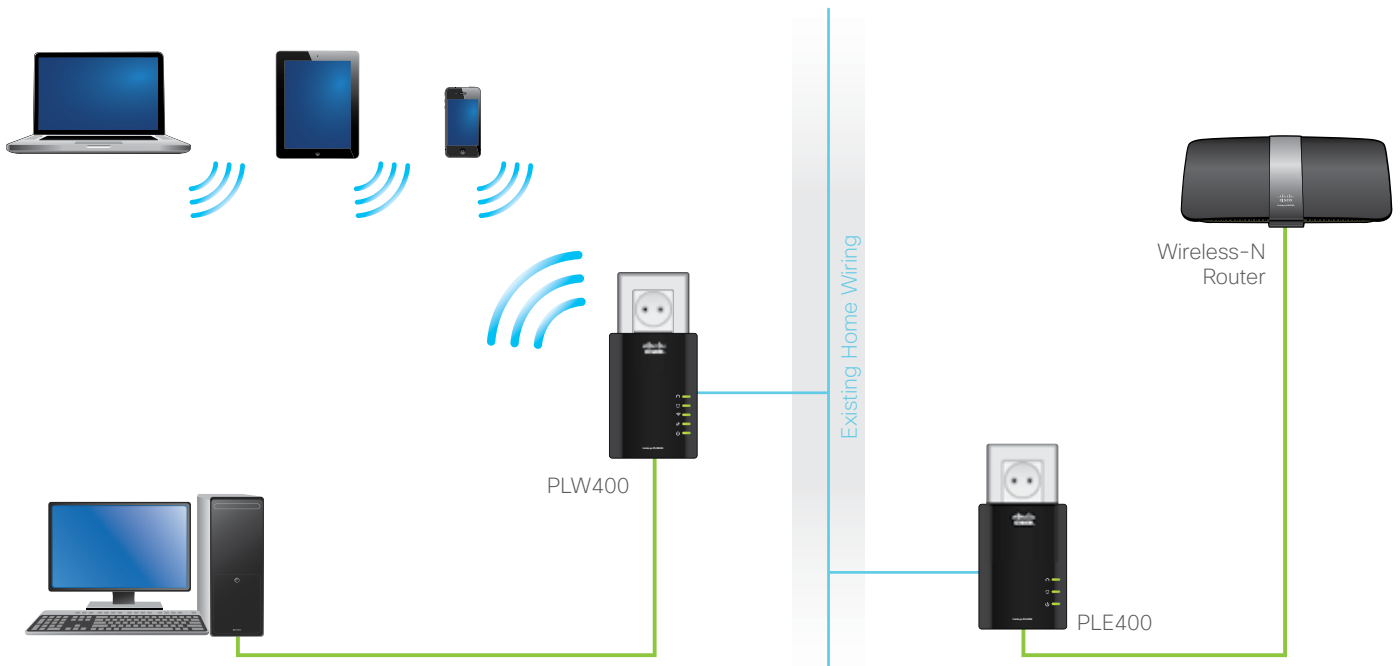

Extended home coverage
Additional wired and wireless connectivity in the home.

Wi-Fi Protected Setup ***
Wi-Fi Protected Setup makes adding wireless devices simple.

Existing Home Wiring

Wireless-N Router

PLW400

PLE400

By simply plugging in the two Powerline adapters to your home network, a new internet connection is created for ethernet enabled devices

MINIMUM SYSTEM REQUIREMENTS

- PC or other device with an Ethernet network port
- AC power sockets
- PC/Mac with CD Rom for utility or WPS Enabled Router

PACKAGE CONTENTS

- Linksys PLE400 Powerline AV 1-Port Network Adapter
- Linksys PLW400 Powerline AV Wireless Network Extender
- Quick install guide
- Two Ethernet cables

TECHNICAL SPECIFICATIONS

Model	Linksys PLWK400
Technology	HomePlug AV 200Mbps, 802.11N
Ports	1 x 10/100 (PLE400)
	1 x 10/100 (PLW400)
Package dimensions (w x h x d)	24,1 x 15,9 x 8,3 cm
PLE400 product dimensions (w x h x d)	9.8 cm x 6.3 cm x 2.8 cm
PLW400 product dimensions (w x h x d)	11.5 cm x 7.5 cm x 6.95 cm
Product weight	0,598 kg
Warranty	2 year hardware limited warranty

*Maximum performance for the Powerline AV Network Adapter is derived from HomePlug Powerline Alliance Homeplug AV specification. Actual performance can vary, including lower powerline network capacity and data throughput rate. Performance depends on many factors, conditions and variables, including volume of network traffic, home wiring construction, operating system used, mix of networking products used, interference from other electrical devices, age of home wiring, wireline range and coverage as determined by wiring route or path between devices and other adverse conditions. Power outlets and electrical wiring must all be part of the same electrical system.
